PROXY STATEMENT

Annual Meeting of Stockholders To Be Held October 21, 2016

GENERAL INFORMATION

This Proxy Statement is furnished to stockholders of Ocean Power Technologies, Inc., a Delaware corporation (the “Company”), in connection with the solicitation by our Board of Directors of proxies for use at our 2016 Annual Meeting of Stockholders (the “Meeting”). The Meeting is scheduled to be held on Friday, October 21, 2016, at 9:00 a.m., Eastern Daylight Time, at the Courtyard by Marriott, 360 Scotch Road, Ewing, NJ 08628. We anticipate that this Proxy Statement and the enclosed form of proxy will be mailed to stockholders on or about September 12, 2016.

At the Meeting, stockholders will be asked to vote upon: (1) the election of six directors; (2) the ratification of the selection of our independent registered public accounting firm for fiscal year 2017; (3) an advisory resolution to approve our executive officer compensation; (4) the approval of an amendment to the Ocean Power Technologies, Inc. 2015 Omnibus Incentive Plan; (5) the approval of an amendment to our Certificate of Incorporation to delete the “only for cause” director removal by stockholder provision; (6) the approval of an amendment to our Certificate of Incorporation to add a provision requiring conformity with the DGCL; and (7) such other business as may properly come before the Meeting and at any adjournments thereof.

Voting Rights and Votes Required

The close of business on September 1, 2016 has been fixed as the record date (the “Record Date”) for the determination of stockholders entitled to receive notice of, and to vote at, the Meeting. As of the close of business on such date, we had outstanding and entitled to vote _____ shares of common stock, par value \$0.001 per share (the “Common Stock”). The closing price of our Common Stock on The NASDAQ Capital Market on the Record Date was \$_____ per share. Because stockholders often cannot attend the meeting in person, a large number of shares is usually represented by proxy. You may vote your shares by completing the enclosed proxy card and mailing it in the envelope

provided or by telephone or internet as instructed on the proxy card. Stockholders who hold shares in “street name” should refer to their proxy card or the information forwarded by their bank, broker or other holder of record for instructions on the voting options available to them.

A majority of the shares of Common Stock entitled to vote at the Meeting must be represented in person or by proxy at the Meeting in order to constitute a quorum for the transaction of business. The record holder of each share of Common Stock entitled to vote at the Meeting will have one vote for each share so held. Abstentions and broker non-votes will count as present for the purpose of determining the presence of a quorum.

Assuming the presence of a quorum at the Meeting, the following votes are required for approval of the following proposals:

Directors are elected by a plurality of the votes cast (Proposal 1). This means that the six nominees with the highest number of “FOR” votes will be elected as directors. Stockholders may not cumulate their votes. If the shares you own are held in “street name” by a bank or brokerage firm, that bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. **If you do not instruct your bank or broker how to vote with respect to this item, your bank or broker may not vote with respect to the election of directors.** In tabulating the votes, withheld votes for the election of one or more nominees and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the outcome of the vote.

The proposal to ratify the selection of our independent registered public accounting firm (Proposal 2), the advisory resolution to approve our executive officer compensation (Proposal 3), and the proposal to approve an amendment to the Ocean Power Technologies, Inc. 2015 Omnibus Incentive Plan to increase the number of shares available for future grants (Proposal 4) each require the affirmative vote of the holders of a majority of the shares of our Common Stock present or represented at the Meeting and voting on the proposal. Abstentions and broker non-votes are not considered votes cast and therefore will have no effect on the outcome of the vote on these proposals.

The proposal to authorize an amendment to our Certificate of Incorporation to allow for the removal of directors, with and without cause, by the stockholders (Proposal 5) requires the affirmative vote of 75% of the shares of our outstanding Common Stock entitled to vote thereon. The proposal to authorize an amendment to our Certificate of Incorporation to add a provision to require conformity with the Delaware General Corporate Law (Proposal 6) requires the affirmative vote of a majority of the shares of our outstanding Common Stock entitled to vote thereon. Broker non-votes and abstentions from voting on these two proposals will count as votes cast and will have the same effect as a vote against the proposal.

Our Board of Directors has retained Regan & Associates, Inc., an independent proxy solicitation firm, to assist it in soliciting proxies, for approximately \$55,000. Proxies may be solicited in person or by mail, telephone or other electronic means.

Voting of Proxies

If the accompanying proxy is properly executed and returned, the shares represented by the proxy will be voted at the Meeting as specified in the proxy. If no instructions are specified, the shares represented by any properly executed proxy will be voted **FOR** the election of the nominees listed below under “Proposal One - Election of Directors,” **FOR** the ratification of the selection of our independent registered public accounting firm, **FOR** the approval of the advisory resolution to approve our executive compensation, **FOR** the approval of an amendment to our 2015 Omnibus Incentive Plan, **FOR** the approval of an amendment to our Certificate of Incorporation to delete the “only for cause” director removal provision, and **FOR** the approval of the amendment to our Certificate of Incorporation to require conformity with the Delaware General Corporate Law.

Broker Non-Votes

A “broker non-vote” occurs when a broker, bank, or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder (i) has not received instructions from the beneficial owner and (ii) does not have discretionary voting power for that particular item.

If you are a beneficial owner and you do not give instructions to your broker, bank, or other holder of record, such holder of record will be entitled to vote the shares with respect to “routine” items but will not be permitted to vote the shares with respect to “non-routine” items (those shares are treated as “broker non-votes”). If you are a beneficial owner, your broker, bank, or other holder of record has discretion to vote your shares on the proposal to ratify the appointment of KPMG as our independent registered public accounting firm if the holder of record does not receive voting instructions from you. However, such holder of record may not vote your shares on the election of directors or the proposals to approve the amendment to the 2015 Omnibus Incentive Plan, to amend our Certificate of Incorporation (both to delete the “only for cause” provision and to add the requirement to conform to the Delaware General Corporate Law), or the advisory resolution regarding executive compensation without your voting instructions on those proposals. Accordingly, without your voting instructions on those proposals, a broker non-vote will occur.

We encourage you to provide instructions to your bank, brokerage firm, or other nominee by voting your proxy. This action ensures that your shares will be voted in accordance with your wishes at the Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by a stockholder at any time before it is exercised by: (i) providing written notice to our Secretary, (ii) delivery to us of a properly executed proxy bearing a later date, or (iii) voting in person at the Meeting.

Solicitation of Proxies

We will bear the cost of this solicitation, including amounts paid to banks, brokers, proxy solicitors, and other record owners to reimburse them for their expenses in forwarding solicitation materials regarding the Meeting to beneficial owners of Common Stock. The solicitation will be by mail, with the materials being forwarded to stockholders of record and certain other beneficial owners of Common Stock, and by our officers and other regular employees (at no additional compensation). Our officers, employees and proxy solicitors may also solicit proxies from stockholders by personal contact, by telephone, or by other means if necessary in order to ensure sufficient representation at the Meeting.

