Notice to the Market - TIM joins the home fixed market

Rio de Janeiro, September 10th, 2008 TIM Participações S.A. (BOVESPA: TCSL3 and TCSL4; and NYSE: TSU), which retains direct control of TIM Celular S.A. and indirect control of TIM Nordeste S.A., providing nationwide telecommunication services, announces today the launch of **TIM Fixo**, a product aimed to the home fixed market.

TIM Fixo is a post-paid service aimed to clients who wish to use the TIM fixed service to receive and make calls from their home zone. The new product, which works through TIM's GSM network, does not need to be installed, is free from registration and subscription fees and also, offers value-added services at no additional cost.

After acquiring the offer, clients activate the fixed number and can start to use all **TIM Fixo**'s services and benefits. At first, TIM will offer 250 minutes of local calls to fixed numbers for R\$29.90 per month and competitive national and international long-distance tariffs, in addition to a 30% discount on calls to TIM mobile numbers.

TIM Fixo will be offered to around 300 municipalities with TIM's STFC coverage (Fixed Commuted Telephone Service), including all the state capitals and cities with more than 500,000 inhabitants, covering 60% of the Brazilian urban population. The new service is available in all Brazilian states, including the localities of the first national codes where number portability began in September, 1st: 14 and 17 (São Paulo), 27 (Espírito Santo), 37 (Minas Gerais), 43 (Paraná), 62 (Goiás), 67 (Mato Grosso do Sul) and 86 (Piauí). In these localities, fixed clients from other operators can transfer their numbers to TIM by hiring **TIM Fixo**.

With this new product, TIM, the largest GSM operator in South America, reinforces its convergence strategy by offering the widest communication services portfolio in the market, including mobile service, broadband, pay TV (through partnerships) and now, the home fixed service.

SIGNATURE

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
