PREFACE TO THE POSTAL BALLOT NOTICE**SUMMARY OF PROPOSALS UNDER ITEM NOS. 1 TO 3 OF THE NOTICE****APPROVAL AND RATIFICATION OF MANAGERIAL REMUNERATION [FY 2013-14]**

| Name of Whole Time | Designation | Date of Shareholders | Effective date of | |
|---------------------------|--|-----------------------------|--------------------------|---------------|
| Directors | (ED / MD) | Approval | Appointment | Tenure |
| Mr Ravindra Pisharody | Executive Director (Commercial Vehicles) | August 10, 2012 | June 21, 2012 | 5 years |
| Mr Satish Borwankar | Executive Director (Quality) | August 10, 2012 | June 21, 2012 | 5 years |
| (Late) Mr Karl Slym | Former Managing Director | August 21, 2013 | September 13, 2012 | 5 years |

Members approval is now being **re-sought** (vide Special Resolutions), pursuant to the terms of appointment, including remuneration, as previously approved by the Members of the Company, as illustrated in the table above. The Members will recall having approved, by way of Ordinary Resolutions, the terms of appointment for both the Executive Directors(EDs) and the Late Managing Director (MD), including the payment of Minimum Remuneration comprising basic salary, incentive remuneration, benefits, perquisites and allowances, for the aforementioned tenures. The Remuneration approved was in consonance with industry standards, including that being paid to the Senior Management of the Company's peers.

During FY 2013-14 the muted financial performance of the Company was mainly attributable to:

The Indian economic growth rate (GDP) remaining subdued at 4.7% (FY2012-13: 4.5%; FY 2011-12: 6.7%; and FY 2010-11: 8.9%) on the back of tight monetary policy, limited fiscal spending, rising inflation and slowing of investments.

Industrial activity remained weak and the automobile industry declined by 9.3%. The Commercial and Passenger Vehicle industries declined by 22.4% and 4.7%, respectively. The Medium and Heavy Commercial Vehicle (M&HCV) industry, in particular, de-grew by 25.2% (after a de-growth of 23.4% in FY 2012-13). However the Company sustained its market share at 54.9% in the M&HCV segment.

During the last 5 years the domestic automobile market witnessed 5 competitive Original Equipment Manufacturers (OEMs) entering the automotive industry, particularly in the commercial vehicle category and almost all global OEMs endeavoring to entrench themselves in the domestic market. This has led to aggressive competition with the market players resorting to sharp discounting practices.

Despite adverse macro-economic market conditions, the Company recorded Profits for the period in FY 2013-14 under the able stewardship of its Senior Management. This was a result of various initiatives spearheaded by them to improve performance, strengthen and reshape the product portfolio and other value-added services. These holistic initiatives enabled the Company to emerge stronger from the slowdown and effectively position itself to take a quantum leap in the next growth phase when the markets recover.

Under the guidance of our Senior Management, the Company introduced several key strategic initiatives such as Lead the Future (LTF), HORIZONEXT, World Class Quality (WCQ) Journey and Tata Motors Production System (TMPS) aimed towards providing world-class products, adopting world-class manufacturing practices, providing an enriching product purchase experience and consistent service quality to our customers. The (late) Mr Karl Slym provided leadership in a challenging market environment, as a result of which the Company, in the passenger vehicle segment, is equipped with a product plan till 2020, from amongst which the Tata Zest has already been launched. His untimely demise has been an irreparable loss for his wife. Mr. Pisharody has led the commercial vehicles business to maintain its industry leadership, despite intense competition and has overseen the launch of 89 vehicles. Mr. Borwankar is spearheading a Company-wide quality improvement initiative, the proof of which is visible in the Company's launches since FY 2013-14.

Recently the Company showcased a lineup of cutting edge new products at the Auto Expo 2014 including Tata Bolt and Tata Zest, which were received with immense enthusiasm, by all market participants including the potential customer base. The new Prima LX and Ultra range in commercial vehicles, demonstrated advanced technological capabilities and showcased promise to be category leaders. The new product range aptly validates the Company's pursuit to offer world-class products and experiences to its customers.