Computershare Investor Services has been retained to receive and tabulate proxies. Regan & Associates, Inc. has been retained to assist in soliciting proxies.

Our Board of Directors believes that good corporate governance is important to ensure that the Company is managed for the long-term benefit of our stockholders. This section describes key corporate governance guidelines and practices that our Board has adopted. Complete copies of our corporate governance guidelines, committee charters and code of business conduct and ethics are available on the corporate governance section of our website, www.oceanpowertechnologies.com. Alternatively, you can request a copy of any of these documents by writing to our Secretary at 1590 Reed Road, Pennington, NJ 08534.

Corporate Governance Guidelines

Our Board has adopted corporate governance guidelines to assist in the exercise of its duties and responsibilities and to serve the best interests of the Company and our stockholders. These guidelines, which provide a framework for the conduct of the Board's business, provide that:

- the Board's principal responsibility is to oversee the management of the Company;

- a majority of the members of the Board shall be independent directors;

- the non-employee directors shall meet regularly in executive session;

- directors have full and free access to management and, as necessary and appropriate, independent advisors; and

- at least annually, the Board and its committees will conduct a self-evaluation to determine whether they are functioning effectively.

Board Determination of Independence

Our Board has determined that all of our current directors are "independent directors" within the meaning of the applicable listing standards of the NASDAQ Stock Market, LLC ("NASDAQ"), except for George H. Kirby who is our President and Chief Executive Officer.

Meetings of the Board of Directors

As of the date of this proxy statement, our Board has six members. From and after the 2016 Annual Meeting of Stockholders, our Board will continue to consist of six members. The Board of Directors held twelve meetings during fiscal 2016. During fiscal 2016, each director attended at least 75% of the aggregate of the total number of meetings of (a) the Board of Directors and (b) the committees on which such director served.

Our corporate governance guidelines provide that directors are expected to attend the Annual Meeting of Stockholders. All directors then serving (except departing director David Keller) attended our 2015 Annual Meeting of Stockholders.

Board Leadership Structure

The Board of Directors is led by the chairman, which currently is Mr. Cryan. The Board of Directors has established the position of Vice Chairman, which currently is Mr. Glover. The Board of Directors has also established the position of Chief Executive Officer (CEO), and currently Mr. Kirby is serving as CEO. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate. Accordingly, the Board of Directors periodically reviews its leadership structure.

Board Committees

As of the date of this proxy statement, our Board of Directors has established four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and a Health, Safety and Environment Committee. Each committee operates under a charter that has been approved by the Board. The charters of all Board committees are available on our website at www.oceanpowertechnologies.com.

Our Board has determined that all of the current members of the Compensation Committee and the Nominating and Corporate Governance Committee are “independent directors” within the meaning of the applicable rules of NASDAQ. Our Board has also determined that all current Audit Committee members meet the independence requirements contemplated by Rule 5605(c) of the NASDAQ Stock Market and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Audit Committee. As of the date of this proxy statement, the members of our Audit Committee are Terence J. Cryan, Dean J. Glover, and Robert J. Burger. The Compensation Committee met six times in fiscal 2016.

The Compensation Committee has the authority to retain compensation consultants and other outside advisors to assist in the evaluation of executive officer compensation and any such compensation consultants and other advisors retained by the Compensation Committee will report directly to the committee, which has the authority to select, retain and terminate any such consultants or advisors. In determining and approving executive compensation for fiscal year 2015, the Compensation Committee principally relied on independent salary surveys and other publicly available compensation and online survey data to assist in their evaluation of appropriate levels of executive officer compensation. The Compensation Committee retained an outside consultant to provide certain limited data and information relevant to its determination of compensation for our executive officers for fiscal year 2016 and future years.

Additional information regarding compensation of executive officers is provided on pages 16 through 23 of this Proxy Statement.

Nominating and Corporate Governance Committee. As of the date of this proxy statement, the members of our Nominating and Corporate Governance Committee are Terence J. Cryan, Dean J. Glover, and Robert J. Burger. Mr. Cryan is the chair of the committee.

The Health, Safety and Environment Committee met three times in fiscal year 2016.

Risk Oversight

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board of Directors regularly reviews information regarding the Company's financial position and operations, as well as the risks associated with each. While the Board of Directors is ultimately responsible for risk oversight at the Company, our Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements. The Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. Our Health, Safety and Environment Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the Company's health, safety and environment policies, programs and practices.

Director Nomination Process

The current nominees for election to the Board were recommended for the Board's nomination by our Nominating and Corporate Governance Committee, which is comprised solely of independent directors, and based on such recommendation, were nominated by the full Board of Directors. At the Meeting, stockholders will be asked to consider the election of Terence J. Cryan, Dean J. Glover, George H. Kirby, Robert J. Burger, Steven M. Fludder and Robert K. Winters.

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board.

In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, our Nominating and Corporate Governance Committee applies the criteria set forth in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry or of other industries with comparable risks and issues, experience, diligence, potential conflicts of interest and the ability to act in the interests of all stockholders. The Nominating and Corporate Governance Committee considers the value of diversity when recommending candidates. The committee views diversity broadly to include diversity of experience, skills and viewpoint. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. Our Board believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow it to fulfill its responsibilities.

Stockholders may recommend individuals to our Nominating and Corporate Governance Committee for consideration as potential director candidates. The Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following the same process and applying the same criteria as it follows for candidates submitted by others.

Stockholders may directly nominate a person for election to our Board by complying with the procedures set forth in Article I, Section 1.10 of our by-laws, and with the rules and regulations of the SEC. Under our by-laws, only persons nominated in accordance with the procedures set forth in the by-laws will be eligible to serve as directors. In order to nominate a candidate for service as a director, you must be a stockholder at the time you give the Board notice of your nomination, and you must be entitled to vote for the election of directors at the meeting at which your nominee will be considered. In accordance with our by-laws, director nominations generally must be made pursuant to notice to our Secretary delivered to or mailed and received at our principal executive offices at 1590 Reed Road, Pennington, NJ 08534, not later than the 90th day, nor earlier than the 120th day, prior to the first anniversary of the prior year's annual meeting of stockholders. The stockholder making the nomination must include his or her name and address, a statement as to the class and amount of shares beneficially owned by the stockholder, a description of any arrangements or understandings between the stockholder and the nominee, a representation that the stockholder intends to appear in person or by proxy at the annual meeting and a representation as to whether such stockholder intends, or is part of a group that intends, to deliver a proxy statement/and or solicit proxies.

Communicating with the Independent Directors

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. The chairman (if an independent director), or the lead independent director (if one is appointed), or otherwise the chairman of the Nominating and Corporate Governance Committee, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he or she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments considered to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to Board of Directors c/o Secretary, Ocean Power Technologies, Inc., 1590 Reed Road, Pennington, NJ 08534.

