PROXY STATEMENT

The Board of Directors of Bluegreen Vacations Corporation “we,” “us,” “our” or (the “Company”) is soliciting proxies to be used at the Annual Meeting of Shareholders of the Company (the “Annual Meeting”) to be held at the Tower Club, 100 Southeast Third Avenue, One Financial Plaza, Regions Bank Building, 28th Floor, Fort Lauderdale, Florida 33394, on May 15, 2018 at 1:00 p.m., local time, and at any and all postponements or adjournments of the Annual Meeting, for the purposes set forth in the accompanying Notice of Meeting.

This Proxy Statement and the accompanying Notice of Meeting and proxy card are first being mailed to shareholders on or about April 16, 2018.

**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to consider and vote upon the election of eleven directors to the Company’s Board of Directors, each for a term expiring at the Company’s 2019 Annual Meeting of Shareholders. In addition, although the Board of Directors is not aware of any other matters to be presented at the Annual Meeting, if any other matters are properly brought before the Annual Meeting, shareholders will be asked to consider and vote upon such matters. Also, management will be available to report on the Company’s performance during the year ended December 31, 2017 and to respond to appropriate questions from shareholders.

Who is entitled to vote at the meeting?

Record holders of the Company's common stock as of the close of business on April 5, 2018 (the "Record Date") may vote at the Annual Meeting. As of the close of business on the Record Date, 74,734,455 shares of the Company's common stock were outstanding and, thus, will be eligible to vote at the Annual Meeting.

What are the voting rights of the shareholders?

Each record holder of the Company's common stock at the close of business on the Record Date is entitled to cast one vote per share on each matter presented at the Annual Meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of the Company's common stock issued and outstanding as of the close of business on the Record Date will constitute a quorum, permitting the transaction of business at the Annual Meeting.

What is the difference between a shareholder of record and a "street name" holder?

If your shares are registered directly in your name with American Stock Transfer & Trust Company, LLC, the Company's stock transfer agent ("AST"), you are considered the shareholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares but not the shareholder of record, and your shares are held in "street name."

How do I vote my shares?

If you are a shareholder of record, you can give a proxy to be voted at the Annual Meeting by mailing the enclosed proxy card or by transmitting your voting instructions by telephone or internet as described on the enclosed proxy card. You may also vote your shares at the Annual Meeting by completing a ballot at the Annual Meeting.

If you hold your shares in “street name,” you must vote your shares in the manner prescribed by your broker, bank or other nominee. Your broker, bank or other nominee has enclosed or provided a voting card for you to use in providing your voting instructions.

Can I vote my shares in person at the Annual Meeting?

If you are a shareholder of record, you may vote your shares in person at the Annual Meeting by completing a ballot at the Annual Meeting. However, if you are a “street name” holder, you may vote your shares in person at the Annual Meeting only if you obtain a signed proxy from your broker, bank or other nominee giving you the right to vote the shares.

Shareholders who wish to attend the Annual Meeting may contact Bluegreen Vacations Investor Relations at (561) 912-8011 for directions. Even if you currently plan to attend the Annual Meeting, the Company recommends that you also submit your vote by proxy or by providing your voting instructions to your broker, bank or other nominee as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

What are my choices when voting?

You may vote for all of the director nominees, or your vote may be withheld with respect to one or more of the director nominees. The proposal related to the election of directors is described in this Proxy Statement beginning on page 8.

What is the Board’s voting recommendation?

The Company’s Board of Directors recommends that you vote your shares **FOR ALL** of the director nominees.

What if I do not specify on my proxy card how I want my shares voted?

If you execute and mail in your proxy card but do not specify on your proxy card how you want to vote your shares, your shares will be voted **FOR ALL** of the director nominees. In addition, although the Board of Directors is not aware of any other matters to be presented at the Annual Meeting, if any other matters are properly brought before the Annual Meeting, the individuals named in the enclosed proxy card (or their substitutes if they are unavailable) will vote the proxies in accordance with their judgment on those matters.

Can I change my vote or revoke my proxy?

Yes. You can change your vote or revoke your proxy at any time before your proxy is voted at the Annual Meeting. If you are the record owner of your shares, you can revoke your proxy by sending a signed written notice to the Company's Secretary stating that you would like to revoke your proxy. Record holders can change their vote by submitting a new valid proxy bearing a later date or transmitting new voting instructions by telephone or internet, or by attending the Annual Meeting and voting in person. However, attendance at the Annual Meeting will not, in and of itself, constitute revocation of a previously executed proxy.

If you are not the record owner of your shares and your shares are held in "street name," you must contact your broker, bank or other nominee to find out how to change your vote.

What vote is required for a director nominee to be elected?

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for a director nominee to be elected. A properly executed proxy marked to withhold a vote with respect to the election of one or more director nominees will not be voted with respect to the nominee or nominees indicated, although it will be counted for purposes of determining whether or not a quorum exists.

If my shares are held in street name, will my broker, bank or other nominee vote my shares for me?

