PROXY STATEMENT OF THIRD POINT LLC, THIRD POINT OFFSHORE FUND, LTD.,
THIRD POINT PARTNERS LP, THIRD POINT ULTRA LTD., LYXOR/THIRD POINT FUND LTD.,
THIRD POINT PARTNERS QUALIFIED LP, DANIEL S. LOEB, JEFFREY R. PERRY AND
BRIGETTE ROBERTS, MD IN OPPOSITION TO THE
BOARD OF DIRECTORS OF LIGAND PHARMACEUTICALS INCORPORATED

November ____, 2005

To Our Fellow Ligand Stockholders:

We are furnishing this Proxy Statement to holders of the common stock, par value \$0.001 per share ("Common Stock"), of Ligand Pharmaceuticals Incorporated, a Delaware corporation (the "Company"), in connection with our solicitation of proxies for use at the next Annual or Special Meeting of Stockholders of the Company and at any and all adjournments or postponements thereof (the "Stockholder Meeting"). The Company has not, as of the date hereof, announced a date for the Stockholder Meeting.

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

This solicitation is being conducted by Third Point LLC, Third Point Offshore Fund, Ltd., Third Point Partners LP, Third Point Ultra Ltd., Lyxor/Third Point Fund Ltd., Third Point Partners Qualified LP, Daniel S. Loeb, Jeffrey R. Perry, Brigette Roberts, MD, and certain of their affiliates (collectively, the "Third Point Entities"). The Third Point Entities beneficially own approximately 9.98% of the Common Stock reported outstanding on October 29, 2004, as reported in the Company's last Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2004. As more fully discussed below, we are soliciting proxies to be used at the next Stockholder Meeting for the election of Mr. Daniel S. Loeb, Mr. Jeffrey R. Perry and Dr. Brigette Roberts as directors of the Company (collectively, the "Third Point Nominees"). Because we are proposing nominees for only three of the current eight seats on the Board of Directors that will be up for election at the Stockholder Meeting, we will use the authority granted to us by our BLUE proxy card to vote FOR the election of the Third Point Nominees as directors and FOR the election of five nominees proposed by the Company. The Third Point Entities may, under certain circumstances described in this Proxy Statement, nominate additional individuals to serve as directors of the Company.

We urge you to elect the Third Point Nominees to the Company's Board of Directors (the "Board of Directors") because we believe that election of new members to the Board of Directors would be beneficial to the Company and its stockholders. Among other things, electing the Third Point Nominees should provide a new voice and fresh perspective. The Third Point Nominees have indicated that they intend to call on the Board of Directors to give comprehensive consideration, through an open-minded deliberative process, to creating value for stockholders, including the establishment of a special committee of the Board of Directors (containing two of the Third Point Nominees) to explore the Company's strategic alternatives.

Please sign and date the BLUE proxy card supplied by the Third Point Entities and return it in the enclosed envelope whether or not you attend the meeting. This Proxy Statement is first being sent or given to stockholders on or about November __, 2005.

If your shares are held in the name of a brokerage firm, bank or nominee, only that entity can vote such shares and only upon receipt of your specific instruction. Accordingly, we urge you to contact the person responsible for your account and instruct that person to execute the BLUE proxy card on your behalf.

YOUR VOTE IS IMPORTANT. If you agree with the reasons for the Third Point Entities' solicitation set forth in this Proxy Statement and believe that the election of the Third Point Nominees to the Board of Directors can make a difference, please vote for the election of the Third Point Nominees, no matter how many or how few shares you own.

THE THIRD POINT ENTITIES URGE YOU NOT TO SIGN ANY PROXY CARD THAT IS SENT TO YOU BY THE COMPANY. By executing the BLUE proxy card, you will authorize us to vote FOR the election of the three Third Point Nominees and five of the Company's nominees named therein. If you wish to vote FOR the election of those five nominees proposed by the Company, but also would like to vote for the three Third Point Nominees, you must use the BLUE proxy card and not any proxy card that is sent to you by the Company. If you have already signed a proxy card sent to you by the Company, you may revoke that proxy at any time prior to the time a vote is taken by (i) submitting a duly executed proxy bearing a later date to the Secretary of the Company, (ii) filing with the Secretary of the Company a later dated written revocation or (iii) attending and voting at the Stockholder Meeting in person.

