ARRANGEMENTS REGARDING POSSIBLE CHANGE OF CONTROL

Ben Hill Griffin, III, Chairman of the Board, was a party to a lawsuit involving the families of his four sisters, most of whom were members of a trust (the "Trust") of which Mr. Griffin, III acted as trustee. The terms of the settlement agreements related to this litigation and other related lawsuits provide for the distribution of certain of the assets of the Trust to the families of the four sisters, including the Company stock beneficially owned by the Trust. Subject to review and approval by the Internal Revenue Service the stock transfers contemplated by the settlement agreements, will shift control of Alico from Mr. Griffin, III to The Four Sisters Protectorate and the Protectorate Family Trusts, trusts for the benefit of Mr. Griffin, III's four sisters and their lineal descendants. See "LITIGATION PROCEEDINGS INVOLVING DIRECTORS OR NOMINEES."

SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

To the Company's knowledge, based solely upon a review of Forms 3, 4 and 5 and amendments thereto, furnished to the company during its most recent fiscal year, all statements of beneficial ownership required to be filed with the Securities and Exchange Commission in fiscal 2003 were timely filed, except that William L. Barton filed one late Form 4 related to the sale of 500 shares in the Company and Amy Gravina filed one late Form 3 related to the initial acquisition of shares in the Company by a family member.

NOMINEES FOR ELECTION AS DIRECTORS

At the Annual Meeting nine Directors will be elected to hold office for the ensuing year or until their respective successors are duly elected and qualified. Unless authority is withheld on the attached form of proxy card, such proxy will be voted FOR the election of the nominees set forth below to serve as such Directors. All nominees are currently members of the Board of Directors and have consented to being named in this proxy statement and have notified management that they will serve, if elected. If any of the nominees should be unable to serve as a Director, the persons designated as proxies reserve full discretion to cast their votes for another person in his place. A plurality of the votes received will elect each director. Abstentions will not be counted for the purpose of determining whether a quorum exists.

The Board of Directors recommends that the shareholders vote FOR the proposal to elect the nine nominees listed below as Directors of the Company.

The information set forth below as to age, shareholdings, and business experience for the past five years, including principal occupation or employment (other than with the Company), has been furnished by each nominee.

REPORT ON BOARD SELECTION/INCLUSIVENESS REVIEW

In recognition of the fact that our employees, customers and shareholders represent a greater diversity of backgrounds than ever before, in 2002 we adopted a Policy for Board Inclusiveness Review to ensure that, in seeking qualified candidates to fill vacancies on our Board of Directors, the Company makes a greater commitment to locate candidates whose backgrounds reflect the diversity we see in our employee, shareholder and customer base. While we have never discriminated against any employee, applicant, board candidate, or anyone on the basis of race, color, religion, sex, national origin, age, ancestry or disability, we found that often, in order to achieve diversity, we need to take

Edgar Filing: ALICO INC - Form DEF 14A

affirmative steps to identify qualified candidates who can enhance our Board by bringing a different perspective. This does not mean that we will solicit for association with Alico, Inc. anyone other than those whose skills, education, experience and performance are of the highest caliber. However, it does mean that we will actively seek to ensure that our candidate pool includes persons with diverse backgrounds.

Typically, Board vacancies are filled after considering nominees proposed by Board members or who come to the attention of the Board through their performance in areas of benefit to the Company. Each nominee's qualifications are reviewed by the Board, and the final selection is made on the basis of the nominee whose experience and background are deemed to provide a more valuable contribution to the Board. On an annual basis, at the shareholder's meeting, the slate of Board members is put to the shareholders for re-election. Board members are selected to serve on those committees where their individual talents and background would most benefit the Company. For the audit committee in particular, committee members are selected based on their expertise in accordance with current SEC and Nasdaq rules. These processes will remain the same, but we have made an increased effort to enlarge our initial candidate pool. Our Policy of Inclusiveness Review will thus ensure that the candidate pool is itself diverse, thus making it more likely that the composition of the Board will also be diverse.

