Item 2.05. Costs Associated with Exit or Disposal Activities.

In connection with the arbitrator's decision described in Item 7.01 below, Align Technology, Inc. ("Align" or the "Company") expects to incur a material charge in the first quarter of 2019. The Company, however, is unable in good faith to make a determination of estimated costs and future cash expenditures associated with such actions. As a result, the Company intends to file amendments to the Current Report on Form 8-K, as required by Item 2.05 of Form 8-K, or report such costs or charges in its periodic reports, as appropriate.

Item 7.01. Regulation FD Disclosure.

On March 5, 2019, the Company issued a press release announcing the outcome of the arbitration of the claims asserted against it by SDC Financial LLC and SmileDirectClub LLC (collectively, the SDC Entities). As previously disclosed, the arbitration concluded on January 23, 2019. The arbitrator issued his decision on March 4, 2019. The arbitrator held that that Align breached the non-compete provision applicable to the members of SDC Financial LLC, including that Align misused the SDC Entities' confidential information and violated fiduciary duties to SDC Financial LLC. The arbitrator ordered Align to close its Invisalign stores by April 3, 2019, and enjoined Align from opening new Invisalign stores or providing certain services in physical retail establishments in connection with the marketing and sale of clear aligners, and enjoined Align from using the SDC Entities' confidential information. The arbitrator extended the expiration date of the non-compete provision with SDC to August 18, 2022. The arbitrator also ordered Align to tender its SDC Financial LLC membership interests to the SDC Entities for a purchase price equal to the capital account balance as of October 31, 2017, a price which is significantly below the current fair market value of such investment. No financial damages were awarded to the SDC Entities. This decision does not impact Align's existing supply agreement with SDC which remains in place through 2019. A copy of the press release is attached hereto as Exhibit 99.1.

This Current Report on Form 8-K contains forward-looking statements within the meaning of the federal securities laws, including those statements relating to the Invisalign store closing (including the Company's expectations regarding the material charge associated with the Invisalign Store closings, and the Company's expectations regarding the period in which such charge will be recorded). These forward-looking statements are based on management's current expectations, estimates, forecasts, projections, beliefs, and assumptions and are not guarantees of future performance. Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, actual results and the timing of selected events may differ materially from those expectations. Factors that could cause actual results to differ materially from those in the forward-looking statements include, among other things, the risks and uncertainties that are described in the Company's Annual Report on Form 10-K filed on February 28, 2019, as updated from time to time in the Company's filings with the Securities and Exchange Commission. Align undertakes no obligation to revise or update publicly any forward-looking statements for any reason.
