Item 3.01: Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As previously announced in a Current Report on Form 8-K filed on April 9, 2018, on April 3, 2018, Staffing 360 Solutions, Inc. (the "Company") received a letter from the Listing Qualifications staff (the "Staff") of The Nasdaq Stock Market LLC ("Nasdaq") notifying the Company that it is no longer in compliance with the minimum stockholders' equity requirement for continued listing on The Nasdaq Capital Market. Nasdaq Listing Rule 5550(b)(1) requires listed companies to maintain stockholders' equity of at least \$2,500,000 (the "Equity Requirement"). In response, the Company submitted a plan of compliance to the Staff, which was accepted, and the Company was granted until July 31, 2018 to regain compliance with the Equity Requirement.

On August 15, 2018, the Staff issued a letter to the Company in which it indicated that, since the Company had not regained compliance with the Equity Requirement, its common shares would be subject to delisting on August 24, 2018, unless the Company timely requests a hearing before a Nasdaq Hearings Panel (the "Panel").

On August 22, 2018, the Company requested a hearing before the Panel. The hearing request automatically stays any suspension or delisting action pending the hearing and the expiration of any additional extension granted by the Panel. At the hearing, the Company will provide the Panel with an update on its compliance plan and, if necessary, request a further extension of time in which to regain compliance. Pursuant to the Nasdaq Listing Rules, the Panel has the discretion to grant an additional extension of time of up to 180 calendar days, as measured from August 15, 2018.

As a result of this hearing request, the April 15, 2018 notice from the Staff will have no immediate effect on the listing of the Company's common stock at this time. The Company's common stock will continue to trade on the Nasdaq Capital Market under the symbol "STAF".

There can be no assurance that the Company's plan will be accepted by the Panel or that, if it is, the Company will be able to regain compliance with the applicable Nasdaq listing requirements. If the Company's common stock is delisted, it could be more difficult to buy or sell the Company's common stock or to obtain accurate quotations, and the price of the Company's common stock could suffer a material decline. Delisting could also impair the Company's ability to raise capital.
