**Item 8.01** Other Events

On October 9, 2007 Whitestone REIT, which owns and manages 36 commercial properties in Texas, issued a press release announcing that it had purchased a commercial property in Arizona. The property is a newly constructed class "A" executive office/medical office building, located in Carefree, Arizona, adjacent to North Scottsdale.

Called Pima Norte, the property represents Whitestone REIT's first acquisition outside of Texas. It was developed and built as condominium office space to be sold to individual owners, which currently include an architectural firm, insurance agency, and a health and beauty treatment center.

The buildings at Pima Norte are 100% complete, with only the tenant improvement and interior finishes remaining to be done. Whitestone will have invested approximately \$10.2 million, including the acquisition price of \$8.3 million, after leasing and occupancy is complete in approximately 18 months.

The purchase of the property was funded from the Company's bank line of credit.

A copy of the press release is furnished herewith as Exhibit 99.1 to the Current Report on Form 8-K and is incorporated herein by reference.
