SIGNIFICANT EVENTS

3.1 Disclosure as to, and reasons for, material changes in accounting items and financial indices of the Company

☑ Applicable ☐ Not applicable

Comparing the consolidated balance sheet of 30 September 2016 and 31 December 2015, the consolidated income statement for the nine months ended 30 September 2016 and 2015 and the consolidated cash flow statement for the nine months ended 30 September 2016 and 2015, the items with material changes are as below:

Consolidated balance sheet items

- (1) Dividends receivable as at the end of the period decreased by 90.16% compared with the beginning of the period, mainly due to the dividends paid by the joint venture of the Company.
- (2) Other current assets as at the end of the period increased by 109.96% compared with the beginning of the period, mainly due to the increase of advance payment of income tax of a subsidiary of the Company.
- (3) Construction materials as at the end of the period increased by 41.27% compared with the beginning of the period, mainly due to the increased expenditure on equipment by the Company and its subsidiaries.
- (4) Derivative financial liabilities (current portion) as at the end of the period decreased by 67.59% compared with the beginning of the period, mainly due to the increase in the fair value of the hedging instruments of fuel swaps contracts held by the Company's subsidiary, SinoSing Power Pte. Ltd.
- (5) Advances from customers as at the end of the period decreased by 47.34% compared with the beginning of the period, mainly due to the decrease in amounts received in advance for heat sales by the Company and its subsidiaries.
- (6) Salary and welfare payables as at the end of the period increased by 44.02% compared with the beginning of the period, mainly due to rise in provision of staff and workers' bonus and welfare fund according to the board resolution of a subsidiary of the Company.

- (7) Dividends payable as at the end of the period increased by 175.05% compared with the beginning of the period, mainly due to the dividends declared by partially owned subsidiaries of the Company.
- (8) Current portion of non-current liabilities as at the end of the period decreased by 46.19% compared with the beginning of the period, mainly due to the decline in amount of the current portion of the long-term loans and bonds of the Company and its subsidiaries.
- (9) Bonds payable as at the end of the period increased by 37.48% compared with the beginning of the period, mainly due to the issuance of the corporate bond by the Company.
- (10) Other comprehensive income as at the end of the period increased by 849.08% compared with the beginning of the period, mainly due to the changes in currency translation differences and rise in fair value of the hedging instruments of fuel swaps contracts held by the Company's subsidiary, SinoSing Power Pte. Ltd..

Consolidated income statement items

- (1) Non-operating income decreased by 50.22% compared with the same period of last year, mainly due to the less amount of government grants received.
- (2) Net profit attributable to shareholders of the Company decreased by 29.06% compared with the same period of last year, mainly due to the reduction of on-grid tariff for coal-fired power decided by NDRC, decline in power generation and increase in unplanned power transaction compared with the same period of last year.

Consolidated cash flows statement items

- (1) Net cash flows generated from investing activities (net cash outflow) decreased by 58.38% compared with the same period of last year, mainly due to the cash outflow of the Company for acquisition of its subsidiaries last year.
- (2) Net cash flows generated from financing activities (net cash outflow) increased by 43.43% compared with the same period of last year, mainly due to the increase of cash repayments of borrowings among the Company and its subsidiaries.
