*On October 12, 2015, the following communication was published on the Company's web site.*

### ***Certain Information Regarding EMC's Merger Agreement with Dell***

On October 12, 2015, EMC Corporation, a Massachusetts corporation (the "Company"), entered into an Agreement and Plan of Merger (the "Merger Agreement") among the Company, Denali Holding Inc., a Delaware corporation ("Parent"), Dell Inc., a Delaware corporation, and Universal Acquisition Co., a Delaware corporation and direct wholly owned subsidiary of Parent ("Merger Sub"), pursuant to which, among other things and subject to the conditions set forth therein, Merger Sub will merge with and into the Company (the "Merger"), with the Company continuing as the surviving corporation and a wholly owned subsidiary of Parent.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the "Effective Time"), each share of Company common stock, par value \$0.01 per share ("Company Common Stock"), issued and outstanding

immediately prior to the Effective Time (other than shares owned by Parent, Merger Sub, the Company or any of its wholly-owned subsidiaries, and other than shares with respect to which appraisal rights may be properly exercised and not withdrawn) will be cancelled and converted into the right to receive (i) \$24.05 in cash, without interest (the Cash Consideration ), and (ii) a number of shares of validly issued, fully paid and non-assessable shares of common stock of Parent designated as Class V Common Stock (the Class V Common Stock ), par value \$0.01 per share, equal to the quotient obtained by dividing (A) 222,966,450 by (B) the aggregate number

of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time, plus cash in lieu of any fractional shares (together with the Cash Consideration, the Merger Consideration). The Class V Common Stock is intended to track a portion of the Company's economic interest in EMC's VMware Virtual Infrastructure business, which is represented by EMC's majority equity stake in VMware, Inc. (VMware). Based on the estimated number of shares of Company Common Stock at the closing of the transaction, Company shareholders are expected to receive approximately 0.111 shares of Class V Common Stock for each share of Company Common Stock. Assuming, for illustrative purposes only, a valuation for each share of Class V Common Stock of \$81.78, the intraday volume-weighted average price for VMware common stock on Wednesday, October 7, 2015, Company shareholders would receive a total combined consideration of \$33.15 per share of Company Common Stock. The value of the Class V Common Stock may vary from the market price of VMware common stock given the different characteristics and rights of the two stocks. Under the Merger Agreement, the Company may continue regular quarterly dividends to its shareholders of up to \$0.115 per share of Company Common Stock through the Effective Time.

The Merger Agreement provides that each currently outstanding Company stock option will vest and become fully exercisable prior to the Effective Time. As of the Effective Time, each outstanding Company stock option will be canceled and converted into the right to receive the Merger Consideration with respect to the number of shares of Company Common Stock issuable upon the exercise of such stock options on a net exercise basis, such that shares of Company Common Stock with a value equal to the aggregate exercise price and applicable tax withholding reduce the number of shares of Company Common Stock otherwise issuable. The Merger Agreement also provides that as of the Effective Time each currently outstanding restricted stock unit and share of restricted stock will fully vest (with performance vesting units vesting at the target level of performance) and the holder will become entitled to receive the Merger Consideration with respect to the shares of Company Common Stock subject to the award (which shall be calculated net of the number of shares withheld in respect of taxes upon the vesting of the award). The Merger Agreement provides that Parent may agree with individual award recipients to different equity treatment; however, no such agreements are currently in place.

The Board of Directors of the Company has, by unanimous vote of all of the directors, determined that it is in the best interest of the Company and its shareholders, and declared it advisable, for the Company to enter into the Merger Agreement and has resolved to recommend approval of the Merger Agreement by the shareholders of the Company. Shareholders of the Company will be asked to vote on the approval of the Merger Agreement at a special shareholder meeting that will be held on a date to be announced. The closing of the Merger is subject to the approval of the Merger Agreement by the affirmative vote of the holders of a majority in voting power of the outstanding shares of Company Common Stock, voting together as a single class (the Company Shareholder Approval).