No. If you hold your shares in “street name” through a broker, bank or other nominee, whether your broker, bank or other nominee may vote your shares in its discretion depends on the proposals before the Annual Meeting. The Company’s common stock is listed for trading on the New York Stock Exchange (the “NYSE”). Under the rules of the NYSE, if you do not provide your broker, bank or other nominee with voting instructions with respect to your shares, your broker, bank or other nominee may vote your shares in its discretion only on “routine matters.” The election of directors is not considered a “routine matter” under the rules of the NYSE. Accordingly, your broker, bank or other nominee will not have discretion to vote your shares at the Annual Meeting if you do not provide voting instructions.

What are broker non-votes?

When a broker, bank or other nominee has discretion to vote on one or more proposals at a meeting, or a “routine matter,” but does not have discretion to vote on other matters at the meeting, or “non-routine matters,” the broker, bank or other nominee will inform the inspector of election that it does not have the authority to vote on the “non-routine matters” with respect to shares held for beneficial owners which did not provide voting instructions with respect to the “non-routine matters.” This is generally referred to as a “broker non-vote.” Because brokers, banks and other nominees will not have discretion to vote on any items of business at the Annual Meeting if they have not received voting instructions from their clients, there will not be broker non-votes on any matter presented at the Annual Meeting.

Are there any other matters to be acted upon at the Annual Meeting?

The Company does not know of any other matters to be presented or acted upon at the Annual Meeting. If any other matter is presented at the Annual Meeting on which a vote may properly be taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

CORPORATE GOVERNANCE

Pursuant to the Company's Bylaws and Florida law, the Company's business and affairs are managed under the direction of the Company's Board of Directors. Directors are kept informed of the Company's business through discussions with management, including the Company's Chief Executive Officer and other senior officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

Determination of Director Independence

The Company's Board of Directors has determined that James R. Allmand, III, Norman H. Becker, Lawrence A. Cirillo, Mark A. Nerenhausen, Arnold Sevell and Orlando Sharpe, who together comprise a majority of the Board, are independent under applicable rules and regulations of the Securities and Exchange Commission (the "SEC") and the listing standards of the NYSE. The Board made such independence determinations based on a review of transactions and relationships between each director or any member of his or her immediate family, on the one hand, and the Company and its subsidiaries and affiliates, on the other hand, as well as transactions and relationships between each director or his affiliates, on the one hand, and members of the Company's senior management or their affiliates, on the other hand. To assist the Board in making its independence determinations, the Board adopted the following categorical standards of relationships that, in the Board's opinion, do not constitute material relationships that impair a director's independence: (i) serving on third party boards of directors with other members of the Board; (ii) payments or charitable gifts by the Company to entities with which a director is an executive officer or employee where such payments do not exceed the greater of \$1 million annually or 2% of such entity's consolidated gross revenues for the applicable year; and (iii) investments by directors in common with each other or the Company. In connection with the foregoing, the Board specifically determined that Mr. Becker's service on the Board of Directors of BBX Capital Corporation ("BBX Capital"), which owns 90% of the Company's issued and outstanding common stock, with Alan B. Levan, Chairman of the Company's Board of Directors, John E. Abdo, Vice Chairman of the Company's Board of Directors, Jarett S. Levan, a director of the Company, and Seth M. Wise, a director of the Company, did not constitute a material relationship that would impair Mr. Becker's independence. In addition, the Board discussed and considered that from time to time entities affiliated with Mr. Sharpe provide certain real estate-related services to BBX Capital and that, for 2017, those entities received approximately \$22,000 from BBX Capital in consideration for such services. The Board determined that this relationship did not constitute a material relationship that would impair Mr. Sharpe's independence.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors has established Audit, Compensation and Nominating/Corporate Governance Committees. The Board has adopted a written charter for each of these committees and Corporate Governance Guidelines that address the make-up and functioning of the Board. The Board has also adopted a Code of Business Conduct and

Ethics that applies to all of the Company's directors, officers and employees. The committee charters, Corporate Governance Guidelines and Code of Business Conduct and Ethics are posted in the "Investor Relations" section of the Company's website at www.bluegreenvacations.com, and each is available in print, without charge, to shareholders.

The Board met ten times during 2017. Each member of the Board of Directors attended at least 75% of the total number of meetings of the Board and committees on which he served during 2017. The Company was a wholly owned subsidiary of BBX Capital prior to the completion of the initial public offering of the Company's common stock during November 2017 and, accordingly, did not hold an Annual Meeting of Shareholders during 2017. The Company has no formal policy requiring directors to attend the Company's Annual Meeting of Shareholders.

The Audit Committee

The Audit Committee is comprised of Norman H. Becker, Chairman, Lawrence A. Cirillo and Arnold Sevell. The Board has determined that each member of the Audit Committee is "financially literate" and "independent" within the meaning of applicable SEC rules and regulations and the listing standards of the NYSE, including the additional independence requirements applicable to audit committee members under the listing standards of the NYSE. The Board also determined that Mr. Becker is qualified as an "audit committee financial expert," as defined under Item 407 of Regulation S-K promulgated by the SEC. The Audit Committee met six times during 2017.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the Company's independent auditor. Additionally, the Audit Committee assists Board oversight of: (i) the integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the qualifications, performance and independence of the Company's independent auditor; and (iv) the performance of the Company's internal audit function. In connection with these oversight functions, the Audit Committee receives reports from, and meets with, the Company's internal audit group, management and independent auditor. The Audit Committee receives information concerning the Company's internal control over financial reporting and any deficiencies in such control and has adopted a complaint monitoring procedure that enables confidential and anonymous reporting to the Audit Committee of concerns regarding questionable accounting or auditing matters. A report from the Audit Committee is included in this Proxy Statement on page 20.

