Solicitation of Proxies

The solicitation of proxies for use at the Meeting is being made primarily by the Funds by the mailing on or about January 30, 2017 of the Notice of Joint Meeting of Shareholders, this Proxy Statement and the accompanying proxy card. Supplementary solicitations may be made by mail, telephone or personal interview by officers and Trustees of the Funds and by officers, employees and agents of Computershare Shareowner Services, LLC (“Computershare”), the Funds’ transfer agent, ALPS Fund Services, Inc. (“ALPS”), the Funds’ administrator, Stone Harbor Investment Partners LP (“Stone Harbor” or the “Investment Adviser”), the Funds’ investment adviser, by affiliates of Computershare, ALPS and Stone Harbor and by Broadridge Financial Solutions, Inc. Under the terms of the engagement, Broadridge will be providing a web site for the dissemination of these proxy materials and tabulation services. The expenses incurred in connection with preparing this Proxy Statement and its enclosures will be paid by the Funds. 12-month period, the Independent Trustee will receive \$2,500 per in-person meeting starting with the ninth meeting. The Chair of the Audit Committee of the Board receives additional compensation of \$5,000 per year for his service as Chair. These fees are allocated over the Stone Harbor Fund Complex based on the average net assets of each fund in the Fund Complex, except that fees for additional meetings may be allocated to specific funds if the additional meetings relate only to such funds. During the fiscal period from June 1, 2016 through November 30, 2016, the Board of Stone Harbor Emerging Markets Total Income Fund met two times. During the fiscal year ended May 31, 2016, the Board of Stone Harbor Emerging Markets Total Income Fund met four times. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he is a member.

Board Structure and Leadership

The Boards of the Funds consist of six Trustees, five of whom are Independent Trustees. The Chairman of the Board, Thomas K. Flanagan, is employed by the Investment Adviser as a portfolio manager. Mr. Flanagan is an Interested Trustee because of his position with the Investment Adviser. As noted above, the Trustees meet periodically throughout the year to oversee each Fund's activities, review contractual arrangements with service providers for the Funds and review the Funds' performance. The Boards each also have an Audit Committee and a Nominating Committee, each of which is composed exclusively of all of the Independent Trustees.

Neither Fund has a lead Independent Trustee. However, because much of each Board's work is done at the Board (rather than the Committee) level, and because all of the Independent Trustees are members of the Audit Committees, each Trustee participates in the full range of the Boards' oversight duties, including oversight of the risk management process. In addition, although the Independent Trustees recognize that having a lead Independent Trustee may in some circumstances help coordinate communications with management and otherwise assist a board in the exercise of its oversight duties, the Independent Trustees believe that because of the relatively small size of the Boards, the relatively small number of funds in the complex, the ratio of Independent Trustees to Interested Trustees and the good working relationship among the Board members, it has not been necessary to designate a lead Independent Trustee.

The Boards periodically review their leadership structure, including the role of the Chairman. The Boards also complete an annual self-assessment during which they review their leadership and committee structure and consider whether the structure remains appropriate in light of the Funds' current operations. Each Board believes that

its leadership structure, including having an Interested Trustee as Chairman and the current percentage of the Board who are Independent Trustees, is appropriate given its specific characteristics. These characteristics include: (i) the Investment Adviser's role in the operation of each Fund's business; (ii) the extent to which the work of the Board is conducted by all of the Independent Trustees; (iii) the extent to which the Independent Trustees meet as needed in the absence of members of management and members of the Board who are "interested persons" of each Fund; and (iv) Mr. Flanagan's additional role with the Investment Adviser, which enhances the Board's understanding of the operations of the Investment Adviser and of each Fund.

Risk Management

The Boards' role is one of oversight, rather than active management. This oversight extends to each Fund's risk management processes. These processes are embedded in the responsibilities of officers of, and service providers to, the Funds. For example, the Investment Adviser is primarily responsible for management of each Fund's investment risks. The Boards have not established a formal risk oversight committee. However, much of the regular work of each Board and its standing Committees addresses aspects of risk oversight. For example, the Trustees seek to understand the key risks facing each Fund, including those involving conflicts of interest, how management identifies and monitors these risks on an ongoing basis, how management develops and implements controls to mitigate these risks, and how management tests the effectiveness of those controls.

