ELECTION OF DIRECTORS

Our Restated Articles of Incorporation provide that the Board of Directors consists of three classes of directors with overlapping three-year terms, and that the three classes should be as nearly equal in number as possible. One class of directors is elected each year with terms extending to the Annual Meeting held three years later. The Company's Board of Directors currently consists of fourteen members.

Four directors are standing for re-election at the 2006 Annual Meeting as Class III directors, for terms expiring at the Annual Meeting in 2009. Richard W. Hanselman, a Class III director whose term will expire at the 2006 Annual Meeting, is standing for re-election as a Class I director for a term expiring at the Annual Meeting in 2007. The four other directors in Class I and the five directors in Class II are serving terms expiring at the Annual Meeting of Shareowners in 2007 and 2008, respectively.

Proxies will be voted at the meeting (unless authority to do so is withheld) for the election as directors of the nominees specified in *Class III Nominees for Director with Terms Expiring in 2009* and *Class I Nominee for Director with a Term Expiring in 2007*, under the heading *Information as to Nominees for Director and Continuing Directors* below. If for any reason any of the nominees is not a candidate (which is not expected) when the election occurs, it is likely that either (a) proxies would be voted for the election of the other nominees and of a substitute nominee, or (b) the Board of Directors would reduce the number of directors.

BOARD OF DIRECTORS AND COMMITTEES

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

The Board of Directors manages or directs the management of the business of ArvinMeritor. In fiscal year 2005, the Board of Directors held five regularly scheduled meetings and three special meetings (held by teleconference). Each director attended at least 75% of the aggregate number of meetings of the Board and the standing and special committees on which he or she served in fiscal year 2005, except Mr. Evans, who attended one of four meetings, or 25%. (Mr. Evans was elected to the Board on May 31, 2005, and only two regularly scheduled meetings were held in the remainder of the fiscal year; he was absent from one of these meetings due to a death in the family. With respect to the special meetings, he was unable to attend, but did review the advance materials for one meeting and consult with the Chairman of the Board, Chief Executive Officer and President on his views on the subject matter prior to the meeting.) ArvinMeritor encourages each director to attend the Annual Meeting of Shareowners. Thirteen of the fifteen individuals who were then directors attended the 2005 Annual Meeting.

The Board of Directors has established independence standards for directors, which are set forth in the Company's Guidelines on Corporate Governance and are identical to the standards prescribed in the corporate governance rules of the New York Stock Exchange. The Board of Directors has adopted a written charter for the Audit Committee, which is reviewed and reassessed annually for compliance with rules of the New York Stock Exchange. The Audit Committee held four regularly scheduled meetings and four special meetings (held by teleconference) in fiscal year 2005.

The Audit Committee is charged with monitoring the integrity of the Company's financial statements, compliance with legal and regulatory requirements, and the independence, qualifications and performance of the Company's internal audit function and independent accountants. Edgar Filing: ARVINMERITOR INC - Form DEF 14A

consult with management as to the appointment and removal of the internal auditor charged with auditing and evaluating the Company's system of internal controls;

review in advance the type and presentation of financial information and earnings guidance provided to analysts and rating agencies;

establish procedures for the receipt, retention and handling of complaints regarding accounting, internal controls or auditing matters, including procedures for the confidential and anonymous submission by employees of concerns regarding accounting or auditing matters;

establish the Company's policies with respect to hiring former employees of the independent public accountants; and

review annually the Committee's performance.

As part of each regularly scheduled meeting, the Audit Committee meets in separate executive sessions with the independent public accountants, the internal auditors and senior management, and as a Committee without members of management.

Compensation and Management Development Committee. The five members of the Compensation and Management Development Committee (the Compensation Committee), James E. Marley (chairman), Joseph P. Flannery, Charles H. Harff, William R. Newlin and Andrew J. Schindler, are non-employee directors who meet the criteria for independence specified in the listing standards of the New York Stock Exchange and are not eligible to participate in any of the plans or programs that are administered by the Committee. The Compensation Committee held five regularly scheduled meetings and one special meeting (held by teleconference) in fiscal year 2005. Under the terms of its charter, the Compensation Committee has the authority to:

Environmental and Social Responsibility Committee. The Environmental and Social Responsibility Committee is composed of four non-employee directors, Rhonda L. Brooks (chairman), Joseph B. Anderson, Jr., William D. George, Jr. and James E. Marley. This Committee held two regularly scheduled meetings in fiscal year 2005. Under the terms of its charter, the Committee reviews and assesses the Company's policies and practices in the following areas and recommends revisions as appropriate: employee relations, with emphasis on equal employment opportunity and advancement; the protection and enhancement of the environment and energy resources; product integrity and safety; employee health and safety; and community and civic relations, including programs for and contributions to health, educational, cultural and other social institutions. The Committee also reviews its performance annually.

Special Committees. In fiscal year 2005, there were two active special committees of the Board of Directors.

The Oversight Committee, composed of four non-employee directors, Richard W. Hanselman (chairman), Joseph B. Anderson, Jr., Rhonda L. Brooks and Charles H. Harff, was formed to work with management on implementation of certain strategic initiatives. The Oversight Committee held five meetings in fiscal year 2005 and was dissolved by the Board in November 2005.

The Offering Committee, composed of Charles G. McClure and two non-employee directors, Charles H. Harff and Steven G. Rothmeier, was formed to approve, within stated parameters, the pricing and other terms of debt issuances that occur in the interim

NOMINATING PROCEDURES

As described above, ArvinMeritor has a standing nominating committee, the Corporate Governance and Nominating Committee, currently composed of five non-employee directors who meet the criteria for independence in the listing standards of the New York Stock Exchange. The Corporate Governance and Nominating Committee's charter is posted on our website, www.arvinmeritor.com, in the section headed Investors Corporate Governance.

The Board has adopted membership guidelines that outline the desired composition of the Board and the criteria to be used in selecting directors. These guidelines provide that the Board should be composed of directors with a variety of experience and backgrounds who have high-level managerial experience in a complex organization and who represent the balanced interests of shareowners as a whole rather than those of special interest groups. Other important factors in Board composition include diversity, age, international background and experience, and specialized expertise. A significant majority of the Board should be directors who are not past or present employees of the Company or of a significant shareowner, customer or supplier.

In considering candidates for the Board, the Corporate Governance and Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Board nominee. The Committee is guided by the membership guidelines set forth above, and by the following basic selection criteria: highest character and integrity; experience with and understanding of strategy and policy-setting; reputation for working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a director. With respect to nomination of continuing directors for re-election, the individual's contributions to the Board, as reflected in results of the most recent peer review of individual director performance, are also considered.

The Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. In fiscal year 2005, the Committee paid fees and expenses to a search firm to assist in locating Board candidates, including Messrs. Evans, Rothmeier and Schindler.

