Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 23, 2018, Advaxis, Inc. (“Advaxis”) received written notice from the staff (the “Staff”) of the Listing Qualifications Department of The Nasdaq Stock Market (“Nasdaq”) indicating that Advaxis was not in compliance with Nasdaq Listing Rule 5450(a)(1) because the closing bid price for Advaxis’ common stock had closed below \$1.00 per share for the previous 30 consecutive business days. The notification of noncompliance has no immediate effect on the listing or trading of Advaxis common stock on the Nasdaq Global Select Market under the symbol “ADXS,” and Advaxis is currently monitoring the closing bid price of its common stock and evaluating its alternatives, if appropriate, to regain compliance with this rule.

In accordance with Nasdaq Listing Rule 5810(c)(3)(A), Advaxis has 180 calendar days from the date of such notice, or until April 22, 2019, to regain compliance with the minimum closing bid price requirement. To regain compliance, the closing bid price of Advaxis’ common stock must meet or exceed \$1.00 per share for a minimum of 10 consecutive business days during the 180 calendar day grace period, unless the Staff exercises its discretion to extend this 10 business day period pursuant to Nasdaq Listing Rule 5810(c)(3)(F). If Advaxis regains compliance, Nasdaq will provide Advaxis with written confirmation and will close the matter. To regain compliance, the closing bid price for Advaxis common stock must close at \$1.00 per share or more for a minimum of 10 consecutive business days.

If Advaxis does not regain compliance with Rule 5450(a)(1) by April 22, 2019, Advaxis may be eligible for an additional 180 calendar day compliance period. To qualify, Advaxis would need to transfer the listing of its common stock to The Nasdaq Capital Market, provided that it meets the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market except for the closing bid price requirement. To effect such a transfer, Advaxis would also need to pay an application fee to Nasdaq and will need to provide written notice of its intention to cure its deficiency during the second compliance period. If it meets these criteria, the Staff will notify Advaxis that it has been granted an additional 180 calendar day compliance period. However, if it appears to the Staff that Advaxis will not be able to cure the deficiency, or if Advaxis is otherwise not eligible, the Staff would notify Advaxis that its securities would be subject to delisting. In the event of such a notification, Advaxis may appeal the Staff’s determination to delist its securities to a Nasdaq Listing Qualifications Panel (the “Panel”). Advaxis expects that its stock would remain listed pending the Panel’s decision. However, there can be no assurance that, if Advaxis does appeal the delisting determination by the Staff to the Panel, that such appeal would be successful.