The Company won the following prestigious awards and accolades during FY 2012-13 and FY 2013-14 with the said directors featuring at the helm of business affairs, operating in tandem to realise the Company's One Vision One Mission:

Indian Company Law regulations permitted managerial remuneration based on the standalone profits further adjusted as prescribed under Sections 349 and 350 of the Companies Act, 1956, (the 1956 Act). Despite the efforts of the Senior Management, the Net Profits / (Loss) calculated under Section 349 and 350 of the 1956 Act for the purpose of payment of Managerial Remuneration, as stated in the table below, were inadequate to pay the Minimum Remuneration as approved by the Members whilst appointing the said EDs and the late MD:

(Rs. in crores)

| Particulars | FY 2013-14 | FY 2012-13 | FY 2011-12 |
|--|------------|------------|------------|
| Net Profit / (Loss) under Sections 349 / 350 of the 1956 Act | (2,570.99) | 449.31 | 1,349.81 |
| Effective Capital | 7,443.92 | 7,113.22 | 7,041.26 |

Accordingly the Permissible Managerial Remuneration payable, by the Company amounted to Rs. 48 lakhs per annum for each of the said Directors for the year ended March 31, 2014.

Details of total Remuneration payable for FY 2013-14 to the late MD and the two EDs and waiver of remuneration in excess of Schedule XIII limits for which shareholders approval is sought:

(Rs. in lakhs)

| Name | Remuneration paid as per Terms approved by Shareholders | Permissible Remuneration limit under Schedule XIII of the Act | Shareholder approval for waiver of Excess Remuneration |
|----------------|---|---|--|
| Mr R Pisharody | 367.51 | 48.00 | 319.51 |
| Mr S Borwankar | 276.37 | 48.00 | 228.37 |
| Mr Karl Slym* | 1,503.35 | 39.35 | 1,464.00 |

* Mr Karl Slym had an untimely and tragic death on January 26, 2014. The Remuneration payable includes statutory death benefits of Rs.241.03 lakhs and the permissible remuneration limits have been apportioned upto January 26, 2014.

** The said limit is revised under Companies Act, 2013 applicable from FY 2014-15 onwards based on the Company's Effective Capital. On a theoretical application, the new permissible remuneration limit would have been Rs. 263.88 lakhs for FY 2013-14 instead of Rs. 48 lakhs as mentioned above, based on the Company's Effective Capital of Rs. 7,44,392.02 lakhs as on March 31, 2013.

Remuneration paid/payable to the two EDs and the late MD for FY 2013-14, is commensurate with industry standards and Board level positions held in similar sized companies, taking into consideration the individual responsibilities shouldered by them. The tables below illustrate the comparative data:

(Rs. in lakhs)

| | 10th Percentile | 25th Percentile | 50th Percentile | 75th Percentile | 90th Percentile |

**SUMMARY OF PROPOSALS UNDER ITEM NOS. 4 AND 5 OF THE NOTICE
APPROVAL OF MANAGERIAL REMUNERATION [FY 2014-15 & FY 2015-16]**

Remuneration to the Executive Directors w.e.f. April 2014 is regulated by the Companies Act, 2013 (2013 Act).

Members approval is now being re-sought (vide Special Resolutions), in accordance with the 2013 Act and pursuant to the terms of appointment, including remuneration of Mr Pisharody and Mr Borwankar, as previously approved by the Members of the Company vide Ordinary Resolutions.

Whilst weak market trends witnessed in FY 2013-14, continued in H1 of FY 2014-15, there are signals of an economic recovery in the latter part of H2 of FY 2014-15.

The recovery is expected to percolate down and positively impact the performance of the automobile industry, only by the end of FY 2014-15. The Medium and Heavy Commercial Vehicles (M&HCV) segment of the Company has started to display a year on year growth in double digits since August 2014. The Company expects the growth in M&HCV segment to continue in the coming quarter and a more sustainable and comprehensive growth to commence from Q4 of FY 2014-15. Light Commercial Vehicle (LCV), as witnessed in typical hub and spoke models, is expected to start showing growth in the later part of the year (i.e. with a lag of a few quarters from the start of M&HCV growth). Hence the overall performance of the Automobile Industry for FY 2014-15, including the Company, is expected to be subdued and may take couple of quarters to return to a healthy profitable scenario. Considering the sharp drop in volumes during the past 2 years, it would be a matter of time for the Company to regain volumes in line with the built-up capacities.

