Item 2.02 — Results of Operations and Financial Condition.

On May 22, 2012, Dell Inc. (“Dell”) issued a press release announcing its financial results for its fiscal quarter ended May 4, 2012. A copy of the press release is furnished as Exhibit 99.1 to this report.

To supplement Dell’s condensed consolidated financial statements presented on the basis of accounting principles generally accepted in the United States of America (“GAAP”) which are furnished in Exhibit 99.1 to this report, Dell has presented information about non-GAAP gross margin, non-GAAP operating expenses, non-GAAP operating income, non-GAAP net income, and non-GAAP earnings per share (collectively, the “non-GAAP financial measures”), which are not measurements of financial performance under GAAP. A reconciliation of each historical non-GAAP financial measure to the most comparable GAAP financial measure for Dell’s fiscal quarter ended May 4, 2012 and certain prior fiscal periods is included in the tables set forth under the heading “Reconciliation of Non-GAAP Financial Measures” in Exhibit 99.1. In addition, a discussion of Dell management’s reasons for including the non-GAAP financial measures, the material limitations associated with the use of the non-GAAP financial measures, and the manner in which Dell management compensates for those limitations is included under “Use of Non-GAAP Financial Measures” in Exhibit 99.1. This additional non-GAAP financial information is not meant to be considered in isolation or as a substitute for net income, operating income, gross margin, operating expenses, and earnings per share prepared in accordance with GAAP.

In accordance with General Instruction B.2 to Form 8-K, the information contained in this current report, including Exhibit 99.1 hereto, is being “furnished” with the Securities and Exchange Commission and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities under such section. Furthermore, such information shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, unless specifically identified as being incorporated therein by reference.
