Record Date: Close of business on Friday, October
30, 2015. If you were a shareholder at

Each share is entitled to one vote. On

shares of our common stock
outstanding and entitled to vote. Of
those shares, 19,878,700 shares were
beneficially owned or controlled by
the Estate of Muriel F. Siebert, our
former Chairwoman, President and
Chief Executive Officer. This proxy
statement and form of proxy were first
mailed to shareholders on or about
November 11, 2015.

Quorum: The holders of a majority of the
outstanding shares of our common

and entitled to vote, will constitute a
quorum at the meeting. Abstentions
and broker non-votes will be counted
for purposes of determining the

presence or absence of a quorum.

Agenda:

1. Elect four directors.

Any other proper business.

2. However, we currently are not aware of any other matters that will come before the meeting.

Vote Required:

In the case of the proposal to elect directors, the four nominees for director who receive the most votes will be elected. If you withhold authority to vote for any nominee on your proxy card, your vote will not count either for or against the nominee.

Broker Non-votes:

“Broker non-votes” are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the rules of the Financial Industry Regulatory Authority, member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member.

Under the rules of the New York Stock Exchange, New York Stock Exchange-member brokers who hold shares of our common stock in street name for their customers and have transmitted our proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are not permitted to vote on non-routine matters.

Broker non-votes count for quorum purposes, but we do not count broker non-votes as votes for or against any non-routine proposal. Under the New York Stock Exchange rules, the proposal relating to the election of directors is deemed to be a non-routine matter with respect to which brokers and nominees may not exercise their voting discretion without receiving instructions from the beneficial owner of the shares.

Proxies:

Please vote; your vote is important. Prompt return of your proxy will help avoid the

costs of
re-solicitation. Unless
you tell us on the
proxy card to vote
differently, we will

Directors' nominees
for director.

If any nominee
cannot or will not
serve as a director,
your proxy will vote

his or her best

Vote Required: The four nominees for director who receive the most votes will be elected. The enclosed proxy allows you to vote for the election of all the nominees listed, to withhold authority to vote for one or more of the nominees or to withhold authority to vote for all the nominees. If you withhold authority to vote for any nominee on your proxy card, your vote will not count either for or against the nominee.

The persons named in the enclosed proxy intend to vote “**FOR**” the election of all the nominees. Each of the nominees currently serves as a director and has consented to be nominated. We do not foresee that any of the nominees will be unable or unwilling to serve, but if such a situation should arise, your proxy will vote in accordance with his or her best judgment.

THE BOARD OF DIRECTORS DEEMS THIS PROPOSAL TO BE IN THE BEST INTEREST OF SIEBERT FINANCIAL CORP. AND ITS SHAREHOLDERS AND RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

CORPORATE GOVERNANCE

Board Meetings: The Board of Directors held 12 formal meetings during 2014. Each incumbent director attended at least 75% of his or her Board of Directors meetings and all of his or her committee meetings.

Controlled Company: We are a “Controlled Company” as defined in Rule 5615(c)(1) of The Nasdaq Stock Market because the Estate of Muriel F. Siebert, our former Chairwoman, President and Chief Executive Officer, holds more than 50% of our voting power for the election of directors. As a “Controlled Company” we are not required to have a majority of our Board of Directors comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.

Audit Committee of the Board of Directors: The Audit Committee of our Board of Directors currently consists of Ms. Francy, Chairwoman, Ms. Hearn and Mr. Mazzarella. The Board of Directors has determined that Ms. Francy, Ms. Hearn and Mr. Mazzarella is each an “independent director” within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market and within the meaning of the applicable rules and regulations of the Securities and Exchange Commission. The Audit Committee held six meetings during 2014.

The Board of Directors has determined that Mr. Mazzarella qualifies as an “audit committee financial expert” under the applicable rules of the Securities and Exchange Commission.

The Audit Committee was established to (i) assist the Board of Directors in its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements and our auditor’s qualifications and independence, (ii) prepare the report of the Audit Committee contained herein, (iii) retain, consider the continued retention and terminate our independent auditors, (iv) approve audit and non-audit services performed by our independent auditors and (v) perform any other functions from time to time delegated by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, which is available on the website of Muriel Siebert & Co., Inc. at:

<https://www.siebertnet.com/get-started/about/siebert-financial-corp/audit-committee>

Compensation
Committee of the
Board of
Directors:

The Compensation Committee of our Board of Directors currently consists of Ms. Macon, Chairwoman, Ms. Francy and Mr. Mazzarella. The Compensation Committee reviews and determines all forms of compensation provided to our executive officers and directors. The Compensation Committee also administers our stock option and other employee benefit plans. The Compensation Committee does not function pursuant to a formal written charter and as a “Controlled Company” we are not required to comply with The Nasdaq Stock Market’s independence requirements. The Compensation Committee held no meetings during 2014.

The Compensation Committee evaluates the performance of the Chief Executive Officer in terms of our operating results and financial performance and determines her compensation in connection therewith. For the 2014 fiscal year, the cash compensation paid to our Acting Chief Executive was \$250,000

In accordance with general practice in the securities industry, our executive compensation includes base salaries, an annual discretionary cash bonus, and stock options and other equity incentives that are intended to align the financial interests of our executives with the returns to our shareholders. The Compensation Committee determines compensation of our executive officers (other than the Chief Executive Officer) after carefully reviewing self-evaluations completed by the executive officers, each executive officer’s business responsibilities, current compensation, the recommendation of our Chief Executive Officer and our financial performance. We did not award any stock options or other equity incentives to our executive officers in 2014.