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

Thank you for your support,

On behalf of the Third Point Entities,

Sincerely,

Daniel S. Loeb

GENERAL

The Company has not held a meeting of stockholders since June 11, 2004, and in March 2005 announced that it was in the process of restating its financial statements and would not file its annual report with the Securities and Exchange Commission (the "SEC") on a timely basis. Consequences of this failure include the delisting of the Company's common stock from NASDAQ and the delay of the Company's 2005 Stockholder Meeting. Since directors of the Company are required to be elected annually, on October 11, 2005, we brought an action in the Delaware Chancery Court to force the Company to hold a Stockholder Meeting at which directors could be elected.

At the Stockholder Meeting, we expect that eight directors are to be elected to the Board of Directors to hold office until their successors have been elected and qualified. We anticipate that the Company will designate eight individuals to stand for election at the Stockholder Meeting, and we assume that these nominees will be the existing members of the Board of Directors (the "Company Nominees").

We are currently seeking your proxy for the election to the Board of Directors of three individuals - Mr. Daniel S. Loeb, Mr. Jeffrey R. Perry and Dr. Brigitte Roberts. Because we are only proposing nominees for three of the current eight seats on the Board of Directors that will be up for election at the Stockholder Meeting, we will use the authority granted to us by the BLUE proxy card to vote FOR the election of the Third Point Nominees as directors and FOR the election of five of the Company Nominees. We currently expect to use this authority to vote for the following Company Nominees - _____, _____, _____ and _____ (the "Designated Company Nominees"). We will not use this authority to vote for the following three Company Nominees - _____, _____ and _____. Under certain circumstances described below, we may seek your proxy for the election of additional individuals to the Board of Directors in lieu of the Designated Company Nominees.

For information concerning voting procedures at the Stockholder Meeting, see "Voting and Proxy Procedures."

BACKGROUND OF THIS SOLICITATION

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

On September 23, 2005, Daniel S. Loeb, Chief Executive Officer of Third Point LLC, sent a letter to David E. Robinson, Chairman, President and Chief Executive Office of the Company, raising serious issues regarding the Company's operating performance, senior management and stock market valuation, and urged the Company to consider strategic alternatives, such as a sale of the Company.

On September 30, 2005, as the Company had not yet responded to his initial letter, Mr. Loeb sent a follow-up letter to Mr. Robinson demanding that, among other things, the Company form a three person special committee of its Board of Directors, name at least two representatives of Third Point LLC to the Board of Directors and such special committee, devote all possible resources to work with the Company's auditors to issue financial statements, and immediately rescind the Company's "poison pill" or increase the trigger threshold from 10% to 20% so that the Third Point Entities could increase their stake in the Company.

On October 3, 2005, Mr. Robinson wrote to Mr. Loeb and indicated, among other things, that the Company had referred his request regarding the poison pill to the Company's independent directors and that, as part of its normal process, the Nominating Committee of the Board of Directors would consider any nominees to the Board of Directors proposed by the Third Point Entities.

In a series of conversations from October 6 through October 10, 2005 with Mr. Robinson, Mr. Loeb reiterated the demand in his September 30, 2005 letter for board representation and the creation of a special committee of the Board of Directors to address strategic alternatives for the Company. Mr. Loeb advised Mr. Robinson that if the Company was unwilling to agree to these demands, the Third Point Entities would be prepared to bring an action in the Delaware Chancery Court in order to compel the Company's overdue annual meeting of stockholders. Mr. Robinson advised Mr. Loeb that he would like to arrange a meeting among John Groom, the Company's lead director, himself and representatives of the Third Point Entities so they could discuss the Third Point Entities' agenda in person. Mr. Robinson also indicated that if Mr. Loeb were to furnish to the Company detailed curricula vitae or other background

-1-

information regarding the Third Point Entities' nominees, the Company's Nominating Committee would consider their credentials. After concluding that Mr. Robinson appeared to be seeking to delay the holding of an annual meeting as long as possible, on October 10, 2005, Mr. Loeb advised Mr. Robinson that if he did not receive a favorable response to his demands by 11:00 a.m. the next morning, he would immediately bring an action to compel a meeting of stockholders.

