PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

On 21 April 2015, the board of directors (the "Board") of Huaneng Power International, Inc. (the "Company") has resolved to, among other things, amend the articles of association. Of the resolution to propose to amend the articles of association, the Board shall seek approval to the amendments to the articles of association at shareholders' meeting.

PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

The Board proposes to amend the articles of association, in order to reflect (among other things) the change to the issued share numbers of the Company following completion of the non-public issuance of 365,000,000 H Shares in November 2014.

The proposed amendments to the articles of association shall come into effect upon (i) the passing of a special resolution at the shareholders' meeting to approve the amendments; and (ii) obtaining the approval and registration by the relevant government and regulatory authorities in the PRC.

Details of the proposed amendments to the Articles of Association are as follows:

(a) The original Article 3 which provides that:

"Domicile of the Company:	Huaneng Building, 4 Fuxingmennei Street, Xicheng District, Beijing, People's Republic of China
Postal code:	100031
Telephone number:	63226999
Fax number:	63226888"

is hereby amended as follows:

"Domicile of the Company:	Huaneng Building, 46 Fuxingmennei Street, Xicheng District, Beijing, People's Republic of China
Postal code:	100031
Telephone number:	63226999
Fax number:	63226888"

(b) The original Article 15 which provides that:

“With the approval of the department responsible for the examination and approval of companies as authorized by the State Council, the total number of ordinary shares first issued by the Company is 5 billion shares and the Company issued 3.75 billion shares (domestic- invested shares) to promoters at the time of its establishment, representing 75% of the total number of issued ordinary shares of the Company at that time.

All of the 1.25 billion ordinary shares issued by the Company at the first offering after its establishment are overseas-listed foreign-invested shares, representing 25% of the total number of issued ordinary shares of the Company at that time.

Upon being passed by special resolution in the Company’s general meeting of shareholders and with the approval of relevant departments of the Chinese government, the Company completed the issuance and allotment of an additional 250 million overseas-listed foreign-invested shares and 400 million domestic-invested shares on 4 March 1998 and, taking into account the aforesaid placing and allotment of shares, the structure of the Company’s share capital is as follows: the total number of ordinary shares is 5.65 billion shares, out of these, 4.15 billion shares representing approximately 73.45% of the total number of issued ordinary shares of the Company are held by holders of domestic-invested shares and 1.5 billion shares representing approximately 26.55% of the total number of issued ordinary shares of the Company are held by holders of overseas-listed foreign-invested shares.

Upon being passed by special resolution in the Company’s general meeting of shareholders and with the approval of relevant departments of the Chinese government, the Company completed the issuance and allotment of 350 million domestic-invested shares in 2001, among which 250 million shares are domestic-listed domestic-invested shares and 100 million shares are non- listed domestic-invested shares.

After the above increase of share capital by the issuance and allotment of shares, the Company’s share capital structure was as follows: the total number of ordinary shares was 6 billion shares, out of these, 250 million shares representing approximately 4.17% of the Company’s total share capital were held by holders of domestic-listed domestic-invested shares, 4.25 billion shares representing approximately 70.83% of the Company’s total share capital were held by holders of domestic-invested shares, and 1.5 billion shares representing 25% of the Company’s total share capital are held by holders of overseas-listed foreign-invested shares.

Upon the approval by special resolution in the Company’s general meeting of shareholders, in 2004, the Company declared the payment of dividends, totaling to 3,013,835,600 shares, to the Company’s shareholders with its distributable profits and distributed 3,013,835,600 shares to the Company’s shareholders by converting reserves into the registered capital of the Company.

Upon being passed by special resolution in the Company's general meeting of shareholders and with the approval of relevant departments of the PRC government, the Company completed the issuance of 500 million overseas-listed foreign-invested shares and 1.5 billion domestic-listed domestic-invested shares in December 2010.

The existing structure of the Company's share capital is as follows: the total number of issued ordinary shares of the Company is 14,055,383,440 shares, out of these, 10,500,000,000 shares representing approximately 74.70% of the Company's total share capital are held by holders of domestic-listed shares, and 3,555,383,440 shares representing approximately 25.30% of the Company's total share capital are held by holders of overseas-listed shares."

is hereby amended as follows:

"With the approval of the department responsible for the examination and approval of companies as authorized by the State Council, the total number of ordinary shares first issued by the Company is 5 billion shares and the Company issued 3.75 billion shares (domestic- invested shares) to promoters at the time of its establishment, representing 75% of the total number of issued ordinary shares of the Company at that time.

SIGNIFICANT EVENTS

3.1 Disclosure as to, and reasons for, material changes in accounting items and financial indices of the Company

Applicable Not applicable

Comparing the consolidated balance sheet of 31 March 2015 and 31 December 2014, the consolidated income statement for the three months ended 31 March 2015 and 2014 and the consolidated cash flow statement for the three months ended 31 March 2015 and 2014, the items with material changes are as below:

Fluctuation analysis of the consolidated balance sheet items

1. Cash at bank and on hand as at the end of the period decreased by 31.65% compared with the beginning of the period, mainly due to the consideration paid by the Company for acquisition during this period.
2. Notes receivable as at the end of the period increased by 41.08% compared with the beginning of the period, mainly due to the increase of transactions settled with notes between the Company and its subsidiaries and the grid companies.
3. Dividends receivable as at the end of the period decreased by 61.01% compared with the beginning of the period, mainly due to the dividends received from the associates of the Company.
4. Derivative financial liabilities (current portion) as at the end of the period decreased by 46.86% compared with the beginning of the period, mainly due to the increase in the fair value of the hedging instruments of fuel swaps contracts held by the Company's subsidiary, SinoSing Power Pte. Ltd.
5. Advance from customers as at the end of the period decreased by 36.02% compared with the beginning of the period, mainly due to the decrease in amounts received in advance for power and heat sales by the Company and its subsidiaries.

6. Taxes payable as at the end of the period increased by 61.69% compared with the beginning of the period, mainly due to the increase of income tax payable as a result of the profit increase during the period.
7. Dividends payable as at the end of the period decreased by 73.17% compared with the beginning of the period, mainly due to the dividends paid by the Company's subsidiaries for prior year's declaration.
8. Current portion of non-current liabilities as at the end of the period decreased by 46.53%, compared with the beginning of the period, mainly due to the decrease in current portion of the Company's long-term bonds.
9. Capital surplus as at the end of the period decreased by 40.21%, compared with the beginning of the period, mainly due to the adjustment against capital surplus as a result of the business combination under common control.

Fluctuation analysis of the consolidated income statement items

1. Investment income for the reporting period increased by 34.50% compared with the same period of last year, mainly due to the increase in profit of the associates and joint ventures of the Company.

Fluctuation analysis of the consolidated cash flow statement items

1. Net cash flows generated from operating activities increased by 33.62% compared with the same period of last year, mainly due to the decrease in payments for fuel and materials purchase by the Company and its subsidiaries.
2. Net cash flows used in investment activities increased by 268.80% compared with the same period of last year, mainly due to the increase of net cash outflow of the Company for acquisition of its subsidiaries.
3. Net cash flows used in financing activities decreased by 39.59% compared with the same period of last year, mainly due to the increase of cash received from borrowings among the Company and its subsidiaries.
