Item 6. Indemnification of Directors and Officers.

Section 545.121 of the Office of Thrift Supervision (OTS) regulations provides indemnification for directors and officers of Third Federal Savings and Loan Association of Cleveland (Association). Although there are no indemnification provisions in the charter and bylaws of the Company, all of the directors and officers of the Company are directors and officers of the Association and have indemnification under OTS Regulations as described below.

Generally, federal regulations define areas for indemnity coverage for federal savings associations as follows:

- (a) Any person against whom any action is brought or threatened because that person is or was a director or officer of the savings association shall be indemnified by the savings association for:
 - (i) Any amount for which that person becomes liable under a judgment in such action; and

Edgar Filing: TFS Financial CORP - Form S-8

- (ii) Reasonable costs and expenses, including reasonable attorneys' fees, actually paid or incurred by that person in defending or settling such action, or in enforcing his or her rights under this section if he or she attains a favorable judgment in such enforcement action.

- (b) Indemnification shall be made to such person under paragraph (a) above only if:
 - (i) Final judgment on the merits is in his or her favor; or

 - (ii) In case of:
 - a. Settlement,

- b. Final judgment against him or her, or

 - c. Final judgment in his or her favor, other than on the merits, if a majority of the disinterested directors of the savings association determine that he or she was acting in good faith within the scope of his or her employment or authority as he or she could reasonably have perceived it under the circumstances and for a purpose he or she could reasonably have believed under the circumstances was in the best interests of the savings association or its members. However, no indemnification will be made unless the association gives OTS at least 60 days' notice of its intention to make such indemnification. Such notice must state the facts on which the action arose, the terms of any settlement, and any disposition of the action by a court. Such notice, a copy thereof, and a certified copy of the resolution containing the required determination by the board of directors must be sent to the Regional Director, who will promptly acknowledge receipt thereof. The notice period will run from the date of such receipt. No such indemnification may be made if OTS advises the association in writing, within such notice period, of its objection thereto.
- (c) As used in this Item 6:
- (i) Action means any judicial or administrative proceeding, or threatened proceeding, whether civil, criminal, or otherwise, including any appeal or other proceeding for review;

 - (ii) Court includes, without limitation, any court to which or in which any appeal or any proceeding for review is brought;

 - (iii) Final judgment means a judgment, decree, or order which is not appealable or as to which the period for appeal has expired with no appeal taken; and

 - (iv) Settlement includes the entry of a judgment by consent or confession or a plea of guilty or of nolo contendere.

Item 9. Undertakings

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (Securities Act).
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, That paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

Edgar Filing: TFS Financial CORP - Form S-8

- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

Page 3

The undersigned Registrant further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions described under Item 6 or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