On October 11, 2005, Mr. Robinson published a letter to Mr. Loeb expressing disappointment that Mr. Loeb had declined his offer to meet with him and Mr. Groom and indicating that it was inappropriate for the Board of Directors to elect additional members to the Board of Directors without having adequate information to evaluate the nominees. Mr. Robinson indicated that he intended to convey the Third Point Entities' demands to the Board of Directors and that in the meantime he and Mr. Groom would remain prepared to discuss the Third Point Entities' agenda.

In light of Mr. Robinson's published response, on October 11, 2005, Third Point Offshore Fund, Ltd. filed a lawsuit (the "Delaware Action") against the Company in the Delaware Chancery Court, New Castle County (the "Court"), in order to compel the holding of an annual meeting of stockholders of the Company. The last annual meeting of stockholders of the Company was held on June 11, 2004, and Section 211(c) of the Delaware General Corporation Law provides, in

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

substance, that if an annual meeting has not been held for 13 months since the last annual meeting (or election of directors by written consent), then upon the application of any stockholder or director the Court is empowered to summarily order a meeting to be held. The complaint in the Delaware Action requests that the Court order that a meeting be held 60 days from the Court's order.

Following the filing of the Delaware Action, Mr. Loeb tried but was unable to reach Mr. Robinson to say that under certain circumstances the Third Point Entities would agree to seek only three of the eight seats on the Board and that they would solicit for the re-election of five of the current directors at the Company's next annual meeting. The circumstances under which the Third Point Entities concluded they would agree to this arrangement were: (1) the prompt appointment to newly-created Board of Director seats of three nominees of the Third Point Entities, after review by the Company's Nominating Committee of relevant background information about them, (2) a reduction of the Board of Director's size back to eight effective as of the annual meeting, (3) if the Company were to solicit proxies for the annual meeting, the agreement of the Company to solicit for the same nominees as the Third Point Entities (i.e., the three nominees of the Third Point Entities and five current directors), (4) the formation of a three-member committee of the Board of Directors, which would include two directors who are representatives of the Third Point Entities, for the purpose of considering and acting on the Company's strategic alternatives, including the possibility of a sale of the Company (this committee would be formed immediately upon the appointment of the three Board of Director representatives of the Third Point Entities), (5) the amendment of the Company's "poison pill" to increase the trigger threshold from 10% to 20% and (6) reimbursement by the Company of the expenses of the Third Point Entities and their affiliates in connection with their solicitation at the annual meeting and their entering into an agreement embodying these requirements.

On October 25, 2005, Mr. Loeb sent a letter to the stockholders of the Company expressing his concern about the Company's future and indicating, among other things, that the Third Point Entities intended to file proxy materials with the SEC and to run either a full or partial slate of directors at the Stockholder Meeting.

On November 1, 2005, the deadline for "fast track" re-listing of the Company's common stock on NASDAQ slipped by without comment from the Company. The Company was unable to apply for re-listing on an expedited basis because it had not issued restated financial statements by that date.

On November 4, 2005, Mr. Loeb sent to the Company a letter with an accompanying draft settlement agreement. The letter noted that the Company had missed the deadline for "fast track" re-listing on NASDAQ and that a hearing was scheduled for November 14, 2005 on the Delaware Action. The letter stated that while the Third Point Entities believed that our running a full slate of directors and taking control of the Board of Directors would be a far better outcome than the status quo, the Third Point Entities believed that they would have a fair opportunity to achieve their goals through the settlement agreement. The letter stated that if the Company did not sign the settlement agreement by 5:00 p.m. on November 11, 2005, the Third Point Entities would run a full slate of eight directors at the next stockholder meeting.