The Code of Business Conduct and Ethics is posted on our website at www.oceanpowertechnologies.com and can also be obtained free of charge by sending a request to our Secretary at 1590 Reed Road, Pennington, NJ 08534. Any changes to or waivers under the Code of Business Conduct and Ethics as it relates to our chief executive officer, chief financial officer, controller or persons performing similar functions must be approved by our Board of Directors and will be disclosed in a Current Report on Form 8-K within four business days of the change or waiver.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act and the rules issued thereunder, our executive officers and directors are required to file with the SEC reports of ownership and changes in ownership of Common Stock. Copies of such reports are required to be furnished to us. Based solely on a review of the copies of such reports furnished to us, or written representations that no other reports were required, we believe that all required reports were filed in fiscal 2016 in a timely manner.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval of Related Person Transactions

The Audit Committee is charged with the responsibility of reviewing and approving all related person transactions (as defined in SEC regulations), and periodically reassessing any related person transaction entered into by the Company to ensure continued appropriateness. This responsibility is set forth in our Audit Committee charter. A related party transaction will only be approved if the members of the Audit Committee determine that the transaction is in the best interests of the Company. If a director is involved in the transaction, he or she will recuse himself or herself from all decisions regarding the transaction.

Board Determination of Independence

Under applicable NASDAQ rules, a director will only qualify as an “independent director” if they are not an executive officer or employee of the Company, and, in the opinion of our Board of Directors, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board has determined that all of our current directors are “independent directors” within the meaning of the applicable listing standards of the NASDAQ, except for George H. Kirby who is our President and Chief Executive Officer.

EXECUTIVE COMPENSATION

Overview of Executive Compensation

Our Compensation Committee is responsible for overseeing the compensation of all of our executive officers. In this capacity, the Compensation Committee designs, implements, reviews and approves all compensation for our named executive officers. The goal of the Compensation Committee is to ensure that our compensation programs are aligned with our business goals and objectives and that the total compensation paid to each of our named executive officers is fair, reasonable and competitive.

Compensation Objectives and Philosophy

Our compensation programs are designed to attract and retain qualified and talented executives, motivating them to achieve our business goals and rewarding them for superior short- and long-term performance. In particular, our compensation programs are intended to reward the achievement of specified predetermined quantitative and qualitative goals and to align our executives' interests with those of our stockholders in order to attain the ultimate objective of increasing stockholder value.

Elements of Total Compensation and Relationship to Performance

Key elements of these programs include:

- base salary compensation designed to reward annual achievements, with consideration given to the executive's qualifications, scope of responsibility, leadership abilities and management experience and effectiveness;

- cash bonus awards designed to align executive compensation with business objectives and performance; and

equity-based incentive compensation, primarily in the form of stock options and restricted stock, the value of which is dependent upon the performance of our Common Stock, and which is subject to multi-year vesting that requires continued service and/or the attainment of certain performance goals.

Determining and Setting Executive Compensation

Our management develops our compensation plans by utilizing publicly available compensation and on-line survey data for a broad selection of national and regional companies, which we believe are generally comparable to the Company in terms of public ownership, organizational structure, size and stage of development, and against which we believe we may compete for executive talent. The results of these analyses are reviewed with and approved by the Compensation Committee annually. We believe that these compensation practices provide us with appropriate compensation guidelines. The Compensation Committee generally targets compensation for our executives near the median range of compensation paid to similarly situated executives in comparable companies covered by the on-line survey data. Other considerations, including market factors, the unique nature of our business and the experience level of an executive, may dictate variations to this general target.

Our business is characterized by a long product development cycle, including a lengthy engineering and product-testing period and regulatory approval and licensing. Because of this, many of the traditional benchmarking metrics, such as product sales, revenues and profits are inappropriate for our Company. Instead, the specific factors the Compensation Committee considers when determining our named executive officers' compensation include:

- key product development initiatives;
- technology advancements;
- achievement of regulatory and other commercial milestones;
- establishment and maintenance of key strategic relationships;
 - implementation of appropriate financing strategies; and
- financial and operating performance.

If such termination occurs after the first year of employment, Mr. Kirby will receive twelve months of his base salary then in effect. Pursuant to this agreement, Mr. Kirby is prohibited from competing with us and soliciting our customers, prospective customers or employees during the term of his employment and for a period of one year after the termination or expiration of his employment.

Stock Option and Other Compensation Plans

2001 Stock Plan

Our 2001 Stock Plan was adopted by our Board of Directors and approved by our stockholders on August 24, 2001. The 2001 Stock Plan provided for the grant of incentive stock options, non-statutory options, restricted stock awards and stock awards. A maximum of 1,000,000 shares of Common Stock were authorized for issuance under our 2001 Stock Plan. Our employees, officers, directors, consultants and advisors were eligible to receive awards under our 2001 Stock Plan; however, incentive stock options could only be granted to our employees.

Our Board of Directors administered our 2001 Stock Plan. Pursuant to the terms of our 2001 Stock Plan, and to the extent permitted by law, our Board could delegate administrative authority to a committee composed of two or more of our non-executive directors. Our Board of Directors, or a committee to whom the Board of Directors delegated authority, selected the recipients of awards and determines:

- the number of shares of Common Stock covered by options and the dates upon which the options become exercisable;
- the exercise price of options;
- the duration of the options; and
- the terms and conditions of awards, including transfer restrictions, conditions for repurchase and rights of first refusal.

The 2001 Stock Plan provided that outstanding options shall become fully exercisable if we underwent a fundamental transaction, as defined in the 2001 Stock Plan, and the successor entity did not assume the options under the 2001 Stock Plan or substitute equivalent options.

As of April 30, 2016, options to purchase 570 shares of our Common Stock at a weighted average exercise price of \$138.00 were outstanding under our 2001 Stock Plan. No further stock options or other awards have been granted under the 2001 Stock Plan since the effective date of our 2006 Stock Incentive Plan described below.

2006 Stock Incentive Plan

Our 2006 Stock Incentive Plan was adopted by our Board of Directors on December 7, 2006, was approved by our stockholders on January 12, 2007 and became effective on April 24, 2007. The 2006 Stock Incentive Plan provides for the grant of incentive stock options, non-statutory stock options, restricted stock awards and other stock-unit awards. On October 2, 2009, an amendment to the 2006 Stock Incentive Plan was approved, increasing the aggregate number of shares authorized for issuance by 850,000 shares to 1,653,215 shares. In 2010, our Board of Directors approved amending and restating the 2006 Stock Incentive Plan to make certain adjustments, including imposing minimum performance periods for performance awards and minimum vesting periods for time-based awards, a requirement that we obtain stockholder approval prior to certain option and stock appreciation right repricing actions, and limiting the situations in which vesting periods may be waived or accelerated. This amendment and restatement did not require the approval of our stockholders. On October 2, 2013, a further amendment to the 2006 Stock Incentive Plan was approved by our stockholders, increasing the aggregate number of shares authorized for issuance by an additional 800,000 shares to 2,453,215.