As per the 2013 Act applicable from April 1, 2014, an effort has been made to link the limits on Managerial Remuneration to the size of the Company based on its Effective Capital. Accordingly, based on the Company's Effective Capital of Rs.10,643.04 crores, the maximum permissible remuneration limits per whole-time director is Rs.3.28 crores per annum, in case of no/inadequacy of profits during FY 2014-15.

Following is the Remuneration of the two EDs for a three year period to facilitate case in comparative:

(Rs. in lakhs)

| Particulars | Mr R Pisharody | | Mr S Borwankar | |
|--------------------|-----------------------|-----------------|-----------------------|-----------------|
| | FY12-13\$ | FY13-14 | FY12-13\$ | FY13-14 |
| | ~9.5 months | FY14-15# | ~9.5 months | FY14-15# |

Edgar Filing: TATA MOTORS LTD/FI - Form 6-K

| | | | | | | |
|--|---------------|---------------|---------------|---------------|---------------|---------------|
| Basic Salary | 42.00 | 57.24 | 62.40 | 33.13 | 45.12 | 49.20 |
| Benefits, Perquisites and Allowances | 40.25 | @135.39 | 75.00 | 47.02 | @123.69 | 80.00 |
| Commission / Incentive Remuneration | 160.00 | 114.48 | *124.80 | 85.00 | 75.00 | *98.40 |
| Retirement Benefits | 240.51 | 68.26 | 69.66 | 506.27 | 38.97 | 40.07 |
| Total Remuneration Payable | 482.76 | 375.37 | 331.86 | 671.42 | 282.78 | 267.67 |
| Less: Permissible Deductions under relevant Schedule XIII / Schedule V | NA | (7.86) | (8.49) | NA | (6.41) | (6.90) |
| Total Remuneration under relevant Schedule XIII / Schedule V | NA | 367.51 | 323.37 | NA | 276.37 | 260.77 |

\$ Appointed as EDs on June 21, 2012 and Remuneration paid is for the period upto March 31, 2013, approximately 9.5 months.

All amounts pertaining to FY 2014-15, besides basic salary are estimated;

@ Include Long term cash award pertaining to performance for FY 2010-11 which on vesting was paid in FY 2013-14.

* Incentive Remuneration for FY 2014-15 is mentioned at its maximum of 200% of basic salary and would be subject to Nomination and Remuneration Committee review at the end of FY 2014-15 within the said limit.

From the above it may be seen that a significantly lower commission / incentive remuneration is payable to the EDs for FY 2013-14 and FY 2014-15 (forecasted) as compared to FY 2012-13 i.e. for Mr. Pisharody lower by 28.5% and for Mr Borwankar lower by 11.8%. The salary increments were decided based on industry benchmarks, the Company's growth plans and with a view to retain the talent. The metrics used by the Nomination and Remuneration Committee while deciding the salary increase for FY 2014-15 were *inter alia* based on a survey conducted by Aon Hewitt, an independent consultant, depicting an average salary increases in India averaging around 10%. Whilst in projections across other sectors the increases ranged between 8-12%, however for the Indian automotive manufacturing industry, the salary increment was around 9.5%.

Therefore Shareholders' approval is being re-sought by Special Resolutions for sanctioning payment of the Remuneration already approved by the Shareholders at the time of their appointment as Minimum Remuneration within the statutory limit prescribed, to both the EDs for FY 2014-15 and FY 2015-16.

It is worthy to note that the Company remains committed to pursuing the long term interest of all stakeholders, which includes recruiting and retaining an industry proven management team and ensuring that the Company's leadership and talent base is appropriately remunerated, notwithstanding cyclical phases. This is especially imperative when the Company has ongoing significant turnaround and growth strategies under execution.

Note: For further information on the proposals, kindly refer the Notice alongwith the Explanatory Statement appended hereto.

Mr Slym, being a Non Resident, his appointment alongwith appropriate disclosure of his terms of remuneration was also approved by the Central Government. Mr Slym had an untimely and tragic death on January 26, 2014.

