NOTICE OF STOCKHOLDER ACTION TAKEN BY WRITTEN CONSENT

WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE REQUESTED NOT TO SEND US A PROXY

To our stockholders:

NOTICE IS HEREBY GIVEN that the board of directors of The Graystone Company, Inc., a Delaware corporation (which we refer to in this Notice as the “Company,” “we,” “us” or “our”), has approved, and the holders of a majority of the outstanding shares of our Class A Common Stock, par value \$0.0001 per share (the “Class A Common Stock”), have executed a Written Consent and Action of Stockholders in Lieu of a Meeting approving an amendment to our Certificate of Incorporation to conduct a reverse stock split of the outstanding Class A Common Stock of the Company, par value \$0.0001 per share, by a ratio of Five Thousand to One (5,000:1) (the “Split”) to be effective on or around September 16, 2013 or when regulatory approval is obtained, for shares with a record date of September 9, 2013. The Split will not change the total number of Class A common shares authorized nor will it change the par value of the Class A common shares. The reverse will not affect the outstanding Class B Common Stock; the reverse only affects the Class A Common Stock outstanding as of the record date.

Additionally, the shareholders approved amending the Articles of Incorporation to reduce the authorized share count of the Class A Common Stock to 300,000,000 from the current 5,000,000,000.

The accompanying information statement (the “Information Statement”) is being furnished to our stockholders for informational purposes only, pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations promulgated thereunder. Under the Delaware General Corporation Law and our by-laws, stockholder action may be taken by written consent without a meeting of stockholders. The affirmative vote of at least a majority of the outstanding shares of Class A Common Stock is necessary to approve the Split. Pursuant to Rule 14c-2(b) promulgated under the Exchange Act, the Split will not be affected until at least 20 calendar days following the mailing of the accompanying Information Statement to our stockholders.

Your consent to the Split is not required and is not being solicited. The accompanying Information Statement will serve as notice pursuant to the Exchange Act and Section 228(e) of the Delaware General Corporation Law of the approval of the Split by less than the unanimous written consent of our stockholders. Section 242(b)(2) of the Delaware General Corporation Law does apply because the powers, preferences or any special rights for the Class A Common Stock will not be altered or changed.

INFORMATION STATEMENT

Pursuant to Section 14(c) of the Securities Exchange Act of 1934

THIS INFORMATION STATEMENT IS BEING SENT TO YOU FOR INFORMATION PURPOSES ONLY AND NO VOTE OR OTHER ACTION OF THE COMPANY'S STOCKHOLDERS IS REQUIRED IN CONNECTION WITH THIS INFORMATION STATEMENT.

WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

THIS INFORMATION STATEMENT IS BEING MAILED ON OR ABOUT SEPTEMBER 16, 2013
TO STOCKHOLDERS OF RECORD ON SEPTEMBER 9, 2013.

The Graystone Company, Inc., a Delaware corporation (which we refer to in this Information Statement as the "Company," "we," "us" or "our"), is sending you this Information Statement for the purpose of informing you, as one of our stockholders, in the manner required under Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Regulation 14C promulgated thereunder, that our board of directors (the "Board") has previously approved, and the holders of a majority of the outstanding shares of our Class A Common Stock, par value \$0.0001 per share (the "Common Stock"), as permitted by our by-laws and Section 228 of the Delaware General Corporation Law, have previously executed a Written Consent and Action of Stockholders in Lieu of a Meeting approving an amendment (the "Amendment") to our Certificate of Incorporation to reverse split the outstanding Class A common shares of the Company, par value \$0.0001 per share, by a ratio of Five Thousand to One (5,000:1) to be effective on or around September 16, 2013. Additionally, the shareholders approved amending the Articles of Incorporation to reduce the authorized share count of the Class A Common Stock to 300,000,000 from the current 5,000,000,000.

