Item 1.01. Entry into a Material Definitive Agreement

On September 25, 2012, Healthcare Realty Trust Incorporated (the "Company") entered into an underwriting agreement (the "Underwriting Agreement"), with Barclays Capital Inc. and J.P. Morgan Securities LLC as representatives of the several underwriters named therein (the "Representatives"), pursuant to which the Company agreed to issue and sell 8,000,000 shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), at a public offering price of \$22.85 per share in an underwritten public offering (the "Offering"). As part of the Offering, the Company has granted the underwriters a 30-day option to purchase up to an additional 1,200,000 shares of Common Stock. The net proceeds of the Offering, after underwriting discounts and commissions and before giving effect to the underwriters' option, if exercised, will be approximately \$174.8 million. The Company intends to use the net proceeds from the Offering for the funding of two build-to-suit healthcare facilities, the acquisition of healthcare facilities and other general corporate purposes, including the repayment of debt. The closing of the transaction is subject to customary closing conditions and is expected to occur on or about September 28, 2012.

In connection with the Offering, certain of the directors and executive officers of the Company have agreed to enter into 45-day lock-up agreements in substantially the form attached to the Underwriting Agreement.

The underwriters and/or their affiliates have provided and in the future may provide investment banking, commercial banking and/or advisory services to the Company from time to time for which they have received and in the future may receive customary fees and expenses and may have entered into and in the future may enter into other transactions with the Company. In particular, affiliates of certain of the underwriters are lenders under the Company's unsecured credit facility and therefore will receive some of the net proceeds from the Offering through the repayment of borrowings under the credit facility.

The Offering is being made under a prospectus supplement and the accompanying prospectus filed with the Securities and Exchange Commission pursuant to the Company's automatic shelf registration statement on Form S-3 (Registration No. 333-172368). The disclosure under this Item 1.01 is not an offer to sell, nor a solicitation of an offer to buy securities, nor shall there be any sales of these securities in any state or jurisdiction in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction.

The Underwriting Agreement is filed as Exhibit 1.1 to this Form 8-K and is incorporated herein by reference. The description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to such exhibit.

Item 8.01. Other Events

The Company's press release announcing the pricing of the Offering is filed as Exhibit 99.1 to this report and is incorporated herein by reference.