In the course of providing that oversight, the Boards receive a wide range of reports on each Fund's activities from the Investment Adviser and administrator, including regarding each Fund's investment portfolio, the compliance of each Fund with applicable laws, and each Fund's financial accounting and reporting. The Boards also meet periodically with the Funds' Chief Compliance Officer to receive reports regarding the compliance of each Fund with the federal securities laws and each Fund's internal compliance policies and procedures and meets with the Funds' Chief Compliance Officer at least annually to review the Chief Compliance Officer's annual report, including the Chief Compliance Officer's risk-based analysis for each Fund. The Boards also meet periodically with the portfolio managers of each Fund to receive reports regarding the management of the Fund, including its investment risks.

Audit Committee

Each Audit Committee's primary purposes, in accordance with its written charter, are to assist the respective Board in fulfilling its responsibility for oversight of the integrity of the accounting, auditing and financial reporting practices of each Fund, the qualifications and independence of each Fund's independent registered public accounting firm and each Fund's compliance with legal and regulatory requirements. The Audit Committee reviews the scope of each Fund's audits, each Fund's accounting and financial reporting policies and practices and its internal controls. The Audit Committee approves, and recommends to the Independent Trustees of each Fund for their ratification, the selection, appointment, retention or termination of the Fund's independent registered public accounting firm and approves the compensation of the independent registered public accounting firm. The Audit Committee also approves all

audit and permissible non-audit services provided to each Fund by the independent registered public accounting firm and all permissible non-audit services provided by the Fund's independent registered public accounting firm to the Investment Adviser and any affiliated service providers if the engagement relates directly to the Fund's operations and financial reporting and makes a determination about whether the provision of the foregoing services is compatible with maintaining the independence of each Fund's independent registered public accountant. Each Audit Committee's members, all of whom are Independent Trustees, are: Alan Brott, Heath B. McLendon, Patrick Sheehan, Glenn Marchak, and Bruce Specia.

The Audit Committees act in accordance with the Audit Committee charter (the "Charter") that was most recently reviewed and approved by the Funds' Boards of Trustees on April 27, 2016. The Charter is available at the Funds' website, www.shiplpcef.com. Mr. Brott has been appointed as Chair of the Audit Committees. The Audit Committees are responsible for assisting the Boards of Trustees of the Funds in fulfilling their oversight responsibilities relating to accounting and financial reporting policies and practices of each Fund, including, but not limited to: the adequacy of the Funds' accounting and financial reporting processes, policies and practices; the integrity of each Fund's financial statements; the adequacy of the Funds' overall systems of internal controls; each Fund's compliance with legal and regulatory requirements; the qualification and independence of the Funds' independent registered public accounting firm; the performance of each Fund's internal audit function provided by the Investment Adviser and each Fund's other service providers; and the review of the report required to be included in the Funds' annual proxy statement by the rules of the U.S. Securities and Exchange Commission (the "SEC"). The Audit Committees are also required to prepare an audit committee report to be included in the Funds' annual proxy statement as required by Item 407(d)(3)(i) of Regulation S-K. It is the responsibility of the Funds' service providers to maintain appropriate systems for accounting and internal control, and the Funds' independent registered public accounting firm's responsibility to plan and carry out a proper audit. The Funds' independent registered public accounting firm is ultimately accountable to the Funds' Boards of Trustees and Audit Committees, as representatives of each Fund's shareholders. The Funds' independent registered public accounting firm reports directly to the Audit Committees.

The Audit Committee for Stone Harbor Emerging Markets Income Fund met four times during the Fund's fiscal year ended November 30, 2016. The Audit Committee for Stone Harbor Emerging Markets Total Income Fund met two times during the fiscal period from June 1, 2016 through November 30, 2016, and four times during the fiscal year ended May 31, 2016.

Based on the findings of the Audit Committees, the Boards have determined that Mr. Brott is each Fund's "audit committee financial expert," as defined in the rules promulgated by the SEC, and has accounting or related financial management expertise as required by the New York Stock Exchange (the "NYSE") Listing Standards.

Audit Committee Report

In performing its oversight function, at a meeting held on January 25, 2017, the Audit Committee of the Board of each Fund reviewed and discussed with management of each Fund and each Fund's independent registered public accounting firm, Deloitte & Touche LLP ("Deloitte"), the audited financial statements of each Fund as of and for the fiscal period ended November 30, 2016 and discussed the audit of such financial statements with the Fund's independent registered public accounting firm.

In addition, the Audit Committees discussed with the Funds' independent registered public accounting firm the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committees by the Funds' independent registered public accounting firm required by the Statement of Auditing Standards No. 61, as amended or superseded (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the PCAOB in Rule 3200T. The Audit Committees also received from the Funds' independent registered public accounting firm the written disclosures and letters required by the applicable requirements of the PCAOB regarding the Funds' independent registered public accounting firm's communications with the Audit Committees concerning independence, and has discussed with the Funds' independent registered public accounting firm the Funds' independent registered public accounting firm's independence.

