Item 1.01. Entry into a Material Definitive Agreement.

Amendment to Semiconductor Patent License Agreement

On June 17, 2015, Rambus Inc. (Rambus) and SK hynix Inc. (SK Hynix) entered into an amendment (the Amendment) to their Semiconductor Patent License Agreement, with an effective date of July 1, 2013 (the SPLA, as amended by the Amendment, the Amended SPLA).

Under the Amended SPLA, Rambus has extended the duration of its term product license for memory and semiconductor products for an additional six years until July 1, 2024 and has agreed to further extend the term product license to July 1, 2027 at the option of SK Hynix. Rambus has also extended the scope of its paid-up patent license to include certain identified SK Hynix JEDEC-compliant DRAM products.

Under the Amended SPLA, SK Hynix has agreed to continue to pay Rambus an average quarterly cash payment of \$12,000,000, which equates to \$432,000,000 over the remaining term of the agreement ending July 1, 2024, provided that (a) for each of the six full calendar quarters immediately following July 1, 2015, SK Hynix will pay Rambus a quarterly cash payment of \$16,000,000, and (b) in addition, after December 1, 2017, SK Hynix will have the option to make six quarterly cash payments of \$8,000,000 upon six months written notice.

Except as otherwise specifically referenced in the Amendment, all other terms and conditions of the SPLA will remain in effect.

On June 11, 2013, Rambus and SK Hynix entered into a settlement agreement (the Settlement Agreement) releasing all claims against each other with respect to all outstanding litigation between the two companies at that time. Rambus and SK Hynix entered into the SPLA pursuant to the Settlement Agreement under which SK Hynix licenses from Rambus non-exclusive rights to certain Rambus patents.

The foregoing descriptions of the Amendment are qualified in their entirety by reference to the full text of the Amendment, which Rambus intends to file with the Securities and Exchange Commission as an exhibit to the applicable periodic report. Rambus also intends to seek confidential treatment for certain terms of the Amendment in connection with the filing of such agreement in accordance with the procedures of the Securities and Exchange Commission.
