**ITEM 1.01 Entry Into a Material Definitive Agreement**

On July 25, 2006, the Compensation Committee of the Board of Directors of Olin Corporation (the Company) determined and approved the number of performance shares that were earned under the Company's 2001 Performance Share Program covering the three-year period from January 1, 2003 through December 31, 2005 by current eligible participants. Such awards under the 2001 Performance Share Program are payable 50% in common stock and 50% in cash. The cash portion of this payout is an amount equal to fifty percent (50%) of the number of performance shares multiplied by \$19.61, which was the fair market value of the Company's common stock on December 31, 2005, the last day of the three-year period of the program. The awards under the 2001 Performance Share Program provided for a targeted number of performance shares to be issued to certain officers, including those named executive officers of the Company noted below. Upon calculation of the final results under the 2001 Performance Share Program, awards were issued to those named executive officers of the Company as set forth in the following table:

<b>Named Executive Officer</b>	<b>Number of Performance Shares Issued</b>
Joseph D. Rupp Chairman, President and Chief Executive Officer	7,500
John L. McIntosh Vice President and President, Chlor Alkali Products Division	2,250
George H. Pain Vice President, General Counsel and Secretary	2,125

In addition, the Compensation Committee previously approved the award of performance shares to be issued to certain officers under the Company's 2006 Performance Share Program, covering the three-year period from January 1, 2006 through December 31, 2008 (the Performance Cycle). The ultimate award will range from 25% to 150% of the number of target shares awarded, based on Olin's average annual return on capital in relation to the average annual return on capital among a group of public companies composed of the S&P Materials 1000 companies plus six additional companies that compete with the Company. The ultimate awards will be calculated at the conclusion of the Performance Cycle and will be payable 50% in common stock and 50% in cash. The following table details the target number of performance shares awarded to the Company's named executive officers under the Company's 2006 Performance Share Program:

<b>Named Executive Officer</b>	<b>Target Number of Performance Shares Issued</b>
Joseph D. Rupp Chairman, President and Chief Executive Officer	48,000
John L. McIntosh Vice President and President, Chlor Alkali Products Division	9,000
George H. Pain Vice President, General Counsel and Secretary	12,000
John E. Fischer Vice President and Chief Financial Officer	13,000
Dennis R. McGough Vice President, Human Resources	6,000

The foregoing descriptions of the 2001 Performance Share Program and the 2006 Performance Share Program are qualified in their entirety by reference to the full text of the program, each of which was filed as an exhibit to the Company's Form 10-K for the year ended December 31, 2005 (File # 001-01070).
