Table of Contents

Who can vote?

To be able to vote, you must have been a shareholder of record at the close of business on April 1, 2011. This date is the record date for the annual meeting.

Shareholders of record at the close of business on April 1, 2011 are entitled to vote on each proposal at the annual meeting. The number of outstanding common shares entitled to vote on each proposal at the meeting is 221,066,519.

How many votes do I have?

Each common share of Genpact that you owned on the record date entitles you to one vote on each matter that is voted on at the annual meeting.

Is my vote important?

Your vote is important regardless of how many common shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the way to vote that is easiest and most convenient for you and submit your proxy so your vote is cast as soon as possible.

How do I vote?

If you are a record holder of Genpact shares, you may deliver your proxy to vote your shares in one of the following ways or you may vote in person at the annual meeting. If you hold your shares in street name, refer to the information below on how to vote your shares.

You may submit your proxy to vote by mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you sign and return the proxy card, but do not give any instructions on a particular matter to be voted on as described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our board of directors. The board of directors recommends that you vote **FOR** Proposals 1, 2, 3 and 4 and **THREE YEARS** for Proposal 5.

You may submit your proxy to vote over the Internet. If you have Internet access, you may submit your proxy to vote your shares from any location in the world by following the Electronic Voting Instructions set forth on the enclosed proxy card.

You may vote in person. If you attend the meeting at the location set forth in the accompanying Notice of 2011 Annual General Meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the meeting. If you attend the meeting in person you will need to bring an acceptable form of photo identification, such as a driver's license or passport.

Can I change my vote after I have mailed my proxy card or after I have submitted my proxy to vote my shares over the Internet?

Yes. You can revoke your proxy and change your vote at any time before the polls close at the meeting by doing any one of the following things:

signing and delivering another proxy with a later date to our Corporate Secretary, c/o Genpact LLC, 105 Madison Avenue, 2nd Floor, New York, New York 10016 USA;

submitting another proxy to vote with a later date over the Internet;

giving our Corporate Secretary written notice before or at the meeting that you want to revoke your proxy; or

voting in person at the meeting.

Your attendance at the meeting alone will not revoke your proxy.

Table of Contents

Can I vote if my shares are held in street name ?

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

If your shares are held in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the meeting on May 10, 2011. To be able to vote your shares held in street name at the meeting, you will need to obtain a proxy card from the holder of record.

What constitutes a quorum?

In order for business to be conducted at the annual meeting with respect to a particular matter, a quorum must be present for that particular matter. For each of the proposals described in the accompanying Notice of 2011 Annual General Meeting, we will have a quorum if at least two shareholders are present in person or by proxy who hold or represent more than 50 percent of the outstanding shares entitled to vote, or at least 110,533,260 shares.

Common shares represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to a particular proposal to be voted upon) will be counted for the purpose of determining whether a quorum exists at the annual meeting for that proposal.

Broker non-votes are shares that are held in street name by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

If a quorum is not present, the annual meeting will be adjourned until a quorum is obtained.

What vote is required for each item?

For each of the proposals being considered at the annual meeting, approval of the proposal requires the affirmative vote of a simple majority of the votes cast. There is no cumulative voting in the election of directors. The election of each director nominee will be considered and voted upon as a separate proposal. Abstentions and broker non-votes are not counted as votes cast and will not affect the voting results on any proposals. If the proposal for the election of a director nominee does not receive the required majority of the votes cast, then the director will not be elected and the position on the board of directors that would have been filled by the director nominee will become vacant. The board of directors has the ability to fill any vacancy upon the recommendation of its nominating and governance committee.

Proposal 4 also requires the affirmative vote of a simple majority of votes cast. However, Proposal 4 represents only an advisory vote of the shareholders and is non-binding. Abstentions and broker non-votes will have no effect on this proposal.

With respect to Proposal 5 you may vote, on an advisory basis, as to whether the advisory vote on the compensation of our named executive officers should occur every year, every two years or every three years or you may abstain from voting. The frequency receiving the simple majority of votes cast will be considered the frequency recommended by our shareholders. However, Proposal 5 represents only an advisory vote of the shareholders and is non-binding. The Board will take into consideration the outcome of the shareholder vote when considering the frequency of future advisory votes on executive compensation. Abstentions and broker non-votes will have no effect on this proposal.

How will votes be counted?

Each common share will be counted as one vote according to the instructions contained on a properly completed proxy, whether submitted by mail, over the Internet, or on a ballot voted in person at the annual meeting. Shares will not be voted in respect of a proposal if either (1) the shareholder abstains from voting on a

Table of Contents

particular matter, or (2) the shares are broker non-votes. If the shareholder signs and submits but does not indicate voting instructions on the proxy card, the proxies will have the authority to vote in respect of all proposals.

Who will count the votes?

An independent vote tabulator will count the votes. Computershare has been appointed by the board of directors as the independent Inspector of Election and will determine the existence of a quorum, validity of proxies and ballots, and certify the results of the voting.

How does the board of directors recommend that I vote on the proposals?

The board of directors recommends that you vote:

FOR the election of the ten directors listed under Proposal 1 to hold office until the next annual election and until their successors are duly elected and qualified;

FOR the ratification and approval of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2011;

FOR the ratification and approval of the amendment and restatement of the 2007 Omnibus Incentive Compensation Plan;

FOR the approval, on a non-binding, advisory basis, of the compensation of the Company's named executive officers; and

THREE YEARS with regard to the non-binding, advisory vote on the frequency of the non-binding advisory shareholder vote on the compensation of the Company's named executive officers.

Will any other business be conducted at the meeting or will other matters be voted on?

The board of directors does not know of any other matters that may properly come before the meeting. If any other matter properly comes before the meeting, the persons named in the proxy card that accompanies this proxy statement, whether you submit your proxy by mail or through the Internet, will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

We will report the voting results in a current report on Form 8-K within four business days of the 2011 annual meeting.

How and when may I submit a shareholder proposal, including a shareholder nomination for director, for the 2012 annual general meeting?

Our bye-laws contain advance notice procedures with regard to shareholder proposals not related to director nominations. If you are interested in submitting a proposal for inclusion in the proxy statement for the 2012 annual general meeting, you need to follow the procedures outlined in Rule 14a-8 of the Securities Exchange Act of 1934, or the Exchange Act. To be eligible for inclusion, we must receive your shareholder proposal intended for inclusion in the proxy statement for our 2012 Annual General Meeting of Shareholders at our New York City office as set forth below no later than December 17, 2011.

Bermuda law provides that shareholders who collectively hold at least 5% of the total voting rights of our outstanding common shares, or any group comprised of at least 100 or more registered shareholders, may require a proposal to be submitted to an annual general meeting of shareholders. Bermuda law generally requires that notice of such a proposal must be deposited at our registered office not less than six weeks before the date of the meeting.

Our bye-laws also contain advance notice procedures with regard to shareholder proposals related to the nomination of candidates for election as directors. These procedures provide that any shareholder entitled to vote for the election of directors may nominate persons for election as directors only if written notice of such shareholder's intent to make such nomination is given to our corporate secretary not later than (i) with respect to an election to be held at an annual general meeting, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting or not later than ten days after notice or public disclosure of the date of the annual meeting is given or made available to shareholders, whichever date is earlier, and (ii) with respect to an election to be held at a special general meeting for the election of directors, the close of business on the tenth day following the date on which notice of such meeting is first given to shareholders.

CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that Genpact is managed for the long-term benefit of its shareholders. The board of directors has adopted corporate governance guidelines to assist the board of directors in the exercise of its duties and responsibilities and to serve the best interests of our Company and our shareholders. These guidelines, which provide a framework for the conduct of the board of director s business, provide, among other things, that:

the principal responsibility of the directors is to exercise their business judgment to promote the long-term interests of the Company s shareholders by providing strategic direction to the Company and overseeing management in the performance of the Company s business activities;

additional responsibilities include reviewing, approving and monitoring significant financial and business strategies as developed by management, evaluating the performance of the Company and its executive officers, approving CEO succession plans and reviewing and approving material transactions and corporate activities not entered into in the ordinary course of business;

a majority of the members of the board of directors shall be independent directors;

the independent directors shall meet at least twice a year in executive session;

directors shall have full and free access to management and, as necessary and appropriate, independent advisors; and

at least annually the nominating and governance committee shall oversee a self-evaluation of the board of directors to determine whether the board of directors and its committees are functioning effectively.

Director Independence

Pursuant to the corporate governance listing standards of the New York Stock Exchange (NYSE), a director employed by us cannot be deemed to be an independent director, and consequently Mr. Bhasin is not an independent director. The board has determined that none of the other current directors has a material relationship with us for purposes of the NYSE corporate governance listing standards and accordingly each is independent under such NYSE standards. In addition, Charles E. Alexander, who was a member of the board until his resignation in November 2010, and Rajat Kumar Gupta, who was a member of the board, non-executive chairman of the board and a member of the board s nominating and governance committee until his resignation in March 2011, had no material relationship with us and were independent under these standards.

Edgar Filing: Genpact LTD - Form DEF 14A

In making its independence determinations the board considered the relationship between our Company and GICo, the investment vehicle through which General Atlantic and Oak Hill own 40.52% of our outstanding common shares, the fact that Messrs. Denning, Dzialga, Kaden and Nayden serve on our board as designees of GICo pursuant to the terms of the shareholders agreement, the fact that Mr. Nayden is a managing partner of Oak Hill, the fact that Mr. Kaden is a partner of Oak Hill, and the fact that Messrs. Denning and Dzialga are managing directors of General Atlantic. See Certain Relationships and Related Party Transactions Shareholders Agreement.

Director Nomination Process

In considering whether to recommend any particular candidate for inclusion in the board of directors' slate of recommended director nominees, the nominating and governance committee applies the criteria set forth in our Corporate Governance Guidelines. These criteria include the candidate's integrity, knowledge of our business and industry, experience, diligence, absence of any conflicts of interest and the ability to act in the interests of all shareholders. The committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities. We do not have a formal or informal diversity policy for board membership, but the nominating and governance committee is committed to considering diversity in accordance with its charter.

Shareholders may recommend individuals to the nominating and governance committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the shareholder or group of shareholders making the recommendation has beneficially owned more than 5% of our common shares for at least a year as of the date such recommendation is made, to nominating and governance committee, c/o Genpact LLC, 105 Madison Avenue, 2nd Floor, New York, NY 10016. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Board of Directors Meetings and Committees

The board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The board of directors' primary responsibility is to oversee the management of Genpact and, in so doing, serve the best interests of the Company. Subject to the recommendations of the nominating and governance committee, the board of directors selects, evaluates and provides for the succession of executive officers and the board of directors nominates for election at annual general shareholder meetings individuals to serve as directors of Genpact and elects individuals to fill any vacancies on the board of directors to the extent not filled by shareholders in general meetings. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Management keeps the directors informed of Company activity through presentations at board of directors and committee meetings.

The board of directors met, in person or telephonically, seven times in fiscal 2010. During fiscal 2010 each of our directors attended 75% or more of the total number of meetings of the board of directors and the committees of which such director was a member during the period of time he served on such committee. The board of directors has standing audit, compensation and nominating and governance committees. Each committee has a charter that has been approved by the board of directors. Each committee must review the appropriateness of its charter and perform a self-evaluation at least annually. Mr. Bhasin is the only director who is an employee of Genpact and he does not participate in any meeting at which his compensation is evaluated. All members of all committees are non-employee directors and the board of directors has determined that all of the members of our three standing committees are independent as defined under the rules of the NYSE, and, in the case of all members of the audit committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act.

Our Corporate Governance Guidelines set forth our policy that directors are expected to attend annual general meetings of shareholders. All of our directors attended the 2010 annual meeting.

Audit Committee. The audit committee has responsibility for, among other things:

appointing, approving the compensation of, and assessing the independence of our registered public accounting firm;

overseeing the succession plans for our chief executive officer and senior management;

otherwise taking a leadership role in shaping our corporate governance; and

reporting regularly to our full board of directors with respect to any issues raised by the foregoing.

Our nominating and governance committee consists of Messrs. Denning, Nayden and Scott. The nominating and governance committee met twice during fiscal 2010.

Board Leadership Structure and Role in Risk Oversight

The positions of chairman of the board and Chief Executive Officer have historically been separated at Genpact. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the chairman of the board to lead the board in its exercise of business judgment to promote the long-term interests of our shareholders by providing strategic direction and overseeing management. The Board believes that separating these positions is the appropriate leadership structure for us at this time.

Our management is responsible for risk management on a day-to-day basis. The role of our board and its committees is to oversee the risk management activities of management. The Audit Committee assists the board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management. The Compensation Committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Governance Committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, succession planning for our directors and executive officers, and corporate governance.

Communicating with the Independent Directors

The board of directors will give appropriate attention to written communications that are submitted by shareholders and other interested parties, and will respond if and as appropriate. The nominating and governance committee, with the assistance of the Company's General Counsel, is primarily responsible for monitoring communications from shareholders and other interested parties and for providing copies or summaries to the other directors as its members consider appropriate. Our non-executive chairman, Mr. Scott, is a member of the nominating and governance committee, a member of the audit committee and also serves as the presiding director at all executive sessions of our non-management directors.

Communications will be forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the nominating and governance committee considers to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which the Company may receive repetitive or duplicative communications.

Shareholders and interested parties who wish to send communications on any topic to the board of directors should address such communications to:

Report of the Audit Committee

The audit committee has reviewed our audited consolidated financial statements for the fiscal year ended December 31, 2010 and has discussed these financial statements with our management and independent registered public accounting firm.

The audit committee has also received from, and discussed with, KPMG, our independent registered public accounting firm, various communications that our independent registered public accounting firm is required to provide to the audit committee, including the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended.

Our independent registered public accounting firm also provided the audit committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence. The audit committee has discussed with the independent registered public accounting firm their independence from Genpact.

