In connection with the Registration Statement on Form S-3 of SJW Group, a Delaware corporation (the Company), to be filed on or about the date of this report (the Registration Statement), we are filing this Current Report on Form 8-K to provide certain historical financial information regarding Connecticut Water Service, Inc., a Connecticut corporation (CTWS), and its subsidiaries, together with Management's Discussion and Analysis of Financial Condition and Results of Operations of CTWS, and certain unaudited pro forma financial information regarding the Company required to be incorporated by reference into the Registration Statement. The unaudited pro forma financial information gives effect to the Company's proposed acquisition of CTWS (the CTWS Acquisition) pursuant to the previously announced Second Amended and Restated Agreement and Plan of Merger, dated as of August 5, 2018, by and among the Company, Hydro Sub, Inc., a Connecticut corporation and a direct wholly owned subsidiary of the Company, and CTWS.

Forward-Looking Statements

This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, as amended. Some of these forward-looking statements can be identified by the use of forward-looking words such as believes, expects, may, will, should, seeks, approximately, intends, plans, estimates, or anticipates, or the negative of those words or other comparable terminology.

The accuracy of such statements is subject to a number of risks, uncertainties and assumptions including, but not limited to, the following factors: (1) the risk that the conditions to the closing of the CTWS Acquisition are not satisfied; (2) the risk that the regulatory approvals required for the CTWS Acquisition are not obtained at all, or if obtained, on the terms expected or on the anticipated schedule; (3) the risk that the California Public Utilities Commission's (CPUC) investigation may cause delays in or otherwise adversely affect the CTWS Acquisition and that the Company may be required to consummate the CTWS Acquisition prior to the CPUC's issuance of an order with respect to its investigation; (4) the effect of water, utility, environmental and other governmental policies and regulations; (5) litigation relating to the CTWS Acquisition; (6) the ability of each party to meet expectations regarding timing, completion and accounting and tax treatments of the CTWS Acquisition; (7) the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement between the parties to the CTWS Acquisition; (8) changes in demand for water and other products and services; (9) unanticipated weather conditions; (10) catastrophic events such as fires, earthquakes, explosions, floods, ice storms, tornadoes, terrorist acts, physical attacks, cyber-attacks, or other similar occurrences that could adversely affect the facilities, operations, financial condition, results of operations and reputation of CTWS or the Company; (11) risks that the CTWS Acquisition disrupts the current plans and operations of CTWS or the Company; (12) potential difficulties by CTWS or the Company in employee retention as a result of the CTWS Acquisition; (13) unexpected costs, charges or expenses resulting from the CTWS Acquisition; (14) the effect of the announcement or pendency of the CTWS Acquisition on business relationships, operating results, and business generally, including, without limitation, competitive responses to the CTWS Acquisition; (15) risks related to diverting management's attention from ongoing business operations of CTWS or the Company; and (16) legislative and economic developments. These risks, as well as other risks associated with the CTWS Acquisition, will be more fully discussed in the prospectus supplement to be included in the Registration Statement.

In addition, actual results are subject to other risks and uncertainties that relate more broadly to the Company's overall business, including those more fully described in its filings with the SEC, including, without limitation, its Annual Report on Form 10-K for the fiscal year ended December 31, 2017. Forward-looking statements are not guarantees of performance, and speak only as of the date made, and none of the Company, its management, CTWS or its management undertakes any obligation to update or revise any forward-looking statements except as required by law.
