Item 1.01. Entry into a Material Definitive Agreement.

Indenture

On June 19, 2014, Actavis Funding SCS (Actavis SCS), a wholly-owned, indirect subsidiary of Actavis plc (the Company), an Irish public limited company, entered into an indenture (the Indenture), by and among Actavis SCS, the guarantors named therein (the Guarantors) and Wells Fargo Bank, National Association, a national banking association, as trustee (the Trustee), under which Actavis SCS issued \$500.0 million in aggregate principal amount of its 1.300% notes due 2017 (the 2017 Notes), \$500.0 million in aggregate principal amount of its 2.450% notes due 2019 (the 2019 Notes), \$1,200.0 million in aggregate principal amount of its 3.850% notes due 2024 (the 2024 Notes) and \$1,500.0 million in aggregate principal amount of its 4.850% notes due 2044 (the 2044 Notes and together with the 2017 Notes, 2019 Notes and 2024 Notes, the Notes). The Notes were sold pursuant to a purchase agreement by and among Actavis SCS, the Guarantors and the initial purchasers party thereto (the Initial Purchasers). Actavis SCS intends to use the net proceeds of the offering, along with other financings and cash on hand, to consummate the transactions pursuant to the merger agreement entered into on February 17, 2014 with, among other parties, Forest Laboratories, Inc. (the Merger), to refinance the \$1,250 million outstanding principal amount of Warner Chilcott 7.75% senior notes due 2018 (the WC Senior Notes), to pay related fees and expenses and for general corporate purposes.

The Notes are general unsecured senior obligations of Actavis SCS and are guaranteed on a general unsecured senior basis by the Guarantors. The Notes were issued in a transaction exempt from the registration requirements of the Securities Act of 1933.

The Indenture imposes certain limitations on the ability of Warner Chilcott Limited, a wholly-owned, indirect subsidiary of the Company and the indirect parent of Actavis SCS, and its subsidiaries to, among other things, secure any indebtedness, enter into sale and leaseback transactions with respect to any principal properties and consolidate or merge with or into any other person or lease, sell or transfer all or substantially all of its properties and assets.

The Notes are divided into four tranches with varying interest rates and maturities, with interest payable on each series of Notes semi-annually on June 15 and December 15 of each year, beginning on December 15, 2014. The Notes will mature on June 15 of their respective year of maturity. Actavis SCS may redeem each series of the Notes, as a whole at any time or in part from time to time, at the applicable redemption prices described in the Indenture.

In the event that Actavis plc does not consummate the Merger on or prior to December 17, 2014 or the Merger is terminated at any time prior to such date, Actavis SCS will be required to redeem the 2019 Notes, the 2024 Notes and the 2044 Notes on a special mandatory redemption date at a redemption price equal to 101% of the aggregate principal amount of such Notes, in each case plus accrued and unpaid interest on the applicable series of Notes as described in the Indenture. If Actavis plc experiences a change of control triggering event and Actavis SCS has not otherwise elected to redeem the Notes, Actavis SCS will be required to offer to purchase the Notes from holders as described in the Indenture.

The foregoing does not constitute a complete summary of the terms of the Indenture. The description of the terms of the Indenture is qualified in its entirety by reference to such agreement, which is filed herewith as Exhibit 4.1.

Registration Rights Agreement

In connection with the issuance of the Notes, Actavis SCS, the Guarantors and the Initial Purchasers entered into a Registration Rights Agreement (the Registration Rights Agreement). Actavis SCS and the Guarantors have agreed pursuant to the Registration Rights Agreement to use their commercially reasonable efforts to file and cause an exchange offer registration statement to be declared effective prior to the later date that is 270 days after the closing of the Merger or 90 days after the Outside Date under the Merger Agreement, as defined therein, to exchange the Notes

for new registered notes that are substantially identical in all material respects, except that the new notes will not contain terms with respect to transfer restrictions or special interest payments. Such exchange offer will be held open for at least 20 business days. If Actavis SCS and the Guarantors fail to consummate this exchange offer, they have agreed to use their commercially reasonable efforts to cause a shelf registration statement registering resales of the Notes to become effective and to remain effective until the earlier of at least one year following the date on which such obligation arises pursuant to the Registration Rights Agreement.

If and for so long as Actavis SCS and the Guarantors have not satisfied certain obligations under the Registration Rights Agreement (the Registration Default), the annual interest rate borne by the Notes will be increased by 0.25% per annum during the 90-day period immediately following such Registration Default and will increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall such increase exceed 1.00% per annum.

The foregoing does not constitute a complete summary of the terms of the Registration Rights Agreement. The description of the terms of the Registration Rights Agreement is qualified in its entirety by reference to such agreement, the form of which is filed herewith as Exhibit 10.1.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 with respect to the Indenture is incorporated by reference into this Item 2.03.