Shareowners may recommend candidates for consideration by the Committee by writing to the Secretary of the Company at its headquarters in Troy, Michigan, giving the candidate's name, biographical data and qualifications. A written statement from the candidate, consenting to be named as a candidate and, if nominated and elected, to serve as a director, should accompany any such recommendation. No candidates for Board membership have been put forward by large long-term security holders or groups of security holders for election at the 2006 Annual Meeting.

COMPENSATION OF DIRECTORS

Only non-employee directors receive compensation for Board service. Directors who are also employees of ArvinMeritor or a subsidiary do not receive compensation for serving as directors.

Retainer Fees. Non-employee directors of ArvinMeritor receive a retainer at the rate of \$45,000 per year for Board service. The Chairman of the Audit Committee receives an additional retainer of \$10,000 per year, the Chairman of the Compensation Committee receives an additional retainer of \$7,000 per year, and the Chairmen of the other two standing Board committees each receive an additional retainer of \$3,000 per year. No additional retainer is paid for service as standing committee members. In fiscal year 2005, a retainer fee of \$3,000 was paid to the Chairman, and \$1,500 was paid to each member, of the Oversight Committee.

Committee Meeting Fees. Non-employee directors receive fees of \$1,500 for attendance at each Audit Committee meeting (\$750 for each telephone meeting), and \$1,000 for attendance at each meeting of other Board committees (\$500 for each telephone meeting).

Equity-Based Awards. In fiscal year 2005, immediately after the Annual Meeting of Shareowners, each non-employee director received a grant of 4,500 restricted share units. The non-employee director elected to the Board during the period since the 2005 Annual Meeting received a *pro rata* portion of this grant. The grant to each non-employee director for fiscal year 2006 is also expected to consist of 4,500 restricted share units. Non-employee directors generally are entitled to receive dividend equivalents with respect to restricted share units.

Deferrals. A director may elect to defer payment of all or part of the cash retainer and meeting fees to a later date, with interest on deferred amounts accruing quarterly at a rate equal to 120% of the Federal long-term rate set each month by the Secretary of the Treasury. Each director also has the option each year to defer all or any

portion of the cash retainer and meeting fees by electing to receive restricted shares of Common Stock or restricted share units that could be forfeited if certain conditions are not satisfied. The restricted shares or restricted share units in lieu of the cash retainer and meeting fees are valued at the closing price of the Common Stock on the New York Stock Exchange Composite Transactions reporting system on the date each fee payment would otherwise be made in cash.

INVOLVEMENT IN CERTAIN LEGAL PROCEEDINGS

On October 1, 2001, Federal-Mogul Corporation filed a petition for reorganization under Chapter 11 of the Bankruptcy Code in the U.S. Bankruptcy Court in Wilmington, Delaware, and filed for administration in the courts of the United Kingdom. Federal-Mogul stated that the purpose of its reorganization would be to separate its asbestos-related liabilities from its operating businesses. Charles G. McClure, Jr., Chairman of the Board, Chief Executive Officer and President and a director of the Company, was Chief Executive Officer of Federal-Mogul from July 2003 to July 2004, and President and Chief Operating Officer from January 2001 to July 2003.

CORPORATE GOVERNANCE AT ARVINMERITOR

ArvinMeritor is committed to good corporate governance. The foundation of our corporate governance principles and practices is the independent nature of our Board of Directors and its primary responsibility to ArvinMeritor's shareowners. Our corporate governance guidelines are reviewed periodically by the Corporate Governance and Nominating Committee and changes are recommended to the Board for approval as appropriate. We will continue to monitor developments and review our guidelines periodically, and will modify or supplement them when and as appropriate. Our current Guidelines on Corporate Governance are posted on our website, www.arvinmeritor.com, in the section headed "Investors Corporate Governance," and paper copies will be provided upon request to the Office of the Secretary, ArvinMeritor, Inc., 2135 West Maple Road, Troy, MI 48084. Our policies and practices are summarized below.

Board Independence

Independent directors must comprise at least a majority of the Board and, as a matter of policy, a substantial majority of the Board should be independent directors. The Board has adopted criteria for independence based on the definition used in the listing requirements of the New York Stock Exchange.

The Corporate Governance and Nominating Committee reviews the independence of each director annually.

Only independent directors serve on the Board's standing committees.

Board Composition

Board nominees are screened and recommended by the Corporate Governance and Nominating Committee and approved by the full Board (see *Nominating Procedures* above for information on Board selection criteria).

Committee membership is reviewed periodically to assure that each committee has the benefit of both experience and fresh perspectives.

Committee chairmanships are normally rotated at least once every four years, with the chair of one standing committee changing each year. A director usually serves on a committee at least 12 months before becoming its chair, and a former chair normally serves on a committee for at least 12 months after retiring as chair. Exceptions are made in appropriate circumstances.

The Board has established term limits that provide that each director shall serve no more than 12 consecutive years, beginning the later of his initial election to the Board or the date of adoption of the provision (November 12, 2003). The Board, by affirmative vote of at

least 2/3 of the directors, may make exceptions to this provision in appropriate cases.

Directors should not serve on the boards of more than three other public companies, unless the Board has determined that such service does not impair the ability of the director to serve effectively.

The Guidelines on Corporate Governance establish the following expectations regarding director tenure:

Non-employee directors are required to offer not to stand for re-election if they are age 70 at the time of re-election or will reach age 70 during their new term. The Corporate Governance and Nominating Committee decides whether continued Board service is appropriate and, if so, the length of the next term.

Directors whose job responsibilities change significantly during their Board service are required to offer to resign or not to stand for re-election. The Corporate Governance and Nominating Committee reviews the appropriateness of continued Board membership.

When the Chief Executive Officer retires or resigns from that position, he is expected to offer his resignation from the Board. The Board and the successor Chief Executive Officer determine whether continued Board service is desirable and appropriate.

Key Responsibilities of the Board

The Company's long-term strategic goals and plans are discussed in depth by the Board at least annually.

The non-management directors select the Chief Executive Officer of the Company and meet at least annually to evaluate the Chief Executive Officer's performance against long-term goals and objectives established by the Compensation Committee.

Management development and succession plans are reviewed annually, including CEO succession plans.

Board and Committee Meetings

Board and committee agenda are developed through discussions with management and Board members, and are focused on business performance and strategic issues, leadership, and recent developments.

Presentation materials are generally sent to Board and committee members for review in advance of each meeting.

Directors are expected to attend, prepare for and participate in meetings. The Corporate Governance and Nominating Committee monitors each director's attendance and addresses issues when appropriate.

Non-management directors meet in private executive sessions at the end of each regular Board meeting. The chair of each of the four standing committees, on a rotating basis, chairs these meetings.

Minutes of each committee meeting are provided to each board member, and the chair of each committee reports at Board meetings on significant committee matters.

Information and data important to understanding of the business, including financial and operating information, are distributed regularly to the Board.