Because shareholders holding at least a majority of our outstanding Class A Common Stock have voted in favor of the foregoing actions, and have sufficient voting power to approve such actions through its ownership of Class A Common Stock, no other shareholder consents will be solicited in connection with the transactions described in this Information Statement. The Board is not soliciting proxies in connection with the adoption of these resolutions, and proxies are not requested from shareholders.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Under Section 242 of the Delaware General Corporation Law, the affirmative vote of the holders of at least a majority of the outstanding stock entitled to vote thereon is required to approve the Amendment. As of August 29, 2013, the record date for the written consent (the "Record Date"), (i) 2,490,817,636 shares of Class A Common Stock were issued and outstanding and (ii) 5,000,000 of Class B Common Stock were issued and outstanding.

Each share of Class A Common Stock entitles the holder thereof to one vote on the Amendment. Each share of Class B Common Stock entitles the holder thereof to One Thousand (1,000) votes of Common Stock. The holders of Class B Common Stock did not vote as part of the Class A Common Stock group that voted in favor of the Amendment by the Written Consent and instead voted as a separate class vote.

The majority shareholders of the Company's Class A Common Stock holding 1,256,728,681 shares of Class A Common Stock or 50.3% of the Company's Class A Common Stock executed the Written Consent and Action of

Edgar Filing: Graystone Co - Form DEF 14C

Stockholders in Lieu of a Meeting. Since stockholders holding at least a majority of the voting rights of all outstanding Class A Common Stock as of the Record Date have voted in favor of the Amendment by the Written Consent; and having sufficient voting power to approve the Amendment through its ownership of Class A Common Stock, no other stockholder consents will be obtained in connection with this information statement. The Delaware General Corporation Law does not provide for dissenter's rights with respect to the Amendment.

As of the Record Date 5,000,000 shares of Class B Common Shares were outstanding and issued, with 2,500,000 issued to Renard Properties, LLC and 2,500,000 issued to WTL Group, Inc. (the "Class B Control Block"). Each share of Class B Common Stock entitles the holder thereof to One Thousand (1,000) votes of Common Stock. However, the holders of Class B Common Stock did not vote as part of the Class A Common Stock group that voted in favor of the Amendment by the Written Consent and instead voted as a separate class vote. Upon effectiveness of the reverse stock split, the Class B Control Block shall account for approximately Ninety Nine (99%) of the total outstanding votes of the Company's common stock.

Entity and Organization

The Graystone Company, Inc. ("Graystone") was originally incorporated in the State of New York on May 27, 2010 under the name of Argentum Capital, Inc. Graystone was reincorporated in Delaware on January 10, 2011 and subsequently renamed the Company to The Graystone Company, Inc. on January 14, 2011. Graystone is domiciled in the state of Delaware, and its corporate headquarters are located in Las Vegas, NV. The Company selected December 31 as its fiscal year end.

Approval of the Amendment

Our Board recommended, and the holders of a majority of our outstanding Class A Common Stock approved the Amendment to our Certificate of Incorporation, which will reverse split the outstanding Class A Common Shares of the Company, par value \$0.0001 per share, by a ratio of Five Thousand to One (5,000:1) (the "Split") issued and outstanding on or before September 9, 2013 ("Record Date") to be effective on or around September 16, 2013 or when regulatory approval is obtained. Section 242(b)(2) of the Delaware General Corporation Law does apply because the powers, preferences or any special rights for the Class A Common Stock will not be altered or changed. The Split will not change the total number of Class A common shares authorized nor will it change the par value of the common shares. The Split is affected by the Amendment, in the form annexed to this Information Statement as Appendix A, with the Secretary of State of the State of Delaware. The Amendment will be filed immediately with an effective date for the Split to be on or around September 16, 2013 or when regulatory approval is obtained. Fractional shares will be rounded up at the beneficial owner level. Accordingly, each Class A common shareholders shares shall be divided by 1,000 then rounded up to the nearest whole number; with shareholders owning less than One Thousand Hundred (1,000) common shares as of the record date each receiving One (1) share.