The Compensation Committee

The Compensation Committee is comprised of Arnold Sevell, Chairman, James R. Allmand, III and Norman H. Becker. The Board has determined that each member of the Compensation Committee is "independent" under the listing standards of the NYSE, including the additional independence requirements applicable to compensation committee members thereunder. The Compensation Committee met three times during 2017.

The Compensation Committee provides assistance to the Board in fulfilling its responsibilities relating to the compensation of the Company's executive officers. It reviews and determines the compensation of the Company's executive officers, including the Chief Executive Officer. The Compensation Committee also administers the Company's cash incentive plans.

Pursuant to its charter, the Compensation Committee has the authority to retain consultants to assist the Compensation Committee in its evaluation of executive compensation, as well as the authority to approve any such consultant's fees and retention terms. During 2017, management engaged a third-party consultant to assist with executive compensation benchmarking, assess incentive plan design and total compensation packages of certain executives and make recommendations related to base pay and incentive programs. Management reported the results of the engagement to the Compensation Committee.

The Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee is comprised of James R. Allmand, III, Chairman, Lawrence A. Cirillo and Arnold Sevell. The Board has determined that each member of the Nominating/Corporate Governance Committee is "independent" under the listing standards of the NYSE. The Nominating/Corporate Governance

Committee met three times during 2017.

The Nominating/Corporate Governance Committee is responsible for: (i) assisting the Board in identifying individuals qualified to become directors; (ii) making recommendations of candidates for directorships; (iii) developing and recommending to the Board a set of corporate governance principles for the Company; (iv) overseeing the evaluation of the Board and management; (v) overseeing the selection, composition and evaluation of Board committees; and (vi) overseeing the management continuity and succession planning process.

The Nominating/Corporate Governance Committee reviews, following the end of the Company's fiscal year, the composition of the Board of Directors and the ability of its current members to continue effectively as directors for the upcoming fiscal year. In the ordinary course, absent special circumstances or a change in the criteria for Board membership, the Nominating/Corporate Governance Committee will re-nominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If the Nominating/Corporate Governance Committee thinks it is in the Company's best interest to nominate a new individual for director, or fill a vacancy on the Board which may exist from time to time, the Nominating/Corporate Governance Committee will seek out potential candidates for Board appointments who meet the criteria for selection as a nominee and have the specific qualities or skills being sought as follows. Generally, the Nominating/Corporate Governance Committee will identify candidates for directorships through the business and other organization networks of the directors and management. Candidates for director will be selected on the basis of the contributions the Nominating/Corporate Governance Committee believes that those candidates can make to the Board and to management and on such other qualifications and factors as the Nominating/Corporate Governance Committee considers appropriate. Board candidates should have a reputation for honesty and integrity, strength of character, mature judgment and experience in positions with a high degree of responsibility. In addition to reviewing a candidate's background and accomplishments, candidates for director are reviewed in the context of the current composition of the Board and the evolving needs of the Company. While the Board does not have a formal diversity policy and the

Nominating/Corporate Governance Committee does not follow any ratio or formula with respect to diversity in order to determine the appropriate composition of the Board, the Board prefers a mix of background and experience among its members. Accordingly, pursuant to the Company's Corporate Governance Guidelines, the Nominating/Corporate Governance Committee, when assessing potential new directors, may seek individuals from diverse professional backgrounds who provide a broad range of skills, experience and expertise relevant to the Company's business. The goal of this process is to assemble a group of Board members with deep, varied experience, sound judgment, and commitment to the Company's success. The Company also requires that its Board members be able to dedicate the time and resources sufficient to allow for the diligent performance of their duties on the Company's behalf, including attending Board and applicable committee meetings. If the Nominating/Corporate Governance Committee believes a candidate would be a valuable addition to the Board, it will recommend the candidate's election to the full Board.

Under the Company's Fourth Amended and Restated Bylaws (the "Bylaws"), nominations for directors may be made only by or at the direction of the Board of Directors, or by a shareholder entitled to vote who delivers written notice (along with certain additional information specified in the Company's Bylaws) not less than 90 nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of shareholders. However, if the date of the Company's annual meeting of shareholders changes by more than 30 days from the date of the preceding year's annual meeting of shareholders, written notice of a director nomination must be received by the Company within ten days after the Company first mails notice of or publicly discloses the date of the annual meeting of shareholders. For the Company's 2019 Annual Meeting of Shareholders, the Company must receive shareholder notice of a director nomination (i) between January 15, 2019 and February 14, 2019 or (ii) if the Company's 2019 Annual Meeting of Shareholders is held more than 30 days before or after May 15, 2019, within ten days after the Company first mails notice of or publicly discloses the date of the meeting.

Leadership Structure

The business of the Company is managed under the direction of the Board, which is elected by the Company's shareholders. The fundamental responsibility of the Board is to lead the Company by exercising its business judgment to act in what each director believes to be the best interests of the Company and its shareholders.

