ELECTION OF DIRECTORS

Election of Directors

At present, the Board of Directors consists of ten members. Director Homer R. Unkefer retired from the Board of Directors on July 16, 2005 and has been appointed to the honorary position of Director Emeritus. Harry W. Schmuck, Jr. was appointed by the Board of Directors on November 28, 2005 to fill the vacancy. On August 8, 2006, Walter J. Young announced his intention to retire as a member of the Board of Directors effective as of the December 2006 Board of Directors meeting. Section Five of the Company's Amended and Restated Articles of Incorporation provides that the Board of Directors be divided as equally as possible into three classes designated as Class I, Class II and Class III. Generally, the directors in each class are elected to serve staggered three year terms so that the term of office of one class of directors expires at each annual meeting. Currently, the Board of Directors has three directors in Class I with terms expiring in 2007, three directors in Class II with terms expiring in 2008 and four directors in Class III with terms expiring in 2006.

The terms of office of current Class III directors John P. Furey, Thomas M. Kishman, Steven L. Muckley and Harry W. Schmuck, Jr. will expire at the Annual Meeting upon the election of their successors. In order to divide the classes as equally as possible; (1) Mr. Furey, Mr. Kishman and Mr. Muckley have been nominated by the Board of Directors to serve as Class III directors for three-year terms that will expire at the 2009 annual meeting upon the election of their successors and (2) Mr. Harry W. Schmuck, Jr. has been nominated by the Board of Directors to serve as a Class II director for a two-year term that will expire at the 2008 annual meeting upon the election of his successor. Additional information concerning the nominees for director and the directors and executive officers of Consumers Bancorp is provided in the following pages.

The common shares represented by the accompanying proxy will be voted **for** the election of the nominees to serve as directors, unless contrary instructions are indicated on the proxy card. The nominees for director receiving the greatest number of **for** votes will be elected as directors. If the election of directors is by cumulative voting, the persons appointed by the accompanying proxy intend to cumulate the votes represented by the proxies they receive and distribute such votes in accordance with their best judgment.

If one or more of the nominees should at the time of the Annual Meeting be unavailable or unable to serve as a director, the common shares represented by the proxies will be voted to elect the remaining nominees and any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve.

The Board of Directors recommends that the shareholders vote *for* the election of the nominees as Class III directors and vote *for* the election of the nominee as Class II director.

THE BOARD OF DIRECTORS AND

ITS COMMITTEES

All directors attended at least 75% of the aggregate of Consumers Bancorp Board meetings and total number of meetings held by all committees of the Board on which they served during the 2006 fiscal year, with the exception of Mr. Young. Due to absences caused by a serious illness, Mr. Young attended nine of the twelve Consumers Bancorp meetings and 50 of the 73 meetings held by the committees of the Board on which he served during the 2006 fiscal year. Currently, each member of the Board of Directors of Consumers Bancorp also serves as a member of the Board of Directors of Consumers National Bank. Consumers National Bank held 14 Board of Directors meetings in the fiscal year 2006, including two days of Strategic Planning meetings and one Executive Board meeting.

Although the Company does not have a formal policy with respect to Board member attendance at annual meetings of shareholders, each member is encouraged to attend. All Board members attended the 2005 Annual Meeting of Shareholders.

Consumers Bancorp has an Asset/Liability Committee, Audit Committee, Compensation Committee, Corporate Governance Committee, Executive Committee, Loan Committee and Nominating Committee, each of which serves in dual capacity as a committee of Consumers Bancorp and Consumers National Bank. The committee makes recommendations relative to the strategic direction of the Company and establishes key benchmarks relative to performance. The Board of Directors of Consumers Bancorp adopted a revised Audit Committee Charter in November 2005 which is attached to this Proxy Statement as Addendum A and is also available on the Company's website www.consumersbancorp.com. The Board of Directors of Consumers Bancorp has determined that each member of the Audit Committee meets the independence standards of Rule 4200 (a) (15) of the National Association of Securities Dealers, Inc. (NASD) and that Mr. Tonti satisfies the requirements of a financial expert, as defined in Rule 4350(d) of the NASD. The Report of the Audit Committee is on page 14 of this Proxy Statement. During the fiscal year 2006, the Nominating Committee met three times.

Under the terms of the Nominating Committee Charter the Nominating Committee is responsible for developing and implementing a process and guidelines for the selection of individuals for nomination to the Board of Directors and considering incumbent directors for nomination for re-election. They must be willing to commit their time to Board and committee meetings, keep apprised of banking issues and complete continuing education courses. The Nominating Committee is responsible for the selection of the final slate of nominees for election to the Board of Directors. Those nominees recommended by the Committee are then submitted to the Board of Directors for approval. The Nominating Committee Charter is available on the Company's website www.consumersbancorp.com.