Board Performance and Operations

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

The Corporate Governance and Nominating Committee, which is composed solely of independent directors, is responsible for corporate governance and Board practices, and formally evaluates these areas periodically.

Each Board committee has a detailed charter outlining its responsibilities, as described above under the heading *Board of Directors and Committees*.

The Board and its committees have the authority to hire such outside counsel, advisors and consultants as they choose with respect to any issue related to Board activities. Directors also have full access to Company officers and employees and the Company's outside counsel and auditors.

To enhance Board effectiveness, the Corporate Governance and Nominating Committee conducts annual self-evaluations of the Board's performance. These assessments are made of either the Board as a whole or each individual director. Results are shared with the Board, and action plans are formulated to address any areas for improvement.

Director Education

Each new director is provided a program of orientation to the Company's business, which includes discussions with each business and functional head, background materials on the Company's financial condition and business, and a facility tour.

The continuing education process for Board members includes extensive informational materials, meetings with key management and visits to Company facilities.

Meeting agendas regularly include discussions of business environment, outlook, performance and action plans for the various business segments.

Board members may request presentations on particular topics and specific facility visits to educate them and update their knowledge as to the Company, its industry and markets, the responsibilities of directorship, and other topics of interest.

Each director is encouraged to attend educational seminars and conferences to enhance his or her knowledge of the role and responsibilities of directors.

In each fiscal year, at least one director is required to attend a director education seminar accredited by Institutional Shareholder Services. In fiscal year 2005, six directors attended such accredited seminars.

Alignment with Shareowner Interests

A portion of director compensation is equity-based and therefore tied to the Company's stock performance. Directors can also elect to receive their cash retainer and meeting fees in the form of restricted shares of Common Stock or restricted share units.

The Board has adopted stock ownership guidelines that require each non-employee director to own Common Stock with a market value equal to at least five times the annual cash retainer, effective on the later of five years after the director's initial election to the Board or November 12, 2006 (the date that is three years after adoption of the guidelines).

The Compensation Committee and the Board oversee employee compensation programs to assure that they are linked to performance and increasing shareowner value. The Compensation Committee also monitors compliance by Company executives with stock ownership guidelines. (See *Compensation Committee Report on Executive Compensation* below.)

Senior management meets regularly with major institutional investors and shareowners and reports to the Board on analyst and shareowner views of the Company.

CODE OF ETHICS

All ArvinMeritor employees, including our chief executive officer, chief financial officer, controller and other executive officers, are required to comply with our corporate policies regarding Standards of Business Conduct and Conflicts of Interest. The purpose of these corporate policies is to ensure to the greatest possible extent that our business is conducted in a consistently legal and ethical manner. The Audit Committee has oversight responsibility with respect to compliance by employees. The Board of Directors is also required to comply with these policies, and the Corporate Governance and Nominating Committee is responsible for monitoring compliance by directors.

Employees may submit concerns or complaints regarding ethical issues on a confidential basis to our Helpline, by means of a toll-free telephone call or e-mail. The Office of the General Counsel investigates all concerns and complaints. Employees may also contact the Board of Directors directly on these issues. See *Communications with the Board of Directors* below.

ArvinMeritor's ethics manual, including the text of the policies on Standards of Business Conduct and Conflicts of Interest, is posted in the section headed Investors Corporate Governance on our website (www.arvinmeritor.com). We will also post on our website any amendment to, or waiver from, a provision of our policies that applies to our chief executive officer, chief financial officer or controller, and that relates to any of the following elements of these policies: honest and ethical conduct; disclosure in reports or documents filed by the Company with the SEC; compliance with applicable laws, rules and regulations; prompt internal reporting of code violations; and accountability for adherence to the policies.

- (4) The Named Executive Officers held the following aggregate numbers of restricted shares of Common Stock at September 30, 2005, with an aggregate value (based on the closing price of ArvinMeritor Common Stock, \$16.72 per share, on the New York Stock Exchange Composite Transactions reporting system on September 30, 2005) as follows: Mr. McClure 128,390 shares, \$2,146,681; Mr. Gosnell 48,416 shares, \$809,516; Mr. De La Riva 39,431 shares, \$659,286; Mr. Donlon 55,607 shares, \$929,749; and Mr. Baker 69,289 shares, \$1,158,512. Cash dividends are paid on the restricted shares granted to the Named Executive

15

Officers in fiscal years 2005, 2004 and 2003 and, prior to vesting, these dividends are reinvested in additional restricted shares of Common Stock. These amounts include the following numbers of restricted shares that subsequently vested or were forfeited on November 22, 2005 (see footnote (7)): Mr. McClure 15,407 shares; Mr. Gosnell 24,556 shares; Mr. De La Riva 11,744 shares; and Mr. Baker 16,014 shares.

- (5) Restricted shares of Common Stock were granted to Mr. McClure on August 9, 2004. The amount in the table is based on the number of shares granted (150,000) multiplied by the closing price of ArvinMeritor Common Stock on the New York Stock Exchange Composite Transactions reporting system on the date of grant (\$18.48 per share). 100,000 of these shares are service-based: 25,000 shares vested on August 9, 2005, and the remainder will vest upon Mr. McClure's remaining in his current position through August 9, 2006 (25,000 shares) and 2007 (50,000 shares). The balance of the shares are performance-based and represent two *pro rata* awards of 35,000 and 15,000 shares that correspond to the grants described in footnotes (6) and (7), respectively, below. A portion of the 15,000 share grant vested and the remainder of the grant was forfeited on November 22, 2005 (see footnote (7)).
- (6) Performance-based restricted shares of Common Stock were granted to the Named Executive Officers (except Messrs. McClure and Donlon) on January 2, 2004. The amount in the table is based on the number of shares granted multiplied by the closing price of ArvinMeritor Common Stock on the New York Stock Exchange Composite Transactions reporting system on the date of grant (\$23.80 per share). The portion of the restricted shares that will vest at the end of the three-year restricted period depends on achieving the same levels of earnings per share growth and return on invested capital that determine payouts of cash performance awards under the 1997 Long-Term Incentives Plan (1997 LTIP) for the three-year performance period ending September 30, 2006. See *Long-Term Incentive Plan Awards* below.
- (7) Performance-based restricted shares of Common Stock were granted to the Named Executive Officers (except Messrs. McClure and Donlon) on November 22, 2002. The amount in the table is based on the number of shares originally granted, multiplied by the closing price of ArvinMeritor Common Stock on the New York Stock Exchange Composite Transactions reporting system on the date of grant (\$15.32 per share). On November 22, 2005, based on the level of achievement of specified performance goals over the three-year restricted period, 77.8% of these shares vested and 22.2% of these shares were forfeited (see *Compensation Committee Report on Executive Compensation Components of ArvinMeritor's Compensation Plans Long-Term Incentives*).
- (8) Restricted shares of Common Stock were granted to Mr. Donlon on April 20, 2005. The amount in the table is based on the number of shares granted (55,000) multiplied by the closing price of ArvinMeritor Common Stock on the New York Stock Exchange Composite Transactions reporting system on the date of grant (\$13.73 per share). Of these shares, 7,500 will vest each year upon Mr. Donlon's remaining in his current position through April 1, 2006, 2007, 2008 and 2009. The remaining 25,000 of the restricted shares are performance-based and represent a *pro rata* award that corresponds to the grants described in footnote (6) above.
- (9)

Restricted shares of Common Stock were granted to Mr. Baker on July 25, 2005. The amount in the table is based on the number of shares granted (37,500) multiplied by the closing price of ArvinMeritor Common Stock on the New York Stock Exchange Composite Transactions reporting system on the date of grant (\$18.81). These shares are service-based and will vest in three equal installments upon Mr. Baker's remaining in his current position through July 25, 2008, 2009 and 2010.