As part of its oversight of the Company’s executive compensation, the Compensation Committee considers the impact of the Company’s executive compensation, and the incentives created by the compensation awards that it administers, on the Company’s risk profile. In addition, the Company reviews all of its compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. The review found that there were no excessive risks encouraged by the Company’s rewards programs and the rewards programs do not produce payments that have a material impact on the financial performance of the Company.

Nominating
Committee of the
Board of
Directors:

The Nominating Committee of the Board of Directors currently consists of Ms. Hearn, Chairwoman, Ms. Francy and Ms. Macon. The Nominating Committee does not function pursuant to a formal written charter and as a “Controlled Company” we are not required to comply with The Nasdaq Stock Market’s independence requirements.

The Nominating Committee did not meet in 2014, but acted in 2015 with respect to the recommendation to the Board of Directors of the nomination of each of the directors for re-election at the 2015 Annual Meeting of Shareholders.

The purpose of the Nominating Committee is to identify individuals qualified to become members of our Board of Directors and to recommend to the Board of Directors or the shareholders that such individuals be selected for directorship. In identifying and evaluating nominees for director, the Nominating Committee considers each candidate's experience, integrity, background and skills as well as other qualities that the candidate may possess and factors that the candidate may be able to bring to the Board of Directors. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, the Board of Directors believes that it is essential that its members represent diverse viewpoints, with a broad array of experiences, professions, skills, geographic representation and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board of Directors to best fulfill its responsibilities to the long-term interests of our shareholders.

The Nominating Committee will consider shareholder nominees for election to our Board of Directors. In evaluating such nominees, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees.

Any shareholder wishing to recommend a director candidate for consideration by the Nominating Committee must do so by sending written notice to our Secretary, Joseph M. Ramos, Jr. at 885 Third Avenue, Suite 3100, New York, New York 10022, no later than August 13, 2016. Such notice must include the recommended candidate's name, experience, qualifications and biographical data, as well as information as to whether such candidate would qualify as an "independent director" within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market and the applicable rules and regulations of the Securities and Exchange Commission or as an "audit committee financial expert" under applicable rules and regulations of the Securities and Exchange Commission. The submission must be accompanied by a written consent by the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders and a representation that the information with respect to such nominee is truthful and accurate.

Indemnification of Officers and Directors: We indemnify our executive officers and directors to the extent permitted by applicable law against liabilities incurred as a result of their service to us and against liabilities incurred as a result of their service as directors of other corporations when serving at our request. We have a director's and officer's liability insurance policy, underwritten by Illinois National Insurance Company, a member of the American International Group, Inc., in the annual aggregate amount of \$10 million and a director's and officer's liability insurance policy, underwritten by XL Specialty Insurance Company, in the annual aggregate amount of \$5 million. As to reimbursements by the insurer of our indemnification expenses, the policy has a \$250,000 deductible; there is no deductible for covered liabilities of individual directors and officers.

Annual Shareholders Meeting Attendance Policy: It is the policy of our Board of Directors that all of our directors are strongly encouraged to attend each annual shareholders Meeting Attendance meeting. All of our directors attended the 2014 annual meeting of shareholders.

Code of Ethics: We have adopted a Code of Ethics for Senior Financial Officers applicable to our chief executive officer, chief financial officer, treasurer, controller, principal accounting officer, and any of our other employees performing similar functions. A copy of the Code of Ethics for Senior Financial Officers is available on our website at <https://www.siebertnet.com/get-started/about/siebert-financial-corp/governance>

Board Leadership Structure and Board of Directors: Jane Macon is the Chairwoman of our Board of directors. The Board of Directors does not have a lead independent director. The Company believes this structure allows all of the directors to participate in the full range of the Board's responsibilities with respect to its oversight of the Company's management. The Board of Directors has determined that this leadership structure is appropriate given the size of the Company, the number of directors overseeing the Company and the Board of Directors' oversight responsibilities.

The Board of Directors holds four to seven regular meetings each year to consider and address matters involving the Company. The Board of Directors also may hold special meetings to address matters arising between regular meetings. These meetings may take place in person or by telephone. The independent directors also regularly meet in executive sessions outside the presence of management. The Board of Directors has access to legal counsel for consultation concerning any issues that may occur during or between regularly scheduled Board meetings. As discussed above, the Board has established an Audit Committee, a Compensation Committee and a Nominating Committee to assist the Board in performing its oversight responsibilities.

The Board of Directors' Role in Risk Oversight: Consistent with its responsibility for oversight of the Company, the Board of Directors, among other things, oversees risk management of the Company's business affairs directly and through the committee structure that it has established. The principal risks associated with the Company are risks related to securities market volatility and the securities industry, lower price levels in the securities markets, intense competition in the brokerage industry, extensive government regulation, net capital requirements, customers' failure to pay, investment banking activities, an increase in volume on our systems or other events which could cause them to malfunction, reliance on information processing and communications systems, continuing changes in technology, dependence on the ability to attract and retain key personnel, the ability of our principal shareholder to control many key decisions and there may be no public market for our common stock.

The Board of Directors' role in the Company's risk oversight process includes regular reports from senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The full Board of Directors (or the appropriate committee) receives these reports from management to identify and discuss such risks.

The Board of Directors periodically reviews with management its strategies, techniques, policies and procedures designed to manage these risks. Under the overall supervision of the Board of Directors, management has implemented a variety of processes, procedures and controls to address these risks.

The Board of Directors requires management to report to the full Board of Directors on a variety of matters at regular meetings of the Board of Directors and on an as-needed basis, including the performance and operations of the Company and other matters relating to risk management. The Audit Committee also receives regular reports from the Company's independent registered public accounting firm on internal control and financial reporting matters. These reviews are conducted in conjunction with the Board of Directors' risk oversight function and enable the Board of Directors to review and assess any material risks facing the Company.