Alan B. Levan serves as Chairman of the Company's Board of Directors. Shawn B. Pearson serves as President and Chief Executive Officer of the Company and as a director of the Company. The Board believes that the advisability of having a separate or combined Chairman and Chief Executive Officer positions is dependent upon the strengths of the individuals that hold these positions and the most effective means of leveraging their strengths. At this time, given the composition of the Board and the effective interaction between Mr. Alan Levan, as Chairman, and Mr. Pearson, as Chief Executive Officer, the Board believes that separating the Chairman and Chief Executive Officer positions provides the Company with the appropriate foundation to pursue its strategic and operational objectives, while maintaining effective oversight and objective evaluation of the Company's performance.

Risk Oversight

The Board is responsible for overseeing management and the business and affairs of the Company, which includes the oversight of risk. In exercising its oversight, the Board has allocated some areas of focus to its committees and has retained areas of focus for itself. Pursuant to its charter, the Audit Committee is responsible for efforts designed to assure that the Board is provided the information and resources to assess management's handling of the Company's approach to risk management. The Audit Committee also has oversight responsibility for the Company's financial risk (such as accounting, finance, internal control and tax strategy), and the Audit Committee or the full Board receives and reviews, as appropriate, the reports of the Company's internal audit group regarding the results of its annual Company-wide risk assessment and internal audit plan. Reports of all internal audits are provided to the Audit Committee. The Compensation Committee oversees compliance with the Company's executive compensation plans and related laws and policies. The Nominating/Corporate Governance Committee oversees compliance with governance-related laws and policies, including the Company's Corporate Governance Guidelines. The Board as a whole has responsibility for overseeing management's handling of the Company's strategic and operational risks. Throughout the year, senior management reports to the Board the risks that it believes may be material to the Company, including those disclosed in the Company's reports filed with the SEC. The goal of these processes is to achieve serious and thoughtful Board-level attention to the nature of the material risks faced by the Company and the adequacy of the Company's risk management processes and systems. While the Board recognizes that the risks which the Company faces are not static, and that it is not possible to identify or

mitigate all risk and uncertainty all of the time, the Board believes that the Company's approach to managing its risks provides the Board with the proper foundation and oversight perspective with respect to management of the material risks facing the Company.

Executive Sessions of Non-Management Directors

During 2017, the Company's non-management directors met twice in executive sessions of the Board in which management directors and other members of management did not participate. Arnold Sevell was the presiding director for the executive sessions. The non-management directors have scheduled future meetings to be held at least annually, and may schedule additional meetings without management present as they determine.

Communications with the Board of Directors and Non-Management Directors

Interested parties who wish to communicate with the Board of Directors, any individual director or the non-management directors as a group can write to the Company's Secretary at the Company's principal executive offices at 4960 Conference Way North, Suite 100, Boca Raton, Florida 33431. If the person submitting the letter is a shareholder, the letter should include a statement indicating such. Depending on the subject matter, the Company will:

- forward the letter to the director or directors to whom it is addressed;
- attempt to handle the inquiry directly if it relates to routine or ministerial matters, including requests for information;
- or
- not forward the letter if it is primarily commercial in nature or if it is determined to relate to an improper or irrelevant topic.

A member of management will, at each meeting of the Board, present a summary of all letters received since the last meeting that were not forwarded to the Board and will make those letters available to the Board upon request.

Code of Ethics

The Company has a Code of Business Conduct and Ethics that applies to all of its directors, officers and employees, including the Company's principal executive officer, principal financial officer and principal accounting officer. The Code of Business Conduct and Ethics is available on the Company's website at www.bluegreenvacations.com. The

Company will post amendments to or waivers from the Code of Business Conduct and Ethics (to the extent applicable to the Company's principal executive officer, principal financial officer or principal accounting officer) on its website.

Compensation Committee Interlocks and Insider Participation

None of the members of the Company's Compensation Committee are current or former officers or employees of the Company or any of its subsidiaries. In addition, there are no interlocking or other relationships or transactions involving the members of the Company's Compensation Committee required to be disclosed under Item 407(e)(4) of Regulation S-K promulgated by the SEC.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the copies of the forms furnished to the Company and written representations that no other reports were required, the Company believes that all filing requirements under Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), applicable to its officers, directors and greater than 10% beneficial owners were complied with on a timely basis during the year ended December 31, 2017.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

The Company's Bylaws provide that the Board of Directors shall consist of no less than five or more than fifteen directors, and for each director to serve for a term expiring at the Company's next Annual Meeting of Shareholders. The specific number of directors is set from time to time by resolution of the Board. The Board of Directors currently consists of eleven directors.

All eleven of the Company's current directors have been nominated for election at the Annual Meeting to serve for a term expiring at the Company's 2019 Annual Meeting of Shareholders. Each of the director nominees was recommended for election by the Nominating/Corporate Governance Committee and has consented to serve for his term. If any director nominee should become unavailable to serve as a director, the Board may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee designated by the Board. Except as otherwise indicated, no director nominee has had any change in principal occupation or employment during the past five years.

He also served as the Vice Chairman of the Board of Directors of Benihana until August 2012. The Company's Board of Directors believes that it benefits from the contributions that Mr. Abdo makes, and the perspective that he adds, to the Board, many of which are the result of his knowledge of the Company's business and affairs based on his service as Vice Chairman for the past fifteen years, and his experience and knowledge regarding the real estate sector generally.

