ITEM 1.01 Entry into a Material Definitive Agreement

DST Systems, Inc. ("DST") has entered into an unsecured credit agreement, dated as of April 16, 2010 (the "Credit Agreement"), with a syndicate of financial institutions, including Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer. The Credit Agreement replaced DST's existing credit agreement dated as of June 28, 2005. Capitalized terms not otherwise defined in this Form 8-K have the meanings given to them in the Credit Agreement.

The Credit Agreement provides for a revolving unsecured credit facility maturing July 1, 2013 in an aggregate principal amount of up to \$600 million, which includes a \$25 million sublimit for the issuance of standby letters of credit and a \$50 million sublimit for swing line loans. The proceeds of borrowings under the Credit Agreement may be used solely for working capital, capital expenditures, and other general corporate purposes. The interest rates applicable to loans under the Credit Agreement are generally based on (i) the Eurodollar Rate (LIBOR) plus an applicable margin, (ii) the Base Rate (defined as the highest of the Administrative Agent's prime rate, the Federal Funds Rate plus 0.5% and a daily rate equal to one-month LIBOR plus 1.0%) plus an applicable margin, or (iii) with respect to Swing Line Loans either the Base Rate plus an applicable margin or a rate to be mutually agreed upon by the Swing Line Lender and DST. Upon the request of the Required Lenders under the Credit Agreement, a default rate will apply on all obligations under the Credit Agreement in the event of an Event of Default at a rate of 2% above the applicable interest rate. The Default Rate may also apply in certain other circumstances further described in the Credit Agreement. DST will pay a facility fee based on the Applicable Rate, letter of credit fees based on the Applicable Rate, fronting fees and other customary documentation and processing charges, and certain other fees to the Arrangers and the Administrative Agent. The Applicable Rate, facility fee and letter of credit fees vary based upon DST's Consolidated Leverage Ratio.

DST is required to repay Revolving Loans on the maturity date of the Credit Agreement and Swing Line Loans on the earlier of demand by the Swing Line Lender (in which case repayment can be made with the proceeds of Revolving Loans) and the maturity date of the Credit Agreement. Subject to the provisions in the Credit Agreement, DST may voluntarily prepay loans in whole or in part without premium or penalty, subject to reimbursement of the lenders' breakage and redeployment costs in the case of prepayment of LIBOR borrowings. DST must also compensate the lenders for other costs relating to the making, maintaining, continuing or converting Revolving Loans as described in the Credit Agreement. If any Event of Default occurs and is continuing, all amounts payable under the Credit Agreement may be declared immediately due and payable.

The Credit Agreement contains financial covenants, customary affirmative and negative covenants for transactions of this type, as well as certain customary events of default.

Bank of America, N.A., Citibank, N.A. and several other lenders party to the Credit Agreement and/or their affiliates have provided and continue to provide commercial banking, investment banking and other services to DST and its affiliates, for which they receive customary fees and commissions.

The above description of the Credit Agreement is qualified in its entirety by reference to the terms of the Credit Agreement attached hereto as Exhibit 10.1.

ITEM 1.02 Termination of a Material Definitive Agreement

On April 16, 2010, DST fully prepaid the outstanding loans and paid the other obligations under its Credit Agreement dated as of June 28, 2005 among DST, Bank of America, N.A. and the other lenders party thereto (the "Existing Credit Agreement"), at which time the Existing Credit Agreement was terminated, subject to the survival of any provisions which by their terms survive the prepayment and termination. The payment included a \$443,400,000 principal payment, approximately \$130,000 in accrued interest and approximately \$45,000 for various fees.

Bank of America, N.A. and several other lenders party to the Existing Credit Agreement (and/or their affiliates) have provided and continue to provide commercial banking, investment banking and other services to DST and its affiliates, for which they receive customary fees and commissions.

ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As discussed under Item 1.01, DST has entered into the Credit Agreement. Please see the discussion in Item 1.01, which is incorporated into this Item 2.03 by reference.
