**MATERIAL FACT NOTICE**

**TIM PARTICIPAÇÕES S.A.** ( Company ), in light of Ofício/CVM/SEP/SRE/Nº 63/07 and based on the provisions of Brazilian Law 6.404/76 and CVM Ruling 358/02, hereby informs its shareholders, the market in general and other interested parties, as follows:

1. The O Valor Econômico newspaper, in an article published in its edition of May 2nd, 2007 under the heading Mudança na TI pode gerar oferta no Brasil ( Change in TI may yield an offer in Brazil ), disclosed news on the sale by the shareholders of Olimpia SpA ( Olimpia ) of their respective holdings in Olimpia and the need for a public tender for the acquisition of common shares, as provided for in Article 254-A of Law 6,404/76, as a result of that transaction.
  2. In light of the article mentioned above and in compliance with Ofício/CVM/SEP/SRE/Nº 63/07 , the Company promptly contacted its indirect controller, Telecom Italia SpA ( Telecom Italia ), to obtain the clarifications sought by the Comissão de Valores Mobiliários CVM . The information supplied by Telecom Italia is described in items 3, 4, 5, 6 and 7 below.
  3. As provided for in the Material Fact disclosed by the Company on May 1st, 2007, the shareholders of Olimpia, namely Pirelli & C. SpA ( Pirelli ), Sintonia SpA and Sintonia SA, reached an agreement in connection with the sale of the totality of their respective shareholdings in Olimpia to a company owned by Assicurazioni Generali SpA, Intesa San Paolo SpA, Mediobanca SpA, Sintonia SA and Telefonica SA. In this sense, and according to information supplied to Telecom Italia, which is the same information available to the public and that was disclosed by the parties to the transaction, such transaction will result in a change in the shareholdings of Olimpia.
  4. Olimpia holds an equity interest of approximately 18% of the voting capital of Telecom Italia and at the moment such interest is not defined as control by CONSOB, the Italian Securities and Exchange Commission.
  5. Telecom Italia became aware of the content of the press releases disclosed by the different parties to the transaction (therein included the release disclosed by Telefonica SA),
-

but remains with no knowledge of the precise terms of the agreements entered into by the parties.

6. Assicurazioni Generali SpA, Intesa Sanpaolo SpA, Mediobanca SpA and Sintonia SA, by means of a joint press release disclosed early yesterday morning, clarified that the shareholders' agreements of Telco (the company destined to acquire 100% of the capital of Olimpia and to receive from Generali and Mediobanca 5.6% of the capital of Telecom Italia, with the possibility of ulterior and successive contributions by Telco's shareholders up to the limit of 30% of the voting capital of Telecom Italia, therein included any Telecom Italia shares held directly by such shareholders) will be published within the deadline provided for in the relevant Italian law.

7. According to the applicable Italian law, shareholders' agreements must be published in the media in summary form within ten days counted from their execution and filed with the competent company registry within fifteen days.

8. Finally, the Company will make available in the IPE system Portuguese translations of the joint press release issued by Pirelli, Sintonia SpA and Sintonia SA and that was disclosed by the Company last May 1<sup>st</sup> and of the joint press release issued by Assicurazioni Generali SpA, Intesa Sanpaolo SpA, Mediobanca SpA and Sintonia SA on May 2<sup>nd</sup>.

Rio de Janeiro, May 3rd, 2007

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
