Item 2.05 Costs Associated with Exit or Disposal Activities.

On June 26, 2018, Banc of California, Inc. (the Company) began advising affected employees of its plan, to which it committed on June 22, 2018, to reduce the Company's workforce by approximately 9% of total staffing. In addition, the Company expects to reduce the use of third party advisors during the third quarter of 2018, with each of these actions intended to align the Company's cost structure with its focused commercial banking platform. The plan is expected to be substantially completed by the end of the third quarter of 2018 and fully completed during the fourth quarter of 2018.

The Company expects to recognize annual savings of approximately \$15 million from the reduction in force and reduction in use of third party advisors. The expense savings are expected to be realized, on a go forward basis, consistent with the execution of the plan. The Company expects to incur one-time severance-related costs in the second quarter of 2018 of between \$4 million and \$5 million, pre-tax, as a result of the reduction in force. Additional one-time severance costs may be recognized in the third and fourth quarters of 2018, consistent with executing the plan.

Bogler, age 52, the Company's Executive Vice President and Chief Financial Officer, who will continue to also serve as the Company's principal financial officer. There are no arrangements or understandings between Mr. Bogler and any other person required to be disclosed pursuant to Item 401(b) of Regulation S-K and Mr. Bogler has no family relationships required to be disclosed pursuant to Item 401(d) of Regulation S-K.