Employment Agreements

We have employment agreements with each of Messrs. Puleo, Pontius and Wardak. Under the terms of their respective employment agreements, Messrs. Puleo, Pontius and Wardak receive an annual base salary and are entitled to receive bonus payments pursuant to bonus plans established from time to time by our Compensation Committee or otherwise at the discretion of our Compensation Committee.

The annual base salaries of the Named Executive Officers are set forth in the “Salary” column of the “Summary Compensation Table” above except for Messrs. Pearson and Pontius, who received base salary increases for 2018 to \$950,000 and \$650,000, respectively. Under their respective employment agreements, Messrs. Puleo, Pontius and Wardak may receive an annual bonus (sometimes hereinafter referred to as an “Annual Bonus”) of up to a certain percentage of his then-current annual base salary. Such percentage is approved annually by our Compensation Committee and, for 2017, was 100% for Mr. Puleo, 93% for Mr. Pontius and 180% for Mr. Wardak. The Annual Bonuses are based on the achievement of targeted performance measures that are calculated based on a formula or discretionary criteria. Based on such evaluation, for 2017, our Compensation Committee approved the payment in full of the Annual Bonuses to each of Messrs. Puleo, Pontius and Wardak. These bonuses

were paid in 2018 and are included in the “Bonus” column of the “Summary Compensation Table” above.

As described above, in addition to Annual Bonuses, the Named Executive Officers may also receive additional bonuses from time to time as approved by our Compensation Committee, including special discretionary cash bonuses and cash bonuses under incentive plans in place from time to time. In connection with his promotion to Chief Operating Officer in 2017, Mr. Pontius received a retention bonus of \$300,000, which is included, together with his Annual Bonuses, in the “Bonus” column of the “Summary Compensation Table” above. In addition, as described under “Cash Incentive Programs” below, Messrs. Puleo, Pontius and Wardak will receive a cash bonus of \$717,182, \$717,182 and \$485,311, respectively, under our cash incentive program for 2017, which is included in the “Non-Equity Incentive Plan Compensation” column of the “Summary Compensation Table” above.

Pursuant to the employment agreements with Messrs. Puleo, Pontius and Wardak, if the executive’s employment is terminated by us without “Cause” (as defined in the employment agreement) or by the executive for “Good Reason” (as defined in the employment agreement), the executive will be entitled to receive, in addition to his base salary through the date of termination, a severance payment in an amount equal to 1.0 times (or 1.5 times if the termination occurs within two years after a “Change in Control” (as defined in the employment agreement)) the sum of (a) his annual base salary then in effect and (b) the average Annual Bonus paid to him during the two years prior to the termination. In addition, if the employment agreement is terminated by us without “Cause” or by the executive for “Good Reason” after the last day of the earnings period for, but prior to payment of, the Annual Bonus, the executive will be entitled to receive such Annual Bonus. Further, in the event of a termination by us without “Cause” or a termination by the executive for “Good Reason” at any time, we will pay the executive’s COBRA premiums for 12 months following the date of termination. In addition, upon the executive’s death or “Disability” (as defined in his employment agreement), the executive or his estate, as the case may be, will be entitled to receive the pro rata portion of the executive’s Annual Bonus for the applicable year based generally on the number of days the executive was employed during the year. These severance payments and benefits are conditioned upon the executive executing a general release in our favor, as well as his compliance with certain restrictive covenants set forth in his employment agreement, including confidentiality obligations and non-solicit, non-disparagement and non-interference covenants.

Potential Payments Upon Termination or Change in Control

Information regarding amounts and benefits to which each of Messrs. Puleo, Pontius and Wardak may be entitled in connection with any termination of his employment, including following a change in control of our Company, is set forth under “Employment Agreements” above. Each of Messrs. Puleo, Pontius and Wardak may also be entitled to payments under our 2011 Long Term Incentive Plan (the “2011 LTIP”) upon the occurrence of a “Liquidity Event” (as defined in the 2011 LTIP). See also “401(k) Plan” below.

Cash Incentive Programs

During 2011, our Compensation Committee approved and adopted the 2011 LTIP, which was subsequently approved by our shareholders during 2012. The 2011 LTIP was designed to provide certain members of senior management selected by our Compensation Committee (“Participants”), the administrative committee for the 2011 LTIP, with incentives based on the achievement of certain financial targets relating to our business and operations. Under the 2011 LTIP, Participants were allocated points representing fractional interests in amounts payable under the plan. With respect to each calendar year, which represented a “Performance Period” under the 2011 LTIP, award amounts (“Performance Period Awards”) were payable based on our actual EBITDA as compared to our target EBITDA (in each case, as defined in the 2011 LTIP), subject to available free cash and certain other conditions specified in the 2011 LTIP. While the 2011 LTIP expired following the 2015 Performance Period with respect to Performance Period Awards, our Compensation Committee has since approved annual cash incentive programs, including for 2017, which provides for the payment of cash awards to certain members of our senior management, including the Named Executive Officers, based on the achievement of performance objectives related to our EBITDA and free cash flow in substantially the same manner in which the 2011 LTIP operated for Performance Period Awards. As previously described, Messrs. Pearson, Puleo, Pontius and Wardak have received or will receive cash bonuses of \$550,000, \$717,182, \$717,182 and \$485,311, respectively, under the cash incentive program adopted by our Compensation Committee for 2017. Mr. Pearson’s 2017 cash incentive was guaranteed at the time of his hiring.