Our employees, officers, directors, consultants and advisors are eligible to receive awards under our 2006 Stock Incentive Plan; however, incentive stock options may only be granted to our employees. The maximum number of shares of Common Stock with respect to which awards may be granted to any participant under our 2006 Stock Incentive Plan is 200,000 per calendar year.

Our 2006 Stock Incentive Plan was administered by our Board of Directors. Pursuant to the terms of our 2006 Stock Incentive Plan, and to the extent permitted by law, our Board of Directors could delegate authority to one or more committees or subcommittees of the Board of Directors or to our officers. Our Board of Directors or any committee to whom the Board of Directors delegates authority selected the recipients of awards and determined:

- the number of shares of Common Stock covered by options and the dates upon which the options become exercisable;

- the exercise price of options; provided, however, that the exercise price shall not be less than 100% of the fair market value of the underlying Common Stock on the date the option is granted;

- the duration of the options; and

- the number of shares of Common Stock subject to any restricted stock or other stock-unit awards and the terms and conditions of such awards, including conditions for repurchase, issue price and repurchase price.

If our Board of Directors delegated authority to an officer, the officer had the power to make awards to all of our employees, except to executive officers. Our Board of Directors fixed the terms of the awards to be granted by such officer, including the exercise price of such awards, and the maximum number of shares subject to awards that such officer could make.

If a merger or other reorganization event occurred, our Board of Directors could provide that all of our outstanding options are to be assumed or substituted by the successor corporation. Our Board of Directors could also provide that, in the event the succeeding corporation did not agree to assume, or substitute for, outstanding options, then all unexercised options would become exercisable in full prior to the completion of the event and that these options would terminate immediately prior to the completion of the merger or other reorganization event if not previously exercised. Our Board of Directors could also provide for cashing out the value of any outstanding options.

No awards could be granted under our 2006 Stock Incentive Plan after December 6, 2016, but the vesting and effectiveness of awards granted before that date could extend beyond that date. Our Board of Directors could amend, suspend or terminate our 2006 Stock Incentive Plan at any time, except that stockholder approval would be required for any revision that would materially increase the number of shares reserved for issuance, expand the types of awards available under the plan, materially modify plan eligibility requirements, extend the term of the plan or materially modify the method of determining the exercise price of options granted under the plan, or otherwise as required to comply with applicable law or stock market requirements.

As of April 30, 2016, options to purchase 88,733 shares of our Common Stock at a weighted average exercise price of \$42.29 were outstanding under our 2006 Stock Incentive Plan.

As of April 30, 2016, we had granted 120,019 shares of restricted Common Stock under our 2006 Stock Incentive Plan, of which 41,672 remain outstanding.

Once the 2015 Omnibus Incentive Plan (discussed below) was approved by the stockholders on October 22, 2015, no further stock options or other awards were awarded under the 2006 Stock Incentive Plan and it was terminated.

2015 Omnibus Incentive Plan

On August 17, 2015, the Board of Directors approved, subject to the receipt of stockholder approval, the Ocean Power Technologies, Inc. 2015 Omnibus Incentive Plan (the “2015 Plan”). On October 22, 2015, the stockholders approved the 2015 Plan and the 2006 Stock Incentive Plan was terminated. For a summary of the terms of the 2015 Plan, see Proposal Four below.

As of April 30, 2016, no options to purchase shares of our Common Stock were outstanding under 2015 Omnibus Incentive Plan.

As of April 30, 2016, we had granted 2,750 shares of Restricted Common Stock under our 2015 Omnibus Incentive Plan, of which 2,350 remain outstanding.

The 2015 Plan will terminate automatically on October 22, 2025, which is ten years after the date on which stockholders approve the 2015 Plan.

Potential Payments upon Termination of Employment or Change in Control

The following information sets forth the terms of potential payments to each of our named executive officers in the event of a termination of employment.

Termination by Company without Cause; Termination by Executive for Good Reason. Our employment agreement with Mr. Kirby provides for severance pay equal to one-half (1/2) of a year of base salary in a lump sum within 30 days in the event that employment is terminated by the Company, other than for cause, upon Mr. Kirby's disability or by the executive with good reason, each occurring during the first year of employment (i.e., prior to January 20, 2016). After the first year of employment, the amount of severance pay increases to one (1) year of base salary. In both instances, Mr. Kirby would also be entitled to receive any other payments owed such as a short-term bonus, long-term compensation, benefits and expenses reimbursements to the degree such payments are owed for service provided up to the date of termination. Finally, the expiration date of any other options held by Mr. Kirby would be extended to a date 90 days after the date of termination of employment (but not longer than the original term of such options).

Our employment contract with Mr. Featherstone provides for severance pay equal to one year of base salary payable as salary continuation in accordance with regular payroll practices and the continuation of health care benefits for 12 months in the event that employment is terminated by the Company other than for cause or by the executive with good reason.

Termination by Company for Cause; Termination by Executive without Good Reason. Under our employment contracts with Mr. Kirby and Mr. Featherstone upon termination for cause or at the executive's election without good reason, the executive is entitled to the base salary and benefits due and owing to the executive as of the date of termination.

Change in Control. Our employment agreement with Mr. Kirby provides for severance pay equal to one (1) year of base salary if a change of control occurs and Mr. Kirby is terminated by the Company or Mr. Kirby terminates the agreement, each occurring within 90 days of the change of control. Mr. Kirby would also be entitled to receive any other payments owed such as a short-term bonus, long-term compensation, benefits and expenses reimbursements to the degree such payments are owed for service provided up to the date of termination. Finally, the expiration date of any other options held by Mr. Kirby would be extended to a date 90 days after the date of termination (but not longer than the original term of such options). In addition, to the extent that Mr. Kirby has not previously vested in rights and interests held by Mr. Kirby under the Company's stock and other equity plans (including stock options, restricted stock, RSU's, performance units or performance shares), such rights and interest would become fully vested.

The employment agreement for Mr. Featherstone does not contain change of control provisions; therefore, payments for cash severance and continued healthcare benefits are the same as for termination without cause. The restricted stock agreement provides for accelerated stock vesting upon a change in control.

Termination upon Failure to Renew by the Company. In the event that our employment agreement with Mr. Kirby terminates the end of the term and is not renewed as a result of a decision by the Company not to renew, prior to a decision by Mr. Kirby not to renew, the Company will pay Mr. Kirby a severance payment in the amount of one (1) year base salary in a lump sum within 30 days after the termination date.

The employment agreement for Mr. Featherstone does not contain similar provisions.

Qualifying retirement. Under our restricted stock agreements with the named executive officers, upon a Qualifying Retirement 50% of unvested restricted shares will vest immediately. A “Qualifying Retirement” means retirement by the recipient after satisfaction of the conditions in either clause (A) or clause (B): (A) the recipient has both (1) attained the age of 55 and (2) completed at least ten years of employment with the Company; or (B) the sum of the recipient’s age plus the number of years he or she has been employed by the Company equals or exceeds 75 years.