- (10) Long-term incentive payments for fiscal year 2005 were made by the Company in cash with respect to the three-year performance plan that ended on September 30, 2005. Long-term incentive payments for fiscal year 2004 were made by the Company with respect to the three-year performance plan that ended on September 30, 2004. These payments were made in cash and, in the case of Messrs. Gosnell and De La Riva, partially in the form of deferred awards of shares of Common Stock. Deferred stock awards will be delivered after the recipient's termination of employment with the Company. No long-term incentive payments were made with respect to the performance plan that ended in 2003. See *Long-Term Incentive Plan Awards* below.
- (11) This column includes (a) amounts contributed for the Named Executive Officers under the Company's employee savings plan and the related supplemental savings plan; and (b) for Mr. McClure, a special award of \$100,000 made in November 2004 (see *Compensation Committee Report on Executive Compensation - Compensation of the Chief Executive Officer - Special Award*).

Long-Term Incentive Plan Awards

The Compensation Committee made awards to key employees, including the Named Executive Officers, under the 1997 LTIP in fiscal year 2005 in the form of target awards under performance plans and performance shares.

Target Awards under Three-Year Performance Plans

In fiscal year 2005, the Compensation Committee established a performance plan under the 1997 LTIP with a three year performance period ending September 30, 2007. The Compensation Committee granted target awards, expressed as cash payments, to key employees of the

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Company and its subsidiaries, including the Named Executive Officers.

When Mr. Donlon assumed the position of Senior Vice President and Chief Financial Officer in April 2005, the Compensation Committee also made a target award to him under a three year performance plan that had been established in fiscal year 2004 with a performance period ending September 30, 2006. The amount of this target award was pro rated to reflect the fact that he would serve in that position for a portion of the performance period.

The amounts of target awards granted to Named Executive Officers in fiscal year 2005 appear in the table below.

Name	Number of Shares, Units or Other Rights (1)	Performance or Other Period Until Maturation or Payment	Estimated Future Payment under Non-Stock Price-Based Plans (1)		
			Minimum	Target (2)	Maximum (2)
Charles G. McClure, Jr.	\$ 1,250,000	10/1/04 9/30/07	\$ 0	\$ 1,250,000	\$ 3,750,000

Juan L. De La Riva	500,000	10/1/04 9/30/07	0	500,000	1,500,000
James D. Donlon, III	500,000	10/1/04 9/30/07	0	500,000	1,500,000
	330,000	10/1/03 9/30/06	0	330,000	990,000
Vernon G. Baker, II	300,000	10/1/04 9/30/07	0	300,000	900,000

(1) Potential awards for target and maximum performance are expressed as cash amounts.

(2) Amounts are stated before application of stock price change modifier, described below.

The Compensation Committee established performance objectives for each performance plan. For the performance period ending in 2007, objectives are based on the Company's total shareholder return relative to that of a selected group of other automotive suppliers. For the performance plan ending in 2006, objectives are based on targets for earnings per share growth and return on invested capital. Participants earn awards at the end of each three-year period, which may vary from 0% to 300% based on actual performance against target levels, subject to a minimum threshold for payments established by the Compensation Committee. For the performance cycle

ending in 2007, no awards will be earned unless the Company's total shareholder return meets or exceeds the minimum threshold established by the Compensation Committee, i.e., total shareholder return must be at or above the 35th percentile relative to the comparator group of automotive suppliers. For the performance cycle ending in 2006, no awards will be paid unless the Company achieves at least 5% growth in earnings per share. The award payments are further multiplied by the percentage change in the price of ArvinMeritor Common Stock over the three-year period of the performance plan, which may increase the payment finally awarded up to a maximum of 200% of the original amount or reduce it down to a minimum of 50% of the original amount. At the discretion of the Compensation Committee, payments may be made wholly or partly by delivering shares of ArvinMeritor Common Stock valued at the fair market value on the last trading day of the week preceding the day the Compensation Committee determines to make payments in the form of shares.

See *Summary Compensation Table* above for information on payments made with respect to the three-year performance plan that ended September 30, 2005.

Performance Shares

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

In fiscal year 2005 the Compensation Committee also awarded performance shares under the 1997 LTIP and established a three-year performance period ending September 30, 2007 with respect to these awards. The Compensation Committee granted potential awards, expressed as numbers of shares, to officers of the Company, including the following awards to the Named Executive Officers.

Name	Number of Shares, Units or Other Rights (1)	Performance or Other Period Until Maturation or Payment	Estimated Future Payment under Non-Stock Price-Based Plans (1)		
			Minimum	Target	Maximum
Charles G. McClure, Jr.	68,000	10/1/04 9/30/07	0	68,000	136,000
Thomas A. Gosnell	27,000	10/1/04 9/30/07	0	27,000	54,000
Juan L. De La Riva	27,000	10/1/04 9/30/07	0	27,000	54,000
James D. Donlon, III	27,000	10/1/04 9/30/07	0	27,000	54,000
Vernon G. Baker, II	16,000	10/1/04 9/30/07	0	16,000	32,000

(1) Potential awards for target and maximum performance are expressed as a number of shares of ArvinMeritor Common Stock.

The Compensation Committee established performance objectives with respect to the performance share awards based on the Company's return on invested capital over the three-year period. Participants earn awards at the end of the three-year period based on actual performance against target levels, subject to a minimum threshold for payments established by the Compensation Committee. Award payments may vary from 0% to 200% of the target award of shares, and no awards will be earned unless the Company's return on invested capital is at least 9% over the period. Awards are expected to be paid in the form of ArvinMeritor Common Stock.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation and Management Development Committee of the Board of Directors, which consists entirely of non-employee directors (see *Board of Directors and Committees* above), has responsibility for reviewing all aspects of ArvinMeritor's executive compensation and has furnished the following report.