While the 2011 LTIP has expired with respect to the payment of Performance Period Awards, the 2011 LTIP continues in effect with respect to the potential payment of cash awards to Participants, including the Named Executive Officers, other than Mr. Pearson, upon the occurrence of a “Liquidity Event” (“Liquidity Event Awards”). As defined in the 2011 LTIP, a “Liquidity Event” includes, without limitation, the sale of our Company or our businesses (whether by merger, consolidation, reorganization, stock or asset sale, or similar corporate transaction). The amount of a Liquidity Event Award is primarily based on the consideration received by us or our shareholders, as applicable, in connection with the Liquidity Event and the cumulative EBITDA ratio described above for the Performance Periods through the 2015 Performance Period. The provisions of the 2011 LTIP relating to Liquidity Event Awards will continue in effect until the last payment of a Liquidity Event Award, unless earlier terminated by our compensation committee in its discretion.

Subject to the terms of the 2011 LTIP, the award agreements thereunder, the Named Executive Officers would collectively be entitled to Liquidity Event Awards in an amount of up to approximately 3.26% of the total consideration received by us and/or our shareholders in connection with the Liquidity Event to the extent in excess of \$100.0 million. Other executive officers and employees of the Company may also be entitled to payments in connection with a change in control or sale of our Company or our businesses under the 2011 LTIP or other compensation plans, including profit sharing plans, or arrangements.

On March 9, 2018, the Compensation Committee of the Company’s Board of Directors approved in principle the material terms of an Executive Leadership Incentive Plan (the “ELIP”), which is expected to provide for the grant of cash-settled performance units (“Performance Units”) and cash-settled stock appreciation rights (“SARs”) to participants in the ELIP. It is contemplated that each participant will be granted award opportunities representing a percentage of his or her base salary (the “Target LTI”). In the case of certain of the Company’s executive officers, including Messrs. Pearson, Puleo, Pontius and Wardak, the award will be divided 30% to SARs and 70% to Performance Units. For other participants, including the Company’s senior vice presidents, vice presidents and certain other employees, the award will be 100% in Performance Units. Performance Units will represent the right of the recipient thereof to receive a cash payment based on the achievement by the Company of levels of EBITDA and return on invested capital (“ROIC”) during a two-year period. SARs granted under the ELIP, upon exercise after vesting, will entitle the holder to a cash payment in an amount equal to the excess of the market price of the Company’s common stock on the date of exercise over the exercise price of the SAR. The SARs will vest in equal annual installments on the first, second and third anniversary of the date of grant and have a five-year term.

For 2018, it is expected that the Target LTI for Mr. Pearson will be 200% of his current annual base salary of \$950,000 (or \$1,900,000), the Target LTI Mr. Puleo will be 174% of his current annual base salary of \$475,000 (or \$825,000), Target LTI for Mr. Pontius will be 127% of his current annual base salary of \$650,000 (or \$825,000), and the Target LTI for Mr. Wardak will be 194% of his current annual base salary of \$400,000 (or \$775,000). It is expected that Messrs. Pearson, Puleo, Pontius and Wardak will be granted Performance Units for 2018 pursuant to which they may receive cash payments as follows:

Executive Officer	Target Payout	Maximum Payout
Shawn B. Pearson	\$1,330,000	\$1,995,000
David L. Pontius	\$578,000	\$867,000
Anthony M. Puleo	\$578,000	\$867,000
Ahmad M. Wardak	\$543,000	\$814,500

Should performance levels achieved for EBITDA and ROIC during the defined performance period not meet certain minimum thresholds, then no amounts will be earned under the Performance Units. Additionally, if EBITDA and ROIC goals are significantly exceeded, it may be possible to achieve the maximum payout above.

While adoption of the ELIP and the grant of Performance Units described above is subject to the Compensation Committee's review and approval of definitive plan documents, on March 9, 2018, the Compensation Committee approved grants of SARs for 2018 to certain of the Company's officers, including Mr. Pearson, who was granted 185,276 SARs, Messrs. Pontius and Puleo, each of whom was granted 80,449 SARs and Mr. Wardak who was granted 75,573 SARs. Each of the SARs has an exercise price of \$19.72, which was the closing price of the

common stock on the NYSE on March 8, 2018.

The intrinsic value of the SARs vesting on March 9, 2019 (equal to 1/3 of the March 9, 2018 grant) for a participant will be credited against amounts payable to such participant for 2018 under our 2018 cash incentive program described above. After 2018, the ELIP will replace our other cash incentive programs and profit-sharing plans for participants in the ELIP to the extent such programs and plans relate to annual, long-term incentive compensation.