Based on its discussions with management and the independent registered public accounting firm, and its review of the information provided by management and the independent registered public accounting firm, the audit committee recommended to our board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2010.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Party Transactions

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which Genpact Limited is a participant, the amount involved exceeds \$1,000,000 (or such lower threshold as our audit committee may from time to time determine), and one of our officers, directors, director nominees or 5% shareholders (or their immediate family members), each of whom we refer to as a related person, has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a related person transaction, the related person must report the proposed related person transaction to our General Counsel. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by the board's audit committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the audit committee will review, and, in its discretion, may ratify the related person transaction. The policy also permits the chair of the audit committee to review and, if deemed appropriate, approve proposed related person transactions that arise between committee meetings, subject to ratification by the audit committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the audit committee after full disclosure of the related person's interest in the transaction. The audit committee will review and consider such information regarding the related person transaction as it deems appropriate under the circumstances.

The audit committee may approve or ratify the transaction only if the audit committee determines that, under all of the circumstances, the transaction is in the Company's best interests. The audit committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SEC's related person transaction disclosure rule, the board has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy:

interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity), that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction, (c) the amount involved in the transaction equals less than the greater of \$1 million dollars or 2% of the annual consolidated gross revenues of the other entity that is a party to the transaction, and (d) the amount involved in the transaction equals less than 2% of our annual gross revenues; and a transaction that is specifically contemplated by provisions of our charter or bye-laws.

Shareholders Agreement

The shareholders agreement, as amended, among us, certain affiliates of GE (collectively referred to as GE), General Atlantic, Oak Hill and Wells Fargo & Company (Wells Fargo), as successor in interest by merger to Wachovia Corporation, and together with GE, General Atlantic and Oak Hill (the Shareholders) provides that GICo, the investment vehicle owned by General Atlantic and Oak Hill, is entitled to nominate four persons to our board of directors, and the Shareholders have agreed to vote their shares to elect such persons. The number of directors that GICo is entitled to appoint is reduced if its ownership in us declines below certain levels and such right ceases if such ownership is below 10% of our outstanding common shares.

In addition, each of the Shareholders is subject to certain restrictions on the transfer of their common shares. GICo, General Atlantic and Oak Hill have agreed not to transfer their shares in us if such transfer would result in a change of control (as defined in the agreement) unless certain conditions are met which require that all outstanding common shares owned by the Shareholders are sold for cash or certain types of marketable securities

(or both), provided that a limited number may be exchanged for equity of, or remain outstanding in, the surviving person in certain circumstances. In the event of certain transfers by GICo, each of GE and Wells Fargo has certain co-sale rights which permit them to sell shares to such transferee on the same terms and conditions.

Subject to the restrictions on GICo and GE set forth in the preceding paragraph, any Shareholder may transfer shares (i) to certain affiliates, subject to the restriction on GICo, General Atlantic and Oak Hill described in the next paragraph and (ii) in a registered offering, a sale pursuant to Rule 144 under the Securities Act, or a sale to a placement agent where an immediate resale pursuant to Regulation S or Rule 144A under the Securities Act is contemplated, subject to certain other limitations.

GE has agreed to grant GICo certain rights of first refusal in the event they desire to transfer shares other than to an affiliate or in a registered offering or a sale pursuant to Rule 144.

The agreement grants the Shareholders certain rights to require us to register for public resale under the Securities Act all common shares that they request be registered. In addition, the agreement grants the Shareholders piggyback rights on any registration for our account or the account of another Shareholder. These rights are subject to certain limitations, including customary cutbacks and other restrictions. In connection with our initial public offering or the other registrations described above, we have and will indemnify any selling Shareholders and we will bear all fees, costs and expenses, except underwriting discounts and selling commissions.

The Agreement also provides certain information rights to the Shareholders and regulates the parties' conduct concerning corporate opportunities.

Reorganization Agreement

In order to make Genpact Limited the holding company for our business and complete certain other related actions, on July 13, 2007, we entered into a reorganization agreement with the other Shareholders that provided for the Shareholders to exchange their shares in Genpact Global Holdings SICAR S.à.r.l. (GGH) and Genpact Global (Lux) S.à.r.l. (GGL) for shares of Genpact Limited. The reorganization agreement also provided for the migrations of GGH and GGL from Luxembourg to Bermuda, the assumption by Genpact Limited of stock option plans of GGH and certain other related transactions. GE and GICo also agreed to indemnify us for certain taxes related to GGL.

Our Master Services Agreement with GE

Our Master Services Agreement (MSA) with GE is for a term ending December 31, 2016. It can be renewed for a single three-year term upon mutual written agreement with at least twelve months prior written notice. Under the MSA, GE has agreed to purchase a stipulated minimum dollar amount of services or pay us certain costs in lieu thereof. The minimum annual volume commitment is \$360 million for each of the nine years beginning January 1, 2005. The annual commitment is then reduced in a phased manner for the final three years of the MSA, with the commitment being \$250 million for 2014, \$150 million for 2015, and \$90 million for 2016. The minimum committed amount is subject to reduction in certain circumstances, including (1) as a result of the termination of any Statements of Work (SOWs) by GE for cause, (2) as a result of non-performance of services by us due to certain force majeure events or (3) in certain other circumstances relating to business offered to us by GE that we chose not to perform. In the event that the actual purchased dollar volume for any year falls below the minimum volume commitment, GE has agreed to make certain payments to us. The payments GE is required to pay to us if it does not meet the minimum volume commitment are significantly lower than the amount by which GE's purchases fall short of that minimum volume commitment. In the event that GE purchases more than the minimum volume commitment in a given year, it is entitled to a limited credit against future shortfalls. In addition, pursuant to the MSA, GE is entitled to include the revenues we receive from certain businesses divested by GE in calculating the minimum annual volume commitment. Our revenues from GE in 2010 were \$478.9 million, exceeding by \$118.9 million the stipulated minimum annual amount for that year.

Our pricing arrangements with GE vary by SOW and include some time and materials contracts and some fixed price contracts, as well as productivity benefit sharing.

Table of Contents

There is no restriction on our ability to provide services to other parties, except that we have agreed not to allow employees who have performed certain software-related services for GE to work on a similar project for companies that GE names in writing as its competitors for a period of 12 months following the completion of such services to GE. We have the right of first opportunity during the term of the MSA to respond to a request for proposal from GE in respect of any business process services that are (1) similar to those already provided to GE, (2) able to be provided by us in India, China, Hungary or Mexico and (3) anticipated to involve an annual purchase dollar volume in excess of \$200,000, so long as GE has not previously terminated such services for cause. GE is not prevented from either negotiating or contracting for the outsourcing of services with other parties thereafter.

GE can terminate the MSA for cause, which includes the failure to achieve certain performance standards. GE can also terminate any pre-existing SOW for convenience, but only with a notice period and, in certain cases, the payment of certain amounts. We have agreed to indemnify GE for losses arising from material breaches of any SOW, non-compliance with laws and certain other matters. Our liability is subject to limits in certain cases. In a separate agreement, GE has agreed through December 31, 2009, subject to exceptions, to restrictions on its ability to set up a separate business unit to provide English-language business process services from low-wage countries to certain GE businesses or set up a business that provides outsourcing services from a low-wage country to provide services to third parties.

Our Master Services Agreement with Wells Fargo

Our MSA with Wells Fargo is for a term ending November 30, 2012 and can be renewed by Wells Fargo for a single two-year term. The MSA covers all services to be provided under SOWs and specifies the pricing methodology for all SOWs. We may propose transactional or fixed pricing for new or amended SOWs, but only if such pricing is as favorable to Wells Fargo as the prices computed using the methodology in the MSA. Wells Fargo has agreed to share with us a portion of certain productivity benefits, after certain reimbursements for investments made to facilitate such benefits. Wells Fargo has not agreed to any volume commitment under the MSA. See Wells Fargo Securities Purchase Agreement and Ancillary Agreement.

We are entitled to bid on any business process to be outsourced by Wells Fargo, but Wells Fargo is not required to use our services exclusively. We are obligated to offer Wells Fargo the opportunity to be a pilot client for any advances we have developed in the provision of services substantially similar to the services provided to Wells Fargo. Wells Fargo has agreed not to solicit our employees for 12 months following the termination of the MSA.

Under the MSA, we agree to involve Wells Fargo actively in the selection of employees who perform their services and employees cannot be assigned to certain key positions without Wells Fargo's consent. We have agreed to pay certain penalties if we do not achieve certain specified milestones while transitioning the work under SOWs or if we do not achieve certain performance levels. Wells Fargo has the right, upon the occurrence of certain *force majeure* type events and regulatory concerns, to take-over the processes we provide for them. Wells Fargo has the right to benchmark periodically our prices and we must decrease prices if they are found to exceed benchmarked prices beyond certain levels.

Wells Fargo can terminate the MSA or any SOW (1) for cause at any time, (2) in the event of a change of control with six months' notice and (3) for convenience with at least 180 days' notice along with the payment of certain costs and charges. Wells Fargo may also terminate the MSA with lesser periods of notice upon the occurrence of certain adverse events or circumstances with respect to us. We have agreed to provide certain services, if so required by Wells Fargo, for up to a year following the termination of any SOW in order to assist with the transition of work back to Wells Fargo. Wells Fargo has agreed to pay certain costs and, in certain circumstances, termination charges, if SOWs are terminated following any extraordinary event that increases or decreases the estimated average monthly usage of resources above a certain limit. Upon termination of the MSA,

Wells Fargo also has the right to purchase, or in certain circumstances lease, any Delivery Centers or equipment used by us to primarily deliver services to them. We have also agreed to indemnify Wells Fargo for losses arising from breaches of any of our representations, warranties and covenants, non-compliance with laws

Table of Contents

and certain other factors. We are also liable for certain operational losses suffered by Wells Fargo as a direct result of a breach by us of our obligations. Our liability is subject to limits in certain cases.

Wells Fargo Securities Purchase Agreement and Ancillary Agreement

Under the ancillary agreement between us and Wells Fargo dated November 30, 2005, as amended on March 26, 2009, Wells Fargo has agreed that if specified MSA revenue levels are not achieved by December 31, 2011, and certain other criteria are not met, Wells Fargo would make a cash payment to us on January 31, 2012. The amount of the payment depends on the MSA revenue levels at such time as well as the price of our common shares at the time of our initial public offering and the movement of an index comprised of the share prices of certain of our competitors.

Tax Matters Agreement

We are party to a tax matters agreement with two of our shareholders, GICo and GE, relating to a series of transactions we refer to as the 2004 Reorganization, under which our operations that were formerly conducted through various entities and divisions of GE were reorganized and placed under GGH. Under the tax matters agreement, GE indemnifies us and GICo for certain tax liabilities that arose either prior to the 2004 Reorganization or relating to the 2004 Reorganization.

Master Services Agreement with Carnation Auto

Jagdish Khattar, a director and member of our audit committee, is the Chairman and Managing Director of Carnation Auto India Pvt. Ltd., a private company based in India. Mr. Khattar is also Carnation's majority shareholder. In October 2009, Genpact entered into a 5-year master services agreement with Carnation to provide business process management services. Our revenues from Carnation in 2010 were approximately \$330,000.

INFORMATION ABOUT EXECUTIVE AND DIRECTOR COMPENSATION**Compensation Discussion and Analysis***Overview*

This Compensation Discussion and Analysis section discusses the compensation policies and programs for our Chief Executive Officer (referred to as our CEO), our Chief Financial Officer (referred to as our CFO) and our former CFO and our three next most highly paid executive officers as determined under the rules of the SEC. Such individuals are referred to as our named executive officers.

Table of Contents

The primary objectives of our compensation program for our executives, including our named executive officers, are to attract, motivate and retain highly talented individuals who are committed to our core values of leadership, performance, passion, innovation, teamwork, integrity and respect. Our compensation program is designed to reward the achievement of our annual, long-term and strategic goals, such as growing revenues, improving operating margins, improving client satisfaction scores, reducing employee attrition levels and expanding into new geographies and service offerings. It is also designed to align the interests of our executives, including our named executive officers, with those of our shareholders by rewarding performance that exceeds our goals, with the ultimate objective of increasing shareholder value.

Currently, our compensation committee is responsible for reviewing the overall goals and objectives of our executive compensation programs, as well as our compensation plans, and making any changes to such goals, objectives and plans. Our compensation committee bases our executive compensation on the same objectives that guide us in establishing all of our compensation programs:

Compensation is based on the individual's level of job responsibility.

Compensation reflects the value of the job in the marketplace. A large part of our operations are based in developing economies where there is significant competition for locally-based top executive talent.

Compensation programs are designed to reward performance, both individual and Company.

For 2010, our executive compensation program had three primary components: (a) base salary, (b) annual cash bonus payments, and (c) equity-based compensation. We also provide other benefits and perquisites.

Our compensation committee considers risk when developing our compensation program and believes that the design of our current compensation program does not encourage excessive or inappropriate risk taking. Our base salaries provide competitive fixed compensation, while annual cash bonuses and equity-based awards encourage long-term consideration rather than short-term risk taking.

Our Process

Our compensation committee typically reviews each component of compensation at least every 15 months with the goal of allocating compensation between long-term and currently paid out compensation and between cash and non-cash compensation, and combining the compensation elements for each executive in a manner we believe best fulfills the objectives of our compensation program.

Our compensation committee is responsible for reviewing the performance of each of our executives, including the named executive officers, approving the compensation level of each of our executives, establishing criteria for granting Company options and other equity awards to our executives and other employees and approving such grants. Other than with respect to equity grants, which are made from time to time by our compensation committee, each of these tasks is generally performed annually by our compensation committee.

There are no predetermined individual or corporate performance factors or goals that are used by the compensation committee to establish the amounts or mix of any elements of compensation for the named executive officers. Rather, the Company's compensation committee, which includes experienced directors who serve as members of the boards and compensation committees of other public companies, works closely with our CEO, discussing with him the Company's overall performance, the CEO's own performance and his evaluation of and compensation recommendations for the other named executive officers. From time to time, the compensation committee also seeks the advice and recommendations of an independent compensation consultant, including to benchmark certain components of Genpact's compensation practices against those of its peers.

The compensation committee then utilizes its judgment and experience in making all compensation determinations. The compensation committee's determination of compensation levels is based upon what the members of the committee deem appropriate, considering information such as the factors listed above, as well as input from our CEO and information and advice provided by an independent compensation consultant.