-2-

The draft settlement agreement provided, among other things, that the Company would (i) expand the size of the Board so as to create three new directorships on the Board, (ii) appoint the Third Point Nominees to fill the newly-created directorships, (iii) create a special committee of the Board, consisting of Mr. Loeb, Dr. Roberts and one current member of the Board, to

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

explore and act with respect to Ligand's strategic alternatives, (iv) amend its "poison pill" to increase the triggering threshold to 20% from the current 10%, and (v) pay for all costs and expenses incurred by the Third Point Entities in connection with the Delaware Action, the preparation and filing of proxy materials and the solicitation of proxies. The settlement agreement further provided that the parties to the Delaware Action would dismiss the Delaware Action without prejudice, that the Third Party Entities would support the election at the Stockholder Meeting of five current members of the Company's Board of Directors, to be chosen by the Company, in addition to the Third Point Nominees and that the Board would be brought back to eight directors effective as of the Stockholder Meeting.

On November __, 2005, the Third Point Entities delivered to the Company notice under the Company's bylaws of the Third Point Entities' intention to nominate the Third Point Nominees for election at the Stockholder Meeting.

REASONS FOR THIS SOLICITATION

We expect that the Third Point Nominees, if elected, would provide a new voice and fresh perspective to the Board of Directors. Although the Third Point Entities believe the Company should explore strategic alternatives, including putting itself up for sale, they have not reached a definitive conclusion in regard to any particular strategic alternative and believe that such alternatives deserve immediate and very close scrutiny by the Board of Directors. There can be no assurances that the Third Point Nominees and the Board of Directors will succeed in creating shareholder value.

The proposed slate of Third Point Nominees will, if elected, constitute a minority of the Board of Directors and, therefore, even if they vote unanimously, will not be able to adopt any measures without the support of other members of the Board of Directors. The Third Point Entities believe, however, that the Third Point Nominees, if elected to the Board of Directors, will be in a position to influence the strategic direction of the Company and to bring to the Board of Directors the perspective of a substantial stockholder. The Third Point Entities may, depending upon future events, seek to nominate additional directors to the Board of Directors in the future.

The Third Point Nominees do not anticipate that they will have any conflicts of interest with respect to the Company, if elected, and recognize their fiduciary duty obligations to all stockholders. None of the Third Point Nominees has any contract, arrangement or understanding with the Company, and no other direct financial interest concerning the Company, other than through the beneficial ownership of stock of the Company by the Third Point Entities and the Third Party Nominees disclosed in this Proxy Statement.

THE THIRD POINT ENTITIES RECOMMEND A VOTE FOR THE ELECTION OF THE THIRD POINT NOMINEES BECAUSE THEY BELIEVE THAT THE THIRD POINT NOMINEES WOULD CONTRIBUTE TO THE CREATION OF SHAREHOLDER VALUE.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

Election of Directors

The Company's Board of Directors currently consists of eight directors. Directors hold office until the annual meeting for the year in which their terms expire and until their successors are elected and qualified, unless prior to that time they have resigned, retired or otherwise left office. On November __, 2005, we gave notice to the Company of our intention to nominate the Third Point Nominees to serve as directors of the Company.

We are seeking your proxy for the election to the Board of Directors of three individuals - Mr. Daniel S. Loeb, Mr. Jeffrey R. Perry and Dr. Brigitte

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

Roberts. Because we are only proposing nominees for three of the current eight seats on the Board of Directors that will be up for election at the Stockholder Meeting, we will use the authority granted to us by the BLUE proxy card to vote FOR the election of the Third Point Nominees as directors and FOR the election of five of the Company Nominees. We currently expect to use this authority to vote for the Designated Company Nominees.

-3-

Each of the Third Point Nominees has consented to being named as a nominee in this Proxy Statement. The Third Point Entities do not expect that any of the Third Point Nominees or the Designated Company Nominees will be unable to stand for election, but in the event that a vacancy in the slate of Third Point Nominees or the Designated Company Nominees should occur unexpectedly, the shares of Common Stock represented by the BLUE proxy card will be voted for a substitute candidate selected by the Third Point Entities. If the Third Point Entities determine to add nominees, whether because the Company expands the size of the Board of Directors subsequent to the date of this Proxy Statement or for any other reason, the Third Point Entities will supplement this Proxy Statement. If, however, the Company does not leave reasonable time before the Stockholder Meeting to supplement this Proxy Statement, the Third Point Entities reserve the right to nominate additional nominees and to use the discretionary authority granted by the proxies it is soliciting to vote for such additional nominees or to seek judicial relief.