Compensation Philosophy and Objectives

The Compensation Committee has adopted compensation policies for ArvinMeritor intended to pay for performance through meeting three fundamental objectives:

- foster the creation of shareowner value through close alignment of the financial interests of executives with those of ArvinMeritor's shareowners,

- recognize individual and team performance through evaluation of each executive's effectiveness in meeting strategic and operating plan goals, and

- create compensation systems to attract, retain and motivate the high caliber of executives necessary for ArvinMeritor's leadership and growth.

Employee Stock Ownership

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

The Compensation Committee believes the focus on pay for performance can best be achieved by aligning the financial interests of ArvinMeritor's key executives with those of its shareowners. Accordingly, it has set minimum Ownership Guidelines to be achieved and maintained. Prior to fiscal year 2005, the Ownership Guidelines required each affected employee to own Common Stock with a market value at least equal to a specified multiple of his or her salary.

In April 2005, after benchmarking the Ownership Guidelines against those of other companies and studying the intended purposes of the program, the Compensation Committee amended the Ownership Guidelines. The amendments reduce the number of employees to whom the Guidelines apply and require affected employees to own a specified number of shares of Common Stock based on his or her salary grade and position with the Company. The primary purposes of the revisions were to mitigate the effects of market volatility on the level of employees compliance and to focus stock ownership requirements on those executives in a position to affect the Company's strategies and direction. The revised Ownership Guidelines require each officer and other executive to own the following number of shares of ArvinMeritor Common Stock:

	Minimum Number of Shares Owned
Chief Executive Officer	250,000
Business Presidents and Chief Financial Officer	75,000
Other Executive Officers in Salary Grades 25 and above	50,000
Other Executive Officers	25,000
Other Executives subject to the guidelines	10,000

Shares owned directly (including restricted shares of Common Stock) or through savings plans of ArvinMeritor or Rockwell are considered in determining whether an executive meets the Ownership Guidelines. Shares subject to unexercised stock options are not considered. Unearned performance shares are included to the extent of 50% of target awards.

The Ownership Guidelines provide a transition period during which executives may achieve compliance. In general, this period ends the later of November 2006 or the date that is five years after the date the Ownership Guidelines become applicable to the executive. All ArvinMeritor executives are within the transition period for satisfying the Guidelines. As of October 31, 2005, the chief executive officer and other executive officers owned an aggregate of approximately 808,000 shares of ArvinMeritor Common Stock.

Compensation Strategy

The Compensation Committee carries out its pay for performance philosophy by tying each executive's total compensation to the performance of the Company, major business groups and the individual. Base salaries are set at a level that is competitive with major durable goods manufacturers as well as other automotive suppliers, commensurate with responsibilities and experience. Executives have an opportunity to earn additional compensation through ArvinMeritor's annual and long-term incentive plans, which provide rewards for superior performance by the individual, major business groups and the Company. A significant portion of each executive's total potential compensation is performance-based and therefore is at risk, and the value of such at-risk compensation depends on the degree of success in attaining Company, business group and individual performance objectives. The Compensation Committee considers the total compensation potentially available to each executive in establishing each element of compensation.

At the beginning of fiscal year 2005, the Compensation Committee reviewed data compiled by Towers Perrin, independent compensation consultants retained to advise the Committee and management (the consultants), from competing companies and reference data for a broader group of industrial companies with which the Company may compete for talented executives, in determining executive compensation for the year. The data reviewed included data from ten of the eleven companies included in the peer group of companies used to compare ArvinMeritor's shareowner return (see *Shareowner Return Performance Presentation* below).

The Compensation Committee believes it is appropriate to enter into agreements with executive officers relating to certain terms of their employment, to motivate key individuals to continue their services and to provide incentives to attract candidates for officer positions. The agreements with the Named Executive Officers are described under the heading *Agreements with Named Executive Officers* below, immediately following this report.

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Section 162(m) of the Internal Revenue Code provides that the Company may not deduct compensation in excess of \$1 million paid in any taxable year to the Named Executive Officers unless the compensation is performance based. Awards under the Incentive Compensation Plan and the 1997 LTIP, as currently in effect, are designed to be performance based for purposes of Section 162(m) and would not generally be subject to the limit on deductibility. However, base salaries, awards under the 1997 LTIP prior to amendments adopted in 2004, and special employment, retention and other incentive awards for certain executives (see *Agreements with Named Executive Officers* below) do not qualify as performance based compensation for this purpose. The Compensation Committee's policy is to structure compensation arrangements in a manner that will avoid the deduction limitations of Section 162(m), except where it determines that exceeding these limitations is in the best interests of ArvinMeritor and its shareowners.

Mr. McClure's non-performance based compensation in fiscal year 2005 exceeded \$1 million. (See the columns under the headings Salary, Bonus, Restricted Stock Awards, Long-Term Incentive Payments and All Other Compensation in the table under *Executive Compensation Summary Compensation Table* above.) The excess was paid in the form of cash and will not be deductible by the Company.

Components of ArvinMeritor's Compensation Plans

The primary components of ArvinMeritor's executive compensation are base salary, annual incentives and long-term incentives. Each of these components is discussed below.

Base Salary In the early part of fiscal year 2005, the Compensation Committee established the base salaries of the Company's senior executives, including Messrs. Gosnell, De La Riva and Baker, upon recommendations of Mr. McClure and ArvinMeritor's senior human resources executives. The recommended base salaries were developed based on survey data and the consultants' reports, on individual performance, on judgments as to the expected future contributions of the individual senior executives, and on economic and business conditions affecting the Company at the time of the evaluation. Base salaries also reflect the number of years of experience that each executive had in his or her current position. Because of conditions in the automotive industry and the Company's efforts to contain its costs, any applicable base salary adjustments for employees, including certain of the Named Executive Officers, were delayed for six months and were made effective on August 1, 2005. Mr. Donlon's base salary was established by the Compensation Committee at the time of his hire in April 2005, based on survey data and his expected contributions to the Company.

The Compensation Committee separately determined the salary for Mr. McClure, the Chief Executive Officer, in July 2004 (as discussed below).

The salaries earned by the Named Executive Officers in fiscal year 2005 are shown in the column under the heading Salary in the table under *Executive Compensation Summary Compensation Table* above.

Annual Incentives Near the beginning of fiscal year 2005, the Compensation Committee and the Board of Directors reviewed with Mr. McClure the corporate goals and objectives for that year. These goals and objectives, which were tied to creating shareowner value, included measurable financial goals for the fiscal year as well as strategic objectives that require more subjective assessments. The financial goals for fiscal year 2005 included targets for after-tax profit and performance working capital, measured against an operating plan established at the beginning of the fiscal year. ArvinMeritor's strategic objectives were exceeding customer expectations, outperforming the competition, developing an employee-valued culture, building supplier relationships and enhancing social responsibility. In addition, separate goals and objectives were developed for each of the business groups, tailored to its particular operations, and for each individual. It is intended that incentive compensation be awarded at or above 100% of stated target levels when corporate, business group and individual goals and objectives are achieved. These target levels were established based on broad industry surveys, with significant upward and downward leverage dependent on performance.