Table of Contents

Role of CEO in Compensation Decisions. After the end of the 2010 fiscal year, the compensation committee and the CEO discussed our business performance, his performance and his evaluation of and equity compensation and cash bonus recommendations for the other executive officers and certain other members of senior management. The compensation committee approved the bonuses and equity awards for the executive officers and certain other members of senior management, other than the CEO. The compensation committee, without the CEO present, determined the CEO's bonus award.

Role of Consultants and Advisors in Compensation Decisions. The compensation committee has the authority to retain and terminate an independent third-party compensation consultant and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. During 2010, the compensation committee utilized the services of two executive compensation consulting firms, Frederic W. Cook & Co., Inc. (F. W. Cook) and Hewitt India (Hewitt). Both consultants were engaged by and reported directly to the compensation committee. F.W. Cook did not provide any other services to the Company in 2010. In 2010, in addition to its services for the compensation committee, Hewitt assisted the Company with a review of India market practices with respect to employee benefits.

During 2010, F.W. Cook advised the compensation committee on director compensation matters and share ownership guidelines and Hewitt provided market data on the compensation of selected India-based positions compared to a peer group of comparative companies. The companies used for the comparison included companies in our industry with similar revenue and companies we consider to be competing for the same level of executive talent. The following companies fit either one of those categories and were used in our peer group analysis: Accenture plc, Bharti Airtel Limited, Cognizant Technology Solutions Corporation, ExlService Holdings, Inc., General Electric Company, HSBC Global Resourcing Limited, International Business Machines Corporation, ICICI Bank Limited, Vodafone Group Plc, Patni Computer Systems Limited and Wipro Limited.

The recommendations of Hewitt, including the selection of the peer group, were reviewed with management to provide the most relevant information to the compensation committee. Based on the results of the review, the compensation committee concluded that Genpact's compensation for its India based named executive officers was reasonable relative to peer benchmarks, and no changes were required.

Compensation Components

Base Salary. Base salary is provided to ensure that we are able to attract and retain high quality executives. It is intended to provide a fixed level of overall compensation that does not vary annually based on performance or changes in shareholder value, thereby ensuring that our executives can maintain a standard of living commensurate with their skill set and experience. Base salary reflects the experience, knowledge, skills and performance record our executives, including our named executive officers, bring to their positions and the general market conditions in the country in which the executives are located. We have entered into employment agreements with our named executive officers (other than Mr. Bhatia and Mr. Gour) which specify a minimum base salary as described below.

Our compensation committee typically reviews the salaries of our executives, including our named executive officers, at least every 15 months and determines changes in base salaries based on various factors that include the importance of the role in our overall business, performance and potential of the executive, general Company performance and the market practices in the country where the named executive officer is located. In connection with such review, our CEO provides recommendations and rankings of the executives who directly report to him, including our other named executive officers, and the compensation committee considers the CEO's recommendations in setting base salaries. In 2010, due to continuing economic pressures, the compensation committee determined to delay all salary increments for senior management by 12 months unless a more frequent review was required by local law or applicable employment contract. Accordingly, only Mr. Cogy and Mr. Bhatia received salary increases in 2010; Mr. Cogy because it was required under his employment contract and Mr. Bhatia because he became CFO after Mr. Gour resigned.

In April of 2010, our compensation committee approved an increase in Patrick Cogy's base salary in accordance with his employment contract. The increase was consistent with the recommendation of our CEO. In awarding a salary increase to Mr. Cogy, the compensation committee took into consideration the region in

Table of Contents

which the named executive officer was located, keeping in mind the local inflation, cost of living and competition for talent. The compensation committee also considered the Company's financial results for the 2009 fiscal year, the named executive officer's contribution to Company performance, the terms of the named executive officer's employment agreement and the individual performance of the named executive officer.

In March 2010, in connection with his appointment to CFO, Mr. Bhatia's base salary was increased by 16.5% to Indian rupee 12,911,000 (approximately \$280,564).

Pramod Bhasin. On August 13, 2010, we amended and restated Mr. Bhasin's employment agreement, dated as of July 26, 2005, as amended on December 24, 2007 and December 30, 2008. The employment agreement specifies that Mr. Bhasin will receive an annual base salary of not less than U.S. \$750,000, effective July 1, 2008. The base salary payable to Mr. Bhasin reflects the importance of his role as our chief executive officer. See Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers.

Mohit Bhatia. We generally do not have employment agreements with our employees except in special cases or where required by local law and we do not have an employment agreement with Mr. Bhatia. Mr. Bhatia's 2010 base salary was Indian rupee 12,911,000 (approximately \$280,564).

Vivek Gour. We did not have an employment agreement with Mr. Gour. Mr. Gour's 2010 base salary was Indian rupee 13,412,400 (approximately \$291,460). Mr. Gour resigned as our CFO effective March 1, 2010 and his last day with the Company was April 30, 2010.

Patrick Cogny. In October 2008, we entered into an employment agreement with Mr. Cogny in connection with his relocation to Belgium, which replaced a prior agreement with substantially similar terms governed by Romanian law. Mr. Cogny's agreement specifies that Mr. Cogny will receive an annual base salary of 252,810 (approximately \$337,902). In April 2010, Mr. Cogny's base salary was increased to 284,000 (approximately \$380,000). The salary increase was in recognition of Mr. Cogny's contributions in expanding our European operations. In accordance with Genpact's practice of reviewing the compensation of executive officers every 15 months, Mr. Cogny is not due for a review of his base salary until July 2011. See Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers.

Robert Pryor. On December 31, 2008, we entered into an employment agreement with Mr. Pryor, pursuant to which we agreed to provide Mr. Pryor with a minimum base salary of \$500,000. The base salary payable to Mr. Pryor reflects the importance of his role as our executive vice president, global sales and marketing. In accordance with Genpact's practice of reviewing the compensation of executive officers every 15 months, Mr. Pryor was due for a review of his base salary in May 2010. However, in 2010, due to continuing economic pressures, the compensation committee determined to delay all salary increments for senior management by 12 months except where required by local law or applicable employment contract. See Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers.

N.V. Tyagarajan. In 2005, we entered into an employment agreement with N.V. Tyagarajan, pursuant to which we agreed to provide Mr. Tyagarajan with a minimum base salary of \$300,000. During 2010, the base salary payable to Mr. Tyagarajan was 20,886,400 Indian rupees (approximately \$454,000). The base salary payable to Mr. Tyagarajan reflects the importance of his role as our chief operating officer. Mr. Tyagarajan's salary was last increased in January 2009 and in accordance with Genpact's practice of reviewing the compensation of executive officers every 15 months, Mr. Tyagarajan was due for a review of his base salary in April 2010. However, due to continuing economic pressures the compensation committee determined to delay all salary reviews for all executive officers by 12 months except where required by local law or applicable employment contract. See Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers.

Annual Cash Bonus. Annual cash bonuses are designed to provide rewards to our executives, including our named executive officers, for their performance during the most recent year. We believe that the immediacy

Table of Contents

of these cash bonuses, in contrast to our equity grants, which vest over a period of time, provides a significant incentive to our executives towards achieving their respective individual objectives, our Company objectives and our overall long term and strategic goals, such as growing revenues, improving operating margins, reducing employee attrition levels and expanding into new geographies and service offerings. Thus, we believe our cash bonuses are an important motivating factor for our executives, in addition to being a significant factor in attracting and retaining our executives.

Bonuses are generally determined by our compensation committee in January or February following the end of the year and, as with the base salary component, are based on the recommendation and rankings provided by our CEO for all executives other than the CEO. The same factors used to determine base salary, which are described above, are used to determine bonuses for the prior year, with a greater emphasis on the performance of the individual and our Company and less on other factors such as geographic location. For Messrs. Bhasin, Pryor and Tyagarajan, who have employment agreements that specify bonus targets, the compensation committee also takes into consideration the requirements for bonus payments under their agreements, although the compensation committee exercises discretion in determining the appropriate bonus amount. See Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements with Named Executive Officers.

As indicated above, the Company's compensation committee does not use predetermined individual or corporate performance factors or goals to establish compensation levels for the named executive officers. However, in determining 2010 annual cash bonuses for the named executive officers, the compensation committee considered the Company's 2010 operational and financial performance and each named executive officer's role in achieving such Company performance. In particular, the compensation committee considered the fact that the Company reduced its annual revenue and adjusted income from operations guidance for 2010 in the third quarter of the year. The compensation committee also noted the Company's revenue growth of approximately 12.4% in 2010 compared to 2009 and the increase in adjusted income from operations of approximately 2.4% in 2010 compared to 2009. In addition, revenues from the Company's Global Clients (clients other than the General Electric Company) increased approximately 16.6% over 2009 levels. While Company performance in 2010 was good, it was adversely impacted by the economic environment and less than the Company expected at the beginning of the year. Accordingly, the compensation committee determined that bonuses for all of our named executive officers should be reduced over the bonus paid in the prior year, with the CEO's bonus being reduced by the greatest amount.

The compensation committee reviewed each individual's contribution to the Company's 2010 results in determining bonus payment amounts. The bonuses were decided by the compensation committee for the CEO and each named executive officer while being mindful of the Company performance discussed above as well as individual performance.

Pramod Bhasin. Pursuant to his employment agreement, Mr. Bhasin is eligible to receive an annual cash bonus equal to 120% of his base salary or such higher amount as determined by the board of directors. Mr. Bhasin's 2010 bonus payment was \$750,000, which is 100% of his base salary. Mr. Bhasin also received the remaining \$2,000,000 of the \$2,500,000 retention bonus included in his employment agreement in 2010. As the CEO, Mr. Bhasin has responsibility for the entire company, and therefore the compensation committee primarily considered company performance in determining his 2010 bonus. Notwithstanding the Company's revenue growth in a challenging environment, because the Company reduced its annual revenue and adjusted income from operations guidance in the third quarter of the year, Mr. Bhasin recommended to the compensation committee that his 2010 bonus be reduced to \$750,000. After discussion without Mr. Bhasin present, the compensation committee determined that this was appropriate. Due to the scope of Mr. Bhasin's position, the compensation committee continues to believe that Mr. Bhasin is entitled to a bonus that is materially higher than the other named executive officers.

Mohit Bhatia. Mr. Bhatia's 2010 bonus payment was \$58,673. This represents a decrease of approximately 15% over Mr. Bhatia's 2009 bonus in local currency. As the CFO, Mr. Bhatia has responsibility for the Company's financial reporting and in determining Mr. Bhatia's bonus the compensation committee primarily considered Mr. Bhatia's contributions to achieving our 2010 financial goals. Notwithstanding Mr. Bhatia's

Table of Contents

personal performance, because we reduced our annual revenue and adjusted income from operations guidance in the third quarter of the year, the compensation committee determined that a reduction in Mr. Bhatia's bonus from the bonus paid in 2009 was appropriate.

Vivek Gour. Mr. Gour resigned on April 30, 2010 and accordingly received no 2010 bonus payment.

Patrick Cogny. Mr. Cogny's 2010 bonus payment was \$129,907. This represents a decrease of approximately 15% over Mr. Cogny's 2009 bonus in local currency. Mr. Cogny has responsibility for European operations so the compensation committee primarily considered the improvement in our European operations in determining his bonus payment. Notwithstanding Mr. Cogny's personal performance, because the Company reduced its annual revenue and adjusted income from operations guidance in the third quarter of the year, the compensation committee determined that a reduction in Mr. Cogny's bonus from the bonus paid in 2009 was appropriate.

Robert Pryor. Mr. Pryor's employment agreement provides that his target annual bonus will be no less than \$500,000. The 2010 bonus payment to Mr. Pryor was \$375,000, a decrease of 25% from his 2009 bonus. Mr. Pryor is responsible for all sales and business development of the company and the compensation committee primarily considered the company's 12% growth in revenues and addition of 76 new clients in 2010 in determining his bonus payment. Notwithstanding Mr. Pryor's performance in 2010, because we reduced our annual revenue and adjusted income from operations guidance in the third quarter of the year, the compensation committee determined that a bonus that was less than the amount set forth in his employment agreement was appropriate, and Mr. Pryor agreed with this decision.

N.V. Tyagarajan. Mr. Tyagarajan's employment agreement provides that his target annual bonus will be equal to 100% of his base salary, subject to a maximum of \$500,000. The 2010 bonus payment to Mr. Tyagarajan of approximately \$721,000 exceeded the maximum set forth in his employment agreement, and represented a decrease of approximately 25% from his 2009 bonus in local currency. Mr. Tyagarajan has responsibility for the operations of the Company, and therefore the compensation committee primarily considered the performance of our operations in determining his bonus payment. Notwithstanding Mr. Tyagarajan's excellent personal performance, because the Company reduced its annual revenue and adjusted income from operations guidance in the third quarter of the year, the compensation committee determined that a reduction in Mr. Tyagarajan's bonus from the bonus paid in 2009 was appropriate. Due to the scope of Mr. Tyagarajan's position, the compensation committee also determined that a bonus that was materially higher than the other named executive officers was warranted.

Equity-Based Compensation. Our equity-based compensation program is designed primarily to attract and retain highly qualified individuals, given that competition for talent is high in our industry, and to align the long-term interests of our executives with those of our shareholders. Equity-based compensation is subject to multi-year vesting requirements, which require continued service of our executives in order for them to realize gains.

In March 2010, we granted performance shares to our named executive officers other than the CEO. The compensation committee determined that adding performance shares to Genpact's equity-based compensation program would strengthen focus on the Company's operating performance and shareholder value creation, and enhance the retention value of the overall compensation program. The compensation committee initially determined that two performance metrics were appropriate, revenue and EBITDA. At the beginning of 2011, upon further consideration, the compensation committee determined that the appropriate performance metrics with respect to the 2010 performance share grants for the 2011 and 2012 performance periods were revenue and adjusted operating income growth, and the compensation committee amended the 2010 grants accordingly. The decision to change the performance metrics was largely driven by the fact that we provide external annual guidance with respect to revenue and adjusted operating income, not revenue and EBITDA. The compensation committee also concluded that focusing on adjusted operating income growth was more consistent with how we manage our business and would encourage management to focus on reducing capital expenditure and improving infrastructure utilization and free cash flows. The threshold, target and outstanding performance levels were not changed.

In March 2010, we also granted stock options to our executive officers, other than the CEO. Company options align the interests of our employees and our shareholders since options have value only if the Company's stock

price increases. For more details on the performance shares and Company options granted to our named executive officers as of December 31, 2010, see the 2010 Outstanding Equity Awards at Fiscal Year End table.

