Adiv Baruch
President and CEO

Dated: September 27, 2006

CEO of B.O.S. to Conclude his Term of Service with the Company

Mr. Koren will Assume CEO Position in November

TERADYON, Israel (BUSINESS WIRE) September 27, 2006 B.O.S. Better Online Solutions Ltd. (the Company or BOS) (NASDAQ: BOSQ; TASE: BOSC) announces that Mr. Adiv Baruch, President and CEO of the Company, has notified the Board that he shall be leaving the Company at the end of 2006.

Mr. Baruch has been serving as the Company's President and CEO since January 1, 2004. As the Company's CEO, he restructured the Company's operations into three segments (Connectivity, Communications and Software Utilities), and effected a turnaround plan. The plan included the sale of non-profitable operations accompanied by the acquisition of growth generating businesses. At the end of 2003 the Company's annual revenues were approximately \$5.5 with a net loss of approximately \$2M. During his service term, the Company raised a total of over \$7M, has initiated a public offering process in Israel, and has completed 4 M&As, including the acquisition of Odem Technologies, and the sale of the Communication segment to Qualmax. Based on the financial results of the first six months of 2006, the Company has reached an annual sales level of approximately \$20M, has significantly reduced its losses and achieved operational balance.

Mr. Baruch commented: I came to the Company with a three-year mission to turn the Company around. Now that the Company is well positioned with its new business units to move successfully ahead, I am leaving with a sense of accomplishment.

The Company further announced that the new CEO will be Mr. Shmuel Koren, who will assume his position in November 2006. Mr. Baruch will continue to serve the Company and support the incoming CEO, as well as serve on the Company's Board of Directors, until the end of 2006, ensuring a smooth transition.

Mr. Shmuel Koren has served as the Chief Financial Officer of Visonic Ltd. (LSE: VSC.L; TASE: VSC.TA) from 1999 to 2006. Prior to joining Visonic Mr. Koren was with Oren and Horowitz (an Israeli CPA firm), where he serves for five years as a senior manager specializing in public companies and Israeli IPOs. Mr. Koren is a certified public accountant in Israel. He holds a B.A. degree in Business and Accounting from the Tel Aviv College of Business and an International M.B.A degree from the Herriot-Watt University Business School and a Masters degree in Law (LL.M) from Bar Ilan University.

Edouard Cukierman, Chairman of the Board stated that Under Adiv Baruch's skilled management the Company turned over a new leaf in the past three years, from a company with \$5.5M revenues, to a company with expected revenues of over \$20M in 2006. The Company sold its non-profitable operations, made acquisitions, and secured investment and financing deals. We are truly sorry that Adiv is leaving us, however, I am confident that Shmuel Koren has the ability to take the Company to new horizons and to succeed in continuing the growth of the Company.
