RESOLUTIONS PASSED AT  
THE EIGHTH MEETING OF THE SEVENTH SESSION  
OF THE BOARD OF DIRECTORS

This announcement is made by Huaneng Power International, Inc. (the “Company”) pursuant to Rule 3.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

On 24 April 20, the Board of Directors of the Company convened the Eighth Meeting of the Seventh Session of the Board of Directors (the “Meeting”) by way of written resolutions. Notice of Meeting has been issued on 6 April 2012. The convening of the Meeting complied with the relevant requirements of the Company Law of the People’s Republic of China and the articles of association of the Company. The following resolutions were considered and unanimously passed at the Meeting:

I. PROPOSAL IN RELATION TO THE CHANGES IN ACCOUNTING ESTIMATES OF FIXED ASSETS

1. In order to present a fairer and more appropriate view of the financial position and operating results of the Company where the depreciation period of each fixed asset is aligned closer to its actual useful life, it was agreed that, in conjunction with the actual situation of the Company, changes be made to the estimated useful lives and estimated net residual values of the Company’s fixed assets as of 1 January 2012 pursuant to the Accounting Standards for Business Enterprises and other relevant regulations.
-

2. It was resolved to approve the Announcement of Huaneng Power International, Inc. on the Changes in Accounting Estimates of Fixed Assets prepared by the Company and Liu Guoyue (director) be authorised to make appropriate adjustments to such announcement to keep it in line with the actual situation and to make proper information disclosures.

II. THE 2012 FIRST QUARTERLY FINANCIAL STATEMENTS OF THE COMPANY

Agreed to the 2012 First Quarterly Financial Statements prepared by the Company.

II. THE 2012 FIRST QUARTERLY REPORT OF THE COMPANY

Agreed to the 2012 First Quarterly Report prepared by the Company.

IV. PROPOSAL REGARDING THE EXTENSION OF THE GENERAL MANDATE FOR THE ISSUE OF RMB-DENOMINATED DEBT INSTRUMENTS

Having considered at the 16th Meeting of the Sixth Session of the Board of Directors on 29th March 2011, the Proposal regarding the General Mandate for the issue of RMB-denominated Debt Instruments was passed at the 2010 annual general meeting held on 17 May 2011, pursuant to which the Company may issue either in one or multiple tranches financing instruments of RMB-denominated debt instruments, with a principal amount of up to RMB5 billion in or outside PRC within 12 months from the date the issue is approved at the general meeting, and an unconditional general mandate to be given to the Company's Board of Directors or any two or more Directors to determine the specific terms and conditions and other relevant matters in relation to the issue of relevant debt financing instruments in accordance with the need of the Company and the market conditions as well as the supervisory provisions, including (but not limited to) the amount, interest, terms, potential investors and use of proceeds within the prescribed scope as set out above, and the production, execution and disclosure of all necessary documents.

Given that the effective period of the above mandate would expire on 16 May 2012, and to ensure that the issue of RMB-denominated debt instruments could be processed smoothly, it was agreed to seek approval at the 2011 Annual General Meeting to extend the effective period of the above mandate for 24 months from 16 May 2012, with the authorization remains unchanged.

---

This resolution will be submitted to the 2011 annual general meeting of the Company for consideration.

V. PROPOSAL IN RELATION TO THE PROVISION OF FINANCING GUARANTEE TO JINXING ENERGY

1. It was agreed that the Company shall provide a financing guarantee (the “Guarantee”) of up to RMB 400 million to Shanxi Xishan Jinxing Energy Co., Ltd. (“Jinxing Energy”). The Company will make disclosures as required under the applicable regulations and the listing rules after the execution of the relevant guarantee agreement.
2. It was resolved to authorize Liu Guoyue (director) to sign the relevant guarantee agreement, make proper disclosures and handle other matters in connection with the Guarantee in line with the real situation and in the best interest of the Company.

Fluctuation analysis of the consolidated balance sheet items

- (1) Notes receivable as at the end of period increased compared with the beginning of the period, mainly due to the increase of transactions settled with notes.
  - (2) Advances to suppliers as at the end of the period increased compared with the beginning of the period, mainly due to the increase in the prepayments for fuel purchases.
  - (3) Dividends receivable as at the end of period increased compared with the beginning of the period, mainly due to dividends distributed by investees of the Company.
  - (4) Notes payable as at the end of the period increased compared with the beginning of the period, mainly due to the increase of fuel purchases settled with notes.
  - (5) Advance from customers as at the end of period decreased compared with the beginning of the period, mainly due to the advance received for steam and heating that had been recognised as revenue.
  - (6) Debit balance of tax payable as at the end of the period decreased compared with the beginning of the period, mainly due to the utilization of Valued-added tax recoverable.
  - (7) Interest payables as at the end of period increased compared with the beginning of the period, mainly due to the interest payables accrued for bonds payable but were not yet due as at the end of the period.
  - (8) Other current liabilities as at the end of the period decreased compared with the beginning of the period, mainly due to the repayment of the short-term bonds.
  - (9) Special reserves as at the end of the period increased compared with the beginning of the period, mainly due to the increase of accrued special reserves of coal mining associates.
-

- (10) Currency translation differences as at the end of the period decreased compared with the beginning of the period, mainly due to fluctuation in exchange rates.