Shareholders desiring to nominate a candidate for election as a director at the 2007 Annual Meeting of Shareholders other than for inclusion in Consumers Bancorp's proxy statement and form of proxy must deliver written notice to the Secretary of Consumers Bancorp, at its executive offices, 614 East Lincoln Way, Minerva, Ohio 44657, not later than August 1, 2007 or such nomination will be untimely. DEFINED CONTRIBUTION PLAN

Under the Consumers National Bank 401(k) Savings and Retirement Plan & Trust (401(k) Plan) as in effect during the fiscal year ended June 30, 2006, the Consumers National Bank's Board of Directors has the discretion and authority to determine the amount to be contributed to the 401(k) Plan. The 401(k) Plan is administered by Consumers National Bank. Each participant in the 401(k) Plan has credited to their account a maximum of 4.0% of their annual salary, provided they have voluntarily contributed a like amount. The 401(k) Plan states that each participant shall be fully vested in the 401(k) Plan immediately upon contribution. Benefits under the 401(k) Plan cannot be estimated for the participants because the benefits are based upon future earnings of Consumers National Bank and future compensation of the participants. Part of the funds in the 401(k) Plan is vested in the participants in accordance with the 401(k) Plan. An eligible participant is one who has completed one year of service, works 1,000 hours per year, and has attained the age of 21. At the time of retirement, death, disability or other termination of employment, a participant is eligible to receive a distribution of all vested amounts credited to their account in either a single lump sum payment or a series of substantially equal installment payments over a period not longer than the joint life expectancy of the participant and beneficiary. The trustees of the 401(k) Plan are Steven L. Muckley and Laurie L. McClellan.

SALARY CONTINUATION PROGRAM

In September 1995, the Board of Directors of Consumers National Bank adopted a salary continuation program (Plan) to encourage Consumers National Bank executives to remain employees of Consumers National Bank. Pursuant to the Plan, salary continuation agreements (Agreements) were entered into between Consumers National Bank and certain executives. The Agreements provided such executives (and, in the event of the executive's death, surviving spouse) with 180 months of lifetime salary continuation payments equal to a percentage of an executive's final pay (consisting of base salary reduced for other benefit programs of Consumers National Bank in which the executive participates) commencing upon the first day of the month following the executive's termination of employment (other than termination for cause or suicide within two years of the date of the Agreement or any material misstatement of fact by the executive on any application for life insurance purchased by Consumers National Bank). Pursuant to the Agreements, the amount of base pay was limited to the lesser of the preceding year's annual base salary prior to termination of employment or the annual base salary at the inception of the Agreement with the executive plus 3.5% annual inflation. Vesting under the Agreements commenced at age 50 and was prorated until age 65. In 2001, several of the Agreements were amended and restated to reflect changes in the Plan approved by the Board of Directors (Amended Agreements). In consideration of executives entering into noncompetition, nonsolicitation and confidentiality agreements with Consumers National Bank, Consumers National Bank entered into the Amended Agreements with such executives. The Amended Agreements provide enhancements to the salary continuation benefits under the Agreements such as fully vested salary continuation benefits upon termination of employment following a change in control of Consumers National Bank; the use of a three year average of total W-2 compensation to determine final pay upon which salary continuation benefits are based; the elimination of reductions in final pay for other Consumers National Bank benefit programs; and the crediting of interest at an annual rate in the range of 6.0% to 7.5%, compounded monthly, on the unpaid balance of the 180 equal monthly salary continuation payments for early termination benefits prior to age 65 for reasons other than death, disability, or change of control. Mr. Muckley became eligible to participate in the Plan as of August 11, 2004 and entered the plan on March 1, 2005. The estimated annual benefits payable upon Mr. Muckley's retirement from the Company at the age of 65 are \$121,900.

CHANGE OF CONTROL AGREEMENTS

Change of control agreements (Change of Control Agreements) were entered into with Mr. Hugenberg and Ms. Wood on July 1, 2005, in order to provide severance benefits in the event of their termination of employment following a change of control of Consumers National Bank within five years of the effective date of each agreement.

