Item 8.01. Other events.

National Health Investors, Inc. (the Company) filed with the Securities and Exchange Commission (SEC) a prospectus supplement dated February 17, 2015 (the Prospectus Supplement), pursuant to which the Company may, but has no obligation to, issue and sell shares of its common stock having an aggregate sales price of up to \$300,000,000 (the Shares) in amounts and at times to be determined by the Company from time to time. Actual sales will depend on a variety of factors to be determined by the Company from time to time, including, among others, market conditions, the trading price of the Company's common stock, determinations by the Company of the appropriate sources of funding and potential uses of funding available to the Company. The Company intends to use the net proceeds from the offering of the Shares, if any, for general corporate purposes, which may include future acquisitions and repayment of indebtedness, including borrowings under the Company's credit facility.

In connection with the offering, the Company entered into four separate equity distribution agreements (collectively, the Equity Distribution Agreements), dated as of February 17, 2015, with each of KeyBanc Capital Markets Inc., BMO Capital Markets Corp., Goldman, Sachs & Co. and Stifel, Nicolaus & Company, Incorporated as sales agents and/or principals (collectively, the Sales Agents). Pursuant to the Equity Distribution Agreements, the Company may issue and sell the Shares from time to time through the Sales Agents, as the Company's agents for the offer and sale of the Shares, or to them for resale. Sales of Shares, if any, may be made in negotiated transactions or transactions that are deemed to be at-the-market offerings as defined in Rule 415 of the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange, the existing trading market for the Company's common stock, or sales made to or through a market maker other than on an exchange. The Company will pay each of the Sales Agents a commission which in each case shall not be more than 1.5% of the gross sales price of Shares sold through it as the Company's agent under the applicable Equity Distribution Agreement.

The offering of the Shares pursuant to any Equity Distribution Agreement will terminate upon the earlier of (1) the issuance and sale of all of the Shares subject to the Equity Distribution Agreements and (2) the termination of the Equity Distribution Agreement by either the Company or the respective Sales Agent at any time in the respective party's sole discretion.

The offering will be made pursuant to a prospectus supplement dated February 17, 2015 and a related prospectus dated March 18, 2014, which constitute a part of the Company's effective shelf registration statement that was filed with the Securities and Exchange Commission (File No. 333-194653) on March 18, 2014.

The foregoing description of the Equity Distribution Agreements is qualified in its entirety by reference to the form of Equity Distribution Agreement attached hereto as Exhibit 1.1 and incorporated herein by reference.

A copy of the press release announcing the at the market equity distribution program described herein is attached hereto as Exhibit 99.1.
