MARKET SPECULATION

BHP Billiton notes the recent speculation in relation to a potential offer for Rio Tinto at a premium.

BHP Billiton now confirms that it recently wrote to the Board of Rio Tinto outlining a proposal in relation to a potential combination with Rio Tinto on terms incorporating a premium, reflecting its confidence in the benefits for both sets of shareholders of such a transaction. In preparing its proposal, BHP Billiton has examined in detail the regulatory issues and other practicalities of a combination.

In its letter, BHP Billiton sought to pursue discussions with Rio Tinto regarding its proposal. Rio Tinto rejected the proposal.

BHP Billiton has again written to Rio Tinto and intends to continue to seek an opportunity to meet and discuss its proposal with Rio Tinto. There can be no assurance that any transaction or offer will result from BHP Billiton's proposal.
