**Item 1.01 Entry into a Material Definitive Agreement.**

On August 30, 2005, the Compensation Committee of the Board of Directors of Corinthian Colleges, Inc. (the "Company") approved discretionary bonuses for certain of the Company's executive officers in various amounts, none of which exceeded \$75,000. Neither David G. Moore, Chairman of the Board, nor Jack D. Massimino, Chief Executive Officer and President, received discretionary bonuses.

On August 30, 2005, the Compensation Committee of the Board of Directors of the Company approved amendments to existing Stock Option Agreements between the Company and each of the directors of the Company to provide each director three years after the end of his or her service on the Board to exercise vested stock options. This amendment will only apply to stock options which have an exercise price that is greater than the market price for the Company's common stock as of the date of the amendment. This extended vesting period was recommended to the Compensation Committee by its independent compensation consultant to neutralize market timing as a factor in directors' decisions to serve on the Board. All stock option grants made to the Company's directors on or after August 30, 2005 will contain similar provisions.

The foregoing summary of the Stock Option Agreement Amendment is qualified in its entirety by reference to the text of the Form of Stock Option Agreement Amendment, a copy of which is filed as an exhibit to this report.