PROPOSAL THREE

ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION PRACTICES

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in 2010, requires that we provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. Consistent with our stockholders’ preference expressed in voting at the 2011 annual meeting of stockholders, the Board of Directors determined that an advisory vote on the compensation of our named executive officers will be conducted every year. The next advisory vote on the frequency of an advisory vote on executive compensation will take place at the 2017 annual meeting of stockholders. We are asking stockholders to approve the following advisory resolution at the 2016 Annual Meeting of Stockholders:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in the Company’s proxy statement for its 2016 Annual Meeting of Stockholders, is hereby APPROVED.

The Board of Directors recommends a vote FOR this resolution because it believes that the policies and practices described in the Executive Compensation section are effective in achieving our goals of rewarding sustained financial and operating performance and leadership excellence, aligning the executives' long-term interests with those of our stockholders and motivating our executives to remain with us for long and productive careers. Named executive officer compensation over the past two years reflects amounts of cash and equity compensation consistent with our stated goals and objectives.

We urge stockholders to read the Executive Compensation section beginning on page 16 of this proxy statement, including the 2016 Summary Compensation Table and related tables and narrative, appearing on pages 17 through 23 which provide information on our compensation policies and practices and the compensation of our named executive officers.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is nonbinding on the Board of Directors. Although nonbinding, the Board will review and consider the voting results when evaluating our executive compensation program.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* APPROVAL OF THE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.

PROPOSAL FOUR

APPROVAL OF AN AMENDMENT TO THE

OCEAN POWER TECHNOLOGIES, INC. 2015 OMNIBUS INCENTIVE PLAN

General

As of July 31, 2016, the 2015 Plan only had 11,568 shares remaining available for future issuance for awards. Effective August 17, 2016, our Board approved and adopted an amendment to the 2015 Plan, subject to stockholder approval, to increase the number of shares available for grant under the 2015 Plan from 240,703 to 640,703 in order to assure that adequate shares will be available for future grants.

We believe that substantial equity participation by employees is important in creating an environment in which employees will be motivated to remain employed and be productive for long periods of time in helping us to achieve our goals. We further believe that the attraction, retention and motivation of highly qualified personnel is essential to our continued growth and success and that continued awards under the 2015 Plan are necessary for us to remain competitive in our compensation practices. In addition, we believe that the 2015 Plan is an effective way to assure alignment of employees' and stockholders' interests and believe all such equity incentives are in the best interest of the stockholders. In addition, our directors receive annual compensation in restricted shares or stock option awards. Additional shares are needed under the Plan to ensure that grants to our directors can continue to be made on an annual basis.

A copy of the amendment is attached to this proxy as [Annex A](#). The amendment to the 2015 Plan is being submitted for your approval pursuant to the rules and regulations of the SEC and the NASDAQ.

Description of 2015 Plan

The following is a summary of the material provisions of the 2015 Plan and is qualified in its entirety by reference to the complete text of the 2015 Plan, a copy of which is filed as Annex A to our Proxy Statement on Schedule 14A filed with the SEC on September 3, 2015.

Administration

The 2015 Plan is administered by a committee of the Board, which consists of not fewer than two directors of the Company designated by the Board, each of whom is a “non-employee director” within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), an “outside director” within the meaning of Section 162(m) of the Internal Revenue Code as amended (as now in effect or later amended and any successor thereto, the “Code”) and, for so long as our Common Stock is listed on the NASDAQ, an “independent director” within the meaning of the NASDAQ rules. Among other things, the committee administering the 2015 Plan has full power and authority to take all actions and to make all determinations required or provided for under the 2015 Plan, any award under the 2015 Plan or any award agreement under the 2015 Plan, not inconsistent with the specific terms and conditions of the 2015 Plan, which the committee deems to be necessary or appropriate to the administration of the 2015 Plan. The committee administering the 2015 Plan, may amend, modify or supplement the terms of any outstanding award, provided that no amendment, modification or supplement of the terms of any outstanding award shall impair a grantee’s rights under an award without the consent of the grantee. The committee administering the 2015 Plan is also authorized to construe the award agreements, and may prescribe rules relating to the 2015 Plan. Notwithstanding the foregoing, our full Board will conduct the general administration of the 2015 Plan with respect to all awards granted to our non-employee directors. In addition, in its sole discretion, our Board may at any time and from time to time exercise any and all rights and duties of the committee under the 2015 Plan except with respect to matters which are required to be determined in the sole discretion of the committee under Rule 16b-3 of the Exchange Act or Section 162(m) of the Code, or any regulations or rules issued thereunder.

Grant of Awards; Shares Available for Awards; Award Limits; Eligible Grantees

The 2015 Plan provides for the grant of stock options, SARs, restricted stock awards, stock unit awards and unrestricted stock awards, dividend equivalent rights, performance share awards or other performance-based awards, other equity-based awards or cash to eligible employees, officers and non-employee directors of the Company or any affiliate of the Company, or any consultant or adviser to the Company or an affiliate who is currently providing services to the Company or an affiliate, or to any other individual whose participation in the 2015 Plan is determined to be in the best interests of the Company by the committee administering the 2015 Plan. We have reserved a total of 200,000 shares of Common Stock for issuance as or under awards to be made under the 2015 Plan, plus (y) 40,703, which was the number of shares of Common Stock available for issuance under our 2006 Stock Incentive Plan as of the effective date of the 2015 Plan, plus (z) the number of shares of our Common Stock related to awards under the 2006 Stock Incentive Plan as of the effective date of the 2015 Plan which thereafter terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares. With the proposed amendment to the Plan, the number of shares of Common Stock would increase from 240,703 to 640,703. If any award expires, is cancelled, or terminates unexercised or is forfeited, the number of shares subject thereto is again available for grant under the 2015 Plan. The maximum number of shares of stock that can be granted under the 2015 Plan pursuant to incentive stock option awards is currently two hundred thousand (200,000). The maximum number of shares of stock subject to awards that can be granted under the 2015 Plan in any one calendar year to any person, other than a non-employee director, is seventy-five thousand (75,000). The maximum fair market value of shares of stock that may be granted under the 2015 Plan in any one calendar year to any non-employee director is two-hundred thousand dollars (\$200,000). The limitations on the amount of shares of stock issuable under the 2015 Plan is subject to adjustment in the event of certain changes in our capital stock, such as recapitalizations, reclassifications, stock splits, reverse stock splits, spin-offs, combinations of our stock, exchanges of our stock and other increases or decreases in our stock without receipt of consideration.

Currently, there are approximately 40 employees, non-employee directors, consultants and advisers who would be entitled to receive stock options and/or shares of restricted stock under the 2015 Plan. Future new hires and additional non-employee directors and/or consultants and advisers would be eligible to participate in the 2015 Plan as well.

Term of 2015 Plan

The 2015 Plan will terminate automatically on October 22, 2025, which is ten years after the date on which stockholders approved the 2015 Plan.

