Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

We have an investment in Business Loan Express, LLC (BLX). At December 31, 2005, our investment totaled \$299.4 million at cost and \$357.1 million at value, or 8.9% of our total assets, and was composed of subordinated debt, all of BLX's Class A and Class B Interests, and 94.9% of the Class C Interests. At December 31, 2005, BLX had a three-year \$275.0 million revolving credit facility provided by third party lenders that matured in January 2007. As the controlling equity owner in BLX, we had provided an unconditional guaranty to the revolving credit facility lenders in an amount equal to 50% of the total obligations (consisting of principal, letters of credit issued under the facility, accrued interest, and other fees) of BLX under the revolving credit facility. At December 31, 2005, the principal amount of loans outstanding on the revolving credit facility was \$228.2 million and letters of credit issued under the facility were \$41.7 million. The total obligation guaranteed by us at December 31, 2005, was \$135.4 million.

On March 17, 2006, BLX closed on a new three-year \$500.0 million revolving credit facility that matures in March 2009, which replaces the existing facility. The new facility was provided by 20 banks. The revolving credit facility may be expanded through new or additional commitments up to \$600.0 million at BLX's option. This new facility provides for a sub-facility for the issuance of letters of credit for up to an amount equal to 25% of the committed facility. We have agreed to provide an unconditional guaranty to the new revolving credit facility lenders in an amount equal to 50% of the total obligations (consisting of principal, letters of credit issued under the facility, accrued interest, and other fees) of BLX under the facility. At the closing of the facility, the principal amount of loans outstanding on the revolving credit facility was \$217.6 million and letters of credit issued under the facility were \$41.7 million. The total obligation guaranteed by us at March 17, 2006, was \$130.0 million. This guaranty can be called by the lenders only in the event of a default under the BLX credit facility. BLX was in compliance with the terms of this facility at the closing.