In August 2010, we granted 500,000 performance shares to our CEO that vest in three equal installments of target shares on each of December 31, 2010, December 31, 2011 and December 31, 2012, subject to Mr. Bhasin's continued employment and the achievement of specified financial performance conditions. As with the March 2010 performance share grants to the other executive officers, the compensation committee initially determined that revenue and EBITDA growth were the appropriate performance metrics for the award. Following its decision in March 2011 to amend the performance metrics for the March 2010 performance share awards to the other executive officers to revenue and adjusted operating income growth, the compensation committee determined that amendments to Mr. Bhasin's performance share award were appropriate so that he had the same performance metrics as the rest of the executive team. In addition, because Mr. Bhasin's award vests based on annual performance targets, whereas the performance share awards to the other executive officers vest based on average performance over three years, the compensation committee determined that it was appropriate to amend the 2011 and 2012 performance targets for Mr. Bhasin in light of the Company's revised outlook on revenue and adjusted operating income growth, and also so that they were consistent with the 2011 and 2012 targets included in the March 2011 performance share grant to the rest of the executive officers. The compensation committee also amended the applicable corresponding threshold, target and outstanding performance levels so that they were consistent with the March 2011 performance shares grants to the rest of the executive officers. At the beginning of 2012, the compensation committee expects to review the 2012 targets set forth in Mr. Bhasin's performance share award agreement and, as provided in the award agreement, may adjust the 2012 targets at that time to reflect the Company's current outlook on revenue and adjusted operating income growth.

The compensation committee viewed the amendments to the performance share awards to our CEO and other executive officers as necessary to ensure that the awards continued to serve the purposes for which they were granted, namely to retain key talent in a highly competitive industry and align the long term interests of our executives with those of our shareholders.

Benefits and Perquisites. We provide other benefits to our named executive officers that are generally available to other employees in the country in which the named executive officer is located. We believe these benefits are consistent with the objectives of our compensation program and allow our named executive officers to work more efficiently. We also provide our named executive officers with certain perquisites which we believe are reasonable and consistent with market trends in the countries in which our named executive officers are located. Such benefits and perquisites are intended to be part of a competitive overall compensation program. For more details on the benefits provided to our named executive officers, see 2010 Summary Compensation Table and Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table.

Severance Arrangements. We have entered into agreements with Messrs. Bhasin, Cogny, Pryor and Tyagarajan which provide for certain payments in the event of a termination of employment. We also provide for certain benefits in the event of a termination of employment under the restricted stock unit agreement entered into with Mr. Pryor in 2009. The severance payments and benefits were based on individual negotiations with the executives and are an important part of employment arrangements designed to retain these named executive officers and provide certainty with respect to the payments and benefits to be provided upon certain termination events. The CEO was involved in the individual negotiations with the executives and made recommendations to the compensation committee regarding the severance arrangements. For additional details on these payments and benefits, see Potential Payments Upon Termination or Change of Control.

Change of Control. While Company options granted to our named executive officers may accelerate upon a change of control, this is not generally a current requirement under our option plans and award agreements. The only named executive officer with current rights to change of control-related payments or benefits is Mr. Bhasin, who receives single trigger vesting on his outstanding equity awards (vesting accelerates immediately upon a change of control) and double trigger treatment on his severance benefits (benefits are paid only if the change of control is followed by a qualifying termination of Mr. Bhasin's employment) based on his employment agreement and 2005 option award agreements. In the event of a change in control, the performance shares

granted to our named executive officers will convert into a right to receive common shares representing 100% of the target performance shares without regard to performance or a number of common shares based on performance over an abbreviated performance period, depending on when the change in control occurs. These benefits are described in more detail in Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements with Named Executive Officers Pramod Bhasin and Potential Payments Upon Termination or Change of Control.

Equity Grant Practices. All stock options granted by the Company have an exercise price equal to the closing market price of our stock on the grant date. It is the compensation committee's policy to grant equity awards only when the trading window applicable to our directors, executive officers and others is open. Option grants are typically approved at our quarterly compensation committee meetings by resolution, and, unless a future effective date is specified because the trading window is closed or some other reason, are effective as of the date of the meeting at which they are approved. The dates for our quarterly compensation committee meetings are generally scheduled months, and sometimes up to a year, in advance. In certain cases option grants to new hires or promoted employees are approved by written consent outside of regularly scheduled compensation committee meetings and are effective as of the latest date a committee member signs the consent. Our compensation committee has delegated limited authority to the CEO and our Senior Vice President of Human Resources to grant options or other forms of equity compensation in between regularly scheduled compensation committee meetings to individuals other than executive officers and directors.

Stock Ownership Guidelines. We currently do not have any stock ownership guidelines for executives or other employees.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table*Employment Agreements with Named Executive Officers*

Prior to our initial public offering, Genpact Management Investors, LLC held shares in us indirectly through the investment vehicle of our major shareholders. The 317,255 Genpact shares owned indirectly by Mr. Bhasin through Genpact Management Investors, LLC were distributed to Mr. Bhasin in 2009 and sold by Mr. Bhasin in 2010.

The retention bonus was payable on January 1, 2010 in an amount equal to the product of \$2,500,000 and a vested percentage, which began at 0% on January 1, 2005 and increased by 5% every three months thereafter until it reached 100% on January 1, 2010. The retention bonus has been paid to Mr. Bhasin.

For purposes of Mr. Bhasin's employment agreement, the term "good reason" means reducing the nature or scope of Mr. Bhasin's authorities or duties, reduction in base salary, target bonus or fringe benefits or requiring Mr. Bhasin to report to any person other than our board of directors, which has not been cured by us within 30 days following notice by Mr. Bhasin.

In the event of a termination of his employment, Mr. Bhasin will receive various payments and benefits pursuant to his employment agreement. Following the termination of Mr. Bhasin's employment for any reason, including for cause (as defined in his employment agreement) Mr. Bhasin is entitled to a five-year sum certain joint life and survivor annuity benefit in the annual amount of \$190,000 per year commencing on the earliest of (A) Mr. Bhasin's separation from service with the Company that occurs on or after his obtaining age 60, (B) Mr. Bhasin's death or disability and (C) Mr. Bhasin's attaining age 65. In addition, he is entitled to a lump sum payment in an amount equal to the sum of (I) any earned but unpaid base salary through the date of termination, (II) any earned but unpaid bonus for any fiscal year preceding the fiscal year in which the termination occurs and (III) the dollar value of all accrued but unpaid vacation. If Mr. Bhasin's employment terminates due to his death or disability, Mr. Bhasin or his estate, as applicable, will receive a pro-rated bonus for the fiscal year of termination. In addition, Mr. Bhasin is entitled to payment of an amount equal to the sum of two times Mr. Bhasin's then current base salary and two times the annual bonus received for the fiscal year preceding the fiscal year in which the termination occurs. In addition, we will continue to provide Mr. Bhasin and his dependents with health benefits at the same level of coverage and benefits as is provided to our US-based senior executives for two years following the date of termination, or if such continuation is not permitted under the relevant plans, an amount in cash (after tax) equal to the amount necessary to provide Mr. Bhasin with such health benefits.

Mr. Bhasin's payments upon termination of employment described above are subject to his execution of a release. The release would also be executed by us and release Mr. Bhasin from any claims by us relating to Mr. Bhasin's employment or services other than claims based on acts or omissions of Mr. Bhasin that involve fraud or which are not known to the non-employee directors on the date of such release. The release also includes a mutual non-disparagement provision.

Patrick Cogy. In October 2008, we entered into an employment agreement with Mr. Cogy under Belgian law in connection with Mr. Cogy's relocation to Belgium and his appointment as a director and branch manager of Genpact Onsite Services Inc., a Delaware corporation that is a wholly-owned subsidiary of Genpact. The 2008 employment agreement replaces a prior agreement with substantially similar terms governed by Romanian law.

Among other provisions, Mr. Cogy's agreement specifies that Mr. Cogy will receive an annual gross basic salary of 252,810. The agreement provides for certain tax free allowances and benefits, including reimbursement for housing costs up to a maximum of 48,000 per year and a school allowance for Mr. Cogy's children up to 62,000 per year, and use of a company car. In addition, if Mr. Cogy is terminated, except for a serious breach of the employment agreement, serious misconduct or serious negligence, he will receive a one-time payment equal to ten months of his base salary.

Robert Pryor. We entered into an employment agreement with Robert Pryor on December 31, 2008, with Mr. Pryor's employment with the Company commencing on January 15, 2009. The employment agreement has

an indefinite term and may be terminated by us or Mr. Pryor or due to Mr. Pryor's death or disability, subject to the termination provisions described below. The employment agreement provides for an annual base salary of not less than \$500,000 and a target bonus of \$500,000. Mr. Pryor is entitled to benefits and perquisites generally available to our other U.S. based senior executives as well as 25 days vacation annually. Under his employment agreement, Mr. Pryor received 320,000 Company options and 175,000 restricted share units on February 2, 2009.

If Mr. Pryor's employment is terminated by us for cause (as defined in his employment agreement) or if Mr. Pryor terminates his employment for any reason, for one year following such termination, Mr. Pryor may not engage in or carry on, directly or indirectly, any enterprise, whether as an advisor, principal, agent, partner, officer, director, employee, shareholder, associate or consultant for or on behalf of any of a specified group of five companies. If Mr. Pryor's employment is terminated by us without cause, he will be entitled to a lump sum cash payment equal to 75% of his base salary in effect on the date of termination, in addition to any earned but unpaid base salary. In addition, if Mr. Pryor's employment is terminated by us without cause and he elects to continue to receive health insurance pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA), Mr. Pryor will be entitled to an amount equal to his COBRA premiums through the earlier of (i) the date he secures new employment or (ii) nine months from the date of his termination. In addition, under his employment agreement, Mr. Pryor may not, for twenty-four months following the termination of his employment, (a) directly or indirectly solicit any person who is on the date of Mr. Pryor's termination our employee or independent contractor or an employee or independent contractor of any Affiliate (as defined in his employment agreement) of ours, (b) attempt to influence, persuade or induce, or assist any other person in doing so, any entity that is on the date of his termination a client or customer of ours, or of any Affiliate of ours, to give up or not commence, a business relationship with us or (c) directly or indirectly solicit for business or corporate opportunity any entity that is one of our clients or customers on the date of his termination.

2007 Omnibus Incentive Compensation Plan

We adopted our 2007 Omnibus Incentive Compensation Plan, or the 2007 Plan, on July 13, 2007.

Stock Options. The exercise price for options granted in 2010 was equal to the fair market value of our common shares on the grant date. The options granted to our executives in 2010 vest ratably over a four year period beginning on the first anniversary of grant. We did not grant any options to our directors in 2010.

Restricted Share Units. The restricted share units granted to our directors in 2010 vest on August 12, 2011.

Performance Share Awards. The target performance shares granted to our named executive officers other than our CEO in 2010 will convert into actual common shares of the Company based on the Company's attainment of certain performance goals measured over the three-year period beginning January 1, 2010 and ending December 31, 2012 and the individual's continued service with the Company through that period. The actual number of common shares of the Company into which the target performance shares may convert will be calculated by multiplying the number of target performance shares by a performance percentage ranging from 0% to 150% based on the attained level of Company performance as measured in terms of the following performance criteria: (a) the Company's three year average revenue growth and (b) the Company's EBITDA growth for 2010 and two year average growth in adjusted income from operations for 2011 and 2012. For each goal, there are three designated levels of attainment. If performance for either metric is below the threshold, no payout will occur.

The target performance shares granted to our CEO in 2010 will convert into actual common shares of the Company based on the Company's attainment of certain performance goals for the performance periods beginning on January 1, 2011 and ending on December 31, 2011 and beginning on January 1, 2012 and ending on December 31, 2012. The performance targets for the performance shares scheduled to vest on December 31, 2010 were not achieved and no shares were issued. The actual number of common shares into which the target shares may convert will be calculated by multiplying the number of target shares by a performance percentage

ranging from 0% to 150% based on the attained level of Company performance as measured in terms of the Company's revenue growth and adjusted income from operations growth for the applicable performance period. If performance for either metric is below the threshold, no payout will occur.

The compensation committee has the right to exercise negative discretion and reduce the number of shares that vest on each vesting date (other than vesting in connection with a change of control, death or termination) by up to 10% based on the committee's assessment of the following goals to be achieved by Mr. Bhasin: (i) development of succession plans for senior management of the Company reasonably satisfactory to the Board; (ii) development and pursuit of a strategy for inorganic growth, including through acquisitions, joint ventures or other strategic transactions; (iii) further development and execution on the Company's Smart Enterprise Processes (SEP[®]) strategy and (iv) continued attraction and retention of world class talent.

Change of Control. Pursuant to the 2007 Plan, unless otherwise provided in an individual award agreement, in the event of a change of control of our company, the board of directors may provide that existing awards be assumed, substituted or continued. If the board of directors does not make such provision:

any options and SARs outstanding as of the date the change of control is determined to have occurred will become fully exercisable and vested, as of immediately prior to the change of control;

all performance units and cash incentive awards will be paid out as if target performance levels had been attained, but pro rated based on the portion of the performance period that elapses prior to the change of control; and

all other outstanding awards will automatically be deemed exercisable or vested and all restrictions and forfeiture provisions related thereto will lapse as of immediately prior to such change of control.

Unless otherwise provided pursuant to an award agreement, a change of control is defined to mean any of the following events, generally:

during any period of twenty-four consecutive months, a change in the composition of a majority of our board of directors that is not supported by a majority of the incumbent board of directors;

the consummation of a merger, reorganization or consolidation or sale or other disposition of all or substantially all of our assets;

the approval by our shareholders of a plan of our complete liquidation or dissolution; or

an acquisition by any individual, entity or group (other than General Atlantic Partners (Bermuda) L.P., Oak Hill Capital Partners (Bermuda), L.P. or GE Capital International (Mauritius) or any of their respective affiliates) of beneficial ownership of a percentage of the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors that is equal to or greater than 20%.