A. In respect of Item Nos. 1 to 3 of the Notice dealing with payment of Minimum Remuneration to the Managing and the Executive Directors for the financial year ended March 31, 2014, it is stated that:-

1. The Company recorded a Profit for the period, for the financial year ended March 31, 2014 of Rs.13,991.02 crores on a consolidated basis and Rs.334.52 crores on a standalone basis. However, profits calculated for payment of Managerial Remuneration as per the provisions of Sections 198, 349 and 350 read together with Schedule XIII of the Companies Act, 1956, were insufficient to pay the Managerial Remuneration approved by the Members, for the Managing Director and both the Executive Directors. For details on relevant profits under the Companies Act, 1956 please refer to point number 4 in the General Information .
2. In respect of Financial Year 2013-14, the Ministry of Corporate Affairs (MCA) vide General Circular No.08/2014 dated April 4, 2014, clarified that the provisions pertaining to maintenance of books of accounts, preparation, adoption and filing of financial statements and other documents required to be attached to the Annual Report shall be governed by the relevant provisions, schedules, rules of the Companies Act, 1956.

Pursuant to the provisions of Sections 198 and 309 read together with Schedule XIII of the Companies Act, 1956, in case of no profits or inadequacy of profits calculated under Section 349 and 350 of the Companies Act, 1956, the Company may pay remuneration by way of salary, dearness allowance, benefits, perquisites and any other allowances (excluding commission) upto the ceiling limit as specified in Schedule XIII, subject to the Shareholders approval by way of a Special Resolution and compliance of disclosure requirements and other conditions as stated therein.

Any sums paid in excess of the said statutory limits become refundable to the Company and until such sums become refundable, they are held in trust for the Company by the directors, unless the Company waives recovery of the said amount by way of a Special Resolution passed by the Members and such waiver is approved by the Central Government. The payment of managerial remuneration for the said financial year is in accordance with the Companies Act, 1956 and the various MCA circulars in force at that time.

3. The Standalone Revenue from Operations (Gross) of the Company for FY 2013-14 was Rs.37,758 crores with an Effective Capital of Rs.7,443.92 crores. Schedule XIII of the Companies Act, 1956 permits payment of maximum Rs.48 lakhs on a per annum basis, as Managerial Remuneration to the Managing or Executive Directors (on an individual basis) of a Company that has no profits or inadequate profits during any financial year.

Table of Contents

4. It is important to note that the Companies Act, 2013 (the Act) and the Rules framed thereunder were introduced by the MCA w.e.f. April 1, 2014. The relevant Sections dealing with the provisions of managerial remuneration and steps to be taken by a company having inadequacy of profits or no profits were revised, taking into consideration the current remuneration trends. Accordingly, on theoretical application of this Act, the Company would have been permitted to pay a maximum remuneration of Rs.2.64 crores (as opposed to Rs.48 lakhs under the Companies Act, 1956) per whole-time director for FY 2013-14 based on Company's Effective Capital of Rs.7,443.92 crores for FY 2013-14.

5. The weak financial performance in FY 2013-14 was mainly attributable to:

The Indian economic growth rate (GDP) continuing to remain subdued at 4.7% (FY 2012-13: 4.5%; FY 2011-12: 6.7%; and FY 2010-11: 8.9%) on the back of tight monetary policy, limited fiscal spending, rising inflation and slowing investments. The Industrial activity remained weak and whilst the stagnation was broad based, the automobile industry was hard hit with a negative growth of 9.3%.

Sales in the Automobile industry were impacted due to slowdown in economic activity as mentioned above, weak consumer sentiments, tight financing environment with high interest rate, ban on mining activity, weak operating economics for transporters due to lower fleet utilization, stagnant freight rates combined with fuel price increases and fall in resale values. The passenger vehicle industry contracted for the first time in the last 5 years with hatchbacks and Utility Vehicles (UVs)(particularly with the onset of soft roaders) being the growth drivers and sedans bearing the biggest brunt.

As per the data released by the Society of Indian Automobile Manufacturer (SIAM) the commercial and passenger vehicle industries recorded a de-growth of 22.4% and 4.7% respectively. Medium and Heavy Commercial Vehicle (M&HCV) industry de-grew by 25.2% in FY 2013-14 after de-growth of 23.3% in FY 2012-13. However the Company sustained its market share at 54.9% in the M&HCV segment.

During the last 5 years the domestic automobile market witnessed 5 competitive Original Equipment Manufacturers (OEMs) entering the automotive industry, particularly in the commercial vehicle category and almost all global OEMs endeavoring to entrench themselves in the domestic market. This has led to aggressive competition with the market players resorting to sharp discounting practices, thus impacting profit margins.