LITIGATION PROCEEDINGS INVOLVING DIRECTORS OR NOMINEES

Ben Hill Griffin, III, Chairman of the Board, was a party to a lawsuit filed against him in Polk County, Florida Circuit Court by the families of his four sisters, most of the members of whom are beneficiaries of a trust, entitled the Ben Hill Griffin, Jr. Revocable Inter Vivos Trust #1 (the "Trust"). The plaintiffs in the lawsuit (The Four Sisters Protectorate, et al. v. Ben Hill Griffin, III, Trustee, Case No. GC-G-0054, Section 81) sought to impose judicial sanctions on Mr. Griffin, III, including his removal as Trustee of the Trust based on allegations of over-compensation and receipt of an illegal bonus. The Company has been informed by Mr. Griffin, III that he has executed a "Settlement Agreement" with the families of his four sisters, The Four Sisters Protectorate, and that the enforceability of the Settlement Agreement was affirmed by both the Circuit court, Case number GC-G-0054, and the second District Court of Appeals for the State of Florida, Case numbers 2D01-5407 and 2D03-0499. A second litigation challenging the enforceability of the Settlement Agreement, Case number 4:01CU432-RH, was dismissed with prejudice by the United States District Court for the Northern District of Florida, Tallahassee Division. The Settlement Agreement had been entered into subject to certain conditions, including Internal Revenue Service approval of the proposed transaction as a tax free split-off for federal income tax purposes and judicial termination of the Trust. Mr. Griffin, III has informed the Company that (a) the issues related to the mechanism and terms of the proposed distribution of certain of the assets of the Trust to the families of the four sisters, including the Alico stock beneficially owned by the Trust, have been worked out between the representatives of the four sisters and Ben Hill Griffin, III and are set forth in a definitive separation agreement, and (b) the parties have received a favorable IRS Revenue Ruling related to the original "Settlement Agreement".

On June 11, 2003, BHG Investments, a wholly owned subsidiary of Ben Hill Griffin, Inc. ("BHG") and the record owner of 3,493,777 shares of The Company (the "Alico Shares") was merged into Alico Holding, LLC (the "Merger"), another entity wholly owned by BHG. Also on June 11, 2003, Mr. Griffin, III, individually and as trustee of the Trust, BHG, BHG Investments (prior to consummation of the Merger) and certain beneficiaries of the Trust entered into a supplemental settlement agreement (the "Griffin Agreement"), which set forth certain actions to be performed by Mr. Griffin, III, as Trustee, to facilitate the performance of a separate supplement agreement that had been executed on

Edgar Filing: ALICO INC - Form DEF 14A

June 5, 2003, by and among other of the Trust's beneficiaries and members of their respective families (the "2003 Mediated Settlement Agreement"). The purpose of both the Griffin

4

Agreement and the 2003 Mediated Settlement Agreement, each resulting from further mediation, was to finally settle all disputes among the parties to the Mediation Settlement Agreement, thereby facilitating final performance of the Settlement Agreement. On August 6, 2003, an order Approving Supplemental Mediation Settlement Agreements was entered by the Tenth Judicial Circuit Court in and for Polk County, Florida, Case No. GC-G-0054, approving the Griffin Agreement and the 2003 Mediated Settlement Agreements as being in the best interests of all persons having any interest in the Trust and authorizing Mr. Griffin, III, as Trustee, to perform all of the actions required of him under each Agreement. Those actions, following receipt of a favorable revised private letter ruling from the Internal Revenue Service that takes into account the changes to the Griffin Agreement and the "2003 Mediated Settlement Agreement", will result in the transfer and assignment of the Alico Shares to a Florida corporation formed for the purpose of transferring and assigning of substantially all shares of that corporation's issued and outstanding voting stock to Atlantic Blue Trust, Inc. ("ABT"), an entity to be formed as a subsidiary of BHG Investments. BHG Investments will then distribute the stock of ABT up to B.H.G., Inc., the parent company of BHG Investments, which will then transfer such stock to The Four Sisters Protectorate and the Protectorate Family Trusts, trusts for the benefit of Mr. Griffin, III's four sisters and their lineal descendants, so as to cause control of Alico to shift from Mr. Griffin, III to such trusts.

The Company opted out of the Florida Business Corporation Act's provision on Affiliated Transactions and Control Share Acquisitions (currently Sections. 607.0901 and 607.0902, Florida Statutes) under the predecessor statutes to such sections, and therefore transactions contemplated by the Settlement Agreement may not be subject to shareholder approval or review by the Company's Board of Directors.

DIRECTORS' COMPENSATION, COMMITTEES OF THE BOARD OF DIRECTORS AND CERTAIN MEETINGS

The Company's Board of Directors held 13 meetings in fiscal 2003. Each member of the Board of Directors, including employees of the Company, received \$1,000 for each board meeting attended. During the year ended August 31, 2003, no director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Board and (2) the total number of meetings of all the Committees of the Board on which he or she served.

The Company has the following standing committees: an Executive Committee, an Audit Committee and a Compensation Committee. The Company does not have a Nominating Committee.

The Executive Committee, which exercises, to the extent permitted by Florida law, all the powers of the Board of Directors during intervals between Board meetings, consists of Ben Hill Griffin, III, and W. Bernard Lester. The Executive Committee met 12 times during fiscal 2003. No compensation is paid for meetings of the Executive Committee.

