Item 8.01 Other Events.

On November 15, 2004, the Company received a letter from MedCath Incorporated (MedCath), which provided notice of MedCath s decision to terminate the Master Software License and Services Agreement, dated November 20, 2002, by and between QuadraMed Affinity and MedCath, and all other incorporated agreements (collectively, the Contract). MedCath has alleged that the Company is in breach of this Contract in respect of uncured deficiencies in the products and performance obligations under the Contract. The Company believes that these allegations are without merit and that the termination of the Contract is unwarranted. The Company will vigorously defend itself against any claim that it has breached the Contract and will seek redress through all applicable remedies of any injuries suffered by the Company in connection with this matter.
