**ITEM 2.03. Creation of a Direct Financial Obligation.**

The Lubrizol Corporation (the Company), entered into a Credit Agreement dated as of August 24, 2004 among the Company, the Initial Lenders named therein, Citigroup Global Markets Inc. and KeyBanc Capital Markets, as co-lead arrangers and co-bookrunners, KeyBank National Association and ABN Amro Bank N.V., as co-syndication agents, Wachovia Bank, National Association, as documentation agent, and Citicorp North America, Inc., as agent (the Credit Agreement). Pursuant to the Credit Agreement, the Company and designated subsidiaries (the Borrowers) may borrow up to \$500,000,000 under a five-year unsecured revolving credit facility and \$575,000,000 under an unsecured amortizing term note. Each of the Company's direct and indirect domestic subsidiaries will unconditionally guarantee all obligations of the Borrowers under the Credit Agreement. The Borrowers will not draw on the revolving credit facility or the term note until the effective date, which is expected to occur in September 2004.

The Borrowers must pay interest no less frequently than quarterly on the revolving credit facility and term note. The interest rate for base rate advances will be based on a fluctuating rate equal to Citibank N.A.'s base rate plus the Applicable Margin (as defined in the Credit Agreement). The interest rate for Eurodollar rate advances will be based on a periodic fixed rate equal to LIBOR plus the Applicable Margin. The Borrowers must repay the term note in quarterly installments of \$14,375,000 each, commencing on March 31, 2005 and with the final payment due on August 24, 2009. The Borrowers must repay advances under the revolving credit facility by August 24, 2009. Advances under the revolving credit facility and the term note may be prepaid without penalty. In certain asset sales or other dispositions, the Borrowers will be required to prepay an aggregate principal amount of the term note advances equal to the net cash proceeds from such sale or other dispositions.

So long as any borrowings remain unpaid, any letters of credit remain outstanding or any lender has any commitment pursuant to the Credit Agreement, the Company must maintain (1) a ratio of consolidated debt to consolidated EBITDA (as defined in the Credit Agreement) for the period of twelve months most recently ended on or prior to the last day of each fiscal quarter set forth below of not greater than the ratio set forth opposite such period:

<u>Fiscal Quarter Ending</u>	<u>Ratio</u>
September 30, 2004	4.75 to 1
December 31, 2004	4.50 to 1
March 31, 2005	4.25 to 1
June 30, 2005	4.25 to 1
September 31, 2005	4.00 to 1
December 31, 2005	3.75 to 1
Each fiscal quarter ending after December 31, 2005	3.50 to 1

and (2) a ratio of consolidated EBITDA for the period of four quarters most recently ended to interest payable on, and amortization of debt discount in respect of, all debt of the Company and its subsidiaries of not less than 3.50 to 1.00.

If any events of default (as defined in the Credit Agreement) have occurred or are continuing, then the Agent may terminate the commitments and declare that all advances and other monies borrowed are due and payable by the Borrowers.