Additionally, the shareholders approved amending the Articles of Incorporation to reduce the authorized share count of the Class A Common Stock to 300,000,000 from the current 5,000,000,000.

Current Capitalization

Edgar Filing: Graystone Co - Form DEF 14C

Currently, we are authorized to issue up to 5,000,000,000 shares of Class A Common Stock, of which 2,490,817,636 shares were issued and outstanding as of the Record Date, and we have 5,000,000 shares of Class B Common Stock authorized and outstanding.

Reasons for Reverse Stock Split

The Board believes it is in the Company's best interest to conduct the Split for general corporate purposes, including acquisitions, equity financings and grants of stock and stock options. The Split will increase the authorized shares available for issuance, which has been determined by the Board to provide for a sufficient amount of Class A Common Stock to support its expansion and future financing activities, if any.

To the extent that additional authorized shares are issued in the future, such issuance may decrease our existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to our existing stockholders. The holders of our Class A Common Stock have no preemptive rights. We currently have no plans, commitments or arrangements to issue the additional available authorized shares other than shares underlying existing obligations as disclosed in the Company's annual and quarterly reports.

The Split and the issuance of authorized shares could also have the effect of delaying or preventing a change in control of the Company without further action by our stockholders. Shares of authorized and unissued Class A Common Stock and Class B Common Stock could (within the limits imposed by applicable law and stock exchange policies) be issued in one or more transactions that would make a change in control of the Company more difficult, and therefore, less likely. For example, such shares could be privately placed with purchasers who might side with the Board in opposing a hostile takeover bid. Any such issuance of additional stock could have the effect of diluting our earnings per share and book value per share of outstanding shares of our common stock or the stock ownership and voting rights of a person seeking to obtain control of the Company. The relative rights and limitations of the shares of Common Stock will remain unchanged under the Amendment. The Company has no plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences. Other than the transactions effectuated pursuant to the Acquisition, the Board is not aware of any other plan or arrangement to acquire control of the Company, and this proposal is not being presented with the intent that it be utilized as a type of anti-takeover device.

When the Board deems it to be in the best interest of the Company and stockholders to issue additional shares of Common Stock in the future from authorized shares, the Board will not seek further authorization by vote of the stockholders, unless such authorization is otherwise required by law or regulation or the rules of any stock exchange on which the shares of Common Stock may then be listed.

Effect of Reverse Split on Outstanding Shares and Total Voting Power

The following table represents the total outstanding shares for each class of stock and the representative voting power prior to the reverse split and immediately following the reverse split.

Pre-Reverse Stock Split

Class of Shares	Outstanding Shares	Percent of Voting Power
Class A	2,490,817,636	33.3%
Class B	5,000,000	66.7%

Post-Reverse Stock Split

Class of Shares	Outstanding Shares	Percent of Voting Power
Class A	498,164	.01%
Class B	5,000,000	99.99%

The Reverse Stock Split will not affect the par value of our Class A Common Stock. As a result, on the effective date of the Reverse Stock Split, the stated capital on our balance sheet attributable to our Class A Common Stock will be reduced to less than the present amount, and the additional paid-in capital account shall be credited with the amount by which the stated capital is reduced. The per share net income or loss and net book value of our Class A Common Stock will be increased because there will be fewer shares of our Class A Common Stock outstanding.

Effect of Reverse Split on Officers and Directors Outstanding Shares and Voting Power

The following table represents for our principal shareholder's, officers and directors their total outstanding shares for each class of stock and the representative voting power prior to the reverse split and immediately following the reverse split.

