CONSENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We consent to the incorporation by reference in Registration Statement Nos. 33-467078, 333-6435, 333-105219, and 33-125833 of Lee Enterprises, Incorporated ("Lee") on Form S-8 of our reports dated March 14, 2005, relating to the consolidated financial statements and financial statement schedule of Pulitzer Inc. (the "Company") (which report on the consolidated financial statements includes explanatory paragraphs referring to the entering of an Agreement and Plan of Merger between the Company and Lee, effective January 29, 2005 and the restatement of the consolidated statements of cash flows for the years ended December 28, 2003 and December 29, 2002) and of our report on internal control over financial reporting (which report expresses an adverse opinion on the effectiveness of the Company's internal control over financial reporting because of a material weakness), appearing in the Annual Report on Form 10-K of Pulitzer Inc. for the year ended December 26, 2004.

Exhibit 99.3

Lee Enterprises, Incorporated

Pro Forma Condensed Consolidated Financial Statements

On June 3, 2005, the Company and LP Acquisition Corp., an indirect wholly-owned subsidiary (the Purchaser), consummated an Agreement and Plan of Merger (the Merger Agreement) with Pulitzer Inc. (Pulitzer), which was originally entered into in January 2005. The Merger Agreement provided for the Purchaser to be merged with and into Pulitzer (the Merger), with Pulitzer as the surviving corporation. Each share of Pulitzer's Common Stock and Class B Common Stock outstanding immediately prior to the consummation of the Merger was converted into the right to receive from the Company or the surviving corporation in cash, without interest, an amount equal to \$64 per share. The total enterprise value of the transaction, including assumption of \$306,000,000 of existing debt of Pulitzer, is approximately \$1.42 billion. Pulitzer publishes fourteen daily newspapers, including the *St. Louis Post-Dispatch*, and approximately 100 weekly newspapers and specialty publications.

Consummation of the Merger was subject to customary conditions, including the adoption of the Merger Agreement by the required vote of Pulitzer's stockholders, which occurred on June 3, 2005.

The Merger effected a change of control of Pulitzer. At the effective time of the Merger and as a result of the Merger, Pulitzer became an indirect wholly-owned subsidiary of the Company, the directors of the Purchaser became the directors of the surviving corporation, and the officers of the Purchaser became the officers of the surviving corporation.

As previously disclosed in a current report on Form 8-K filed on June 9, 2005, the Company entered into a credit agreement on June 3, 2005 (the Credit Agreement) with a syndicate of financial institutions, including Deutsche Bank Trust Company Americas, Deutsche Bank Securities Inc., SunTrust Bank and SunTrust Capital Markets, Inc. The Credit Agreement provides, on the terms and conditions provided therein, an aggregate of \$1.55 billion of bank senior secured financing, substantially all of the proceeds of which were used to fund the Merger and refinance existing debt. The credit facilities under the Credit Agreement are comprised of a \$450,000,000 Revolving Loan for a term of seven years, an \$800,000,000 Term Loan A for a term of seven years and a \$300,000,000 Term Loan B for a term of eight years. Interest rates float based on LIBOR and, in the case of the Revolving Loan and Term Loan A, based on the Company's leverage ratio, as defined in the Credit Agreement. The Credit Agreement also contains other customary terms and covenants. Each 0.1% change in LIBOR would result in a change in income from continuing income operations before income taxes of \$100,000 for each \$100,000,000 of floating rate debt outstanding and repriced.

As a result of the Merger, the Company refinanced the \$102,000,000 remaining balance under its 1998 Note Purchase Agreement, which resulted in a make-whole payment related to prepayment of the Notes of \$10,242,000, before income tax benefit. The Company also refinanced the \$52,000,000 balance under its existing revolving credit facility.

The following Pro Forma Condensed Consolidated Financial Statements, which are unaudited, have been prepared to give effect to the Merger. The acquisition of Pulitzer will be accounted for under the purchase method of accounting in accordance with FASB Statement 141, Business Combinations. Under the purchase method of accounting, the purchase price is allocated to the identifiable tangible and intangible assets acquired and liabilities assumed based on their estimated fair values with the remainder allocated to goodwill.

Edgar Filing: LEE ENTERPRISES, INC - Form 8-K/A

The estimated fair values contained herein are preliminary in nature, and may not be indicative of the final purchase price allocation, which will be based on an assessment of fair value to be performed by an independent appraiser. Such preliminary estimates of fair values of the assets and liabilities of Pulitzer have been consolidated with the recorded values of the assets and liabilities of the Company and Pulitzer in the Pro Forma Condensed Consolidated Financial Statements. Since the purchase accounting information is preliminary, it has been prepared solely for the purpose of developing such pro forma financial information. FASB Statement 142, Goodwill and Other Intangible Assets, provides that goodwill resulting from a business combination will not be amortized but instead is required to be tested for impairment at least annually.

The Pro Forma Condensed Consolidated Statements of Income reflect the results of operations of the Company and Pulitzer for the year ended September 30, 2004 and for the six-month period ended March 31, 2005 adjusted for the pro forma effects of the Merger, as if such transaction had occurred at the beginning of each period presented. The Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2005 gives effect to the Merger as if the acquisition had occurred on March 31, 2005.

The Pro Forma Condensed Consolidated Statements of Income assume the purchase price of Pulitzer is as defined in the Merger Agreement, in spite of differences in Pulitzer's financial performance and financial condition as of the beginning of the periods presented, which would have likely influenced the purchase price. The Pro Forma Condensed Consolidated Statements of Income also assume that adequate financing to fund the Merger would have been available at interest rates consistent with those contained in the Commitment Letter.

No other acquisitions or divestitures have been included in the Pro Forma Condensed Consolidated Financial Statements as their impact is not material.

In April 2005, the Company executed interest rate swaps in the notional amount of \$350,000,000 with a forward starting date of November 30, 2005. The interest rate swaps have terms of 2 to 5 years, carry interest rates from 4.2% to 4.4% (plus the applicable LIBOR margin) and serve to fix the Company's interest rate on debt in the amounts, and for the time periods of, such instruments. Significant differences in interest rates existed prior to, and during the periods included in the Pro Forma Condensed Consolidated Statements of Income, compared to the interest rate environment in which the interest rate swaps noted above were executed. Accordingly, no such instruments have been assumed to have been executed for purposes of the Pro Forma Condensed Consolidated Financial Statements.

Because of the size and complexity of the acquisition, the Company has not yet completed the required determination of fair value of the assets and liabilities of Pulitzer and related allocation of the purchase price. A significant portion of the total purchase price will be allocated between goodwill, which is not subject to amortization. Accordingly, the final determination of value could result in a significant increase or decrease in amortization expense in future periods from the amounts estimated for the periods presented and reported results overall. For example, the Company would record additional amortization expense of \$435,000 annually for every \$10,000,000 of value allocated to identifiable intangible assets, assuming a twenty-three year useful life, compared to no amortization expense being recorded if such value is allocated to goodwill or an indefinite lived intangible asset. Any changes from amounts previously estimated would not impact the Company's cash flow.

Edgar Filing: LEE ENTERPRISES, INC - Form 8-K/A

The Pro Forma Condensed Consolidated Financial Statements are presented for illustrative purposes only and are not necessarily indicative of the condensed consolidated financial position or results of operations in future periods or the results that actually would have been realized had the Company and Pulitzer been a consolidated company during the specified periods. The Pro Forma Condensed Consolidated Balance Sheet and Pro Forma Condensed Consolidated Statements of Income should be read in conjunction with the Notes included herein and with the historical financial statements and notes thereto of the Company and Pulitzer.
