(1) In the event of a stock split, stock dividend or similar transaction involving the common shares of the Registrant, in order to prevent dilution, the number of shares of common stock registered shall be automatically increased to cover additional shares in accordance with Rule 416(a) under the United States *Securities Act of 1933*, as amended (the "Securities Act").

(2) Represents shares of common stock which are issuable upon the exercise of warrants held by the selling shareholders named herein (the "Selling Shareholders"). In addition to the shares set forth in the table, the amount to be registered includes an indeterminate number of shares issuable upon the exercise of the warrants as such number may be adjusted as a result of stock splits, stock dividends and similar transactions in accordance with Rule 416 of the Securities Act.

(4) The Proposed Maximum Offering Price per Share is calculated in accordance with Rule 457(g) of the Securities Act, based upon the last reported bid and ask price for our common stock on the OTC Bulletin Board on August 23,

2007. The Proposed Maximum Aggregate Offering Price is based on the Proposed Maximum Offering Price Per Share times the total number of shares of common stock to be registered. These amounts are estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(g) of the Securities Act.

(4) The fee is calculated in accordance with Rule 457(g) of the Securities Act. We have based the fee calculation on the average of the last reported bid and ask price for our common stock on the OTC Bulletin Board on August 23, 2007.

(5) On December 22, 2006, we issued an aggregate of 2,400,000 units, at a price of \$2.50 per unit, with each unit consisting of one share of common stock and one-half of one warrant, to certain Selling Shareholders by way of private placement. These shares and the shares underlying the warrants have been registered for resale with the Securities and Exchange Commission pursuant to a currently effective registration statement on Form SB-2 (the "Original Registration Statement"). Each whole warrant entitles the holder to purchase one share of common stock at an exercise price of \$3.00 per share during the period commencing on the date of issuance and ending on the day which is the later of (i) 18 months from the date of issuance and (ii) nine months commencing from the effective date of the Original Registration Statement. We agreed to have the Original Registration Statement declared effective within four months from the date of the issuance of these units and, in the event that the registration statement is not declared effective by that date, to issue additional warrants to acquire shares in the capital of the Company equal to one one-hundredth of a warrant for each U.S. \$1.00 in aggregate funds paid by each subscriber for the units for each 30 calendar day period (or partial period thereof) during which the registration statement has not been declared effective, after the expiry of the four month period (the "Penalty Warrants"). These shares represent the shares underlying the Penalty Warrants issued to certain Selling Shareholders.

This Post-Effective Amendment No. 1 to Form SB-2 shall become automatically effective upon filing pursuant to Rule 462(b) under the Securities Act of 1933, as amended.

EXPLANATORY NOTE

This Post-Effective Amendment No. 1 to Form SB-2 is filed pursuant to Rule 462(b) under the United States Securities Act of 1933, as amended.

On December 22, 2006, we issued an aggregate of 2,400,000 units, at a price of \$2.50 per unit, with each unit consisting of one share of common stock and one-half of one warrant, to certain selling shareholders (the "Selling Shareholders") by way of private placement (the "December 22, 2006 Private Placement"). These shares and the shares underlying the warrants have been registered for resale with the Securities and Exchange Commission pursuant to a currently effective registration statement on Form SB-2 (the "Original Registration Statement"). We agreed to have the Original Registration Statement declared effective within four months from the date of issuance of the units and, in the event that the registration statement is not declared effective by that date, to issue additional warrants to acquire shares in the capital of the Company equal to one one-hundredth of a warrant for each U.S. \$1.00 in aggregate funds paid by each subscriber for the units for each 30 calendar day period (or partial period thereof) during which the registration statement has not been declared effective after the expiry of the four month period (the "Penalty Warrants"). The 60,000 shares underlying the warrants offered hereby represent the shares underlying the Penalty Warrants issued to the Selling Shareholders set forth below. Accordingly, the Selling Shareholder table in the Original Registration Statement is amended to add the 60,000 shares underlying the Penalty Warrants issued to the Selling Shareholders described below.