In assessing Company performance for fiscal year 2005, the Compensation Committee focused on attainment of the measurable financial objectives for the year. For purposes of calculating annual incentive awards for fiscal year 2005, the Committee determined to eliminate the effects of certain non-recurring items that were recorded during the award period, including restructuring charges, increases in environmental remediation costs at facilities that were inherited from predecessor companies and were never part of the Company's operations, costs associated with a debt exchange, losses resulting from an unforeseeable customer bankruptcy and an unusual reduction in the Company's tax rate (the adjustments). After-tax profit (after making the adjustments) was 92.5%, and performance

working capital as a percent of sales was 101.1%, of the 2005 annual operating plan. As a result, and after taking into account achievement of business group and individual goals as well, the Committee made incentive compensation awards to the Named Executive Officers, as shown in

the column headed *Bonus* in the table under *Executive Compensation Summary Compensation Table* above, and other key employees of the Company for fiscal year 2005. The Company performance portion of such awards was 9.25% below the 100% of stated target levels for executive compensation.

Long-Term Incentives ArvinMeritor's long-term incentive plans provide the flexibility to grant long-term incentives in a variety of forms, including target performance awards, stock options, stock appreciation rights, performance shares, restricted share units and restricted shares of Common Stock. Annually, the Compensation Committee evaluates the types of long-term incentives it believes are most likely to achieve ArvinMeritor's total compensation objectives.

In fiscal year 2005, the Compensation Committee provided long-term incentives to executive officers one-half through grants of performance shares and one-half through awards under long-term performance plans. Other executives and key employees' long-term incentives were provided through an equal combination of grants of service-based restricted shares, performance shares and awards under long-term performance plans. The Compensation Committee believes that these allocations provided appropriate incentives for achievement of the Company's goals, aligned the interests of executives with the interests of shareowners and provided a means of increasing Common Stock ownership.

In accordance with these practices, long-term incentives granted to the Named Executive Officers in fiscal year 2005 included the components discussed in the following subsections. The Compensation Committee separately determined the awards to the Chief Executive Officer (as discussed below). For individual grants to other executives, the Compensation Committee reviewed recommendations from Mr. McClure and also considered relevant survey data, the consultants' reports and the individual officers' anticipated future contributions.

Performance Plan Awards. In fiscal year 2005, the Compensation Committee established a performance plan under the 1997 LTIP with a three-year performance period ending September 30, 2007, and set target performance awards thereunder for executives, including the Named Executive Officers. Under the performance plan, potential compensation depends on achieving specified levels of total shareholder return compared to that of other automotive suppliers, as modified by the change in the price of ArvinMeritor Common Stock during the term of the performance period. (See *Executive Compensation Long-Term Incentive Plan Awards* above.)

In fiscal year 2003, the Compensation Committee granted key executives long-term incentives one-third each through stock option grants, grants of performance-based restricted shares, and awards under a three-year performance plan established under the 1997 LTIP, as then in effect. The Committee established the same performance objectives for the performance-based restricted shares and the performance plan, in each case based on earnings per share growth and cash flow/return on investment. The Committee had discretion as to the treatment of certain nonrecurring items in calculating the level of achievement of these objectives and determined, for this purpose, to eliminate the effects of the adjustments noted above under *Annual Incentives*. Based on achievement of the performance goals relating to earnings per share for continuing operations (after giving effect to the adjustments) and cash flow/return on investment for the three-year performance period ended September 30, 2005, 77.8% of these performance-based restricted shares awarded to the Named Executive Officers (except Mr. Donlon) and other officers vested and the remainder of these shares was forfeited. Based on the same calculation of levels of achievement of the performance goals, as modified by the change in the price of ArvinMeritor Common Stock during the performance period, the Compensation Committee made long-term incentive awards to the Named Executive Officers (except Mr. Donlon) and other executives with respect to this performance plan. (See the columns headed *Restricted Stock Awards* and *Long-Term Incentive Payments* and the related footnotes in the table under *Executive Compensation Summary Compensation Table* above.)

Performance Shares. In fiscal year 2005, the Compensation Committee granted performance shares to executive officers, including the Named Executive Officers. The number of shares of ArvinMeritor Common Stock that will be delivered at the end of the three-year period depends on the achievement of performance objectives based on improvement in the Company's return on invested capital over the three-year period. (See *Executive Compensation Long-Term Incentive Plan Awards* above.)

Compensation of the Chief Executive Officer

Base Salary Mr. McClure's salary was \$1,000,000 throughout fiscal year 2005. The Compensation Committee believes that this base salary is in line with its compensation philosophy and appropriately reflects the responsibilities of the Company's Chief Executive Officer.

Special Award The Board of Directors made a special award of \$100,000 to Mr. McClure in fiscal year 2005 in recognition of the progress he made in the first few months of his service as chief executive officer.

Annual Incentives In accordance with the Compensation Committee's assessment of the Company's financial performance in the past year (described above in this report under the heading *Components of ArvinMeritor's Compensation Plans - Annual Incentives*), Mr. McClure was awarded annual incentive compensation of \$883,560 for fiscal year 2005 under the terms of the Incentive Compensation Plan. This award was paid in cash.

Long-Term Incentives In early 2005, the Compensation Committee granted to Mr. McClure performance shares and target performance awards under the performance plan established in fiscal 2005 for the three-year performance period ending September 30, 2007. In determining the number of performance shares and the amount of the target awards granted, the Compensation Committee considered the consultants' advice and the value of long-term incentives provided by other companies, as reported in surveys. The Compensation Committee also considered Mr. McClure's total compensation, as well as his past and then expected future contributions to the achievement of ArvinMeritor's long-term performance goals.

In August 2004, when Mr. McClure assumed the role of chief executive officer, the Compensation Committee granted him 15,000 performance-based restricted shares and a target performance award for the performance period ending September 30, 2005 (see *Agreements with Named Executive Officers* below). These awards represented approximately one-third of the performance period for the grants made to key executives in fiscal year 2003. Based on the same criteria applicable to other executives in connection with the 2003 grants (see *Components of ArvinMeritor's Compensation Plans - Long-Term Incentives* above), 11,986 of the restricted shares vested, and the Compensation Committee made a long-term incentive award of \$119,800 to Mr. McClure with respect to this target performance award. The performance award was paid in the form of cash.

For further information on these grants and awards to Mr. McClure, see the columns headed *Bonus*, *Restricted Stock Awards*, *Long-Term Incentive Payments* and *All Other Compensation* and the related footnotes in the table under *Executive Compensation - Summary Compensation Table*, and the tables under *Executive Compensation - Long-Term Incentive Plan Awards* above.