Biographical Information Regarding the Third Point Nominees

The following information concerning age, principal occupation and business experience during the last five years, and current directorships has been furnished to the Third Point Entities by the Third Point Nominees, each of whom has expressed his or her willingness to serve on the Board of Directors if elected. Pursuant to his or her employment arrangements with Third Point LLC, Third Point LLC, Third Point Offshore Fund, Ltd., Third Point Partners LP, Third Point Ultra Ltd., Lyxor/Third Point Fund Ltd. and Third Point Partners Qualified LP will indemnify and hold harmless each Third Point Nominee from any and all damages, judgments, fines, settlements, losses and expenses incurred by such nominee resulting from any action, suit or proceeding based upon or arising from certain actions, including the solicitation of proxies to which this Proxy Statement relates and such person's ongoing services as a director of the Company to the extent not otherwise indemnified by the Company, other than certain excluded losses.

-4-

Additional information concerning the Third Point Nominees is set forth in Appendix A to this Proxy Statement.

Other Matters Likely to be Considered at the Stockholder Meeting

The Company may ask stockholders to vote on the appointment of BDO Seidman LLP as the Company's independent accountants for 2005. In light of the pending restatement of the Company's financial statements, we have not yet made a determination as to whether we would support such a proposal if it were to be presented at the Stockholder Meeting. However, based on the few public disclosures by the Company about the pending restatement of the Company's financial statements, we have no reason to believe we would not support the appointment of BDO Seidman LLP as the Company's independent accountants for 2005.

The accompanying BLUE proxy card provisionally includes a proposal for the appointment of BDO Seidman LLP as the Company's independent accountants for 2005; however, the proxy card can only be voted on this proposal if the proposal is actually presented at the Stockholder Meeting. You may vote for or against, or you may abstain from voting on, this proposal, and the accompanying BLUE proxy card will be voted on this proposal in accordance with your instruction thereon if the proposal is presented at the Stockholder Meeting. If you do not indicate any voting instruction, we will vote the BLUE proxy card in our discretion. If the Company does present this proposal, we will study any information the Company includes about the proposal in its proxy materials and will make our voting determination based on that information and on any other relevant facts of which we may be aware.

Except as set forth in this Proxy Statement, including the possible election of the Company's independent accountants, the Third Point Entities are not aware of any other matter to be considered at the Stockholder Meeting. However, if the Third Point Entities learn of any other proposals made at a reasonable time before the Stockholder Meeting, the Third Point Entities will either supplement this Proxy Statement and provide an opportunity to

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

stockholders to vote by proxy directly on such matter or will not exercise discretionary authority with respect thereto. If other proposals are made thereafter, the persons named as proxies on the BLUE proxy card to be supplied by the Third Point Entities will vote proxies solicited hereby in their discretion.

Proxies may be solicited by mail, advertisement, telephone, facsimile, telegraph and personal solicitation by the Third Point Entities and by the Third Point Nominees. No additional compensation will be paid to the Third Point

Entities or to the Third Point Nominees for the solicitation of proxies. Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward the Third Point Entities' solicitation material to their customers for whom they hold shares, and the Third Point Entities will reimburse them for their reasonable out-of-pocket expenses.

The Third Point Entities have retained Georgeson Shareholder Communications, Inc. ("Georgeson") to assist in the solicitation of proxies and for related services. The Third Point Entities will pay Georgeson an estimated fee of up to \$150,000 and has agreed to reimburse it for its reasonable out-of-pocket expenses. Approximately 40 persons will be used by Georgeson in its solicitation efforts.

The entire expense of preparing, assembling, printing and mailing this Proxy Statement and related materials and the cost of soliciting proxies will be borne by the Third Point Entities.

