Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 5, 2012, the Leadership and Compensation Committee of the Board of Directors (the “Committee”) of EMC Corporation (“EMC”) approved the grant of performance restricted stock units with an economic value of \$8 million to Joseph M. Tucci, EMC's Chairman and Chief Executive Officer. The performance restricted stock units will vest only in the event that certain performance targets, including targets relating to total shareholder return, revenue and other metrics, approved by the Committee have been met for the calendar years 2013 and 2014. The Committee expects to determine whether the performance targets have been met, in full or in part, in February 2015. If such targets are met, the performance restricted stock units will vest in February 2015. EMC will provide more information about the performance targets in its Proxy Statement for the 2013 Annual Meeting of Shareholders.

On September 5, 2012, EMC entered into an amendment to the employment arrangement with Mr. Tucci. Under the arrangement, Mr. Tucci will remain at EMC through at least February 2015. The Board anticipates that at some time prior to such date, Mr. Tucci will fully transfer his role as CEO to a successor and become solely Chairman of EMC and Chairman of VMware, Inc.

The foregoing description is qualified in all respects by reference to the amendment to the employment arrangement, which is attached as Exhibit 99.1 hereto and incorporated herein.