Retirement Benefits

We provide our employees in the United States, including our CEO, with a tax-qualified defined contribution 401(k) plan, pursuant to which employees may elect to defer pre-tax salary amounts up to the limits set by the Internal Revenue Code. We match 100% of the first 4% of salary deferred by our employees under the 401(k) plan. Pursuant to our employment agreement with Mr. Bhasin, following the termination of his employment for any reason, he is entitled to a five-year sum certain joint life and survivor annuity benefit in the annual amount of \$190,000 per year commencing on the earliest of (A) Mr. Bhasin's separation from service with the Company that occurs on or after his obtaining age 60, (B) Mr. Bhasin's death or disability and (C) Mr. Bhasin's attaining age 65. We maintain a Gratuity Plan, which is a defined benefit plan required to be provided to all Indian employees by applicable law, including Mr. Tyagarajan. In addition, in India, we maintain a Superannuation Plan,

Edgar Filing: Genpact LTD - Form DEF 14A

which is a defined contribution plan under which we do not make any employer contributions, and a Provident Fund Plan which is a defined contribution plan required under applicable law.

We do not provide retirement benefits to our other named executive officers.

Potential Payments Upon Termination or Change of Control

Below is a description of the potential payments and benefits that would be provided to our named executive officers upon termination of their employment or a change of control under their employment agreements and award agreements under the Company Stock Plans.

Employment Agreements with Named Executive Officers

Pramod Bhasin, Patrick Cogny, Robert Pryor and N.V. Tyagarajan

We have entered into agreements with Messrs. Bhasin, Cogny, Pryor and Tyagarajan which provide for certain payments and benefits to be paid to each upon certain terminations of employment. See Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements with Named Executive Officers for a description of these provisions.

Company Stock Plans

Under the equity compensation plans utilized by us prior to the adoption of the Genpact Limited 2007 Omnibus Incentive Compensation Plan (the 2007 Plan, and together with all prior plans, the Company Stock Plans), upon the occurrence of a change of control (as defined below) or dissolution or liquidation, our board of directors may provide that all Company options will become immediately exercisable. Our board of directors may also, upon at least ten days advance notice, cancel any outstanding Company options and pay to the holders of such Company options, in cash or shares, the value of such Company options based upon the price per share received by our other shareholders in the event of a change of control. Our obligations under the Company Stock Plans will be binding upon any successor corporation or organization. The Company Stock Plans require that we make appropriate provisions to preserve optionees' rights under the Company Stock Plans including, where it is intended that Company options survive a change of control, by requiring that outstanding Company options be assumed or that substantially equivalent options be substituted for our outstanding Company options. The term change of control for purposes of our Company Stock Plans, other than the 2007 Plan, is defined as the following: (a) the acquisition by any person or entity (other than General Atlantic, Oak Hill or GE Capital International (Mauritius) or any of their respective affiliates (referred to for purposes of this definition as the Investors), directly or indirectly, of more than 50% of the combined voting power of the then outstanding securities entitled to vote generally in the election of our directors, including, without limitation, as a result, in whole or part, by reason of a sale or other disposition by General Atlantic, Oak Hill or any of their respective affiliates of their direct or indirect interest in GICo and/or GGL) or any successor entities; (b) any merger, consolidation, reorganization, recapitalization, tender or exchange offer or any other transaction with or affecting us, GICo and/or GGL as a result of which a person or entity other than an Investor owns after such transaction, directly or indirectly, more than 50% of the combined voting power of the then outstanding securities entitled to vote generally in the election of our directors; or (c) the sale, lease, exchange, transfer or other disposition to any person or entity, other than an Investor, of all or substantially all, of our assets and our consolidated subsidiaries.

Table of Contents

Generally, except as described below, our Company option award agreements with our named executive officers do not provide for accelerated vesting upon a termination of employment. Mr. Bhasin had accelerated vesting rights with respect to the 3,165,750 Company options granted to him on July 26, 2005 and his Company performance options, but as these options became fully vested in accordance with their terms as of January 1, 2010, the accelerated vesting provisions are no longer applicable.

In the event Mr. Bhasin's employment is terminated due to death or disability, by us without cause or by Mr. Bhasin for good reason, all his vested Company options and his Company performance options will continue to be exercisable for three years. In the event of a termination by Mr. Bhasin without good reason, all his vested Company options and his Company performance options will be exercisable for 90 days following termination. In the event of termination by us for cause, all his vested and unvested options will terminate.

Our restricted stock unit agreement with Mr. Pryor provides for accelerated vesting in the event Mr. Pryor is terminated by us without cause.

Table of Contents**Termination and Change of Control Potential Payments and Benefits Table**

The amounts included in the table below do not include payments and benefits to the extent they are provided on a non-discriminatory basis to salaried employees generally upon termination of employment. The amounts indicated are based on the payments and benefit that would have been incurred by the Company if the named executive officer's employment had terminated as of the last business day of the fiscal year ended December 31, 2010. Where applicable, the value of one of our common shares on December 31, 2010 was \$15.20, which was the closing market price of our common shares on the NYSE as of that date.

PROPOSAL 3 APPROVAL OF AMENDMENT AND RESTATEMENT OF 2007 OMNIBUS INCENTIVE COMPENSATION PLAN

We are asking our shareholders to vote on a proposal to approve an amendment and restatement of the Genpact Limited 2007 Omnibus Incentive Plan, or the 2007 Plan, that will expand the performance criteria that may be utilized in establishing specific targets to be attained as a condition to the vesting of one or more awards under the 2007 Plan and to approve other material terms of the 2007 Plan so that the compensation attributable to certain awards under the 2007 Plan continues to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code (Section 162(m)) as explained more in detail below.

Our board of directors approved the amendment and restatement on April 15, 2011, subject to shareholder approval at the 2011 Annual Meeting.

Section 162(m) limits the U.S. federal tax deduction to the Company for compensation paid to its chief executive officer and certain other executive officers to \$1 million in any single year, unless that compensation is performance-based . For certain awards granted under the 2007 Plan to qualify as performance-based compensation under Section 162(m), among other things, our shareholders must approve the material terms of the 2007 Plan at this annual meeting. Approval of this proposal will accordingly constitute approval of the terms of the 2007 Plan including the eligibility criteria, the per participant limits under the 2007 Plan and the performance goals that may be utilized as criteria for the vesting of performance based awards under the 2007 Plan.

We strongly believe that incentive compensation programs play a pivotal role in our efforts to attract and retain key personnel essential to our long-term growth and financial success. It is important that we continue to be able to grant equity awards in a tax efficient manner.

The following is a summary of the principal features of the 2007 Plan, as amended and restated. This summary is not intended to be a complete description of all the provisions of the amended and restated 2007 Plan and is qualified in its entirety by reference to the complete text of the 2007 Plan, which is filed as Exhibit 1 to this Proxy Statement.

Types of Awards. The 2007 Plan provides for the following types of awards: share options, share appreciation rights, share awards, restricted shares, restricted share units, performance units, cash incentive awards, dividend equivalent rights and other equity-based awards.

Administration. The compensation committee of our board of directors will have the exclusive authority to administer the 2007 Plan. The term plan administrator, as used in this summary, will mean such committee. The plan administrator will have complete discretion to determine which eligible individuals are to receive awards, the types of awards to be granted to each participant, the number of shares to be covered (or the method by which payments or other rights are to be calculated in connection with) each award and the terms and conditions of any award, including the vesting provisions of an award. The plan administrator may grant awards under the 2007 Plan for no cash consideration or for any cash or other consideration as may be determined by the plan administrator or required by applicable law. Awards may be granted either alone or in addition to, in tandem with or in substitution for any other award granted under the 2007 Plan. Awards granted under the 2007 Plan may be settled in such form or forms as the plan administrator determines appropriate, including cash, common shares, other securities or awards under the 2007 Plan, other property or a combination of the foregoing methods, and may be made in a single payment or transfer, in installments or on a deferred basis as determined by the plan administrator. The plan administrator may also accelerate the vesting or exercisability of outstanding awards.

Eligibility. Employees, officers, consultants and non-employee members of the board of directors in our employ or service or in the employ or service of our affiliates (whether now existing or hereafter established) will be eligible to participate in the 2007 Plan. As of March 31, 2011, approximately 45,500 persons (including 7 executive officers and 9 non-employee members of our board of directors) were eligible to participate in the 2007 Plan.

Table of Contents

Shares Subject to 2007 Plan. 9,406,800 common shares have initially been reserved for issuance over the term of the 2007 Plan. The number of shares reserved for issuance under the 2007 Plan will be increased by the number of shares subject to options granted under our Company Stock Plans other than the 2007 Plan that are terminated, expired or forfeited without the delivery of shares or that are surrendered (including shares withheld from delivery) or tendered to the Company in payment of the exercise price or withholding taxes applicable with respect to such options, up to a maximum of 10,000,000 shares. Our Company Stock Plans other than the 2007 Plan are comprised of the Gecis Global Holdings 2005 Stock Option Plan, the Gecis Global Holdings 2006 Stock Option Plan and the Gecis Global Holdings 2007 Stock Option Plan, each of which terminated upon adoption of the 2007 Plan.

The maximum number of common shares which may be issued pursuant to options intended to qualify as incentive stock options under the U.S. federal tax laws may not exceed 9,406,800 shares.

As of March 31, 2011, 15,386,215 common shares were subject to outstanding options, 2,732,000 common shares were subject to outstanding restricted share units, 9,624,332 common shares had been issued and 7,239,361 common shares were available for future equity awards under the 2007 Plan.

Awards made under the 2007 Plan will be subject to the following per-participant limitations in order to provide the plan administrator with the opportunity to structure one or more of those awards as performance-based compensation under Section 162(m):

In the case of options and share appreciation rights that are settled in shares, the maximum aggregate number of our common shares with respect to which such options and share appreciation rights may be granted to any participant under the 2007 Plan in any fiscal year is 3,618,000.

In the case of awards other than options and share appreciation rights that are settled in shares, the maximum aggregate number of our common shares with respect to which such awards may be granted to any participant under the 2007 Plan in any fiscal year is 3,618,000.

In the case of awards that are settled in cash based on the fair market value of our common shares, the maximum aggregate amount of cash that may be paid pursuant to such awards granted to any participant under the 2007 Plan in any fiscal year is equal to the per common share fair market value as of the relevant vesting, payment or settlement date multiplied by 3,618,000, in the case of cash-settled share appreciation rights, and 3,618,000, in the case of awards other than cash-settled share appreciation rights.

In the case of all other awards, the maximum aggregate amount of cash and other property (valued at fair market value) other than common shares that may be paid or delivered pursuant to awards to any participant under the 2007 Plan in any fiscal year is \$8,000,000. Shareholder approval of this proposal will also constitute approval of such share and dollar limitations for purposes of Section 162(m). Accordingly, such limitations will ensure that any tax deductions to which we would otherwise be entitled under U.S. federal tax rules upon exercise of option or SARS or the settlement of awards with vesting tied to the attainment of one or more of the corporate performance milestones discussed below will not be subject to the \$1 million limitation of Section 162(m).

All share limitations under the 2007 Plan are subject to adjustment for changes in capitalization and other transactions as described below.

The common shares issuable under the 2007 Plan may be drawn from shares of our authorized but unissued common shares, treasury shares or from common shares that we acquire, including shares purchased on the open market.

Shares subject to outstanding awards under the 2007 Plan that terminate, expire, are forfeited or cancelled will be available for subsequent issuance under the 2007 Plan. If shares of the Company (whether issued upon exercise, vesting or settlement of an award or owned by the participant) are surrendered (including shares withheld from delivery on exercise, vesting or settlement of an award) or tendered to the Company in payment of the exercise price of an award or any taxes required to be withheld or paid or payable in respect of an award (including with respect to, as a result of or with respect to the grant, issuance or, if applicable, exercise, vesting

Table of Contents

or settlement of an award), such shares will be added to the number of shares otherwise available to be delivered pursuant to awards under the 2007 Plan. If an award does not entitle a participant to receive or purchase shares, or if an award is settled in cash, such awards will not reduce the number of common shares available for issuance under the 2007 Plan.

Valuation. The fair market value per common share on any relevant date under the 2007 Plan will be the closing sale price of our common shares on the New York Stock Exchange on such date or, if such exchange is not open for trading on such date, on the most recent preceding date that such exchange is open for trading. On April 1, 2011, the fair market value determined on such basis was \$14.43 per share.

Options. Eligible persons may be granted options to purchase shares of our common shares. Except as otherwise determined by the plan administrator in an award agreement, the exercise price of each option will not be less than 100% of the fair market value of the option shares on the grant date. No granted option will have a term in excess of ten years. Payment of the exercise price of any option may be made in cash, common shares, through withholding of shares otherwise issuable upon exercise of the option or through a broker-assisted cashless exercise procedure.

Share Appreciation Rights. A share appreciation right granted under the 2007 Plan allows the holder to exercise that right as to a specific number of common shares and receive upon such exercise the excess of (i) the fair market value of the common shares as to which that right is exercised over (ii) the aggregate grant price in effect for those shares. Except as otherwise determined by the plan administrator in an award agreement, the grant price will not be less than one hundred percent of the fair market value of the underlying shares on the grant date. A share appreciation right may be granted alone or in tandem with or in addition to another award. No granted share appreciation right will have a term in excess of ten years. The plan administrator will determine whether the share appreciation right will be settled in cash, common shares, other securities, other awards, other property or a combination of any of the foregoing and the remaining terms and conditions of a share appreciation right in its discretion, including the methods of exercise, dates of exercise and methods of settlement.

Restricted Shares and Restricted Share Units. Restricted shares and restricted share units may be awarded under the 2007 Plan. The plan administrator will determine at the time of grant the restrictions to which restricted shares will be subject, including the vesting schedule. Unless otherwise determined by the plan administrator in its discretion, unvested restricted shares will generally be forfeited upon termination of a participant's service.

Restricted share units granted under the 2007 Plan entitle the holder to receive the value of common shares underlying those units upon the lapse or waiver of restrictions specified by the plan administrator at the time the restricted share units are granted. The restricted share units may be settled in cash, common shares, other securities or other awards or property, as determined by the plan administrator. Upon termination of a participant's service, any unvested restricted share units will be canceled, and the participant will have no further rights with respect to the canceled units or the underlying common shares unless otherwise determined by the plan administrator in its discretion. If a performance unit is intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, the requirements below described in Performance Compensation Awards must be satisfied.