The Merger Agreement contains representations and warranties customary for transactions of this nature. The Company has agreed to various customary covenants and agreements, including, among others, agreements to conduct its business in the ordinary course during the period between the execution of the Merger Agreement and the Effective Time, not to engage in certain kinds of transactions or activities during this period without Parent's consent, including with respect to certain actions in its capacity as a stockholders of Pivotal Software, Inc. and VMware, and to convene and hold a meeting of its shareholders for the purpose of obtaining the Company Shareholder Approval.

The completion of the Merger is subject to certain conditions, including, among others: (i) the Company Shareholder Approval, (ii) the absence of an order or law prohibiting consummation of the transactions, (iii) the effectiveness of the registration statement to be filed by Parent with the Securities and Exchange Commission for purposes of registering the shares of Class V Common Stock issuable in connection with the Merger and (iv) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the receipt of certain foreign antitrust approvals. Moreover, each party's obligation to consummate the Merger is subject to certain other conditions, including (a) the accuracy of the other party's representations and warranties (including the absence of a Material Adverse Effect related to the Company), (b) the other party's compliance with its obligations, (c) receipt by each party of an opinion of counsel, dated as of the date of the Merger, as to certain tax

matters, and (d) the listing of the Class V Common Stock on either the New York Stock Exchange or NASDAQ.

Parent has obtained equity financing and debt financing commitments for the purpose of financing the Merger and refinancing certain existing indebtedness. In addition to the above conditions to closing, Parent is not required to consummate the Merger until after completion of a marketing period related to its debt financing. The marketing period will not begin until receipt of customary required information and the satisfaction of certain conditions to closing. The obligations of the lenders under Parent's debt financing commitments are subject to a number of customary conditions.

Under the terms of the Merger Agreement, the Company may solicit alternative acquisition proposals from third parties until 11:59 p.m. on December 11, 2015 (the "No-Shop Period Start Date"). There can be no assurance that this process will result in any alternative transaction proposals. After the No-Shop Period Start Date, the Company may not solicit or initiate discussions with third parties regarding other acquisition proposals and has agreed to certain restrictions on its ability to respond to such proposals as provided in the Merger Agreement. However, the Merger Agreement contains "fiduciary out" provisions, under which in certain circumstances the Company's Board of Directors may determine to change its recommendation of the Merger or terminate the Merger Agreement. The Company's Board of Directors is obligated to notify Parent in the event of a change in recommendation and to provide certain "match rights" to allow Parent an opportunity to modify the terms of the Merger Agreement in a manner that allows the Board of Directors to continue to recommend the Merger.

The Merger Agreement contains specified termination rights for both Parent and the Company, including that, in general, either party may terminate if the Merger is not consummated on or before December 16, 2016. If the Merger Agreement is terminated under certain specified circumstances, including in connection with the Company's entry into a definitive agreement for a superior proposal, the Company must pay Parent a termination fee of \$2.5 billion (or, if the Merger Agreement is terminated for a superior proposal prior to December 12, 2015, the termination fee payable by the Company to Parent will be \$2 billion). Further, if the Merger Agreement is terminated under certain specified circumstances and, within 12 months after such termination, the Company enters into a definitive agreement providing for, or consummates, an acquisition proposal, the Company must pay Parent a termination fee of \$2.5 billion. In connection with the parties' allocation of risk related to financing for the transaction, the Merger Agreement also provides that Parent is required to pay the Company a termination fee of \$4 billion under specified circumstances, and in certain instances, an alternative termination fee of \$6 billion.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement. Because the Securities and Exchange Commission will not accept filings on Monday, October 12, 2015 due to the Federal Government being closed in observance of Columbus Day, the Company is providing this information on its website to provide security holders with certain information regarding the terms of the Merger Agreement. The Company intends to file a Form 8-K with the Securities and Exchange Commission on Tuesday, October 13, 2015 and to attach a copy of the Merger Agreement thereto as Exhibit 2.1.