The members of the Audit Committees are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Funds for accounting, financial management or internal control purposes. Moreover, the Audit Committees rely on and make no independent verification of the facts presented to them or representations made by management or the Funds' independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of each Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on their consideration of the audited financial statements and the discussions referred to above with management and the Funds' independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committees set forth in the Charter and those discussed above, the Audit Committees recommended to the Board of Trustees of each Fund that each Fund's audited financial statements be included in each Fund's Annual Report for the fiscal period ended November 30, 2016.

Nominating Committee

Each Fund's Nominating Committee's primary purpose is to canvass, recruit, interview, solicit and nominate Trustees. Each Nominating Committee will accept nominees recommended by a shareholder as it deems appropriate. Shareholders wishing to nominate a candidate for the Board must follow the procedures, abide by the timelines, submit the information and otherwise follow the requirements set forth in the Funds' Bylaws. The Nominating Committees will consider nominees recommended by a Fund's shareholders when a vacancy becomes available. Each Nominating Committee's members, all of whom are Independent Trustees, are: Alan Brott, Heath B. McLendon, Patrick Sheehan, Glenn Marchak, and Bruce Specia. The Nominating Committee for Stone Harbor Emerging Markets Income Fund met once during the Funds's fiscal year ended November 30, 2016. The Nominating Committee for Stone Harbor Emerging Markets Total Income Fund met once during the fiscal period from June 1, 2016 through November 30, 2016, and once during the fiscal year ended May 31, 2016. The Nominating Committees do not have a written charter.

Compensation Committee

The Funds do not have a compensation committee. Due to the small size of the Boards, the fact that much of each Board's work is done at the Board (rather than the committee) level, that the Funds' officers are paid by their respective employers and not by the Funds, and that the Independent Trustees review compensation arrangements for the Independent Trustees and submit their recommendations to the full Boards of Trustees, the Boards believe that it is appropriate not to have a separate compensation committee.

Other Board Related Matters

The Funds do not require Trustees to attend the Annual Meeting of Shareholders.

The Audit Committees may delegate their responsibility

Edgar Filing: Stone Harbor Emerging Markets Total Income Fund - Form DEF 14A

to pre-approve any such audit and permissible non-audit services to the respective Chairman of the Audit Committee and the Chairman of the Audit Committee must report to such Audit Committee at its next regularly scheduled meeting after the Audit Committee Chairman's pre-approval of such services, his decision(s). The Audit Committees may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committees' pre-approval responsibilities to other persons (other than the Investment Adviser or the relevant Fund's officers). Pre-approval by the Audit Committees of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to a Fund, the Investment Adviser and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by a Fund to its independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by a Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the applicable Audit Committee and approved by such Audit Committee or Audit Committee Chairman prior to the completion of the audit. All of the audit, audit-related and tax services described above for which Deloitte billed the Funds for the fiscal years ended November 30, 2016 and May 31, 2016 were pre-approved by the Audit Committees.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require that each Fund's officers and Trustees, officers and Directors of the Investment Adviser, affiliated persons of the Investment Adviser, and persons who beneficially own more than 10% of a registered class of a Fund's shares file reports of ownership and changes in ownership with the SEC and the NYSE and to furnish the Fund with copies of all Section 16(a) forms they file. Mr. Specca did not own any Fund shares reportable on Form 3. With respect to the Stone Harbor Emerging Markets Total Income Fund, a statement of beneficial ownership on Form 4 for Mr. Flanagan, a Trustee of the Fund, was not filed before the end of the second business day following the day on which a transaction resulting in a change of beneficial ownership was executed, due to an administrative error. The affirmative vote of a plurality of votes cast for each nominee by the holders entitled to vote for a particular nominee is necessary for the election of a nominee.

For the purpose of electing nominees, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the election. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of each Fund's quorum.

Shareholders of each Fund will be informed of the voting results of the Meeting in the Funds' Semi-Annual Report dated May 31, 2017.

OTHER MATTERS TO COME BEFORE THE MEETING

Shareholders may mail written communications to a Fund's Board, to committees of such Board or to specified individual Trustees in care of the Secretary of the relevant Fund, 31 West 52nd Street, 16th Floor, New York, New York 10019. All shareholder communications received by the Secretary will be forwarded promptly to the relevant Board, the relevant Board's committee or the specified individual Trustees, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to a Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in a Fund or is purely ministerial in nature.

The submission of such a proposal does not guarantee that it will be included.

IF VOTING BY PAPER PROXIES, IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN THE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.