Performance Units. Subject to the provisions of the 2007 Plan, the plan administrator may grant performance units to participants. Performance units are awards with an initial value established by the plan administrator (or that is determined by reference to a valuation formula specified by the plan administrator or the fair market value of our common shares) at the time of the grant. In its discretion, the plan administrator will set performance goals that, depending on the extent to which they are met during a specified performance period, will determine the number and/or value of performance units that will be paid out to the participant. The plan administrator, in its sole discretion, may pay earned performance units in the form of cash, common shares or any combination thereof that has an aggregate fair market value equal to the value of the earned performance units at the close of the applicable performance period. If a performance unit is intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, the requirements below described in Performance Compensation Awards must be satisfied.

Table of Contents

Cash Incentive Awards. Subject to the provisions of the 2007 Plan, the plan administrator may grant cash incentive awards payable upon the attainment of performance goals. If a cash incentive award is intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, the requirements described below in Performance Compensation Awards must be satisfied.

Performance Awards. The plan administrator may designate any award granted under the 2007 Plan (other than options and share appreciation rights) as a performance compensation award in order to qualify such award as qualified performance-based compensation under Section 612(m) of the Code. The plan administrator will also determine the length of performance periods, the types of award to be issued, the performance criteria that will be used to establish the performance goals, the kinds and levels of performance goals and any performance formula used to determine whether a performance compensation award has been earned for the performance period. Such performance criteria may be based on one or more of the following either individually, alternatively or in any combination, applied on a corporate, subsidiary, affiliate, division or specialized unit: (1) net income before or after taxes, (2) earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization), (3) operating income or adjusted operating income, (4) earnings per share, (5) return on shareholders' equity, (6) return on investment or capital, (7) return on assets, (8) level or amount of acquisitions, (9) share price, (10) profitability and profit margins, (11) market share (in the aggregate or by segment), (12) revenues or sales (based on units or dollars), (13) costs, (14) cash flow, (15) working capital, (16) average sales price, (17) budgeted expenses (operating and capital), (18) inventory turns, (19) accounts receivable levels, (20) level of attrition, (21) operating profit or net operating profit, (22) return on operating revenue or return on operating profit, (23) cash flow per share (before or after dividends), (24) collections and recoveries, (25), debt reduction, (26) litigation and regulatory resolution goals, (27), budget comparisons, (28) development and implementation of strategic plans and/or organizational restructuring goal, (29) productivity goals; (30) workforce management and succession planning goals, (31) economic value added, (32), measures of customer satisfaction, (33) formation of joint ventures or marketing or customer service collaborations or the completion of other corporate transactions intended to enhance the Company's revenue or profitability or enhance its customer base, or (34) and merger and acquisitions.

Such performance criteria may be applied on an absolute basis and/or be relative to one or more peer companies of the Company or indices or any combination thereof and may also be based on the performance of the Company or any of the Company's subsidiaries, operational units or divisions or any affiliate or any combination thereof. Each applicable performance criteria may include a minimum threshold level of performance below which no award will be earned, levels of performance at which specified portions of an award will be earned and a maximum level of performance at which an award will be fully earned. Each applicable performance criteria may be structured at the time of the award to provide for appropriate adjustments or exclusions for one or more of the following items: (A) asset impairments or write-downs; (B) litigation and governmental investigation expenses and judgments, verdicts and settlements in connection therewith; (C) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results; (D) accruals for reorganization and restructuring programs; (E) costs and expenses incurred in connection with mergers and acquisitions; (F) costs and expenses incurred in connection with the relocation of the principal offices of the Company or any affiliate; (G) any extraordinary or nonrecurring items; (H) bonus or incentive compensation costs and expenses associated with cash-based awards made under the 2007 Plan or other bonus or incentive compensation plans of the Company or any affiliate, (I) items of income, gain, loss or expense attributable to the operations of any business acquired by the Company or any affiliate; (J) items of income, gain, loss or expense attributable to one or more business operations divested by the Company or any affiliate or the gain or loss realized upon the sale of any such business or the assets thereof and (K) the impact of foreign currency fluctuations or changes in exchange rates.

Subject to the terms of the 2007 Plan, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any performance award granted, the amount of any payment or transfer to be made pursuant to any performance award and any other terms and conditions of any performance award will be determined by the plan administrator.

Table of Contents

Shareholder approval of this proposal will constitute approval of the foregoing performance goals for purposes of establishing the specific vesting criteria for one or more awards under the 2007 Plan that are intended to qualify as performance-based compensation under Section 162(m).

Dividend Equivalents. Dividend equivalents may be issued under the 2007 Plan (on awards other than options, share appreciation rights or cash incentive awards) and entitle the holder to receive payments (in cash, common shares, other securities, other awards granted under the 2007 Plan or other property as determined in the discretion of the plan administrator) equivalent to the amount of cash dividends paid to the holders of our common shares with respect to a specified number of shares determined by the plan administrator.

Other Share-based Awards. The plan administrator is authorized to award participants other equity-based or equity related awards, including fully vested shares, as deemed by the plan administrator to be consistent with the purpose of the 2007 Plan, subject to the terms and conditions determined by the plan administrator at the time of the award.

General Provisions

Transferability. Generally, awards granted under the 2007 Plan (other than share awards containing no restrictions) may not be transferred, pledged, alienated, attached or otherwise encumbered in any manner other than by will or the laws of descent or distribution. However, the plan administrator may allow a participant to designate a beneficiary to receive the vested portion of an award in the event of the participant's death, and the plan administrator has the authority to allow the transfer of a non-statutory option to a family member of the grantee.

Change in Control. Pursuant to the 2007 Plan, unless otherwise provided in an individual award agreement, in the event of a change of control of our company, existing awards be assumed, substituted or continued. If the outstanding awards are not assumed, continued or substituted:

any options and SARs outstanding as of the date the change of control is determined to have occurred will become fully exercisable and vested, as of immediately prior to the change of control;

all performance units and cash incentive awards will be paid out as if target performance levels had been attained, but pro rated based on the portion of the performance period that elapses prior to the change of control; and

all other outstanding awards will automatically be deemed exercisable or vested and all restrictions and forfeiture provisions related thereto will lapse as of immediately prior to such change of control.

Table of Contents

Unless otherwise provided pursuant to an award agreement, a change of control is defined to mean any of the following events, generally:

during any period of twenty-four consecutive months, a change in the composition of a majority of our board of directors that is not approved by a majority of the incumbent board of directors;

subject to certain limitations specified in the 2007 Plan, the consummation of a merger, reorganization or consolidation or sale or other disposition of all or substantially all of our assets;

the approval by our shareholders of a plan of our complete liquidation or dissolution; or

subject to certain limitations specified in the 2007 Plan, an acquisition by any individual, entity or group (other than certain specified shareholders) of beneficial ownership of a percentage of the combined voting power of our then outstanding securities entitled to vote generally in the election of directors that is equal to or greater than 25%.

Changes in Capitalization. In the event of any recapitalization, share split, reverse share split, split-up or spin-off, reorganization, amalgamation, consolidation, combination, repurchase or exchange of shares or other securities of the Company, issuance of warrants or other rights to purchase our common shares or other securities or other similar corporate transaction or event affecting the common shares or as otherwise permitted under Bermuda law, then the plan administrator will make adjustments to (i) the number and type of shares (or other securities or other property) issuable under the 2007 Plan (including pursuant to incentive share options), (ii) the maximum number and type of shares (or other securities or other property) that may be added to the share reserve from the Company Stock Plans other than the 2007 Plan, (iii) the number and type of shares (or other securities or other property) subject to outstanding awards or to which outstanding awards relate under the 2007 Plan, (iv) the purchase price or exercise price with respect to any award under the 2007 Plan and (v) the maximum number of shares for which any one person may be granted awards under the 2007 Plan per fiscal year. Such adjustments will be made in such manner as the plan administrator deems appropriate in order to preclude any dilution or enlargement of benefits under the 2007 Plan or the outstanding awards thereunder and will be final, binding and conclusive.

The plan administrator may make similar adjustments in the event of any extraordinary dividends or other extraordinary distribution.

Shareholder Rights. Except with respect to restricted share awards granted under the 2007 Plan, a participant will not have any of the rights and privileges of a shareholder with respect to the common shares underlying any award until the shares subject to that award have been issued.

Amendment and Termination. Our board of directors may amend, modify or terminate the 2007 Plan at any time; provided, however, that shareholder approval will be required for any amendment which would (i) increase the number of common shares authorized for issuance under the 2007 Plan or pursuant to incentive share options (other than in connection with certain changes to our capital structure as explained above), (ii) decrease the exercise price of any option or share appreciation right that, at the time of such decrease, has an exercise price less than the then current fair market value of a common share or cancel, in exchange for cash or any other award, any such award or (iii) change the class of employees or other individuals eligible to participate in the 2007 Plan to the extent such shareholder approval may otherwise be required under applicable law or regulation or pursuant to the listing standards of the stock exchange on which our common shares are at the time primarily traded. The 2007 Plan will terminate in all events on July 13, 2017.

Summary of U.S. Federal Income Tax Consequences

The following is a summary of the U.S. Federal income taxation treatment applicable to us and the participants who receive awards under the 2007 Plan.

Option Grants. Options granted under the 2007 Plan may be either incentive share options which satisfy the requirements of Code Section 422 or nonqualified options which are not intended to meet such requirements. The Federal income tax treatment for the two types of options differs as follows:

Table of Contents

Incentive Share Options. No taxable income is recognized by the optionee at the time of the option grant, and no taxable income is recognized for regular tax purposes at the time the option is exercised, although taxable income may arise at that time for alternative minimum tax purposes. The optionee will recognize taxable income in the year in which the purchased shares are sold or otherwise made the subject of certain other dispositions. For U.S. Federal tax purposes, dispositions are divided into two categories: (i) qualifying, and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made more than two (2) years after the date the option for the shares involved in such sale or disposition is granted and more than one (1) year after the date the option is exercised for those shares. If the sale or disposition occurs before these two periods are satisfied, then a disqualifying disposition will result.

Upon a qualifying disposition, the optionee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for the shares. If there is a disqualifying disposition of the shares, then the excess of (i) the fair market value of those shares on the exercise date or (if less) the amount realized upon such sale or disposition over (ii) the exercise price paid for the shares will be taxable as ordinary income to the optionee. Any additional gain recognized upon the disposition will be a capital gain.

If the optionee makes a disqualifying disposition of the purchased shares, then we will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal to the amount of ordinary income recognized by the optionee as a result of the disposition. We will not be entitled to any income tax deduction if the optionee makes a qualifying disposition of the shares.

Nonqualified Options. No taxable income is recognized by an optionee upon the grant of a nonqualified option. The optionee will in general recognize ordinary income, in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for the shares, and the optionee will be required to satisfy the tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the optionee with respect to the exercised non-statutory option. The deduction will in general be allowed for our taxable year in which such ordinary income is recognized by the optionee.

Share Appreciation Rights. No taxable income is recognized upon receipt of a share appreciation right. The holder will recognize ordinary income in the year in which the share appreciation right is exercised, in an amount equal to the excess of the fair market value of the underlying common shares on the exercise date over the base price in effect for the exercised right, and the holder will be required to satisfy the tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the holder in connection with the exercise of the share appreciation right. The deduction will be allowed for the taxable year in which such ordinary income is recognized.

Restricted Share Awards. The recipient of unvested common shares issued under the 2007 Plan will not recognize any taxable income at the time those shares are issued but will have to report as ordinary income, as and when those shares subsequently vest, an amount equal to the excess of (i) the fair market value of the shares on the vesting date over (ii) the cash consideration (if any) paid for the shares. The recipient may, however, elect under Code Section 83(b) to include as ordinary income in the year the unvested shares are issued an amount equal to the excess of (i) the fair market value of those shares on the issue date over (ii) the cash consideration (if any) paid for such shares. If the Section 83(b) election is made, the recipient will not recognize any additional income as and when the shares subsequently vest. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the recipient with respect to the unvested shares. The deduction will in general be allowed for our taxable year in which such ordinary income is recognized by the recipient.

Restricted Share Units. No taxable income is recognized upon receipt of restricted share units. The holder will recognize ordinary income in the year in which the shares subject to the units are actually issued to the holder. The amount of that income will be equal to the fair market value of the shares on the date of issuance, and the holder will be required to satisfy the tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the holder at the time the shares are issued. The deduction will be allowed for the taxable year in which such ordinary income is recognized.

Table of Contents

Performance Awards. No taxable income is recognized upon receipt of performance awards. The holder will recognize ordinary income in the year in which the performance awards are settled. The amount of that income will be equal to the fair market value of the common shares or cash received in settlement of the performance awards, and the holder will be required to satisfy the tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of the ordinary income recognized by the holder of the performance awards at the time those awards are settled. That deduction will be allowed for the taxable year in which such ordinary income is recognized.

Share Awards. The recipient of a share award will recognize ordinary income in the year in which the shares subject to a share award are issued to the holder. The amount of that income will be equal to the fair market value of the shares on the date of issuance, and the holder will be required to satisfy the tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the holder at the time the shares are issued. The deduction will be allowed for the taxable year in which such ordinary income is recognized.

Dividend Equivalent Rights. No taxable income is recognized upon receipt of a dividend equivalent right award. The holder will recognize ordinary income in the year in which a dividend or distribution, whether in cash, securities or other property, is paid to the holder. The amount of that income will be equal to the fair market value of the cash, securities or other property received, and the holder will be required to satisfy the tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of the ordinary income recognized by the holder of the dividend equivalent right award at the time the dividend or distribution is paid to such holder. That deduction will be allowed for the taxable year in which such ordinary income is recognized.

Deductibility of Executive Compensation. We anticipate that any compensation deemed paid by us in connection with the exercise of nonqualified options or share appreciation rights will qualify as performance-based compensation for purposes of Section 162(m) and will not have to be taken into account for purposes of the \$1 million limitation per covered individual on the deductibility of the compensation paid to certain of our executive officers. Accordingly, the compensation deemed paid with respect to options and share appreciation rights granted under the 2007 Plan will remain deductible by us without limitation under Section 162(m). However, any compensation deemed paid by us in connection with shares or cash issued under restricted shares or restricted share unit or performance unit awards will be subject to the \$1 million limitation, unless the issuance of the shares or cash is tied to one or more of the performance milestones described above.