The Third Point Entities estimate that the total expenditures relating to its proxy solicitation incurred by the Third Point Entities will be approximately \$_____, approximately \$100,000 of which has been incurred to date. The Third Point Entities intend to seek reimbursement from the Company for those expenses incurred by the Third Point Entities if the Third Point Nominees are elected to the Board of Directors. The Third Point Entities do not intend to propose to the Board of Directors that the question of such reimbursement be put to a vote of the Company's stockholders.

VOTING AND PROXY PROCEDURES

The Third Point Entities believe that it is in the best interest of the Company's stockholders to elect the Third Point Nominees at the Stockholder Meeting because the Third Point Nominees are committed to actively exploring strategic alternatives for the Company, including a sale of the Company or any other alternative that might provide greater shareholder value than a sale. There can be no assurance that the election of the Third Point Nominees or a sale of the Company will maximize shareholder value. THE THIRD POINT ENTITIES RECOMMEND A VOTE FOR THE ELECTION OF THE THIRD POINT NOMINEES BECAUSE THE THIRD POINT ENTITIES BELIEVE THAT THE THIRD POINT NOMINEES WOULD CONTRIBUTE TO THE CREATION OF SHAREHOLDER VALUE.

How do I vote by proxy?

For the proxy solicited hereby to be voted, the BLUE proxy card to be supplied by the Third Point Nominees must be signed, dated and returned to the Third Point Nominees, c/o Georgeson in the enclosed envelope in time to be voted at the Stockholder Meeting. If you wish to vote for the Third Point Nominees, you must submit the BLUE proxy card supplied by the Third Point Entities and must NOT submit the Company's proxy card.

What if I am not the record holder of my shares?

-6-

If your shares are held in the name of a brokerage firm, bank or nominee, only that entity can vote such shares and only upon receipt of your specific instruction. Accordingly, we urge you to contact the person responsible for your account and instruct that person to execute on your behalf the BLUE proxy card.

If I plan to attend the Stockholder Meeting, should I still submit a BLUE proxy?

Whether or not you plan to attend the Stockholder Meeting, we urge you to

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form PREN14A

submit a BLUE proxy. Returning the enclosed proxy card will not affect your right to attend and vote at the Stockholder Meeting.

What if I want to revoke my proxy?

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by (i) submitting a duly executed proxy bearing a later date to the Secretary of the Company, (ii) filing with the Secretary of the Company a later dated written revocation or (iii) attending and voting at the Stockholder Meeting in person. Attendance at the Stockholder Meeting will not in and of itself constitute a revocation.

What should I do if I receive a proxy card solicited by the Company?

If you submit a proxy to us by signing and returning the enclosed BLUE proxy card, do not sign or return the proxy card solicited by the Company or follow any voting instructions provided by the Company unless you intend to change your vote, because only your latest-dated proxy will be counted.

If you have already sent a proxy card to the Company, you may revoke it and provide your support to the Third Point Nominees by signing, dating and returning the enclosed BLUE proxy card.

Who can vote?

Only holders of record of Common Stock on the record date to be established by the Board of Directors for the Stockholder Meeting (the "Record Date"), will be entitled to vote at the Stockholder Meeting. If you are a stockholder of record on the Record Date, you will retain the voting, rights in connection with the Stockholder Meeting even if you sell such shares after the Record Date. Accordingly, it is important that you vote the shares of Common Stock held by you on the Record Date, or grant a proxy to vote such shares on the BLUE proxy card, even if you sell such shares after such date.

What is the required quorum?

According to the Company's bylaws, the holders of a majority of shares of Common Stock entitled to vote at the Stockholder Meeting, present in person or by proxy, constitute a quorum. If the Stockholder Meeting is ordered by the Delaware Chancery Court, the Court could alter the quorum requirement or, in effect, dispense with it.

What vote is required to elect the Third Point Nominees?

Based on the Company's proxy statement for its 2004 annual meeting:

- o the eight nominees receiving the highest number of affirmative votes at the Stockholder Meeting will be elected to the Board of Directors; and
- o abstentions and broker non-votes will be counted as "present" when determining whether there is a quorum, but will not be counted toward a nominee's attainment of a plurality.

How will my shares be voted?