The Audit Committee, which is composed of five independent non-employee directors, met six times during fiscal 2003. The principal functions of the Audit Committee are to recommend to the Board of Directors the engagement of the Company's independent public accountants, to review with such accountants

Edgar Filing: ALICO INC - Form DEF 14A

the plan for and results of their examination of the financial statements of the Company, to determine the independence of such accountants, and to review the adequacy of the system of internal accounting controls, procedures and practices.

The Audit Committee operates pursuant to a Charter approved by the Board, a copy of which was attached to the proxy statement relating to the Annual Meeting of Shareholders held in 2001. All members of the Audit Committee are independent directors as defined by Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. Each outside director received \$1,000 for each committee meeting attended, and the chairman received \$1,250. The Company's Board of Directors has determined the Mr. Walker E. Blount, Jr. is qualified to serve as a financial expert to the Audit Committee. Mr. Walker E. Blount, Jr. has the relevant education and experience and has also supervised other persons' performance of such functions.

The Compensation Committee reviews the compensation of the executive officers of the Company and makes recommendations to the Board of Directors regarding such compensation. The Compensation Committee met two times during the fiscal year 2003. Outside directors were paid \$1,000 for each committee meeting attended, and the chairman was paid \$1,250.

5

Edgar Filing: ALICO INC - Form DEF 14A

Walter E. Blount, Jr., Chairman, Richard C. Ackert, William L. Barton, Monterey Campbell, Amy Gravina and Thomas E. Oakley. With the exception of Mr. Oakley, who is a Director and Vice Chairman of Agri-Insurance Company Ltd., none of the others are an officer or employee of the Company. In addition, there are no interlocking relationships between any of these directors and any other executive officer of the Company.

6

Compensation Committee Report

The Company's general compensation philosophy aims to provide base compensation comparable with similar Florida businesses, allowing the Company to attract and retain qualified employees. In addition, the Company provides incentive compensation through a bonus program which is dependent on the individual's performance and which will also vary with the Company's performance. Accordingly, while the executive compensation program provides an overall level of compensation that is competitive within the Florida agribusiness industry, actual compensation levels in any given year may be greater or less than average competitive levels in comparable companies, depending on the Company's overall performance for such year and on the specific individual's performance or contribution to the Company. As additional incentive compensation, the Company adopted the 1998 Incentive Equity Plan, pursuant to which employees of the Company may be selected by the Board, in the Board's sole discretion, to receive stock options, restricted stock awards, or stock appreciation rights.

The Compensation Committee, comprised of independent directors on the Company's Board of Directors, reviews executive compensation and determines compensation levels which it then recommends to the Board of Directors. In determining the base compensation and any bonuses to be awarded to its executives, the Compensation Committee uses no set formula but rather evaluates a series of factors, including but not limited to (i) industry performance for such year, (ii) the Company's performance as compared to others in the industry that year, (iii) the Company's performance for such year as compared to the Company's performance with the previous year, and (iv) the individual's performance or contributions for such year as compared with such individual's performance or contributions the previous year, if applicable. In addition, the Compensation Committee will, in its discretion, evaluate other external and internal factors affecting performance, including individual circumstances.

The Chief Executive Officer's compensation is established using the same criteria as set forth above generally for executive compensation. For fiscal 2003, Mr. Ben Hill Griffin, III's base salary was comparable to that of the previous year, with a bonus award reflecting the Company's performance vis a vis comparable businesses and Mr. Griffin's contribution to such performance. In addition to his base salary and bonus, pursuant to the terms of the Company's 1998 Incentive Equity Plan, Mr. Griffin received a grant of options to purchase 12,500 shares of the Company's common stock on September 10, 2002. The exercise price was based on the market price of the Company's common stock on August 31, 2002. Other Company employees also received stock options as part of their compensation during 2003.

Certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 is not deductible for tax purposes. It is the responsibility of the Compensation Committee to determine whether any actions with respect to this compensation limit should be taken by the Company. During fiscal year 2003 no executive officers of the Company received any compensation in excess of this limit nor is it anticipated that any executive officer will receive any such compensation during fiscal year 2004. Therefore, the

Edgar Filing: ALICO INC - Form DEF 14A

Compensation Committee has not taken any action to date to comply with this limit.

