Pro Forma Condensed Consolidated Financial Statements

(Unaudited)

This information should be read in conjunction with the previously filed Form 8-K, dated November 3, 2005, the previously filed historical consolidated financial statements and accompanying notes of ProQuest Company (the Company), contained in its Annual Report on Form 10-K for the fiscal year ended January 1, 2005 and its Quarterly Report on Form 10-Q for the fiscal quarter ended October 1, 2005.

Subsequent to the initial Form 8-K filed on November 3, 2005, in accordance with the terms of the Asset Purchase Agreement the purchase price was reduced from \$30 million to \$26 million. The reduction in purchase price was a result of working capital and other adjustments. The Asset Purchase Agreement was filed as exhibit 2.1 to our Form 10-Q for the fiscal quarter ended October 1, 2005.

The following unaudited pro forma condensed consolidated statements of operations for the fiscal year ended January 1, 2005 and the fiscal quarter ended October 1, 2005 and the pro forma condensed consolidated balance sheet as of October 1, 2005, give effect to the disposal, by ProQuest Company, of certain assets related to its periodical microfilm and coursepack operations. The accompanying footnotes provide descriptions of the assumptions and adjustments made in the pro forma condensed consolidated financial statements.

The unaudited pro forma condensed consolidated statements of operations have been prepared assuming the disposal occurred as of the beginning of the period presented. The disposal actually occurred on October 28, 2005. The unaudited pro forma condensed consolidated balance sheet represents the financial position of the Company as of October 1, 2005, the last day of the Company's most recently completed fiscal quarter, assuming the disposal occurred as of that date.

The unaudited pro forma condensed consolidated financial statements are provided for informational purposes only in response to Securities and Exchange Commission (SEC) requirements and do not purport to represent what the Company's financial position or results of operations would

Edgar Filing: PROQUEST CO - Form 8-K/A

actually have been if the transaction had in fact occurred at such dates, or to project the Company's financial position or results of operations for any future date or period. Furthermore, the unaudited pro forma condensed consolidated financial statements have been prepared in accordance with rules prescribed by Article 11 of Regulation S-X.