Accounting Treatment. The accounting principles applicable to awards made under the 2007 Plan may be summarized in general terms as follows:

Pursuant to the accounting standards established under the FASB Accounting Standards Codification Topic 718, we will be required to expense all share-based payments, including grants of options, share appreciation rights, common shares, restricted shares, restricted share units and all other share-based awards under the 2007 Plan. Accordingly, options and share appreciation rights which are granted to our employees and non-employee Board members and payable in common shares will have to be valued at fair value as of the grant date under an appropriate valuation formula, and that value will then have to be charged as a direct compensation expense against our reported earnings over the designated vesting period of the award. For shares issuable upon the vesting of restricted share units awarded under the 2007 Plan, we will be required to amortize over the vesting period a compensation cost equal to the fair market value of the underlying shares on the date of the award. If any other shares are unvested at the time of their direct issuance, then the fair market value of those shares at that time will be charged to our reported earnings ratably over the vesting period. Such accounting treatment for restricted share units and direct share issuances will be applicable whether vesting is tied to service periods or performance goals, although for performance-based awards, the grant date fair value will initially be determined on the basis of the probable outcome of performance goal attainment. The issuance of a fully-vested share awards will result in an immediate charge to our earnings equal to the fair market value of the bonus shares on the issuance date.

Table of Contents

Dividends or dividend equivalents paid on the portion of an award that vests will be charged against our retained earnings. If the award holder is not required to return the dividends or dividend equivalents if they forfeit their awards, dividends or dividend equivalents paid on instruments that do not vest will be recognized by us as additional compensation cost.

Finally, it should be noted that the compensation expense accruable for performance-based awards under the 2007 Plan will, in general, be subject to adjustment to reflect the actual outcome of the applicable performance goals, and any expenses accrued for such performance-based awards will be reversed if the performance goals are not met, unless those performance goals are deemed to constitute market conditions (i.e., because they are tied to the price of our common shares) under FASB Accounting Standards Codification Topic 718.

Required vote and board recommendation

The approval of the proposal requires the affirmative vote of a simple majority of the votes cast. Should such approval not be obtained, then the Company will consider other possible alternatives for granting performance-based awards.

Recommendation of the Board of Directors

The board of directors believes that approval of the amendment and restatement of the 2007 Omnibus Incentive Compensation Plan (including the terms of the awards thereunder for purposes of Section 162(m)) is in our best interests and the best interests of our shareholders and therefore recommends a vote FOR this proposal.

PROPOSAL 4 NON-BINDING VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act enacted in July 2010 (the Dodd-Frank Act), the Company s shareholders are entitled to vote at the annual meeting to approve the compensation of our named executive officers, as disclosed in this proxy statement in accordance with the standards established under Item 402 of Regulation S-K under the Securities Exchange Act of 1934, as amended (the Exchange Act). However, the shareholder vote on executive compensation is an advisory vote only, and it is not binding on the Company or our Board or the compensation committee.

Although the vote is non-binding, our Board and the compensation committee value the opinions of the shareholders and will consider the outcome of the vote when making future compensation decisions affecting the Company s executive officers.

As described in the section titled Compensation Discussion and Analysis, our executive compensation program is designed to reward the achievement of our annual, long-term and strategic goals, such as growing revenues, improving operating margins, improving client satisfaction scores, reducing employee attrition levels and expanding into new geographies and service offerings. It is also designed to align the interests of our executives, including our named executive officers, with those of our shareholders by rewarding performance that exceeds our goals, with the ultimate objective of increasing shareholder value. Shareholders are urged to read the Compensation Discussion and Analysis section of this proxy statement, which more thoroughly discusses how we believe our compensation policies and procedures complement our compensation philosophy. The Board and our compensation committee believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving its goals.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this proxy statement.

We are asking our shareholders to vote for the following resolution:

RESOLVED, that the Company s shareholders approve, in a non-binding vote, the compensation of the Company s named executive officers as disclosed in the proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the various compensation tables and the accompanying narrative discussion.

This vote is only advisory, and will therefore not be binding upon the Company or our Board. However, the Board encourages input from the Company s shareholders and encourages all shareholders to vote their shares on this matter.

Board Recommendation

The board recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in this proxy statement pursuant to the SEC s compensation disclosure rules.

**PROPOSAL 5 NON-BINDING VOTE ON THE FREQUENCY OF NON-BINDING
SHAREHOLDER VOTES ON EXECUTIVE COMPENSATION**

Under the Dodd-Frank Act, the Company's shareholders are also entitled to vote at the annual meeting regarding whether the shareholder vote to approve the compensation of our named executive officers as required by Section 14A(a)(2) of the Exchange Act (and as presented in Proposal 4 of this proxy statement) should occur every year, once every two years or once every three years. Shareholder will also have the option to abstain from voting on the matter. The shareholder vote on the frequency of the non-binding shareholder vote to approve executive compensation is an advisory vote only, and it is not binding on the Company or our Board. Such an advisory vote will be provided to shareholders at least every six years.

Although the vote is non-binding, both the Board of Directors and the compensation committee value the opinions of the shareholder and will consider the outcome of the vote when setting the frequency of the shareholder vote on executive compensation.

The Board has determined that an advisory shareholder vote on executive compensation once every three years is the best approach for the Company and its shareholders for a number of reasons and complements our goal to create a compensation program that enhances long-term shareholder value. As described in the section titled "Compensation Discussion and Analysis," our executive compensation program is designed to reward the achievement of our annual, long-term and strategic goals. It is also designed to align the interests of our executives, including our named executive officers, with those of our shareholders by rewarding performance that exceeds our goals, with the ultimate objective of increasing shareholder value. Our Board believes that our structuring of compensation awards to be contingent upon successful completion of multi-year performance and service periods facilitates the creation of long-term shareholder value. The Board also believes that holding the advisory vote every three years will provide shareholders the ability to evaluate our compensation program over a time period similar to the periods associated with our compensation awards, which our Board believes will allow them to compare the Company's compensation packages to the long-term performance of the Company.

A three-year cycle will provide shareholders with sufficient time and opportunity to evaluate the effectiveness of the Company's short-term and long-term incentive programs, compensation strategies and pay-for-performance philosophy.

Similarly, our compensation committee would benefit from this longer time period between advisory votes so that they may analyze the Company's compensation program over a longer-term period. Should our compensation committee believe it appropriate to adjust the Company's compensation program, the longer time period would give the committee the ability to assess the effects of any changes implemented. The Board believes anything less than a triennial vote will detract from the long-term interests and goals of the Company in favor of short-term considerations.

The proxy card provides shareholders four choices with respect to the frequency of the shareholder vote for the approval of the compensation of the Company's named executive officers. The four choices are as follows:

Every year;

Every two years;

Every three years; or

Abstain.

The Board recommends that the shareholders choose on an advisory basis a three year frequency (or vote for every three years) with respect to how frequently a non-binding shareholder vote to approve the compensation of our named executive officers should occur. However, the shareholder vote under this Proposal 5 is not to approve or disapprove the Board's recommendation but is instead a direct advisory vote on the particular frequency at which each shareholder would like the advisory vote on executive officer compensation to be conducted.

Board Recommendation

The board recommends that you vote **THREE YEARS** with respect to how frequently a non-binding shareholder vote to approve the compensation of our named executive officers should occur.

In the case of Incentive Share Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code and any regulations related thereto, as may be amended from time to time. All Options granted under the Plan shall be Nonqualified Share Options unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Share Option. If an Option is intended to be an Incentive Share Option, and if for any reason such Option (or any portion thereof) shall not qualify as an Incentive Share Option, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a Nonqualified Share Option appropriately granted under the Plan; provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to Nonqualified Share Options.

Except as otherwise specified by the Committee in the applicable Award Agreement, an Option may only be exercised to the extent that it has already vested at the time of exercise. The vesting schedule for each Option shall be specified by the Committee in the Award Agreement. An Option shall be deemed to be exercised when written or electronic notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment, pursuant to Section 6(b)(iv), for the Shares with respect to which the Option is exercised has been received by the Company. The Committee may impose such conditions with respect to the exercise of Options, including but not limited to any conditions relating to the application of Federal or state securities laws, as it may deem necessary or advisable.

(B) Wherever in the Plan or any Award Agreement a Participant is permitted to pay the Exercise Price of an Option or an amount equal to any Applicable Taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option.

(v) Expiration. Except as otherwise set forth in the applicable Award Agreement, each Option shall expire immediately, without any payment, upon the earlier of (A) the tenth anniversary of the date the Option is granted and (B) either (x) 90 days after the date the Participant who is holding the Option ceases to be a director, officer, employee or consultant of the Company or any Affiliate for any reason other than the Participant's death or Disability or (y) six months after the date the Participant who is holding the Option ceases to be a director, officer, employee or consultant of the Company or any Affiliate by reason of the Participant's death or Disability. (ii) Exercise Price. Except as otherwise established by the Committee at the time a SAR is granted and set forth in the applicable Award Agreement, the Exercise Price of each Share covered by a SAR shall be equal to or greater than 100% of the Fair Market Value of such Share (determined as of the date the SAR is granted).

(iii) Exercise. A SAR shall entitle the Participant to receive an amount equal to the excess, if any, of the Fair Market Value of a Share on the date of exercise of the SAR over the Exercise Price thereof. The Committee shall determine, in its sole discretion, whether a SAR shall be settled in cash, Shares, other securities, other Awards, other property or a combination of any of the foregoing.

(iv) Other Terms and Conditions. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine, at or after the grant of a SAR, the vesting criteria, term, methods of exercise, methods and form of settlement and any other terms and conditions of any SAR. Any such determination by the Committee may be changed by the Committee from time to time and may govern the exercise of SARs granted or exercised thereafter. Upon the lapse of the restrictions applicable to such Restricted Shares, the Company or other custodian, as applicable, shall deliver such certificates to the Participant or the Participant's legal representative.

(iii) **Payment/Lapse of Restrictions.** Each RSU shall be granted with respect to one Share or shall have a value equal to the Fair Market Value of one Share. RSUs shall be paid in cash, Shares, other securities, other Awards or other property, as determined in the sole discretion of the Committee, upon the lapse of restrictions applicable thereto, or otherwise in accordance with the applicable Award Agreement. If a Restricted Share or an RSU is intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, all requirements set forth in Section 6(i) must be satisfied in order for the restrictions applicable thereto to lapse.

(e) **Performance Units.** (i) **Grant.** Subject to the provisions of the Plan, the Committee shall have sole authority to determine the Participants to whom Performance Units shall be granted and the terms and conditions thereof.

Such Shares may be granted subject to any restrictions in the applicable Award Agreement deemed appropriate by the Committee. The determination of the Committee with respect to the form and timing of payout of such Awards shall be set forth in the applicable Award Agreement. If a Performance Unit is intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, all requirements set forth in Section 6(i) must be satisfied in order for a Participant to be entitled to payment.

(f) **Cash Incentive Awards.** Subject to the provisions of the Plan, the Committee, in its sole discretion, shall have the authority to grant Cash Incentive Awards. The Committee shall establish Cash Incentive Award levels to determine the amount of a Cash Incentive Award payable upon the attainment of Performance Goals. If a Cash Incentive Award is intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, all requirements set forth in Section 6(i) must be satisfied in order for a Participant to be entitled to payment.

(g) **Other Share-Based Awards.** Subject to the provisions of the Plan, the Committee shall have the sole authority to grant to Participants other equity-based or equity-related Awards (including but not limited to fully-vested Shares) in such amounts and subject to such terms and conditions as the Committee shall determine. The Committee shall have the authority, at the time of grant of any Award, to designate such Award (other than Options and SARs) as a Performance Compensation Award in order to qualify such Award as qualified performance-based compensation under Section 162(m) of the Code. Options and SARs granted under the Plan shall not be included among Awards that are designated as Performance Compensation Awards under this Section 6(i).

(ii) Eligibility. The Committee shall, in its sole discretion, designate within the first 90 days of a Performance Period (or, if shorter, within the maximum period allowed under Section 162(m) of the Code) which Participants will be eligible to receive Performance Compensation Awards in respect of such Performance Period. However, designation of a Participant eligible to receive an Award hereunder for a Performance Period shall not in any manner entitle the Participant to receive payment in respect of any Performance Compensation Award for such Performance Period. The determination as to whether or not such Participant becomes entitled to payment in respect of any Performance Compensation Award shall be decided solely in accordance with the provisions of this Section 6(i). Moreover, designation of a Participant eligible to receive an Award hereunder for a particular Performance Period shall not require designation of such Participant eligible to receive an Award hereunder in any subsequent Performance Period and designation of one person as a Participant eligible to receive an Award hereunder shall not require designation of any other person as a Participant eligible to receive an Award hereunder in such period or in any other period.

(iii) Discretion of Committee with Respect to Performance Compensation Awards. Each applicable performance criteria may be structured at the time of the Award to provide for appropriate adjustments or exclusions for one or more of the following items: (A) asset impairments or write-downs; (B) litigation and governmental investigation expenses and judgments, verdicts and settlements in connection therewith; (C) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results; (D) accruals for reorganization and restructuring programs; (E) costs and expenses incurred in connection with mergers and acquisitions; (F) costs and expenses incurred in connection with the relocation of the principal offices of the Company or any Affiliate; (G) any extraordinary or nonrecurring items; (H) bonus or incentive compensation costs and expenses associated with cash-based awards made under the Plan or other bonus or incentive compensation plans of the Company or any Affiliate, (I) items of income, gain, loss or expense attributable to the operations of any business acquired by the Company or any Affiliate; (J) items of income, gain, loss or expense attributable to one or more business operations divested by the Company or any Affiliate or the gain or loss realized upon the sale of any such business or the assets thereof and (K) the impact of foreign currency fluctuations or changes in exchange rates. (v) **Modification of Performance Goals.** The Committee is authorized at any time during the first 90 days of a Performance Period (or, if shorter, within the maximum period allowed under Section 162(m) of the Code), or any time thereafter (but only to the extent the exercise of such authority after such 90-day period (or such shorter period, if applicable) would not cause the Performance Compensation Awards granted to any Participant for the Performance Period to fail to qualify as qualified performance-based compensation under Section 162(m) of the Code), in its sole discretion, to adjust or modify the calculation of a Performance Goal for such Performance Period to the extent permitted under Section 162(m) of the Code (A) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development affecting the Company or any of its Subsidiaries, Affiliates, divisions or operating units (to the extent applicable to such Performance Goal) or (B) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company or any of its Subsidiaries, Affiliates, divisions or operating units (to the extent applicable to such Performance Goal), or the financial statements of the Company or any of its Subsidiaries, Affiliates, divisions or operating units (to the extent applicable to such Performance Goal), or of changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange, accounting principles, law or business conditions.