If within 12 months following a change of control, a termination of employment occurs for any reason other than death, Disability (as defined below), or Cause (as defined below), a participant may receive a lump sum payment based on the agreement schedule in effect at the date of such termination. In addition, the participant shall be entitled to receive Company-paid COBRA premiums, relating to employee's group medical insurance continuation premiums under the Company's group health plan, for a period of 12 months after the date of termination. For purposes of these Change of Control Agreements, a Change of Control means the transfer of shares of the Company's voting common stock during the term such that one entity or one person acquires (or is deemed to acquire when applying Section 318 of the Internal Revenue Code) more than 50 percent of the Company's outstanding voting common stock. For purposes of these Change of Control Agreements, the term Termination means termination of the employment of the employee, during the 12 consecutive month period commencing upon a Change of Control, by the Company, for any reason other than death, Disability (as defined below), or Cause (as defined below). The date of the employee's Termination shall be the date specified by the Company in a written notice to the employee. The employee shall be considered to have a Disability during the period in which the employee is unable, by reason of a medically determinable physical or mental impairment, to

engage in the material and substantial duties of employee's regular employment with the Company, which condition is expected to be permanent. For purposes of these Change of Control Agreements, the term "Cause" means, in the reasonable judgment of the President of the Company, (i) the willful and continued failure by the employee to substantially perform the employee's duties with the Company after written notification by the Company, (ii) the willful engaging by the employee in conduct which is demonstrably injurious to the Company, monetarily or otherwise, or (iii) the engaging by the employee in egregious misconduct involving serious moral turpitude. For purposes of these Agreements, no act or failure to act on the employee's part shall be deemed "willful" unless done, or omitted to be done, by the employee not in good faith and without reasonable belief that such action was in the best interest of the Company.

COMPENSATION COMMITTEE

Report on Compensation

The Compensation Committee is comprised of three non-employee directors and the Chairman of the Board. The Committee members for the 2006 fiscal year were Mr. Furey, Mr. Kishman, Mr. Johnson and Ms. McClellan, with Mr. Johnson serving as Chairman. The Board of Directors has delegated to the committee responsibility for the oversight and administration of compensation of the Company. The committee reviews and recommends company benefit and incentive plans, as well as, reviewing the individual performance of the Chief Executive Officer and executive management.

Compensation Policies

The Company's compensation program includes the following core components: base salary, quarterly cash incentive, and long-term compensation. The Committee manages all three components on an integrated basis to achieve the following objectives: to attract and retain highly qualified management and to provide short-term incentive compensation that varies directly with the Company's financial performance.

Base Salary

Salary ranges are determined for each position, based upon peer group survey data comprised of reasonably comparable community banks. In determining annual adjustments to base salaries for executive management, the Committee considers the recommendations of the Chief Financial Officer regarding the parameters considered for cost of living and performance adjustments.

Quarterly Incentive Compensation

The Company's quarterly cash incentive compensation is based on the Company's short-term performance as measured by earnings. The incentive compensation program, contemplates first providing a reasonable return on investment to shareholders and then providing a profit-sharing arrangement with employees thereafter. Incentive compensation awards play a key role in implementing the Company's strategy of tying performance to earnings.

Long-term Compensation

Long-term compensation includes a qualified retirement plan in the form of a 401(k) Plan and a non-qualified Salary Continuation Program. The Company provides safe harbor contributions under the 401(k) Plan, matching up to 100% of the first 4.0% contributed by the employee. The Salary Continuation Plan is designed to retain Executive and Senior Management personnel. Entrance to the Salary Continuation Plan is limited and is subject to meeting performance criteria, established by the Compensation Committee and approved by the Board of Directors.

Executive Compensation

A key goal of the Company's 2006 strategic plan is to continue to strengthen Consumer National Bank's infrastructure. In satisfying the Company's objective, a significant investment was made in retaining and attracting highly, qualified executive management personnel. Consumer National Bank experienced heightened competition for securing experienced individuals with the skill level required to meet current and future needs and found it necessary to offer competitive compensation packages at base ranges at or above the 75th quartile of peer banks of comparable size. Additionally, Executive Officers are offered Change of Control provisions either as a separate agreement or as a part of the Salary Continuation Program.

Chief Executive Officer's Compensation

In establishing the Chief Executive Officer's compensation for 2006, the Committee considered the Company's short-term and long-term goals, past compensation practices, comparative peer data and competitive market guidelines for the position. Due to an anticipated short fall in meeting budget expectations for the 2006 fiscal year, a voluntary fee and salary reduction was taken by the Chairman of the Board, the Directors and the Chief Executive Officer. Effective March 15, 2006, Mr. Muckley's base salary was reduced to \$151,142. The Compensation Committee, in conjunction with the Board of Directors, will periodically review compensation of the Chief Executive Officer in relation to performance goals achieved during the 2007 fiscal year.

Respectfully Submitted,

The Compensation Committee

Mr. Johnson, Chairman

Mr. Furey

Mr. Kishman
