Rockland Trust Company ("Rockland Trust"), the wholly-owned bank subsidiary of Independent Bank Corp. (the "Company"), is the plaintiff in the pending federal court case commonly known as Rockland Trust Company v. Computer Associates International, Inc., United States District Court for the District of Massachusetts Civil Action No. 95-11683-DPW (the "CA Case"). As previously disclosed on July 30, 2007, the judge who is presiding over the CA case informed the parties on July 24, 2007 that he is "going to enter judgment for Computer Associates." The judge, however, has not yet rendered a Final Judgment or any written opinion to describe the basis for his decision or the amount of any damages to be awarded.

On August 1, 2007 the Company established a \$1.4 million reserve for the CA Case, effective as of June 30, 2007. The \$1.4 Million charge will be reflected in the financial statements contained in the Company's Form 10-Q for the quarter ended June 30, 2007, which will cause net income on those financial statements to differ by \$896,000 from the financial statements disclosed in the Company's July 19, 2007 earnings press release. While the final outcome of the CA Case may differ from the \$1.4 Million that the Company has recorded, the Company does not believe that the final outcome will have either an impact on its operations or any significant effect on its financial position.
