Item 7.01 Regulation FD Disclosure

On March 2, 2006, The Coast Distribution System, Inc. issued a press release reporting that its Board of Directors had approved an increase in the amount of the Company's quarterly cash dividend to \$0.05 per share and, pursuant to its dividend policy, declared the quarterly cash dividend for the quarter ending March 31, 2006 in the amount of \$0.05 per share. The dividend is payable on March 24, 2006 to all stockholders of record as of March 14, 2006. A copy of that press release is attached as Exhibit 99.1 to, and by this reference is incorporated reference into, this Report.

As stated in its press release, the declaration of cash dividends in the future, pursuant to the Company's dividend policy, is subject to determination each quarter by the Board of Directors based on a number of factors, including the Company's financial performance and its available cash resources. Also, it could become necessary for the Company to obtain the consent of its lender under its secured bank loan agreement in order to pay cash dividends in the future and for these reasons, as well as others, there can be no assurance that that the Board of Directors will not decide to reduce the amount, or suspend or discontinue the payment, of cash dividends in the future.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended.