Awards

Awards under the 2015 Plan may consist of the following:

- stock options;
- SARs;
- restricted stock and stock units;
- unrestricted stock and other equity-based awards;
- dividend equivalent rights; and
- performance-based awards.

Stock Options. The 2015 Plan provides for either “incentive stock options” (“ISOs”), which are intended to meet the requirements for special federal income tax treatment under Section 422 of the Code, or “nonqualified stock options” (“NQSOs”). Stock options may be granted on such terms and conditions as the committee administering the 2015 Plan may determine; provided, that the per share exercise price of each stock option must be not be less than the fair market value of one share of our Common Stock on the date of grant and the term of the stock option may not exceed 10 years (110% of such value and five years in the case of an ISO granted to an employee who owns (or is deemed to own) more than 10% of the total combined voting power of all classes of outstanding voting securities of our company or a parent or subsidiary of our company). ISOs may only be granted to employees. In addition, the aggregate fair market value of our Common Stock covered by one or more ISOs (determined at the time of grant) which are exercisable for the first time by an employee during any calendar year may not exceed \$100,000. Any excess is treated as an NQSO.

Stock Appreciation Rights. An SAR entitles the grantee, upon exercise, to receive an amount equal to the excess of (x) the fair market value of one share of our Common Stock on the date of exercise, over (y) the per share exercise price of such SAR as determined by the committee administering the 2015 Plan. The exercise price of an SAR may not be less than the fair market value of one share of Common Stock on the grant date of the SAR. SARs may be granted in tandem with all or part of any stock options or any other award granted under the 2015 Plan or without regard to any option or other award. The committee administering the 2015 Plan has the authority to determine, on the grant date or thereafter, the time or times at which and the circumstances under which an SAR may be exercised in whole or in part, the time or times at which the SARs shall cease to be or become exercisable following the termination of service of the grantee, the method of exercise, the method of settlement, the form of consideration payable upon settlement, method by or forms in which shares of Common Stock shall be delivered or deemed to be delivered to the grantees, whether or not an SAR is granted in tandem or in combination with any other award and any and all terms and conditions of any SAR.

Restricted Stock Awards and Stock Unit Awards. A restricted stock award is an award of Common Stock to the grantee, subject to such restrictions as the committee administering the 2015 Plan, in its sole discretion, may determine. A stock unit award entitles the grantee to receive the equivalent of one share of Common Stock for each stock unit subject to such award, subject to the satisfaction by the grantee of any vesting requirements. Restricted stock and stock unit awards may be granted subject to such conditions as may be determined by the committee administering the 2015 Plan at the time a grant of restricted stock or stock unit is made, which may include a period of time during which the restricted stock award or stock unit award is unvested and prescribe restrictions in addition to or than the restricted period including the achievement of individual or corporate performance goals. Unless the committee administering the 2015 Plan otherwise provides in an award agreement, restricted stock and stock units that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, are forfeited for no consideration if the grantee terminates service with the Company. Awards of restricted stock and stock units may not be sold, transferred or otherwise encumbered during any period in which such awards are unvested or prior to the satisfaction of any other restrictions prescribed by the committee administering the 2015 Plan with respect to such awards. Unless the committee administering the 2015 Plan otherwise provides in an award agreement, holders of restricted stock awards have the right to vote the shares of restricted stock and the right to receive any dividends paid or declared with respect to the restricted stock subject to the award. Holders of stock unit awards have no rights as a stockholder of the Company and do not have the right to receive cash or dividend payments or distributions attributable to the shares of Common Stock underlying such awards, to direct the voting of the shares subject to such stock unit awards, or to receive notice of any meeting of the Company's stockholders.

Unrestricted Stock Awards and Other Equity-Based Awards. The committee administering the 2015 Plan also may grant unrestricted stock awards and other equity-based awards to grantees under the 2015 Plan. Unrestricted stock awards permit the grantee to receive shares of Common Stock free of any restrictions, in consideration for past services rendered to the Company or an affiliate or for other valid consideration. Other equity-based awards are awards representing a right or interest that may be denominated or payable in or valued in whole or in part by reference to or based on or related to our Common Stock, that are not options, SARs, restricted stock, stock units, unrestricted stock, dividend equivalent rights or performance shares. Other equity-based awards may be granted by the committee administering the 2015 Plan upon such terms and conditions as the committee may determine.

Dividend Equivalent Right Awards. A dividend equivalent right is an award entitling the recipient to receive credits based on cash distributions that would have been paid to the recipient on the shares of Common Stock specified in the dividend equivalent right if such shares had been issued to and held by the recipient of the dividend equivalent right as of the record date. A dividend equivalent right may be granted to any grantee under the 2015 Plan, but may not be granted in connection with or related to an award of options or SARs under the 2015 Plan. The terms and conditions of any dividend equivalent right shall be as set forth in the award agreement relating to such right. Unless the committee administering the 2015 Plan otherwise provides in an award agreement, a grantee's rights in all dividend equivalent rights will automatically terminate upon the grantee's termination of service with the Company.

Performance-Based Awards. Performance-based awards may be granted by the committee administering the 2015 Plan in such amounts and upon such terms as the committee determines. Generally, performance-based awards will have an actual or target number of shares of Common Stock or initial value that is set by the committee at the time of grant. The committee administering the 2015 Plan has the discretion to set performance goals which, depending on the extent to which they are achieved, will determine the value and/or the number of shares of Common stock subject to a performance-based award that will be paid out to the grantee. The right of a grantee to exercise or receive a grant or settlement of any performance-based award, and the timing thereof, will be subject to the performance conditions specified by the committee, and will entitle the grantee to receive cash or shares of our Common Stock upon the attainment of the specified performance goals over a specified performance period.

Repricing Not Permitted

Except in connection with a corporate transaction in which we are involved, without obtaining stockholder approval, we may not amend the terms of any outstanding options or SARs under the 2015 Plan to reduce the exercise price of such outstanding options or SARs, cancel outstanding options or SARs in exchange for or in substitution of options or SARs with an exercise price that is less than the exercise price of the original options or SARs, or cancel outstanding options or SARs with an exercise price above the current stock price in exchange for cash or other securities.

Change in Control Provisions

In the event of a change in control in which the acquirer does not assume awards granted under the 2015 Plan, all outstanding restricted stock, stock units and all dividend equivalent rights awarded under the 2015 Plan will be deemed to have vested and the shares of Common Stock subject thereto will be delivered, immediately prior to the occurrence of such change-in-control, in each case with the exception of performance-based awards which will be treated as described below. Under the 2015 Plan, a change in control is generally defined as:

a person or group becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) of more than 50% of the total voting power of our voting stock on a fully diluted basis;

individuals who on the effective date of the 2015 Plan constituted our Board (together with any new directors whose election by such board of directors for election by our stockholders was approved by a vote of at least a majority of the members of such board on such effective date or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of the members of such board then in office; or

the Company consolidates with or merges with or into any person, or any other person consolidates with or merges with or into the Company, other than any transaction in which the holders of securities that represented one hundred

percent of the voting stock of the Company immediately prior to such transaction (or other securities into which such securities are converted as part of such merger or consolidation transaction) own directly or indirectly at least a majority of the voting power of the voting stock of the surviving person in the merger or consolidation transaction immediately after the transaction; or

there is consummated any direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one transaction or series of related transactions, of all or substantially all of the assets of the Company and our subsidiaries, taken as a whole, to any person or group (within the meaning of Section 13(d) or 14(d)(2) of the Exchange Act).

