Item 4. Change in Registrant's Certifying Accountants

On June 9, 2004, as previously disclosed in a Form 8-K, Ernst & Young LLP advised the Company that such firm will resign as the Company's auditors upon completion of its review of the interim financial information for the second quarter of 2004 and filing of the Company's quarterly report on Form 10-Q for the quarter ending June 30, 2004. Ernst & Young's resignation was effective upon completion of its review and the filing of the Company's Form 10-Q on August 9, 2004.

The reports of Ernst & Young LLP on the Company's financial statements for the past two fiscal years did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

Because the resignation of Ernst & Young LLP did not involve any disagreement with the Company, the Company's Audit Committee was not required to take any action regarding the resignation, other than to commence a search for a

new auditing firm.

During the Company's most recent two fiscal years and from January 1, 2004 through August 9, 2004, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statements disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Ernst & Young LLP, would have caused Ernst & Young LLP to make reference to the subject matter of the disagreements in connection with its report.

During the Company's most recent two fiscal years and from January 1, 2004 through August 9, 2004, there were no "reportable events" as such term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company has provided a copy of this Report to Ernst & Young LLP and requested that Ernst & Young LLP furnish the Company with a letter addressed to the Commission stating whether it agrees with the statements made by the Company in response to this item and, if not, stating the respects in which it does not agree. A copy of that letter is filed as Exhibit 16 to this Report.