Contingent Compensation

1998 Incentive Equity Plan

The Company maintains an incentive equity plan (the "Incentive Equity Plan") pursuant to which Board members and employees selected by the Board of Directors may receive options to purchase Company common stock, awards of restricted stock, and stock appreciation rights (SARs). The purpose of the Incentive Equity Plan is to advance the interests of the Company and its shareholders by offering participants an opportunity to acquire or increase their proprietary interests in the Company, and thereby receiving additional incentives to achieve the Company's objectives. No stock options, SARs or restricted stock may be granted under the Incentive Equity Plan on or after the tenth anniversary of the Incentive Equity plan's effective date. The Incentive Equity Plan is administered by the Board of Directors.

Pension and Profit Sharing

The Company operates a Profit Sharing Plan under Section 401(k) of the Internal Revenue Code (the "Plan"). Under this Plan a regular employee of the Company becomes eligible to participate upon employment provided he or she continues such employment through the following August 31. Vesting of the Plan begins after two (2) years of service with the Company at which time an employee becomes 20% vested. Vesting increases by 20% with each additional year of service. Employees become fully vested upon completion of six (6) years of service.

The Plan is fully funded by contributions by the Company, except for such contributions of employees electing to take advantage of the salary reduction feature. Contributions by the Company are determined by its Board of Directors from time to time with allocations to employee accounts based on each participant's salary. The Plan also includes a voluntary employee contribution provision pursuant to Section 401(k) of the Internal Revenue Code which allows employees to contribute up to 20% of their salary, or a maximum of \$11,000. All 401(k) accounts are 100% vested.

Employees will be deemed 100% vested and receive full benefits from the Plan, regardless of their standing on vesting schedules, upon retirement on or after age 65, death or permanent disability. Benefits commence within 60 days after request following one of the qualifying events, referred to above, and can be taken as periodic payments or in a lump sum. For the year ended August 31, 2003, the Company contributed a total of \$350,153 to this Plan.

Additional Plan

The Company has a nonqualified defined benefit retirement plan, which covers officers of the Company, as well as certain management and key personnel (the "Nonqualified Plan"). The Nonqualified Plan is being funded by the purchase of insurance contracts and is designed to provide a set monthly benefit after the participant reaches age 65. The participants are required to pay a portion of the cost of the Nonqualified Plan and the Company pays the remaining amount. The expense and monthly benefit amount are based on the participant's annual salary and age at the date of entry into the Nonqualified Plan.

Pension expense for the additional retirement benefits was approximately \$350,153, \$488,000 and \$395,000 for the years ended August 31, 2003, 2002 and 2001, respectively.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

Edgar Filing: ALICO INC - Form DEF 14A

Effective November 2, 1983, the Company entered into a continuing marketing contract covering the majority of its citrus crop with Ben Hill Griffin, Inc., a company which is controlled by Ben Hill Griffin, III, the Company's Chairman of the Board and Chief Executive Officer. This contract provides for modifications to meet changing conditions and cancellation by either party by giving notice prior to August 1 preceding the next fruit season. Modifications to the terms of the contract are made upon the mutual agreement of both parties and can relate to numerous provisions of the contract including the quantity of fruit to be delivered and service fees to be collected by Ben Hill Griffin, Inc. Such modifications may be necessary depending on factors such as weather and general market conditions. During the year ended August 31, 2003, approximately 75% percent of the

11

Company's crop was marketed under this contract. Under the terms of this contract, the Company's fruit is harvested, packed and/or otherwise processed and sold along with fruit from other growers, including Ben Hill Griffin, Inc., and the proceeds distributed on a pro rata basis as sales of the finished product are made by the buyer. The Company bears the cost of harvesting. The co-mingling of fruit with other growers permits the Company to participate in the negotiation of higher prices from buyers that would not likely be available if price negotiations were limited only to the Company's fruit. The marketing contract also permits the Company's fruit to be sold in either fresh or processed form, in whichever market will provide the highest return. Historically, this contract has provided highly competitive returns. Ben Hill Griffin, Inc. receives a handling fee and a marketing fee out of sales proceeds. The assistance provided for by the contract is considerable and reduces the number of staff which the Company would otherwise have to employ. Additionally, the Company may receive advances on sales which are then deducted from its share of the distributed proceeds. Essentially the same amount of the 2003-2004 citrus crop will be marketed under the terms of this contract; also, Ben Hill Griffin, Inc. provides harvesting services for citrus sold to unrelated processors. The total amount paid to Ben Hill Griffin, Inc., under the terms of the marketing contract, for harvesting and other costs was \$6,232,237 during the year ended August 31, 2003. In addition Ben Hill Griffin, Inc. was paid \$2,120,899 for harvesting citrus sold to unrelated processors. These charges are comparable to similar services available in the industry.

The Company purchased from Ben Hill Griffin, Inc., on a competitive bid basis, fertilizer, spray, herbicides and other miscellaneous supplies at a total cost of \$6,378,156 during the year.