401(k) Plan

We maintain a retirement plan for the benefit of our employees, including the Named Executive Officers. The 401(k) plan is intended to qualify as a tax-qualified 401(k) plan so that contributions to the 401(k) plan, and income earned on such contributions, are not taxable to participants until withdrawn or distributed from the 401(k) plan. The 401(k) plan provides that each participant may contribute up to 100% of his or her pre-tax compensation, subject to an annual statutory limit. Participants who are at least 50 years old can also contribute additional amounts based on statutory limits for “catch-up” contributions. Under the 401(k) plan, each employee is fully vested in his or her deferred salary contributions. Employee contributions are held and invested by the 401(k) plan’s trustee as directed by participants. Our 401(k) plan allows for discretionary matching of employee contributions. For 2017, we made a basic matching contribution equal to 100% of each participant’s contributions not exceeding 3% of such participant’s compensation, plus 50% of the participant’s contributions in excess of 3% but not in excess of 5% of the participant’s compensation. We may also make additional discretionary matching contributions not to exceed 4% of each participant’s compensation.

Outstanding Equity Awards at Year-End 2017

None of the Named Executive Officers held any equity-based awards with respect to our Company as of December 31, 2017.

Compensation of Chief Executive Officer

As previously described, Shawn B. Pearson was appointed our Chief Executive Officer and President in February 2017. In 2017, Mr. Pearson received a base salary of \$349,629 and we paid him an aggregate bonus of \$1,175,000 for his services during 2017. For 2018, Mr. Pearson will receive an annual base salary of \$950,000 and has an annual bonus opportunity of \$950,000, based on the achievement of certain financial targets. In addition, as

described above, Mr. Pearson is eligible to participate in the ELIP program. We also reimburse Mr. Pearson for certain housing, automobile and travel expenses, which totalled \$99,740 for 2017. We do not currently have an employment agreement with Mr. Pearson.

DIRECTOR COMPENSATION

The compensation policy for the Company's non-employee directors (which are directors who are not employees of the Company or any entity controlling the Company, including BBX Capital) was designed in an attempt to achieve the following goals: (i) compensation should fairly pay directors for work required by a company of similar size and scope to the Company; and (ii) the structure of the compensation should be simple, transparent and easy for shareholders to understand.

The Company's non-employee directors are currently compensated for their service on the Company's Board of Directors and its committees through cash fees. Each non-employee director currently earns \$70,000 in cash fees annually for his service on the Board. In addition, members of the Audit Committee, other than its Chairman, receive \$10,000 in cash annually. The Chairman of the Audit Committee receives \$15,000 in cash annually. The Chairman of the Nominating/Corporate Governance Committee and the Chairman of the Compensation Committee each receive \$3,500 in cash annually. Other members of the Nominating/Corporate Governance Committee and the Compensation Committee do not currently receive additional compensation for their service on those committees. Directors do not receive additional compensation for attendance at Board or committee meetings.

The following table sets forth certain information regarding the compensation paid or accrued by us to or on behalf of each individual who served as a non-employee director of the Company during the year ended December 31, 2017 for his Board and committee service during the year.

Name	Fees Earned or Paid in Cash (\$)
James R Allmand III	73,500
Norman H. Becker	85,000
Lawrence A. Cirillo	80,000
Mark A. Nerenhausen	70,000
Arnold Sevell	83,500
Orlando Sharpe	80,000

The members of the Board who are employed by the Company or any entity controlling the Company, including BBX Capital, do not receive compensation from the Company for their service on the Board; however, they may from time

to time receive certain benefits from the Company. In addition, from January 2017 through May 2017, the Company paid Alan B. Levan compensation of approximately \$115,000, in the form of salary, in consideration for his provision of services to us. Mr. Alan Levan was reappointed as Chairman and Chief Executive Officer of BBX Capital during February 2017 and as Chairman of the Company's Board of Directors during May 2017. Since May 2017, he has not received compensation from the Company.

AUDIT COMMITTEE REPORT

The following Audit Committee Report shall not be deemed to be “soliciting material” or to be “filed” with the SEC or subject to Regulation 14A or 14C promulgated by the SEC, other than as provided in Item 407 of Regulation S-K promulgated by the SEC, or to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that the following Audit Committee Report be treated as “soliciting material” or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The charter of the Audit Committee sets forth the Audit Committee’s responsibilities, which include oversight of the Company’s financial reporting on behalf of the Board of Directors and shareholders. The Audit Committee receives reports from, and meets with, the Company’s internal audit group, management and independent auditor. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee and the Company’s management and internal auditors, as well as with Grant Thornton LLP, the Company’s independent registered public accounting firm for 2017 (“Grant Thornton”). The Audit Committee discussed with the Company’s internal auditors and Grant Thornton the overall scope and plans for their respective audits and met with the internal auditors and Grant Thornton, with and without management present, to discuss the results of their examinations and their evaluations of the Company’s internal controls and compliance matters. The Audit Committee reviewed and discussed the Company’s audited consolidated financial statements for the year ended December 31, 2017 with management and Grant Thornton prior to the filing with the SEC of the Company’s Annual Report on Form 10-K for such year.

Management has primary responsibility for the Company’s financial statements and the overall financial reporting process, including the Company’s system of internal controls. The Company’s independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America, and discusses with the Audit Committee its independence and any other matters that it is required to discuss with the Audit Committee or that it believes should be raised with it. The Audit Committee oversees these processes, although it must rely on information provided to it and on the representations made by management and the Company’s independent registered public accounting firm.

