FOR IMMEDIATE RELEASE

CAMTEK REPORTS ADDITIONAL COST REDUCTION MEASURES

MIGDAL HA EMEK, Israel, February 17, 2009 Camtek Ltd. (Nasdaq: CAMT; TASE: CAMT) announced today that it is implementing additional reduction of its global work force by 68 employees. This reduction represents about 14% of the Company's current total workforce of 480.

We believe that the continuing severe global slowdown require us to be more conservative and monitor our business expenses and cash resources, said Rafi Amit, Camtek's CEO. While implementing this reduction plan, we remained focused on preserving our R&D capabilities in order to position ourselves for the future recovery of our markets.

ABOUT CAMTEK LTD.

With headquarters in Migdal Ha Emek Israel, Camtek Ltd., designs, develops, manufactures, and markets automatic optical inspection systems and related products. Camtek's automatic inspection systems are used to enhance both production processes and yield for manufacturers in the printed circuit board industry, the high density interconnect substrate industry and the semiconductor manufacturing and packaging industry. This press release is available at www.camtek.co.il.

This press release may contain projections or other forward-looking statements regarding future events or the future performance of the Company. These statements are only predictions and may change as time passes. We do not assume any obligation to update that information. Actual events or results may differ materially from those projected, including as a result of changing industry and market trends, reduced demand for our products, the timely development of our new products and their adoption by the market, increased competition in the industry, price reductions as well as due to risks identified in the documents filed by the Company with the SEC.