Board Review of Chief Executive Officer Compensation The Board in executive session (when Mr. McClure was not present) received and discussed the Compensation Committee's evaluation of the Company's and Mr. McClure's performance in the 2005 fiscal year. The Board also reviewed the Compensation Committee's decision to make an annual incentive award to Mr. McClure for that year and the long-term incentives granted to him in the form of performance shares and target performance awards.

Summary

The Committee believes that ArvinMeritor's compensation plans are consistent with the Company's strategic objectives and that they enable the Company to attract, retain and motivate highly qualified individuals, providing appropriate incentives to reward them for achieving and surpassing corporate and personal goals. The Compensation Committee periodically re-assesses these programs to assure that they emphasize performance and reward the enhancement of shareowner value, and modifies the programs as deemed necessary and appropriate to achieve their stated objectives, as well as to take into account systemic changes in leading compensation practices. It also monitors these programs and changes them in recognition of the dynamic, global marketplace in which ArvinMeritor competes for talent.

AGREEMENTS WITH NAMED EXECUTIVE OFFICERS

Messrs. Gosnell, De La Riva and Baker each received and accepted an employment letter during fiscal year 2003. Under the terms of these letters, if the Company terminates the executive's employment without cause, the executive will receive any accrued and unpaid compensation; monthly severance pay for a period of 18 to 36 months (depending on years of service); *pro rata* participation in the current year annual bonus and in the cash portion of existing long-term incentive cycles; continuation of benefits (other than long-term and short-term disability coverage) and savings plan participation throughout the severance period; full vesting of all stock options at the end of the severance period; extension of exercise period for stock options for three months after the end of the severance period (but not beyond the original option expiration date); *pro rata* vesting of restricted shares based on the portion of the restricted period that has elapsed as of the end of the severance period; outplacement

services; and gross-up for any excise tax imposed. The executives also agreed to an 18-month non-compete and non-solicitation provision, perpetual non-disclosure and confidentiality, and mandatory arbitration of disputes.

In fiscal year 2005, the Company entered into supplements to the employment letters with Messrs. Gosnell and De La Riva, providing for special retention incentives. Under these supplements, each of them will receive a cash payment in the amount of (a) \$750,000 if he remains continuously employed by ArvinMeritor for the period through September 30, 2006 but not through September 30, 2007, or (b) \$1 million if he remains continuously employed by ArvinMeritor for the period through September 30, 2007. If either of them dies, is disabled for a period of 12 months, or is terminated without cause prior to September 30, 2007, he (or his designated beneficiary) would receive a cash payment of \$1 million. If either of them is terminated with cause, he forfeits any right to a retention incentive payment.

In connection with his assuming the position of Chairman of the Board, Chief Executive Officer and President on August 9, 2004, Mr. McClure accepted an employment letter with terms similar to those of the other Named Executive Officers. However, if Mr. McClure is terminated without cause in the first five years of his employment, he is entitled to 24 months of base salary; two years of annual incentive awards at the targeted level; immediate vesting of the stock options and service-based restricted shares granted to him at the time of his initial employment; and vesting of his accrued benefit under the Company's retirement plan. After the end of the five-year period, Mr. McClure will be subject to substantially the same severance provisions as other officers, as described above. Further, in order to provide a comparable benefit to that provided by his former employer, Mr. McClure will earn two years of credited service under the Company's retirement plan for each year served. Mr. McClure was also granted stock options, restricted stock and target awards for two ongoing three-year cash performance plans under the 1997 LTIP (see the columns headed Restricted Stock Awards, Stock Underlying Options and Long-Term Incentive Payments in the table under *Executive Compensation Summary Compensation Table* above).

In connection with his assuming the position of Senior Vice President and Chief Financial Officer on April 1, 2005, Mr. Donlon accepted an employment letter with terms similar to those of the other Named Executive Officers. Mr. Donlon was also provided full participation in the annual bonus under the Incentive Compensation Plan for 2005, and was granted shares of performance-based and service-based restricted stock, performance shares and target awards for two ongoing three-year cash performance plans under the 1997 LTIP (as reported under the columns headed Annual Bonus and Restricted Stock Awards in the table under *Executive Compensation Summary Compensation Table* and in the tables under *Executive Compensation Long-Term Incentive Plan Awards* above). Under the terms of the agreement, the service-based restricted stock would vest in full in the event his employment were terminated without cause, while the other awards would be subject to pro ration based on the portion of the vesting period during which he was employed by the Company.

SHAREOWNER RETURN PERFORMANCE PRESENTATION

(2) We believe that a peer group of representative independent automotive suppliers of approximately comparable size and products to ArvinMeritor is appropriate for comparing shareowner return. The peer group consists of Borg-Warner Automotive, Inc., Cummins Inc., Dana Corporation, Delphi Corporation, Eaton Corporation, Johnson Controls, Inc., Lear Corporation, Superior Industries International, Tenneco Automotive, Inc., Tower Automotive, Inc. and Visteon Corporation. This peer group is the same as the group utilized in the performance chart in last year's proxy statement.

RETIREMENT BENEFITS

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Arvin and Meritor had separate defined benefit retirement plans covering their respective employees, and we assumed these plans at the time of the merger of the two companies into ArvinMeritor. These separate retirement plans were superseded by an integrated ArvinMeritor plan, effective January 1, 2001.

The following table shows the estimated aggregate annual retirement benefits payable on a straight life annuity basis to participating employees in the earnings and years of service classifications indicated under our retirement plan, which covers most of our officers and other salaried employees on a noncontributory basis. These benefits reflect a reduction to recognize in part the cost of Social Security benefits related to service with the Company. The plans also provide for the payment of benefits to an employee's surviving spouse or other beneficiary.

Covered compensation includes salary and annual bonus. The calculation of retirement benefits under the new plan generally is based upon average earnings for the highest five consecutive years of the ten years preceding retirement. Our new plan credits participants for service earned with ArvinMeritor, Arvin, Meritor and Rockwell, as applicable. The credited years of service of Messrs. McClure, Gosnell, De La Riva, Donlon and Baker are 2, 26, 11, 0 and 6, respectively. Under the terms of Mr. McClure's employment agreement, he earns two years of credited service for each year served (see *Agreements with Named Executive Officers* above).

The new plan includes grandfathering provisions under which the retirement benefits payable to certain long-term employees will be adjusted in some cases to reflect differences between the benefits earned under the new plan and those earned under the predecessor plans prior to January 1, 2001.

Sections 401(a)(17) and 415 of the Internal Revenue Code limit the annual benefits that may be paid from a tax-qualified retirement plan. As permitted by the Employee Retirement Income Security Act of 1974, we have established a supplemental plan that authorizes the payment out of the Company's general funds of any benefits calculated under provisions of the applicable retirement plan that may be above the limits under these sections. Effective January 1, 2001, this new supplemental plan replaced separate supplemental plans of Arvin and Meritor.

New non-union employees hired on or after October 1, 2005 do not participate in the defined benefit retirement plans. Instead, defined contributions are made by the Company to the accounts of these employees in the ArvinMeritor savings plans.

