**COURT REDUCES JURY AWARD AGAINST INTERTAPE POLYMER CORP. BY OVER \$10,000,000**

**Positive development expected to reduce appellate bond**

**Bradenton, Florida December 20, 2010** Intertape Polymer Group Inc. (TSX: ITP) (the Company) announced today that it has received a positive ruling in the pending litigation against its subsidiary, Intertape Polymer Corp. (Intertape), in the case of Intertape Polymer Corp. v. Inspired Technologies, Inc. (ITI). The United States District Court for the Middle District of Florida has granted Intertape's post trial motion to reduce the amount of the judgment previously awarded by the jury to ITI from \$13,150,000.00 to \$3,000,000.00. These amounts do not include attorney fees, costs, or prejudgment interest.

As a result of the reduction of the judgment, Intertape will request a corresponding reduction in the amount of its appellate bond. We are pleased by this ruling but not completely satisfied considering that we believe ITI's allegations to be unfounded. As such, we will appeal to the 11<sup>th</sup> Circuit Court of Appeals seeking reversal of the judgment, said the Company's President and CEO, Greg Yull.

**About Intertape Polymer Group**

Intertape Polymer Group is a recognized leader in the development and manufacture of specialized polyolefin plastic and paper based packaging products and complementary packaging systems for industrial and retail use. Headquartered in Montreal, Quebec and Sarasota/Bradenton, Florida, the Company employs approximately 2,000 employees with operations in 16 locations, including 13 manufacturing facilities in North America and one in Europe.

**Safe Harbor Statement**

Certain statements and information included in this press release constitute forward-looking information within the meaning of applicable Canadian securities legislation and the Federal Private Securities Litigation Reform Act of 1995. Such forward-looking statements include statements regarding the Company's appeal. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from the Company's expected results. These risks include, but are not limited to, the fact that the jury's verdict may be upheld on appeal. Additional risk factors are contained in the Company's filings with the Canadian securities regulators and the U.S. Securities and Exchange Commission. While the Company may elect to, it is under no obligation (and expressly disclaims any such obligation) and does not undertake to update or alter this information at any particular time.