(vi) **Payment of Performance Compensation Awards.** (A) **Condition to Receipt of Payment.** A Participant must be employed by the Company or an Affiliate on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period. Notwithstanding the foregoing, in the discretion of the Committee, Performance Compensation Awards may be paid to Participants who have retired from the employment of the Company or an Affiliate or whose employment with the Company or an Affiliate has terminated prior to the last day of the Performance Period for which a Performance Compensation Award is made or to the designee or estate of a Participant who died prior to the last day of a Performance Period.

(B) **Limitation.** A Participant shall be eligible to receive payments in respect of a Performance Compensation Award only to the extent that (1) the Performance Goals for such period are achieved and certified by the Committee in accordance with Section 6(i)(vi)(C) and (2) the Performance Formula as applied against such Performance Goals determines that all or some portion of such Participant's Performance Compensation Award has been earned for the Performance Period.

(C) **Certification.** Following the completion of a Performance Period, the Committee shall meet to review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been

achieved and, if so, to calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the actual size of each Participant's Performance Compensation Award for the Performance Period and, in so doing, may apply negative discretion as authorized by Section 6(i)(vi)(D).

(D) Negative Discretion. Unless otherwise provided in the applicable Award Agreement, in determining the actual size of an individual Performance Compensation Award for a Performance Period, the Committee may, in its sole discretion, reduce or eliminate the amount of the Award earned in the Performance Period, even if applicable Performance Goals have been attained.

SECTION 7. Amendment and Termination. (a) Amendments to the Plan. Subject to any applicable law or government regulation and to the rules of the NYSE or any successor exchange or quotation system on which the Shares may be listed or quoted, the Plan may be amended, modified or terminated by the Board without the approval of the shareholders of the Company except that shareholder approval shall be required for any amendment that would (i) increase the maximum number of Shares for which Awards may be granted under the Plan or increase the maximum number of Shares that may be delivered pursuant to Incentive Share Options granted under the Plan; provided, however, that any adjustment under Section 4(b) shall not constitute an increase for purposes of this Section 7(a)(i); (ii) amend, modify or terminate the requirements under Section 6(b)(ii) or Section 6(c)(ii) with respect to the minimum Exercise Price for Options or SARs, respectively; (iii) decrease the Exercise Price of any Option or SAR that, at the time of such decrease, has an Exercise Price that is greater than the then-current Fair Market Value of a Share or cancel, in exchange for cash or any other Award, any such Award; provided, however, that any adjustment, modification, cancellation, termination or other action taken pursuant to Section 3(b)(xi), Section 4(b), Section 7(c) or Section 8 shall not constitute a decrease or cancellation for purposes of this Section 7(a)(iii); or (iv) change the class of employees or other individuals eligible to participate in the Plan. No modification, amendment or termination of the Plan may, without the consent of the Participant to whom any Award shall theretofor have been granted, materially and adversely affect the rights of such Participant (or his or her transferee) under such Award, unless otherwise provided by the Committee in the applicable Award Agreement.

(b) Amendments to Awards. The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate any Award theretofor granted, prospectively or retroactively; provided, however, that (i) except as set forth in the Plan, unless otherwise provided by the Committee in the applicable Award Agreement, any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely impair the rights of any Participant or any holder or beneficiary of any Award theretofor granted shall not to that extent be effective without the consent of the impaired Participant, holder or beneficiary and (ii) any such action that would require shareholder approval under Section 7(a) shall also require shareholder approval under this Section 7(b).

(c) Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee is hereby authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including but not limited to the events described in Section 4(b) or the occurrence of a Change of Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in applicable rules, rulings, regulations or other

requirements of any governmental body or securities exchange, accounting principles or law (i) whenever the Committee, in its sole discretion, determines that such adjustments are appropriate or desirable, including but not limited to providing for an assumption, continuation or substitution of Awards, accelerating the exercisability of, lapse of restrictions on, or termination of, Awards or providing for a period of time for exercise prior to the occurrence of such event, (ii) if deemed appropriate or desirable by the Committee, in its sole discretion, by providing for a cash payment to the holder of an Award in consideration for the cancelation of such Award, including, in the case of an outstanding Option or SAR, a cash payment to the holder of such Option or SAR in consideration for the cancelation of such Option or SAR in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the Shares subject to such Option or SAR over the aggregate Exercise Price of such Option or SAR and (iii) if deemed appropriate or desirable by the Committee, in its sole discretion, by canceling and terminating any Option or SAR having a per Share Exercise Price equal to, or in excess of, the Fair Market Value of a Share subject to such Option or SAR without any payment or consideration therefor.

SECTION 8. Change of Control. Unless otherwise provided in the applicable Award Agreement, in the event of a Change of Control after the date of the adoption of the Plan, unless provision is made in connection with the Change of Control for (a) assumption or continuation of Awards previously granted or (b) substitution for such Awards of new awards covering shares of a successor corporation or its parent corporation (as defined in Section 424(e) of the Code) or subsidiary corporation (as defined in Section 424(f) of the Code), which for the avoidance of doubt may include the Company, with appropriate adjustments as to the number and kinds of shares and the Exercise Prices, if applicable, (i) any outstanding Options or SARs then held by Participants that are unexercisable or otherwise unvested shall automatically be deemed exercisable or otherwise vested, as the case may be, as of immediately prior to such Change of Control, (ii) all Performance Units, Cash Incentive Awards and other Awards designated as Performance Compensation Awards shall be paid out as if the target performance levels had been obtained, but pro rated based on the portion of the applicable Performance Period that has elapsed prior to the Change of Control and (iii) all other outstanding Awards (i.e., other than Options, SARs, Performance Units and Cash Incentive Awards) then held by Participants that are unexercisable, unvested or still subject to restrictions or forfeiture, shall automatically be deemed exercisable and vested and all restrictions and forfeiture provisions related thereto shall lapse as of immediately prior to such Change of Control.

SECTION 9. General Provisions. (a) **Nontransferability.** Except as otherwise specified in the applicable Award Agreement, during the Participant's lifetime each Award (and any rights and obligations thereunder) shall be exercisable only by the Participant, or, if permissible under applicable law, by the Participant's legal guardian or representative, and no Award (or any rights and obligations thereunder) may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided that (i) the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance and (ii) the Committee may permit further transferability to any Permitted Transferee, and may impose conditions and limitations on any permitted transferability; provided, however, that Incentive Share Options granted under the Plan shall not be transferable in any way that would violate Treasury Regulation Section 1.422-2(a)(2), or any applicable requirements of Bermuda law or the Company's By-laws. All terms and conditions of the Plan and all Award Agreements shall be binding upon any permitted successors and assigns.

(b) **No Rights to Awards.** No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

(c) **Share Certificates.** All certificates for Shares or other securities of the Company or any Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer

orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement or the rules, regulations and other requirements of the SEC, the NYSE or any other stock exchange or quotation system upon which such Shares or other securities are then listed or reported and any applicable Federal, Bermuda or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(d) Tax Liability; Withholding. (i) Authority to Withhold. A Participant may be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant, the amount (in cash, Shares, other securities, other Awards or other property) of any Applicable Taxes, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Committee or the Company to satisfy all obligations for the payment of such Applicable Taxes. In the event the Company or any Affiliate, as the case may be, is unable to recover, by withholding or by taking such other necessary action as provided for herein, the amount of such Applicable Taxes from such Participant for any reason(s) whatsoever, the Company or such Affiliate may, to the extent permitted under applicable law, (i) withhold appropriate amounts from any payment (including salary) made by the Company or such Affiliate to such Participant, (ii) cancel the existing Awards granted (irrespective of whether they have vested) or any future grant of Awards or issuance of Shares to such Participant or (iii) any combination of the foregoing, without any obligations or liabilities on the Company and such Affiliate.

(ii) Alternative Ways to Satisfy Withholding Liability. Without limiting the generality of clause (i) above, at the Committee's discretion, a Participant may satisfy, in whole or in part, the foregoing withholding liability by delivery of Shares owned by the Participant (which are not subject to any pledge or other security interest) having a Fair Market Value equal to such withholding liability or by having the Company withhold from the number of Shares otherwise issuable pursuant to the exercise of the Option or SAR, or the lapse of the restrictions on any other Awards (in the case of SARs and other Awards, if such SARs and other Awards are settled in Shares), a number of Shares having a Fair Market Value equal to such withholding liability.

(e) Section 409A of the Code. Participants are solely responsible and liable for the satisfaction of all taxes and penalties that may arise in connection with Awards (including any taxes arising under Section 409A of the Code), and the Company shall not have any obligation to indemnify or otherwise hold any participant harmless from any or all of such taxes. The Committee shall have the discretion to organize any deferral program, to require deferral election forms, and to grant or to unilaterally modify any Award in a manner that (i) conforms with the requirements of Section 409A of the Code, (ii) voids any Participant election to the extent it would violate Section 409A of the Code and (iii) for any distribution event or election that could be expected to violate Section 409A of the Code, make the distribution only upon the earliest of the first to occur of a permissible distribution event within the meaning of Section 409A of the Code, or a distribution event that the participant elects in accordance with Section 409A of the Code. The Committee shall have the sole discretion to interpret the requirements of the Code, including Section 409A, for purposes of the Plan and all Awards.

(f) Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement, which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto, including but not limited to the effect on such Award of the death, Disability or termination of employment or service of a Participant with the Company or any Affiliate, and the effect, if any, of such other events as may be determined by the Committee.

(g) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements, which may, but need not, provide for the grant of options, restricted shares, shares and other types of equity-based awards (subject to shareholder approval if such approval is required), and such arrangements may be either generally applicable or applicable only in specific cases.

(h) **No Employer-Employee Relationship.** For the avoidance of doubt, nothing in the Plan shall create any relationship of employer-employee between the Company and any Participant who is a director, officer, employee or consultant of any Affiliate.

(i) **No Right to Employment.** The grant of an Award shall not be construed as giving a Participant the right to be retained as a director, officer, employee or consultant of or to the Company or any Affiliate, nor shall it be construed as giving a Participant any rights to continued service on the Board. Further, (i) any Participant may be dismissed at any time from the employment of the Company or any Affiliate with which such Participant is employed and (ii) the Company and any Affiliate may at any time discontinue any consulting or service relationship, in each case, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement. For the avoidance of doubt, (A) the Company may only dismiss such Participants who are employed with the Company, (B) an Affiliate may only dismiss such Participants who are employed with such Affiliate and (C) the Company shall have no authority over the employment of any Participant employed with any Affiliate and shall not be liable for any vicarious liability arising as a result of the performance or non-performance of any act by an employee of any Affiliate, in each case, as a result of the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.

(j) **No Rights as Shareholder.** No Participant or holder or beneficiary of any Award shall have any rights as a shareholder of the Company with respect to any Shares to be distributed under the Plan until he or she has become the holder of such Shares. In connection with each grant of Restricted Shares, except as provided in the applicable Award Agreement, the Participant shall be entitled to the rights of a shareholder of the Company (including the right to vote and receive dividends) in respect of such Restricted Shares. Except as otherwise provided in Section 4(b), Section 7(c) or the applicable Award Agreement, no adjustments shall be made for dividends or distributions on (whether ordinary or extraordinary, and whether in cash, Shares, other securities or other property), or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered.

(k) **Governing Law.** The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of New York, without giving effect to the conflict of laws provisions thereof.

(l) **Severability.** If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(m) **Other Laws.** The Committee may refuse to issue or transfer any Shares or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares or such other consideration might violate any applicable law or regulation or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary. Without limiting the generality of the foregoing, no Award granted hereunder shall be construed as an offer to sell securities of the Company, and no such offer shall be outstanding, unless and until the Committee in its sole discretion has determined that any such offer, if made, would be in compliance with all applicable requirements of the U.S. Federal, Bermuda and any other applicable securities laws.

(n) **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on one hand, and a Participant or any other Person, on the other hand. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or such Affiliate.

(o) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(p) Requirement of Consent and Notification of Election Under Section 83(b) of the Code or Similar Provision. No election under Section 83(b) of the Code (to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code) or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award Agreement or by action of the Committee in writing prior to the making of such election. If an Award recipient, in connection with the acquisition of Shares under the Plan or otherwise, is expressly permitted under the terms of the applicable Award Agreement or by such Committee action to make such an election and the Participant makes the election, the Participant shall notify the Committee of such election within ten days of filing notice of the election with the IRS or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code or other applicable provision.

(q) Requirement of Notification Upon Disqualifying Disposition Under Section 421(b) of the Code. If any Participant shall make any disposition of Shares delivered pursuant to the exercise of an Incentive Share Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions) or any successor provision of the Code, such Participant shall notify the Company of such disposition within ten days of such disposition.

(r) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

SECTION 10. Term of the Plan. (a) Effective Date. The Plan shall be effective as of the date of its adoption by the Board and approval by the Company's shareholders (such date, the Effective Date); provided, however, that no Incentive Share Options may be granted under the Plan unless it is approved by the Company's shareholders within twelve (12) months before or after the date the Plan is adopted by the Board.

(b) Expiration Date. No Award shall be granted under the Plan after the tenth anniversary of the date the Plan is approved under Section 10(a). Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted hereunder may, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award or to waive any conditions or rights under any such Award shall, nevertheless continue thereafter.

SECTION 11. Sub Plans. The Company or any Affiliate may adopt separate sub-plans (Sub Plans) that permit the grant of Awards to Participants who are employed or provide services to certain Designated Foreign Subsidiaries. Awards under the Sub Plans may be made in particular locations outside the United States of America and shall comply with local laws applicable to offerings in such foreign jurisdictions.