AUDIT COMMITTEE REPORT

The Audit Committee, in accordance with its written charter, assists the Board in fulfilling its responsibility for monitoring the integrity of the accounting, auditing and financial reporting practices of ArvinMeritor. The Audit Committee's function is more fully described in its charter, which is available in the section headed *Investors Corporate Governance* on the ArvinMeritor website (www.arvinmeritor.com).

Management is responsible for the financial reporting process, including the system of internal controls and disclosure controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States (GAAP). The independent auditors are responsible for auditing these financial statements and expressing an opinion as to their conformity to GAAP. The Audit Committee's responsibility is to monitor and review these processes, acting in an oversight capacity. The Audit Committee does not certify the financial statements or guarantee the independent auditor's report. The Audit Committee relies, without independent verification, on the information provided to it, the representations made by management and the independent auditors and the report of the independent auditors.

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended September 30, 2005 with the Company's management and with Deloitte & Touche LLP (Deloitte), independent auditors. The Audit Committee has also reviewed and discussed written communications from both management and Deloitte regarding internal controls over financial reporting, as required by the Public Company Accounting Oversight Board's Auditing Standard No. 2, An Audit of Internal Control over Financial Reporting Performed in Conjunction with an Audit of Financial Statements, and applicable Securities and Exchange Commission rules.

The discussions with Deloitte also included the matters required to be discussed by Statement on Auditing Standards Standard No. 61, as amended, Communication with Audit Committees. In addition, Deloitte has provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee has discussed with Deloitte their independence.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in ArvinMeritor's Annual Report on Form 10-K for the year ended September 30, 2005, filed with the Securities and Exchange Commission.

Pursuant to its charter, the Audit Committee is responsible for selection, approving compensation and overseeing the independence, qualifications and performance of the independent accountants. The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent accountants. Pre-approval is generally provided for up to one year, is detailed as to the particular

service or category of services and is generally subject to a specific budget. The Audit Committee may also pre-approve particular services on a case-by-case basis. In assessing requests for services by the independent accountants, the Audit Committee considers whether such services are consistent with the auditor's independence; whether the independent accountants are likely to provide the most effective and efficient service based upon their familiarity with the Company; and whether the service could enhance the Company's ability to manage or control risk or improve audit quality.

All of the audit-related, tax and other services provided by Deloitte in fiscal years 2004 and 2005 (described in the footnotes to the table above) and related fees were approved in advance by the Audit Committee.

PROPOSAL TO APPROVE THE SELECTION OF AUDITORS

The Audit Committee of the Board of Directors of ArvinMeritor has selected the firm of Deloitte & Touche LLP as the auditors of the Company, subject to the approval of the shareowners. Deloitte & Touche LLP have acted as auditors for ArvinMeritor since the merger and acted as auditors for Meritor from its inception.

Before the Audit Committee appointed Deloitte & Touche LLP, it carefully considered the qualifications of that firm, including its performance for ArvinMeritor and its reputation for integrity and for competence in the fields of accounting and auditing. Representatives of Deloitte & Touche LLP are expected to attend the 2006 Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so.

The Board of Directors recommends that you vote FOR the proposal to approve the selection of Deloitte & Touche LLP to act as auditors for ArvinMeritor, which is presented as item (2).

VOTE REQUIRED

At the 2006 Annual Meeting, the four nominees who receive the greatest number of votes for election as Class III directors, and the nominee who receives the greatest number of votes for election as a Class I director, in each case cast by the holders of ArvinMeritor Common Stock entitled to vote at the meeting, a quorum being present, will become directors at the conclusion of the tabulation of votes. To approve the selection of auditors, more votes must be cast in favor of the proposal than are cast against it, a quorum being present. The presence, in person or by proxy, of the holders of at least a majority of the shares of ArvinMeritor Common Stock issued and outstanding on the record date set for the meeting is necessary to have a quorum.

Under Indiana law and our Restated Articles of Incorporation and By-Laws, the aggregate number of votes cast for and against by all shareowners present in person or represented by proxy at the meeting will be counted

for purposes of determining the minimum number of affirmative votes required for approval of the selection of auditors, and the total number of votes cast for such matter will be counted for purposes of determining whether sufficient affirmative votes have been cast. The shares of a shareowner who abstains from voting on a matter or whose shares are not voted by reason of a broker non-vote on a particular matter will be counted for purposes of determining whether a quorum is present at the meeting so long as the shareowner is present in person or represented by proxy. An abstention from voting or a broker non-vote on a matter by a shareowner present in person or represented by proxy at the meeting has no effect in the election of directors or approval of the selection of auditors (assuming a quorum is present).

OTHER MATTERS

The Board of Directors does not know of any other matters that may be presented at the meeting. In the event of a vote on any matters other than those referred to in items (1) and (2) of the accompanying Notice of 2006 Annual Meeting of Shareowners, it is intended that properly given proxies will be voted on the additional matters in accordance with the judgment of the person or persons voting such proxies.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of a registered class of ArvinMeritor equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the New York Stock Exchange. Officers, directors and greater than ten percent shareowners are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file.

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

Based solely on our review of the copies of such forms we have received and information and representations furnished by our officers and directors, we believe that all our officers, directors and greater than ten percent beneficial owners have filed with the SEC on a timely basis all required forms with respect to transactions in ArvinMeritor securities in fiscal year 2005, with the following exception:

On August 9, 2005, 25,532 shares of Mr. McClure's restricted common stock vested. A portion of the shares should have been withheld by the Plan Administrator and returned to the Company at that time, to fund payment of required withholding taxes. The shares were withheld by the Plan Administrator and returned to the Company, and the transaction was reported to Mr. McClure, on October 10, 2005, and a Form 4 reporting the transaction was filed the following day.

ANNUAL REPORTS

Our Annual Report to Shareowners, including the Annual Report on Form 10-K and financial statements, for the fiscal year ended September 30, 2005, was mailed to shareowners with this proxy statement.

EXPENSES OF SOLICITATION

The cost of the solicitation of proxies will be borne by ArvinMeritor. In addition to the use of the mails, proxies may be solicited personally, or by telephone, telegraph, teletype, Internet or other means of communication by our directors, officers and employees without additional compensation.

SHAREOWNER PROPOSALS FOR 2007 ANNUAL MEETING

Under the rules and regulations of the SEC, shareowner proposals for the 2007 Annual Meeting of Shareowners must be received on or before August 18, 2006, at the Office of the Secretary at our headquarters, 2135 West Maple Road, Troy, Michigan 48084-7186, in order to be eligible for inclusion in our proxy materials. In addition, our By-Laws require a shareowner desiring to propose any matter for consideration at the 2007 Annual Meeting of Shareowners, other than through inclusion in our proxy materials, to notify our Secretary in writing at the above address on or after October 3, 2006 and on or before November 2, 2006.