In the case of a change in control, the 2015 Plan provides that performance-based awards will be treated as follows. For performance-based awards denominated in shares of Common Stock, the 2015 Plan provides that if less than half of the performance period has lapsed, such awards will be treated as if the target performance has been achieved. If at least half of the performance period has lapsed, then the actual performance to date will be determined as of a date reasonably close to the date of consummation of the change in control (as determined by the committee administering the 2015 Plan) and that level of performance will be treated as achieved immediately prior to the occurrence of the change in control. If actual performance is not determinable, then the performance-based awards will be treated as if target achievement has been achieved.

Adjustment

If the number of outstanding shares of our Common Stock is increased or decreased, or the shares of Common Stock are changed into or exchanged for a different number of shares or kind of capital stock or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse stock split, spin-off, combination of stock, exchange of stock, stock dividend or other distribution payable in capital stock, or other increase or decrease in shares of our Common Stock effected without receipt of consideration by the Company after the effective time of the 2015 Plan, the number and kinds of shares of stock for which grants of options and other awards may be made under the 2015 Plan, including the share limits set forth in the 2015 Plan, and the number and kinds of shares of stock for which awards are outstanding under 2015 Plan shall be adjusted proportionately and accordingly by the committee administering the 2015 Plan. Any such adjustment in outstanding options or SARs under the 2015 Plan shall not change the aggregate option price or SAR price payable with respect to the shares that are subject to the unexercised portion of such option or SAR, but will include a proportionate adjustment in the per share option price or SAR price.

Amendment and Termination

The committee administering the 2015 Plan may amend, suspend or terminate the 2015 Plan as to any shares of Common Stock as to which awards have not been made. The effectiveness of any amendment to the 2015 Plan will be contingent on approval of such amendment by our stockholders to the extent provided by our Board and required by applicable law (including the rules of any stock exchange on which the Common Stock is then listed), provided that no amendment may be made to the repricing provisions or the option pricing provisions of the 2015 Plan without stockholder approval. No amendment, suspension or termination of the Plan may impair the rights or obligations of any award made under the 2015 Plan without the grantee's consent.

Securities Laws Compliance

The 2015 Plan is intended to comply with all provisions of the Securities Act of 1933, as amended, and the Exchange Act, and all regulations promulgated by the SEC thereunder, including without limitation Rule 16b-3.

Certain Federal Income Tax Consequences of the 2015 Plan

The following is a general summary of the federal income tax consequences of awards under the 2015 Plan. This is not a complete description of tax consequences. In particular, this summary does not address the non-U.S., state or local income or other tax consequences, or any federal non-income tax consequences.

Generally, a participant will not recognize taxable income upon the grant of an NQSO or an ISO. Upon the exercise of an NQSO, the participant recognizes ordinary income in an amount equal to the excess, if any, of the fair market value of the shares acquired on the date of exercise over the exercise price paid therefor under the NQSO, and the Company will generally be entitled to a deduction for such amount at that time. If the participant later sells shares acquired pursuant to the exercise of an NQSO, the participant recognizes long-term or short-term capital gain or loss, depending on the period for which the shares were held. Long-term capital gain is generally subject to more favorable tax treatment than ordinary income or short-term capital gain. Upon the exercise of an ISO, the participant does not recognize taxable income. If the participant disposes of the shares acquired pursuant to the exercise of an ISO more than two years after the date of grant and more than one year after the transfer of the shares to the participant, the participant recognizes long-term capital gain or loss and the Company will not be entitled to a deduction. However, if the participant disposes of such shares prior to the end of the required holding period, all or a portion of the gain is treated as ordinary income and the Company is generally entitled to deduct such amount. In addition to the tax consequences described above, a participant may be subject to the alternative minimum tax, which is payable to the extent it exceeds the participant's regular tax. For this purpose, upon the exercise of an ISO, the excess of the fair market value of the shares over the exercise price paid therefor under the ISO is a preference item for alternative minimum taxable income determination purposes. In addition, the participant's basis in such shares is increased by such excess for purposes of computing the gain or loss on the disposition of the shares for alternative minimum tax purposes.

A participant does not recognize taxable income upon the grant of an SAR. The participant has ordinary compensation income upon exercise of the SAR equal to the increase in the value of the underlying shares, and the Company will generally be entitled to a deduction for such amount.

A participant does not recognize taxable income upon the receipt of a performance-based share award until the shares are received. At such time, the participant recognizes ordinary compensation income equal to the excess, if any, of the fair market value of the shares over any amount thereby paid for the shares, and the Company will generally be entitled to deduct such amount at such time.

A participant does not recognize taxable income upon the receipt of a performance-based award, restricted stock unit award or dividend equivalent right award until a cash payment is received. At such time, the participant recognizes ordinary compensation income equal to the amount of cash received, and the Company will generally be entitled to deduct such amount at such time.

A participant who receives a grant of restricted stock generally recognizes ordinary compensation income equal to the excess, if any, of the fair market value of such shares of stock at the time the restriction lapses over any amount paid timely for the shares. Alternatively, the participant may elect to be taxed on the fair market value of such shares at the time of grant. The Company thereby will generally be entitled to a deduction at the same time and in the same amount as the income required to be included by the participant.

A participant recognizes ordinary compensation income upon receipt of the shares under an unrestricted stock award equal to the excess, if any, of the fair market value of the shares over any amount paid thereby for the shares, and the Company will generally be entitled to deduct such amount at such time.

Code Section 162(m). Section 162(m) of the Code limits the Company's ability to deduct compensation of more than \$1 million that is paid to an individual who, on the last day of the taxable year, is either our principal executive officer or among the three other most highly compensated executive officers for that taxable year as reported in our proxy statement. This limitation on deductions does not apply to certain types of compensation, including qualified performance-based compensation. Grants of stock options and SARs generally will meet the requirements of "performance-based compensation" if other requirements of Code Section 162(m) are met. Stock awards, stock units and dividend equivalents generally will not qualify as "performance-based compensation."

