Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed in a Current Report on Form 8-K filed by Wright Medical Group, Inc. (the Company) on December 27, 2013, the Company received written notice on December 20, 2013 from Novartis Vaccines and Diagnostics, Inc. (Novartis) of its intent to terminate the Amended and Restated Manufacturing and Supply Agreement by and between BioMimetic Therapeutics Inc. (BMTI) and Novartis dated as of December 1, 2009, as amended (the Agreement). In connection with the termination of the Agreement, on September 1, 2014, BioMimetic Therapeutics, LLC, the successor by merger to BMTI (BMT), and Novartis entered into a Third Amendment to the Agreement (the Amendment) and a Technology Transfer Agreement (the Transfer Agreement). The Amendment provides for the final purchase by BMT of purified bulk recombinant human platelet-derived growth factor (rhPDGF-BB) from Novartis and documents the previously disclosed termination. The Transfer Agreement provides for the transfer of certain technologies from Novartis which are necessary for BMT or a third party manufacturer to produce rhPDGF-BB.

In connection with the Amendment and Transfer Agreement, on September 1, 2014, BMT and Luitpold Pharmaceuticals, Inc. (Luitpold) entered into two separate amendments to the Supply Agreement, dated as of January 4, 2008, as amended, by and between Luitpold and BMTI (the Supply Agreement). Amendment No. 2 to the Supply Agreement (Amendment No. 2) provides for the purchase by Luitpold of a portion of the rhPDGF-BB purchased by BMT from Novartis, subject to BMT's repurchase rights and obligations. Amendment No. 3 to the Supply Agreement (Amendment No. 3) provides for the reimbursement by Luitpold of certain costs incurred by BMT in connection with the transfer of certain technologies necessary to produce rhPDGF-BB from Novartis to BMT or a third party manufacturer.

The foregoing descriptions of the Amendment, the Transfer Agreement, Amendment No. 2 and Amendment No. 3 do not purport to be complete and are qualified in their entirety by reference to the Amendment, the Transfer Agreement, Amendment No. 2 and Amendment No. 3, which the Company intends to file as exhibits to its Quarterly Report on Form 10-Q for the quarter ended September 31, 2014.
