Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 28, 2012, the stockholders of Material Sciences Corporation (MSC) approved the Material Sciences Corporation 2012 Incentive Compensation Plan (the 2012 Plan).

The 2012 Plan is intended to attract and retain exceptionally qualified employees, consultants and directors upon whom, in large measure, the sustained progress, growth and profitability of MSC depend. By encouraging employees, consultants and directors of the Company and its subsidiaries to acquire a proprietary interest in MSC s growth and performance, MSC intends to motivate employees, consultants and directors to achieve its long-term goals and to more closely align such persons interests with those of MSC s other stockholders. The 2012 Plan is also designed to enable MSC to provide certain forms of performance-based compensation to senior executive officers that will meet the requirements for tax deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). The 2012 Plan authorizes awards of stock options, stock appreciation rights, restricted stock, restricted stock units, deferred stock, performance units, shares, dividend equivalents, annual incentive awards, and substitute awards.

The 2012 Plan will be administered by the Compensation, Organization and Corporate Governance Committee of the Board of Directors which will have the sole authority to, among other things: construe and interpret the 2012 Plan; make rules and regulations relating to the administration of the 2012 Plan; select participants; and establish the terms and conditions of awards. The selection of participants and the nature and size of awards will be wholly within the discretion of the Compensation, Organization and Corporate Governance Committee. Unless previously forfeited or otherwise provided for in an award agreement, all awards under the 2012 Plan will vest on a change in control of MSC.

The 2012 Plan will remain in effect until June 28, 2022, unless sooner terminated by the Board of Directors. Termination will not affect awards then outstanding.

The foregoing description of the 2012 Plan is qualified in its entirety by reference to the provisions of the 2012 Plan, which is attached as Exhibit 10.1 to this Current Report on Form 8-K.
