**Item 7.01. Regulation FD Disclosure.**

The following information is furnished pursuant to Item 7.01, Regulation FD Disclosure.

On November 29, 2006, Alain J. P. Belda, Chairman and Chief Executive Officer of Alcoa Inc. ( Alcoa ), gave a presentation on the strength of the aluminum industry and Alcoa at the Bear Stearns Commodities and Capital Goods Conference in New York, New York, beginning at approximately 8:30 a.m. Due to technical difficulties with the audio portion of the live webcast presentation, listeners may not have been able to hear the live presentation. A transcript of Mr. Belda's presentation is attached hereto as Exhibit 99 and is incorporated herein by reference.

**Forward-Looking Statements**

Certain statements in the transcript attached hereto relate to future events and expectations, and as such constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements also include those containing such words as anticipates, believes, estimates, expects, targets, should, will, will likely result, forecast, outlook, projects or similar. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements of Alcoa to be different from those expressed or implied in the forward-looking statements. Alcoa disclaims any intention or obligation, other than as required by law, to update or revise any forward-looking statements. Important factors that could cause actual results to differ materially from those in the forward-looking statements include: (a) material adverse changes in global economic or aluminum industry conditions generally, including global supply and demand conditions and prices for primary aluminum, alumina and other products; (b) material adverse changes in the markets served by Alcoa, including the transportation, building, construction, distribution, packaging, industrial gas turbine and other markets; (c) Alcoa's inability to achieve the level of cost savings, productivity improvements or earnings growth anticipated by management, whether due to significant increases in energy, raw materials or employee benefit costs, labor disputes or other factors; (d) Alcoa's inability to realize the full extent of the expected savings or benefits from its restructuring activities, to complete such activities in accordance with its planned timetable, or to assure that subsequent refinements or developments in its plans do not cause the actual charges to exceed the estimated charges; (e) changes in laws, governmental regulations or policies, currency exchange rates or competitive factors in the countries in which Alcoa operates; (f) significant legal proceedings or investigations adverse to Alcoa, including environmental, product liability, safety and health and other claims; and (g) the other risk factors summarized in Alcoa's Form 10-K for the year ended December 31, 2005, Forms 10-Q for the quarters ended March 31, 2006, June 30, 2006 and September 30, 2006 and other reports filed with the Securities and Exchange Commission.