The Company faced one of its most challenging years with volumes lower by 29.5% and 38.1% in the commercial and passenger vehicle segment. Whilst the Company improved its market share in the M&HCV segment - the Company's mainstay, a sharp drop in industry volumes as well as market compulsion towards greater marketing spends resulted in poor financials for the

Company. The Light Commercial Vehicle (LCV) market continued to remain challenged due to financial constraints for customers, since fund availability is a critical market driver in this vehicle category. Moreover, the high default rate in loans coupled with early delinquencies in this category, prompted financiers to tighten lending norms, whereas some of the competitor products were able to garner higher support due to the aggressive schemes from their captive finance subsidiary. The Company's passenger vehicle volumes declined on account of aggressive competition, introduction of new launches and upgrades. The Company had no major product launches in the passenger vehicle business except for upgrades and variants during FY 2012-13 and FY 2013-14.

B. In respect of Item Nos.4 and 5 of the Notice dealing with payment of minimum remuneration to both the Executive Directors for FY 2014-15 and FY 2015-16 it is stated that:-

6. Whilst the weak trends witnessed in FY 2013-14 continued in the first half of FY 2014-15, there are signals of an economic recovery in the second half of FY 2014-15. This recovery is expected to percolate into the performance of the automobile industry only by the end of FY 2014-15. The M&HCV segment of the Company has started to display a year on year growth in double digits since August 2014. The Company expects the growth in M&HCV segment to continue in the coming quarter and a more sustainable and comprehensive growth to commence from Q4 of FY 2014-15. LCV, as witnessed in typical hub and spoke models, is expected to start showing growth in the later part of the year (i.e. with a lag of a few quarters from the start of M&HCV growth). Hence the overall performance of the Automobile Industry for FY 2014-15, including the Company, is expected to be subdued and may take another couple of quarters to return to a healthy profitable scenario. Considering the sharp drop in volumes during the past 2 years, it would be a matter of time for the Company to regain volumes in line with the built-up capacities.
7. The Company's leadership continues to play a key role in launching new products and variants with strategic initiatives such as Lead the Future (LTF), HORIZONEXT, World Class Quality (WCQ) Journey and Tata Motors Production System (TMPS) that have primed the Company to face future growth opportunities. The Company may however end FY 2014-15 and FY 2015-16 with no / inadequate profits as calculated for payment of Managerial Remuneration as per the provisions of Sections 197 and 198 read together with Schedule V of the Act.
8. Pursuant to the provisions of Section 197 read together with Schedule V of the Act, in respect of the payment of managerial remuneration in case of no profits or inadequacy of profits as calculated under Section 198 of the Act, the Company may pay such remuneration upto the ceiling limits as specified in Schedule V, provided the Members' approval by way of a Special Resolution has been passed for payment of Minimum Remuneration for a period not exceeding 3 years. Based on the Company's relevant Effective Capital of Rs.10,643.03 crores for FY 2014-15, the Company is permitted to pay per whole-time director a maximum remuneration of Rs.3.28 crores for FY 2014-15 in case of no/inadequacy of profits during that financial year. Any remuneration paid/to be paid to the Executive Directors in excess of the prescribed limits, if any, shall be subject to the approval of the Central Government. Further, such sums paid in excess of the said statutory limits become refundable to the Company and are held in trust for the Company by the directors, unless the Company waives recovery of the said amount by way of a Special Resolution passed by the Shareholders and such waiver is approved by the Central Government.

In respect of FY 2014-15 and FY 2015-16, the Company may have no/ inadequate profits as calculated under Section 198 of the Act.

It may be noticed from the above table that the standalone performance was adversely impacted due to the economic slowdown in India. Despite adverse macro-economic market conditions, the Company recorded Profits for the period in FY 2013-14 under the able stewardship of its Senior Management. This was the result of various initiatives spearheaded by them to improve performance, strengthen and reshape the product portfolio and other value-added services. These holistic initiatives enabled the Company to emerge stronger from the slowdown and effectively position itself to take a quantum leap in the next growth phase when the markets recover.

The consolidated performance in contrast is unparalleled and has improved significantly due to most of the global economies having recovered from a slowdown.

(5) Foreign investments or collaborators, if any.

The Company has not entered into any material foreign collaboration and no direct capital investment has been made in the Company. Foreign investors, mainly comprising FIIs and ADR holders, are investors in the Company on account of past issuances of securities and secondary market purchases.
