**Item 1.01 Entry into a Material Definitive Agreement**

On November 22, 2006, Jabil Circuit (Taiwan) Limited ( Merger Sub ), a Taiwan corporation and indirect wholly-owned subsidiary of Jabil Circuit, Inc. ( Jabil ), entered into a merger agreement (the Merger Agreement ) with Taiwan Green Point Enterprises Co., Ltd. ( Green Point ), a Taiwan corporation whose stock is traded on the Taiwan Stock Exchange. The Merger Agreement contemplates that the Merger Sub would commence an offer to purchase all of the outstanding shares of Green Point (the Green Point Shares ) at a purchase price of NT\$109 per share in cash (the Offer ). Green Point has represented that there are 265,708,828 Green Point Shares outstanding and 1,516,500 Green Point Shares issuable upon the exercise of the vested employee stock options to purchase Green Point Shares. The Offer commenced on November 24, 2006 and is currently expected to stay open for 50 days. The closing of the Offer is subject to various closing conditions, including (i) obtaining all necessary governmental approvals, such as competition clearance under the laws of Taiwan and China, (ii) obtaining at least a majority of the outstanding Green Point Shares being tendered pursuant to the Offer, (iii) that there is no material event or change in the financial or business condition of Green Point (including a material untrue disclosure or omission in financial statements filed or published by Green Point, and other business related documents), and (iv) no other event has occurred that would cause applicable government agencies to require the Merger Sub to terminate or cancel the Offer. Shareholders of Green Point owning approximately 42.7% of the outstanding Green Point Shares have entered into agreements under which they have agreed to tender their shares in the Offer.

Assuming that the Offer is successfully closed, Green Point will merge into Merger Sub (the Merger ) pursuant to the Merger Agreement provided that all other closing conditions set forth in the Merger Agreement (many of which are similar to the conditions to the closing of the Offer) have been met, including, without limitation, the approval of the Merger by Green Point 's shareholders after the Offer closes (unless more than 90% of the outstanding shares are tendered, in which case no shareholder approval is required) and there not being certain breaches of the representations, warranties and covenants of Green Point contained in the Merger Agreement. The Merger Agreement provides that Green Point shareholders will receive NT\$109 in cash per Green Point Share. The Merger Agreement also contains various limitations on Green Point 's operation of its business prior to the closing of the Merger. If the Offer is not successfully closed by March 2, 2007 or the Merger is not closed by July 15, 2007, then either party may terminate the Merger Agreement.