Fluctuation analysis of consolidated income statement items

- (1) Tax and levies on operations increased compared with the same period of last year, mainly due to the increase of turnover taxes which serve as the base of tax and levies on operations.
- (2) Financial expenses increased compared with the same period of last year, mainly due to the carryover effect of three interest rate rises for loans denominated RMB in 2011.
- (3) Investment income increased compared with the same period of last year, mainly due to the dividends distributed by investees of the Company accounted for using cost method.
- (4) Income tax expense increased compared with the same period of last year, mainly due to increase in profit.
- (5) Net profit attributable to shareholders of the Company increased compared with the same period of last year, mainly due to: (a) the increase of on-grid tariff after the first quarter of 2011, which reduced the losses of domestic power generation operations, (b) development opportunity in Singapore power market, which contributes a higher profitability of power generation operations in Singapore, and (c) effective cost control of the Company, which serves as the cornerstone of higher profitability.

### CHANGES IN ACCOUNTING ESTIMATES OF FIXED ASSETS

This announcement is made by Huaneng Power International, Inc. (the “Company”) pursuant to Rules 13.09(1) and 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

#### I. GENERAL INFORMATION REGARDING THE CHANGES IN ACCOUNTING ESTIMATES

1. Date of change: 1 January 2012.

2. Reason for change: In order to present a fairer and more appropriate view of the financial position and operating results of the Company where the depreciation period of each fixed asset is aligned closer to its actual useful life, the Company has in conjunction with the Company’s actual situation made changes to the estimated useful lives and estimated net residual values of its fixed assets in China pursuant to the Accounting Standards for Business Enterprises and other relevant rules and regulations.

3. The table below shows the details of status before and after changes:

## II. EXPLANATION PROVIDED BY THE BOARD OF DIRECTORS ON THE REASONABLENESS OF THE CHANGES IN ACCOUNTING ESTIMATES

The Board of Directors is of the view that the changes to the estimated useful lives and estimated net residual values of the Company's fixed assets are made in view of the current business environment and market conditions and with reference to the standard practices of other enterprises in the industry. These changes are consistent with the actual situation of the Company and in compliance with all the applicable regulations. The accounting estimates so adjusted can more accurately and reliably reflect the financial position and operating results of the Company.

III. EFFECT OF THE CHANGES IN ACCOUNTING ESTIMATES ON THE COMPANY

These changes in the estimated useful lives and estimated net residual values of fixed assets are accounted for as changes in accounting estimates and applied prospectively. Such changes will not impact on the financial statements that have already been disclosed by the Company.

Based on the scope of the existing consolidated financial statements, these changes in accounting estimates are expected to reduce the Company's depreciation expense for 2012 by approximately RMB 700 million.

IV. APPROVAL PROCESS

The 8th Meeting of the Seventh Session of the Board of Directors and the 7th Meeting of the Seventh Session of the Supervisory Board of the Company held on 24 April 2012 has respectively passed the proposal in relation to the Changes in Accounting Estimates of Fixed Assets. It is agreed that the Company shall make changes to the estimated useful lives and estimated net residual values of its fixed assets.

V. OPINION OF THE INDEPENDENT DIRECTORS

The independent directors of the Company are of the opinion that these changes to the estimated useful lives and estimated net residual values of the Company's fixed assets are made in conjunction with the Company's actual situation, with reference to the standard practices of other enterprises in the industry, which are in line with the Accounting Standards for Business Enterprises. Following such changes, the accounting estimates can present a more accurate view of the financial position and operating results of the Company. The approval process of these changes is in compliance with the provisions of the Articles of Association of the Company and applicable laws and regulations, is fair and in the interests of the Company and its shareholders as a whole.

VI. OPINION OF THE SUPERVISORY BOARD

The Supervisory Board of the Company is of the opinion that these changes to the estimated useful lives and estimated net residual values of the Company's fixed assets are made in conjunction with the actual situation of the Company, with reference to the standard practices of other enterprises in the industry and are in compliance with relevant requirements of the Accounting Standards for Business Enterprises. The changed