Section 409A. Code Section 409A applies to nonqualified deferred compensation. Stock options and SARs granted under the 2015 Plan will generally not be subject to Code Section 409A because the exercise price of the stock options and the base amount of the SARs will not be less than fair market value on the date of grant and they will not contain a deferral feature. Stock awards also will generally not be subject to Code Section 409A. Stock units, dividend

equivalents and other stock-based awards will generally be subject to the requirements of Code Section 409A if the recognition of income by the recipient of such awards occurs in any calendar year after the year in which such awards become vested. Grants made under the 2015 Plan that are subject to Code Section 409A are intended to comply with the requirements of Code Section 409A. If the requirements of Code Section 409A are not met with respect to grants subject to Code Section 409A, the recipient may be required to currently include such amounts in the recipient's taxable income and additional federal taxes may be assessed on such amounts, including interest and a 20% penalty tax.

PROPOSAL FIVE

AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION

TO DELETE DIRECTOR REMOVAL FOR CAUSE ONLY PROVISION

Background

Article Ninth of the Company's Restated Certificate of Incorporation (as amended, the "Certificate of Incorporation") currently provides that directors may be removed by the stockholders only for cause and only by the affirmative vote of the holders of at least 75% of the votes that all stockholders would be entitled to cast at a meeting of the Company's stockholders. In addition, the Certificate of Incorporation currently provides that the provisions of Article Ninth of the Certificate of Incorporation cannot be amended without the affirmative vote of the holders of at least 75% of the votes that all stockholders would be entitled to cast at a meeting of the Company's stockholders

We and certain of our current and former directors are defendants in a lawsuit filed by an alleged shareholder in the Superior Court of New Jersey, Mercer County Chancery Division on January 25, 2016, captioned *Stern v. Ocean Power Technologies, Inc., et al.*, Civil Action No. C-5-16. The complaint alleges that certain provisions of our Certificate of Incorporation and Bylaws providing that the Company's directors may be removed only for cause and only by an affirmative vote of at least 75% of the votes which all the stockholders would be entitled to cast in any annual election of directors are invalid under Section 141(k) of the Delaware General Corporation Law. The Complaint asserts a breach of fiduciary claim against the director defendants and a declaratory judgment claim against all defendants seeking, among other things, to invalidate the current provisions and declare that the Company's directors may be removed and replaced without cause and by a simple majority vote. The Complaint seeks declaratory and injunctive relief as well as unspecified costs and attorneys' fees. Defendants have not yet responded to the Complaint.

By Unanimous Written Consent dated June 17, 2016, the Company's Board of Directors amended the Company's By-laws to delete the "only for cause" requirement, thereby allowing for removal of directors with or without cause by the Company's stockholders. In addition, the Board proposed, subject to approval by the Company's stockholders at the Meeting, a similar amendment to the director removal provision in the Company's Certificate of Incorporation. On June 22, 2016, the parties to this lawsuit submitted a Stipulation and Proposed Order Staying Proceedings that (1) stays the case pending the stockholder vote on the proposed amendment to the Company's Certificate of Incorporation; (2) provides for dismissal of the action with prejudice if the stockholders approve the amendment, subject to plaintiff's right to make a fee application to the court and defendants' right to oppose any such application; and (3) provides for the stay to be lifted and the action to resume, without waiver of any parties' rights, if the stockholders do not approve the amendment. The court approved the stipulation on June 30, 2016.

As a result, the Board has approved, and recommends that the stockholders adopt, an amendment to the Certificate of Incorporation to delete the "only for cause" requirement from Article Ninth for the removal of directors by the

stockholders, which has as its effect that that directors may be removed by the stockholders with or without cause. If approved, the proposed amendment to the Certificate of Incorporation would become effective upon the filing of a Certificate of Amendment with the Secretary of State of the State of Delaware, which the Company would do promptly after stockholder approval is obtained for the proposed amendment.

A copy of the amendment is attached to this proxy as Annex B. This amendment to the Certificate of Incorporation is being submitted for your approval pursuant to the Delaware General Corporation Law and SEC rules.

Vote Required

The approval of this amendment to the Certificate of Incorporation requires the affirmative vote of the holders of 75% of the outstanding shares of common stock entitled to vote at the Annual Meeting. For the approval of this amendment to the Certificate of Incorporation, you may vote “FOR” or “AGAINST” or “ABSTAIN” from voting. If you hold your shares in your own name and abstain from voting on this matter, your abstention will have the effect of a vote “AGAINST” this amendment. If you hold your shares through a broker, bank, trustee or other nominee and you do not instruct them on how to vote on this proposal, your broker or other nominee will not have authority to vote your shares and such non-vote will have the effect of a vote “AGAINST” this amendment.

Board Recommendation

The Board recommends a vote “FOR” the amendment to the Certificate of Incorporation.

PROPOSAL SIX

AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION

TO ADD REQUIREMENT TO CONFORM TO DGCL

Background

In a meeting of the Board on August 17, 2016, the Board concluded, in addition to amending Article Ninth of the Certificate of Incorporation to delete the “only for cause” provision for removal of the Company’s directors, that a new provision should be added to the Certificate of Incorporation that would apply anytime a provision in the Certificate of Incorporation was inconsistent with the requirements of the Delaware General Corporate Law (the “DGCL”). Specifically, the Board approved an amendment to the Certificate of Incorporation that specifies that, to the fullest extent permitted by law, any provision in the Certificate of Incorporation that is contrary to a requirement of the DGCL shall be read in conformity with the applicable requirement of the DGCL. The Board concluded that adopting this provision will enable the Certificate of Incorporation to be a more dynamic document, and will enable us to react more quickly to statutory amendments, judicial interpretations or other events that may arise in the future and could cause the provisions of the Certificate of Incorporation to be contrary to the requirements of the DGCL. The Board also concluded that if Proposal Five is not approved then adopting this provision would enable the Company in the future to take the position that the “only for cause” provision in the Certificate of Incorporation for removal of the Company’s directors would not be enforceable under the Certificate of Incorporation and the DGCL. As a result, the Board recommends that the stockholders adopt, an amendment to the Certificate of Incorporation that specifies that, to the fullest extent permitted by law, any provision in the Certificate of Incorporation that is contrary to a requirement of the DGCL shall be read in conformity with the applicable requirement of the DGCL.

If approved, the proposed amendment to the Certificate of Incorporation would become effective upon the filing of a Certificate of Amendment with the Secretary of State of the State of Delaware, which the Company would do promptly after stockholder approval is obtained for the proposed amendment.

A copy of the amendment is attached to this proxy as Annex C. This amendment to the Certificate of Incorporation is being submitted for your approval pursuant to the DGCL and SEC rules.

Vote Required

The approval of this amendment to the Certificate of Incorporation requires the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. For the approval of this amendment to the Certificate of Incorporation, you may vote “FOR” or “AGAINST” or “ABSTAIN” from voting. If you hold your shares in your own name and abstain from voting on this matter, your abstention will have the effect of a vote “AGAINST” this amendment. If you hold your shares through a broker, bank, trustee or other nominee and you do not instruct them on how to vote on this proposal, your broker or other nominee will not have authority to vote your shares and such non-vote will have the effect of a vote “AGAINST” this amendment.

Board Recommendation

The Board recommends a vote “FOR” the amendment to the Certificate of Incorporation.