The Audit Committee discussed with Grant Thornton the matters required to be discussed with audit committees under generally accepted auditing standards, including, among other things, matters related to the conduct of the audit of the Company’s consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee also received from Grant Thornton the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Grant Thornton's communications with the Audit Committee concerning independence, and the Audit Committee discussed with Grant Thornton its independence from the Company. When considering Grant Thornton's independence, the Audit Committee considered whether Grant Thornton's provision of services to the Company beyond those rendered in connection with its audit and review of the Company's consolidated financial statements was compatible with maintaining Grant Thornton's independence. The Audit Committee also reviewed, among other things, the amount of fees paid to Grant Thornton for audit and non-audit services.

Based on these reviews, meetings, discussions and reports, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2017 be included in the Company's Annual Report on Form 10-K for such year.

All audit-related services and other services set forth above were pre-approved by the Audit Committee, which concluded that the provision of such services by Grant Thornton was compatible with the maintenance of such firm's independence in the conduct of its auditing functions.

Under its charter, the Audit Committee must review and pre-approve both audit and permitted non-audit services provided by the Company's independent registered public accounting firm and shall not engage the independent registered public accounting firm to perform any non-audit services prohibited by law or regulation. Each year, the independent registered public accounting firm's retention to audit the Company's financial statements, including the associated fee, is approved by the Audit Committee. Under its current practices, the Audit Committee does not regularly evaluate potential engagements of the independent registered public accounting firm and approve or reject such potential engagements. At each Audit Committee meeting, the Audit Committee receives updates on the services actually provided by the independent registered public accounting firm, and management may present additional services for pre-approval. The Audit Committee has delegated to the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that a need arises for pre-approval between regular Audit Committee meetings. If the Chairman so approves any such engagements, he will

report that approval to the full Audit Committee at the next Audit Committee meeting.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL SHAREHOLDER MEETING TO BE HELD ON MAY 15, 2018

This Proxy Statement and the Company's Annual Report to Shareholders for the year ended December 31, 2017 are available at <https://ir.bluegreenvacations.com>.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As previously described, Grant Thornton served as the Company's independent registered public accounting firm for 2017 and 2016. A representative of Grant Thornton is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from shareholders.

ADDITIONAL INFORMATION

"Householding" of Proxy Material. The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or AST, the Company's transfer agent, that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. However, the Company will deliver promptly upon written or oral request a separate copy of this Proxy Statement to a shareholder at a shared address to which a single Proxy Statement was delivered. If,

at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple proxy statements and would like to request delivery of a single proxy statement, please notify your broker if your shares are held in a brokerage account or AST if you are the record holder of your shares. You can notify AST by sending a written request to American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, 2nd Floor, Brooklyn, New York 11219, Attention: Customer Service. You can also contact AST's Customer Service department at (800) 937-5449.

Advance Notice Procedures. Under the Company's Bylaws, no business may be brought before an annual meeting of shareholders unless it is specified in the notice of the annual meeting of shareholders or is otherwise brought before the annual meeting of shareholders by or at the direction of the Board of Directors or by a shareholder entitled to vote who has delivered written notice to the Company's Secretary (containing certain information specified in the Company's Bylaws about the shareholder and the proposed action) not less than 90 or more than 120 days prior to the first anniversary of the preceding year's annual meeting of shareholders. However, if the date of the Company's annual meeting of shareholders changes by more than 30 days from the date of the preceding year's annual meeting of shareholders, written notice of the proposed business must be received by the Company within ten days after the Company first mails notice of or publicly discloses the date of the annual meeting of shareholders. For the Company's 2019 Annual Meeting of Shareholders, the Company must receive written notice of proposed business from a shareholder (i) between January 15, 2019 and February 14, 2019 or (ii) if the Company's 2019 Annual Meeting of Shareholders is held more than 30 days before or after May 15, 2019, within ten days after the Company first mails notice of or publicly discloses the date of the meeting. In addition, any shareholder who wishes to submit a nomination to the Board of Directors must deliver written notice of the nomination within the applicable time period set forth above and comply with the information requirements in the Company's Bylaws relating to shareholder nominations. These requirements are separate from and in addition to the SEC's requirements that a shareholder must meet in order to have a shareholder proposal included in the Company's proxy statement relating to the 2019 Annual Meeting of Shareholders.

Shareholder Proposals for the 2019 Annual Meeting of Shareholders. Shareholders interested in submitting a proposal for inclusion in the proxy materials for the Company's 2019 Annual Meeting of Shareholders

may do so by following the procedures relating to shareholder proposals set forth in the rules and regulations promulgated under the Exchange Act. To be eligible for inclusion, shareholder proposals must be received by the Company's Secretary at the Company's principal executive offices by December 17, 2018.

Proxy Solicitation Costs. The Company will bear the expense of soliciting proxies and of reimbursing brokers, banks and other nominees for the out-of-pocket and clerical expenses of transmitting copies of the proxy materials to the beneficial owners of shares held of record by such persons. The Company does not currently intend to solicit proxies other than by use of the mail, but certain directors, officers and regular employees of the Company or its subsidiaries, without additional compensation, may solicit proxies personally or by telephone, fax, special letter or otherwise.