Pre-Reverse Split

Name and Address	Class A Common			Class B Common			Total Voting Power	
	Stock Shares Beneficially Owned	Percentage Class		Stock Shares Beneficially Owned	Percentage Class			
Paul Howarth, CEO and Chairman ¹ ,	628,572,703	25.2	%	2,500,000	50	%	41.8	%
Joseph Mezey, C.F.O., Director ²	628,168,041	25.2	%	2,500,000	50	%	41.8	%

Post-Reverse Split

Name and Address	Class A Common			Class B Common			Total Voting Power	
	Stock Shares Beneficially Owned	Percentage Class		Stock Shares Beneficially Owned	Percentage Class			
Paul Howarth, CEO and Chairman ¹	125,715	25.2	%	2,500,000	50	%	49.9	%
Joseph Mezey, President, C.F.O., Director ³	125,634	25.2	%	2,500,000	50	%	49.9	%

(1) These shares are owned by Mr. Howarth and Renard Properties, LLC. Mr. Howarth does not own or manage any part of Renard Properties, LLC. However, Mr. Howarth's wife is the managing partner of Renard Properties, LLC and thereby pursuant to Rule 13-d3 Mr. Howarth is deemed to be a beneficial owner of Renard Properties and based on application of Rule 13-d3 are reflected as a group.

(2) These shares are owed by Mr. Mezey, WTL Group and LCL Group and through Rule 13-d3 these shares are beneficially owned by Mr. Mezey and are reflected as a group.

As demonstrated from the above table the principal shareholder's, officers and directors total voting power would be increased from 83.5% of the total vote to 99.99%.

Anti-Takeover Effects of the Reverse Stock Split

THE OVERALL EFFECT OF THE REVERSE STOCK SPLIT MAY BE TO RENDER MORE DIFFICULT THE ACCOMPLISHMENT OF MERGERS OR THE ASSUMPTION OF CONTROL BY A PRINCIPAL STOCKHOLDER, AND THUS MAKE DIFFICULT THE REMOVAL OF MANAGEMENT.

The effective increase in our authorized shares could potentially be used by management to thwart a take-over attempt. The over-all effects of this proposal might be to render it more difficult or discourage a merger, tender offer or proxy contest, or the assumption of control by a holder of a large block of the Company's securities and the removal of incumbent management. The proposal could make the accomplishment of a merger or similar transaction more

difficult, even if, it is beneficial to shareholders. Management might use the additional shares to resist or frustrate a third-party transaction, favored by a majority of the independent stockholders that would provide an above market premium, by issuing additional shares to frustrate the take-over effort.

As discussed above, the reason the Reverse Stock Split is being proposed is to increase the market price of the Company's Common Stock in order to attract potential investors and business partners. This proposal is not the result of management's knowledge of an effort to accumulate the Company's securities or to obtain control of the Company by means of a merger, tender offer, solicitation or otherwise. Further, this proposal is not a plan by management to adopt a series of amendments to the Company's charter or by-laws to institute an anti-takeover provision. The Company does not have any plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences.

Procedure for Effecting Reverse Stock Split and Exchange of Stock Certificates

We anticipate that the Reverse Stock Split will become effective on September 16, 2013, or as soon thereafter as is reasonably practicable once regulatory approval is obtained (the "Effective Date"). Beginning on the Effective Date, each stock certificate representing pre-Reverse Stock Split shares of Class A Common Stock will be deemed for all corporate purposes to evidence ownership of post-Reverse Stock Split shares of Class A Common Stock.

Our transfer agent, Cleartrust, LLC, will act as exchange agent (the "Exchange Agent") for purposes of implementing the exchange of stock certificates. Holders of pre-Reverse Stock Split shares of Class A Common Stock are asked to surrender to the Exchange Agent stock certificates representing pre-Reverse Stock Split shares of Class A Common Stock in exchange for stock certificates representing post-Reverse Stock Split shares of Class A Common Stock in accordance with the procedures set forth in the letter of transmittal enclosed with this Information Statement. No new stock certificates will be issued to a holder of Class A Common Stock until such holder of Class A Common Stock has surrendered the outstanding stock certificate(s) held by such holder of Class A Common Stock, together with a properly completed and executed letter of transmittal.
